Autumn Midnight: That's perfect, and you guys are going to love meeting her, Calista Midnight is Lincoln's Guardian Angel from Michigan and the fifth eldest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Luan with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Luan tried to attack us with her pranks, but Calista used her dark powers and made Luan's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: Whoa, now what was her fear?

Lincoln: That was an easy one: her comedian career getting cancelled and left as a wash-out.

We gasped.

Me: Yeah, that fear is extremely powerful.

Raven Branwen: Well, that wraps it up.

Condiment King: Honestly, we have a bigger price on our heads then what MODOK offered.

2016 Morbucks: Damn straight!

Me: That is for sure.

Professor XXXL: Now, where should we celebrate?

Artie Ziff: Well, since we're here, we might as well celebrate it somewhere here.

Me: Good idea.

Qin: Yeah.

Nico: Great job today everyone.

Captain America: (To the viewers) Now this was an awesome adventure for part 3.

Me: Yep.

We went to the saloon and got some sarsaparilla and soda. Then we went back home and enjoyed the rest of the day and went to sleep.

Me: Ahh nothing like a little relaxation and fun.

Nico: You said it pal.

Me: Yeah!

Lola: Boy this is fun.

Varie: It sure is.

Camie: I think this is awesome.

Eli: I agree there too.

Qin: This is the life.

Leeli: It sure is awesome and fun.

Girl Jordan: Boy it sure is.

Cole: I think it's awesome too.

Wolf O Donnell: It sure is.

Nico: Cole, I want to thank you, Wolf, and your teams for coming.

Cole: No problem Nico. This is awesome.

Me: So Cole how does it feel to have your mom and dad back?

Cole: It feels awesome J.D. And I am now fully caught up with them.

Me: I can tell you had a lot to catch up on after what happened.

Cole: I sure did. And it's awesome.

Me: Yeah. Now that Master Org is gone you can rebuild your life.

Cole: It sure is.

Me: (GROWL) What Victor Adler did to you your father and mother was unforgivable. Makes me angry thinking about it.

Nico: I know.

Cole: I agree.

Lilith Sahl: That is for sure.

Nico: Lilith, what do you like to do in your free time?

Lilith Sahl: I haven't given it much thought. But I'm thinking about becoming a college professor in biomechanics.

Me: Wow that is really highly advanced in science.

Nico: It sure is.

Qin: I agree. But you do have the smarts for it.

Lilith Sahl: Thanks. I'm glad you think so.

Nico: It's a good job to have.

Lilith Sahl: It sure is. Just got to finish up under Lisa's tutelege and then I'll be ready.

Lisa Loud: I've been giving Lilith classes at my college group.

Nico: Oh right I forgot that Lisa is a professor at the local college.

Lisa Loud: Lilith is one of my most gifted students there.

Me: Awesome. I know she is going to do great.

Lilith Sahl: Thanks.

Applejack: YEEHAW! That was a great adventure yesterday.

Me: Boy it sure was. Wow! We haven't had a dogfight in a long time.

Nico: That was so fun.

Me: And we took down a bunch of Hydra's goons and even MODOK.

Nico: He wasn't the only one.

Me: Nope. Klaw, Captain Corbett and Zemo too.

Nico: Yeah that was awesome.

Qin: I have a feeling we're going to be in for a rough one next.

Lola: Me too.

Me: Yeah. But the Philip and Shotaro and their group did great.

Nico: We celebrated at the Saloon.

Me: Yep we sure did.

Camie: Boy that was fun.

Lola: Yeah it was.

Apple Bloom: And Applejack really kicked the tar out of a lot of outlaws.

Applejack: (LAUGHS) That was really great y'all.

Nico: I wonder how we're going to defeat Carnom. Last time we fought a version of Carnage, we had to use fire. This one might require more than that.

Girl Jordan: It will probably be something far more power. Like I'll have to provide the power needed for it.

Me: Girl Jordan is the death of Carnage in a sense. So she will REALLY be tearing going at him.

Nico: I agree.

Leeli: Maybe our song can help bring him down.

Me: It is powerful enough to do so.

Laney: That is for sure.

Xenia: Yeah.

Nico: We'll keep that available.

Camie: Yep.

Me: But we'll worry about that later. For now lets just enjoy some rest.

Poromon flew over to us,

Poromon: Hey guys!

Me: Hey Poromon. What's up?

Poromon: Just want to come and enjoy some rest with you guys too.

Me: Okay then.

I gave him a bottle of beer.

Poromon: You know me too well J.D.

Me: (LAUGHS) Yeah.

Poromon began drinking.

Poromon: Ahh. (BARNEY BELCH)

We laughed!

Qin: Funny!

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: we got word that total jerk who hurt Poromon a lot because he hates him, Roy Lowenstein, is back!

We gasped.

Nico: WHAT?! That motherfucking pissant's back?!

Me: Oh, I warned him that if we ever saw that pissant again, he's literally in for Hell!

Poromon: That monster's the real freak! He needs to get a dodgeball to the groin for this! And we also got bad news: my friend, Adrienne Valentino, Gene-Slammer of The Fire, Lightning, Air and Water Elementals from Magic The Gathering, was kidnapped by that asshole who intends to kill her.

Now, we were seriously pissed off!

Suddenly, the rest of the team arrived thanks to Lincoln's message this time.

Lori: Lincoln told us everything, now that jerk is really in for it this time!

Nico: We're sending that jerk straight to prison where he'll rot for the rest of his life!

Camie: Yeah! Wait who is Adrienne Valentino?

Me: She is a friend of mine from my school days.

I pulled out a picture of her from back when we were in 3rd grade. She was a girl with green hair, blue eyes and had black clothes and on her skirt was the kanji for fire, thunder, water and wind.

Me: She was a really amazing and gifted girl. She comes from a long line of elemental mages. She has amazingly powerful elemental magic. Her power is really strong.

Nico: Wow!

Maria: How do you know her, Poromon?

Poromon: I met her while I was out getting some fruit for Nico and his family. Adrienne and her family were out on vacation and I found them being harassed by a mugger and he had her and her family at knifepoint. I blasted the mugger and sent him to prison. She and her family became forever grateful for that.

Nico: Yep. I remember.

Camie: That is so cool.

Me: Wow I didn't know that.

Nico: That was awesome.

May: I bet she remembers you

Poromon: I do too.

Qin: Either way we got to stop Roy.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and

they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity.

Nico: Yep.

Lincoln: (Sensed for Adrienne Valentino) Aha! I've just spotted Adrienne Valentino, she's 200 yards away, but that butt-chewing worm, Roy Lowenstein, is also there and he's going to kill her!

Poromon: WHAT?!

Nico: Let's head over immediately and put the kibosh on that pissant!

Lincoln: We already got some dodgeballs with his name on them. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs,

and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on rescuing Adrienne Valentino and taking down that asshat, Roy Lowenstein.

Nico: Troy, you, Tyler Bowman, Eli Shane, Tyson, Shotaro and Philip, and Natsumi Tsujimoto did good yesterday.

Troy: Thanks Nico.

Qin; That was awesome.

Tyson: It sure was.

Me: Yep.

We were looking around, and there we saw Adrienne Valentino, Gene-Slammer of the Fire, Lightning, Air and Water Elementals from Magic The Gathering, and to our disgust, we also saw Roy

Lowenstein, and he had a knife and he was about to stab her.

Roy Lowenstein: DIE, BITCH FREAK!

Poromon: Adrienne! (GROWLS) (ECHOING VOICE) LIGHTNING JAVELIN!

Poromon fired a blast of lightning which hit Roy Lowenstein and electrocuted him and sent him flying into a tree.

Nico: Nice save, Poromon.

Then, we landed in front of that pissant, and he was growling like a fucked-up animal when he saw Poromon and all of us!

Roy Lowenstein: YOU MOTHERFUCKING FREAK! HOW DARE YOU SHOW YOUR FACE TO ME ALONG WITH ALL THOSE OTHER FREAKS!

Lincoln grabbed him by the neck and slammed him hard into the dirt with his excessive superhuman strength and came back.

Nico: Nice choke-slam, Lincoln, and the only freak around here is you, you butt-sniffing pissant!

Nico formed his nails into claws and scratched him on the stomach leaving bloody scratches on his stomach! Then, Lincoln got out a chalkboard and scraped it with his gold-plated armored claws!

(HORRIBLY OBNOXIOUS SCRAPING NOISE)

Roy Lowenstein: (SCREAMS) MAKE IT STOP!

Eli: Nice one, and here's this!

CRACKS KNUCKLES

Ed: WHAT A PEST!

Edd: That's disgusting.

Ed: MAKE HIM STOP!

Adrienne Valentino: J.D.!

She went and hugged me.

Me: Thank goodness you're okay Adrienne.

Adrienne Valentino: Thanks to Poromon and you guys.

Poromon went at Roy!

Poromon: Remember me?

Roy Lowenstein: YOU! I HATE YOU SO MUCH YOU FEATHER FACED FREAK!

Poromon's aura flared up with intense force!

Poromon then pecked him on his head!

POINK POINK POINK POINK POINK!

Poromon: I was talking to Adrienne jerk!

Adrienne Valentino: How can I forget Poromon.

SMOOCH!

She kissed him on the head and he tooted like a steamhorn.

Me: Aww. You haven't forgotten.

Laney: So cute.

Suddenly, Roy Lowenstein was hit hard by a massive blast of ice.

Lincoln: Lana, did you…?

Lana: Wasn't me.

Suddenly, we saw a very beautiful and super sexy girl with long ice blue hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in an ice blue short-sleeved frilly shirt, necklace with pearls and blue gem for the pendant, ice blue skirt, ice blue stockings, white bridal gloves, ice blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Emily Knudson.

Me, Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Sumner, and Patti: Emily?!

Emily Knudson: Yep, Emily Knudson, God Sibling of Ice and Snow reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to prison for what you've done.

Manaphy: (jealous) Oh, don't mind me! Carry on with your "old friend"!

May: Manaphy calm down. She is someone that is grateful to Poromon.

Adrienne Valentino: And besides I'm just a friend to Poromon. I am in love with J.D.

Me: And I appreciate your feelings Adrienne.

Emily Knudson: My brother is an awesome baby magnet.

Me: Yep.

Manaphy: That's a relief.

May: Good. Manaphy was this close to pulling a gun on you.

Manaphy: Mama! I don't have a gun.

May: Oh.

Adrienne Valentino: I can't die anyway. I'm immortal and invincible.

Me: Cool!

Adrienne then fired a wave of lightning and electrocuted Roy all over.

Me: Lets just kick this jerks butt!

He grabbed Poromon and started choking him.

But he saw that he was really choking a stuffed toy.

Roy Lowenstein: What the!?

POW!

He got punched in the face by Poromon!

Lincoln and I went after Roy Lowenstein, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Roy Lowenstein, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Roy Lowenstein even more insane and straight to the brink of insanity.

Roy Lowenstein: YOU! YOU! (ENRAGED SCREAM)

Roy Lowenstein charged right at us completely blind with rage and fury, but Nico, May, and Qin kicked him hard in the stomach and Sebastian fired blasts of Divine Darkness at him and he got hit hard and he slashed at him with his massive black greatsword. Then, Lincoln grabbed him by the waist with one of his eleven massive and long white wolf tails and he smashed him into the ground, and he was really getting messed up, and then, he threw him and sent him into a nearby trashcan.

Nico: Damn, I was hoping you'd send him into a dumpster because that's where he belongs: inside a dumpster.

Me: Yeah no kidding! But that was funny!

Nico: With Poromon, you may never know if he's a stuffed toy

Me: Yep!

I fired waves of lightning and it hit him and electrocuted him.

Cindy Concrete: Hope you're hardheaded!

She fired a block of concrete and it hit him on his head!

SMASH!

He got a REALLY NASTY LUMP on his head!

He then grabbed Poromon and he tried stomping on Poromon!

Roy Lowenstein: I'm gonna break your spine!

Yolei: I can tell you from experience that he doesn't have a spine.

Roy Lowenstein: OH SHUT UP!

POW!

She punched him in his face!

Yolei: Don't you DARE Tell me to shut up!

He got up.

Nico: It sure is!

Me: How about this!? (squirts extremely hot mustard into Roy's eyes, causing him to scream in pain, and his eyes to shrivel up and fall out of his face)

He was REALLY GOING TO FEEL THAT!

Nico: OUCH!

Roy: After I'm done with you, your blue whore is next!

KRABLAM!

May punched him in the mouth and knocked out some of his teeth!

May: NO ONE TALKS THAT WAY TO MANAPHY! ESPECIALLY TO ME!

Me: Taste this!

I poured a bottle of Dog Water in his mouth!

Then Roy was hurling his guts out!

Poromon: NO ONE THREATENS MANAPHY!

HE FIRED NUMEROUS BLASTS OF LIGHTNING JAVELIN BLASTS AND THEY HIT ROY AND ELECTROCUTED HIM ALL OVER!

May then gave Roy the nastiest, ugliest, bloodiest, and most graphic beating no one could ever imagine as we watched it all happen in front of us.

MAY SMASHED ROY IN HIS UGLY NOSE, SHE TORE HIS CHEST HAIRS OFF AND SHE SHOVED IT INTO HIS BELLY BUTTON, THEN SHE PROCEEDED TO TEAR ROY'S REMAINING HAIR OFF!

BELLOWING SCREAM OF PAIN!

Me: YIKES!

THEN, MAY'S NAILS GREW INTO CLAWS AND SHE PROCEEDED TO SCRATCH ROY ALL OVER THE PLACE WITH HIS SHARP CLAWS DRAWING TONS OF BLOOD! THEN, HE GOT OUT HIS SWORD, AND THEN!

SLASH! SLASH!

MAY SLASHED ROY'S BUTT CHEEKS AND HIS CROTCH CLEAN OFF AND ROY LET OUT ANOTHER BELLOWING SCREAM OF PAIN!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

Qin: HOLY CRAP!

Lincoln: JEEZ! THIS IS EXACTLY WHAT I WOULD'VE DONE TO FLIP IF I WENT INTO THAT KIND OF RAGE!

Luan: No way, Lincoln, if you went into that kind of rage, it would've been much more bloodier and much more graphic.

Me: GEEZ!

Roy was mutilated and disemboweled and tortured brutally!

THIS CAUSED EVERYONE TO RUN INTO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans.

Nico: HOLY SHIT!

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight and friends hurled all over the place!

Poromon then got drunk.

Poromon: (Slurred Speech) Oh look who it is! Mr. I-know-everything-about-nothing!

He went and punched and bashed Roy all over.

MAY WAS REALLY SCRATCHING HIM ALL OVER LIKE HOW REN DID TO THAT HORSE IN THE INFAMOUS EPISODE REN SEEKS HELP!

Poromon pecked him!

POINK POINK POINK POINK POINK!

May: Oh may god forgive me for this. (ACTIVATES OL'

FACEFULL'S RIDEWATCH)

She then rumbled and then HURLED HER GUTS OUT ALL OVER ROY!

Me: OH SICK!

Nico: YUCK!

Me: Here's a funny one. (ACTIVATES NARUKO'S RIDEWATCH)

I then formed numerous Sexy Jutsu versions of my entire harem.

But then ROY GOT LAUNCHED INTO THE AIR WITH A MASSIVE NOSEBLEED!

Nicole: So you are a pervert too! I'll fix that!

But then SHE REALLY WENT BALLISTIC ON HIM!

NICOLE SMASHED THE JERK IN HIS UGLY FACE AND SHE HIS NOSE OFF AND SHE SHOVED IT DOWN HIS THROAT, THEN SHE GOUGED HIS EYES OUT AND RIPPED HIS FEET AND ARMS OFF!

BELLOWING SCREAMS OF PAIN!

Me: YIKES!

Most of us were STILL HURLING OUR GUTS OUT!

Twilight Sparkle: (PROJECTILE VOMITING)

Fluttershy: (PROJECTILE VOMITING)

Maria: BRUTAL!

Sunny and friends were also throwing up.

Poromon: Adrienne please! Look away!

Adrienne Valentino: This is awesome seeing this happen to him!

Nico: (LAUGHS) YEAH!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That would be too easy. Now, to take you down. LIGHTNING STYLE NINJA ART: SUPERCELL LIGHTNING STORM RASENSHURIKEN!

Lincoln formed a massive electric blue Rasenshuriken with lightning surrounding it and creatures of lightning flying around the blue core, he threw it at the owners and it slammed into him and he got hit hard and electrocuted. Then, Lincoln formed a dodgeball and threw it hard and it hit him right in the crotch!

CRUNCH!

We winced and many of us covered our crotches and Lincoln tied him up. Everyone cheered as we holstered our weapons and powered down.

Then, the cops came.

Sheila: At it again, Lowenstein?!

Nico: Yep, and he kidnapped Poromon's friend, Adrienne Valentino, and tried to kill her.

Tom Lair: Looks like he can consider this his third strike.

The cops loaded Roy Lowenstein inside the car and took him away.

Lincoln: Looks like he's facing the rest of his life in prison for what he's done.

Me: Make it the death penalty.

Lola: Yeah he had it coming!

Manaphy: (crying) Mama, am I a whore?

May: No Manaphy you are not.

Manaphy: Good.

Nico: Yeah.

Lincoln: (To Emily Knudson) And it's so good to see you again, Emily.

Emily Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, Helena, Sophia, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Emily Knudson and he hugged her, and Emily Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Emily Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Emily Knudson, God Sibling of Ice and Snow, she's mu Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful ice and snow powers and immense control over the cold and snow. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, and Marlene, and just like J.D., Sakura, Helena, Sophia, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Ice, but also Fire, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us, and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT! YOU'RE GOING TO GET A NASTY CASE OF FROSTBITE!

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to freeze.

Lincoln: Yeah, no one wants to get frozen by her, and now that you're here, Emily.

Lincoln went up to and hugged Emily Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Emily Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Emily Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Emily Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Emily Knudson.

Emily Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Poromon: Now, who wants some beer!?

Me: No thanks Poromon.

Poliwag: But that was crazy and awesome.

Lola: It sure was.

Poromon: Want some, Adrienne?

Adrienne Valentino: No thanks. I'm more of a fancy extravagent wine girl.

Poromon: Wow.

Me: Adrienne comes from a very super wealthy rich family and she likes everything super expensive.

Nico: Cool.

Adrienne Valentino: That is awesome.

Poromon: More for me then.

He gulped it down.

Poromon: (BARNEY GUMBLE BELCH)

Barney Gumble: Oh yeah! (BELCH)

May: Are you okay now, Manaphy?

May: Yeah I'm fine.

Nico: Good.

Qin: Yeah.

Poromon: It's great to see you again.

Adrienne Valentino: Same here Poromon. Its been a while.

Allie Wilde: You're looking great Adrienne.

Adrienne Valentino: Same to you Allie.

Poromon: But it's good we all came to save you.

Adrienne Valentino: Yeah no kidding. Hopefully that jerk will get the black gates when he dies.

Poromon: Manaphy is not a whore!

Manaphy: YEAH!

Nico: Guys calm down.

Me: Yeah.

Xenia: Yeah.

Poromon: Sorry.

Me: Good.

Poromon: I'm stating a fact.

All of us: We know.

Nico: Yeah.

Poromon: Okay okay.

Nico: Wait until we tell you about his misadventures!

Adrienne Valentino: I have a feeling they are funny.

Me: Oh they are.

Qin: We'll tell you what they were like later. Right now we got work to do.

Me: The Anothers are coming.

Nico: And they are?

Eli: Lets see. (Concentrates) WHOA! We got Another Fire Bug, La

Catherine Kiramager: That's right.

Me: I guess so.

Nico: That is cool!

Galatea Gojira: It sure is. And I think It's cool too.

Faith Falchion: I think it's awesome too.

Nico: Catherine, tell us more about yourself.

Catherine Kiramager: I am a light scientist and I have light powers.

Galatea Gojira: Friendly and she is a really awesome and smart one.

Me: Action time!

We fired waves of energy and the blasted the Anothers and we caught the Wonder Ride Books.

Nico: Awesome!

Maria: (TURNS DIAL) ICEAGE BUTTKICKERS 6!

She summoned Iceage, Doc Duodenum, Carrie Beff, Lady Bullseye, Bammers and Rock Doggler!

Nico: Oh yeah!

Maria: Just when we thought the Sentai and Ranger Embodiments were done

Me: Yeah no kidding.

Qin: Yeah.

May: Still this could be interesting.

Qin: Yep.

Me: Now here it it comes!

We saw ANOTHER WOLF!

Me: Whoa Another Wolf.

Qin: This will be good.

Another Wolf: (In a girls voice) It will be as good as solving the 9th Dimensional Unified Field theory.

Me: (GASP) That voice.

She reverted back and was a girl with pink hair, pink eyes, pink clothes and had pink angel wings and had a tiara with the symbol for Brain on it and had the same symbol on her skirt and she had a Brain Sword in her hand.

Me: Bianca Brain! Wow!

Bianca Brain: It is good to see you again J.D. and you are looking well for the power of 600 times 43 to the 120th power.

Nico had sparks that was coming out of his head and he had smoke coming out of his ears and also was drooling.

Poromon pecked him.

POINK POINK!

Nico: OUCH! That really hurt my head!

Me: She has a really massively powerful IQ of 6,343. Bianca is one of the smartest girls ever with that kind of brain power as the Embodiment of the Brain Dopant. Also she is a great tactictian and a masterful strategist and is good with math and science. Also like Wolf she is an amazing ace fighter pilot.

Wolf: That is very well played out.

Bianca Brain: Indeed and I think it's great to be a skilled pilot.

Nico: Wow! That is cool.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sakura Knudson: I saw the equation and it was really complex for me too. It felt like my head was going to explode.

Me: GEEZ! What was the equation?

Bianca then showed us and it was the molecular mass of a tachyon particle.

Nico then had his brain spark and his head spark with smoke coming out of his ears and red crash screens were in his eyes.

Me: Whoa that's the mass of a Tachyon Particle.

Lisa Loud: For someone of Swartz's intellect I'm amazed it was that hard for him to figure out.

Nico was crashed.

Eli: I got this.

Eli kicked Nico in the butt and he rebooted back.

Nico: OW! What a headache! Lana can I have some ice?

Lana: Sure Nico.

Lana gave Nico a big block of ice and put it on his head.

Me: Boy that one really caused Nico to short circuit.

Qin: No kidding.

Nico: I can still use ridewatches!

Me: Good.

Zocks and Kaito: ZENKAIJU GEAR!

They donned the Zenkaiju Armor!

Lincoln: Lets separate you first.

He fired a wave of light and separated her from Another Wolf1

Me: All right!

Another Wolf: You'll be seeing your father soon Fox!

Bianca Brain fired waves of lasers and blasted him all over.

Nico: (Gets out Wolf's Ridewatch) We're gonna have fun with this thing!

Nico: Awesome team Cad Bane!

Cad Bane: Thanks Nico.

Plug Man came!

Me: Whoa Plug Man!

Plug Man: (In a girls voice) Looks like the fun just started.

Nico: Pauline Plug!? Whoa!

Pauline Plug: Yep.

She reverted back and was a girl with yellow hair and pink eyes and yellow and pink clothes and had pink angel wings and had a plug and lightning symbol in the middle of her forehead.

Pauline Plug: I got this.

She fired a wave of lightning and blasted Another Wolf down

Another Wolf: I CAN'T LOSE!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

He exploded!

I caught the ridewatch and purified it!

Me: OH YEAH!

May: I didn't get hit!

Nico: Yep.

Lilith Sahl: What's your favorite memory of Nico?

Pauline Plug: When me and Nico made an awesome solar powered generator for a s'mores maker.

Nico: Yep.

Qin: That was awesome.

Nico: Cool.

Nico and Pauline hugged.

Nico: I've missed you.

Pauline Plug: Same here.

We later went back home.

Apparently, we got word that Darren's old home is being haunted by some very vengeful spirits, and we're going to find out that these vengeful spirits are the dead victims of Elias Devereaux, Darren's hated ancestor from the 1900s and they wanted revenge on the entire bloodline, which explains why there is a dark curse that follows those who'd completely given into the curse wind up getting killed and they want Darren dead because he also had the curse in his veins. But, we're going to stop the vengeful spirits and send them straight to The Spirit World and get rid of the very source of the curse: by heading to Elias' grave in the lower east side of Manhattan and perform an exorcism to send Elias' soul straight to The Black Gates forever.

Lincoln: Whoa, we're here in Manhattan, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we got some really bad news. Darren, would you do the honors?

Darren Devereaux: Understood. Apparently, we got word that my old home is being haunted by some very vengeful spirits, and here's the bad news: these vengeful spirits haunting my home are the dead victims of Elias Devereaux, my hated ancestor from the 1900s.

We gasped.

Me: Why are they haunting Manhattan even after 100 years?

Darren Deveraux: They wanted revenge on the entire bloodline, usually there's an even darker curse that follows those who've completely given into the curse, when they do give into the curse, the one thing that can end it is death. Throughout the years, many of my family members who've given into the curse wind up getting killed.

Nico: Like when Lincoln killed Connor.

Lincoln: Wait, I remembered seeing a dark shadow being lifted from Connor and it was dragged right into Hell.

Darren Devereaux: That was a manifestation of the curse, and now, they're coming for me and they all wish me dead because I also have the curse in my veins.

Leo Corbett: So, what do we do?

Darren Devereaux: First, we're going to stop the vengeful spirits and send them straight to The Spirit World. Then, after that, we need to get rid of the very source of the curse: by heading to Elias' grave in the lower east side of Manhattan and perform an exorcism to send Elias' soul straight to The Black Gates forever. Now, come on, we need to stop the vengeful spirits at once.

We got a move on, and we headed for Darren's old house. Suddenly, Lincoln's Ghost Sense went off as we saw many ghosts appear: they were people from the early 1900s, but they had red eyes and they glared at Darren Devereaux.

Ghost: DEVEREAUX!

The vengeful spirits charged right at Darren Devereaux with their desire for revenge still lurking in them even after their deaths over 100 years ago. But, Darren Devereaux chanted an incantation and trapped the vengeful spirits inside a trap of pure light which is keeping them inside.

Me: WHOA! That's a lot of vengeful spirits.

Hiroshi Ohira: Darren's ancestor killed a lot of people before and after he'd made that deal with The Devil, and even after Selene Arcangela's ancestor killed him, they wouldn't stop until all of them wind up in Hell, and that also included Darren's parents and brother who were truly nice people.

Darren Devereaux: For nineteen years, I've had to deal with the constant threat of all of you coming after me for revenge in the very instance you believe I'd fall victim to the curse just like the rest of my family. Too many of my own family had fallen victim to the dark curse of Elias and too many have had their lives taken by you all over the years! No more!

Darren Devereaux opened a portal beneath them and sent the vengeful spirits straight to The Spirit World and the portal closed before any of them tried to take him with them.

Darren Devereaux: You've taken far too many of my family for the last time! Consider your 100-year vengeance spree over!

Nico: Whoa! I had no idea just how scarred Darren was by what'd happened.

Lincoln: That family curse turned too many of his family members towards evil, and because of that, the vengeful spirits of his ancestor's victims come for them when death befalls them, and Darren being the only one left of his entire family to harbor the curse, has been dealt with a fate crueler than death.

Me: But, that'll end soon. Now, we need to head for the lower east side of Manhattan: to Elias' tomb.

Darren Devereaux: And right from there, we'll end the curse and end this nightmare for good.

We headed out to the cemetery in the lower east side of Manhattan, and there, we searched every last corner of the cemetery. Suddenly, we found a mausoleum and it radiated with a darkness that was the exact match for Elias Devereaux.

Lincoln: Is that…?

Darren Devereaux: Elias' tomb, he was buried here in the family crypt because of his family's wealth, in all respects, they should've thrown him in a ditch. But, this is the very source of the curse.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the nine girls.

Lincoln: (GASPS) Calista Midnight of The Midnight Society.

Calista Midnight: That's right, and I got the girls away from this tomb, it really reeks of evil.

Darren Devereaux: All the better to put an end to the curse once and for all.

Darren Devereaux snapped his fingers, and suddenly, a magic circle appeared under the mausoleum, and then, an unearthly roar was heard, and a black shadowy mist manifested from the structure, and then, mists of darkness came out of the mausoleum and they converged and transformed into that of a man dressed in black clothes from the 1900s but had a Satanic theme: it was Elias Devereaux.

Sylvester: So, now all we got to do is destroy Elias.

Devereaux, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a beam of holy light which hits Elias Devereaux and he let out a dying scream as he was reduced to ashes and was forever sent to The Black Gates, and we saw multitudes of souls leaving Hell and heading for Heaven. We cheered as we holstered our weapons and powered down.

Lincoln: That should do it. Now, the curse is finally gone for good. (To Calista Midnight) And it's so good to see you again, Calista Midnight.

Calista Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Calista.

Lincoln went up to Calista Midnight and he hugged her, and Calista Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Calista Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Calista Midnight, she's my Guardian Angel from Michigan and the fifth eldest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with me at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Luan with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Luan tried to attack us with her pranks, but Calista used her dark powers and made Luan's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: Jeez, that's scary.

Me: And I remembered that incident all too well, Luan got what she deserved that night.

Lincoln: Messing with The Midnight Society is always a horrible idea, not to mention that they have dark powers, and with them, they can find out their deepest darkest nightmares and make them come true, and now that you're here, Calista.

Lincoln went up to and hugged Calista Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Calista Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Calista Midnight's neck with red gems on the gold

lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Calista Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Calista Midnight.

Calista Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Ayaka Utsumi, Hazuki Sogawa, Honoka Houjou, Julianne Toubaru, Kawori Mizuno, Minako Jounouchi, Miyabi, Reona Inui, and Rikka Koujin from Kuro Ai ~Hitoyozumakan Inkō Rannyūroku~.

Lincoln: Oh wow, it's Ayaka Utsumi, Hazuki Sogawa, Honoka Houjou, Julianne Toubaru, Kawori Mizuno, Minako Jounouchi, Miyabi, Reona Inui, and Rikka Koujin from Kuro Ai ~Hitoyozumakan Inkō Rannyūroku~.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ayaka Utsumi: Yes, we're okay, thanks to you.

Then, when Ayaka Utsumi and the other eight girls saw who it was that saved them from the vengeful spirits of Elias Devereaux's victims and the dark spirit of Elias Devereaux that still haunted his resting place, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of

Ayaka Utsumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayaka Utsumi: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayaka Utsumi, Hazuki Sogawa, Honoka Houjou, Julianne Toubaru, Kawori Mizuno, Minako Jounouchi, Miyabi, Reona Inui, and Rikka Koujin with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were the vengeful spirits are the dead victims of Elias Devereaux, Darren Devereaux's hated ancestor from the 1900s who wanted revenge on the entire bloodline, and responsible for a very dark curse that follows those who'd completely given into the curse and wind up getting killed and they also wanted Darren dead because he also had the curse in his veins, along with the spirit of Elias Devereaux and the very source of the family curse.

But, when Lincoln showed what Darren did in first sending the vengeful spirits to The Spirit World and then us performing the exorcism that drew Elias' spirit out and us giving him a beatdown and finally Lincoln firing a beam of light that destroyed the dark spirit and banished him to The Black Gates for good, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Calista Midnight have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so for your rescue, it was ending Darren's family curse that began over 100 years ago.

Lincoln: Yep, and we also had to stop the vengeful spirits of his ancestor's victims which Darren did in his rage.

Nico: As we'd found out the spirits of his ancestor's victims all wanted his entire bloodline to suffer for his ancestor's crimes. But, now they can find their eternal rest in the afterlife.

Me: Along with the rest of Darren's family while his ancestor rots in Oblivion forever.

* * *

After we finally brought an end to the curse haunting Darren's family over 100 years ago, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Calista Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Calista Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the

powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Calista, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Calista Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Calista Midnight: I knew it was only a matter of time before he told everyone that story.

Lincoln: And yesterday was really scary, we had no idea Darren got bit by the Weremole. It must've been out hunting.

Darren Devereaux: When it was sunny and clear, that's a major impossibility since The Weremole only comes out at night, especially on the full moon.

Sebastian Mendez: When I get my hands on that vicious monster, he's gonna know what a real monster is like.

Buster Bunny: We've already seen it one too many times of how much of a monster you really are.

Nico: And you also scared us that bad with you roaring like a demon with snakes coming out of your mouth.

Lincoln: Though we've been scared a lot by Lucy appearing behind us, so you don't scare us in the slightest.

Plucky Duck: But, you still scare us when you do that.

Buster Bunny: Not to mention, you also have your bad habits of still being sadistic and demonic as well.

Me: And those sorts of things are what make him a very scary presence towards the irredeemable, and like Qin said, you get him mad, and Hell on Earth will be unleashed.

Babs Bunny: Though that didn't save you from us when we mopped the floor with your bloodstained hide.

Sebastian Mendez: (GROWLS)

Lincoln: Okay, you asked for it! (Puts down barbells in hands) (CRACKS KNUCKLES)

Sebastian Mendez: (HISSES)

Ed: WHAT A PEST!

Edd: That's disgusting.

Ed: MAKE HIM STOP!

Buster Bunny: Yuck, if there's anything worse than nails on a chalkboard, it's the sound of cracking knuckles.

Nico: Yeah, that was enough to drive Ed crazy, but more than enough to make him hiss in annoyance and get him to stop. Better than hitting him on the head, right, Buster?

Me: We knew you were the one whacking him on the head with a mallet when we went after the McWolf team, and when Plucky ratted you out, that of course meant major payback.

Buster Bunny: I had to, he's crazy and insane.

Sebastian Mendez: Hey, I'm not that crazy and insane.

Toons: Yes, you are!

Lori: And your track record of antagonizing The Z-Fighters and Buster's gang from Acme Acres is literally that high.

Nico: There's that as well.

Sebastian Mendez: Okay, I still am that crazy and insane. But, that'll be part of me forever due to my descent into madness no thanks to Dustin Keystone, the nerve of him.

Lincoln: Yeah, he's more than pissed everyone off numerous times, thank goodness we banished him and every last one of his miserable family to The Black Gates forever, they deserved it.

We got a shower afterwards, and then, Lincoln, Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Camembert: Wow, so, this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Camembert, and it's perfect for our first date. Shall we?

Lincoln, Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola and they hugged the girls in their abnormally massive and powerful muscular arms, and Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eighteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola are in your harem, Linky.

Miia: And he marked you, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola, along with Sage and Tgcops, right, Camembert?

Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Sage Grimhildr, Tqcops Rubber Riley, Camembert, Cheda, Chizu, Emmenta, Goda, Parmino, Pone, Quark, Raclette, Reggiano, Ricotta, Ruyèr, Tilto, Ushiko, Zarella, and Zola, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later we were in the kitchen and we were making one of our most favorite things ever.

Thing: What are we making again?

Me: We're making donuts.

Homer: Mmm Donuts.

We were making every kind of donut imaginable.

Nico: So why are we making all these donuts?

Me: It's for Mr. Lynn's new breakfast line at Lynn's Table. He wants to open the restaurant for breakfast.

Nico: Cool.

We made jelly filled, chocolate, glazed, strawberry and more.

We made NUMEROUS kinds of donuts.

Julie Power: This is actually fun!

Lily: It sure is! Especially with the kinds of donuts there are out there.

Me: Yep. I saw and ate all kinds of donuts out there. Especially the donuts on that donut planet.

Xenia: Yeah those were awesome.

Homer: Boy those were awesome.

Nico: Yeah they sure were.

Lynn Sr.: It's great that you guys are helping me make donuts for my breakfast line. It's goinna be a hit.

Nora Valkyrie: Donuts are just as awesome as pancakes.

Soundwave: Donuts: Will make lots of money!

Me: Yep.

?: Boy they sure will.

We saw a girl with blue hair and blue eyes and blue clothes and had blue angel wings and had a tiara with the symbol of Hard on it.

Hillary Hard: Hillary Hard, Embodiment of Hard Man.

Emerald Goldenbraid: Wow! Hillary awesome to see you again.

Scarlett: Yeah you're looking awesome!

Hillary Hard: You too Emerald and Scarlett. Its been a while.

Blaster: How did you meet Emerald and Scarlett?

Hillary Hard: I met Emerald when she was learning about magic in the library of Drake City. It was awesome and she taught me some of her moves too.

Nico: Cool cool.

Hillary Hard: And I met Scarlett when she was plotting to kill Chris. I stopped her from doing so and helped her realize what she was doing was wrong. This was before she joined the team.

Nico: Oh.

Scarlett: Yes it was a bad time.

Nico: Yeah. Would you like to join the team?

Hillary Hard: I would be honored.

Vice: Nico, who gets to shine today?

Nico: Nick Russell, Twilight, Mal, Izuku, Hitoshi, and Jim

Me: Awesome!

Twilight Sparkle: All right! This is gonna be fun!

Qin: It sure is!

Hitoshi: I'm ready for some action.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO versions of Surtur and Baron Mordo, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the LEGO versions of Surtur and Baron Mordo.

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: They're in the levels Surtur-n Doom and Rune to Maneuver.

Eli: Wow!

Nico: Looks like we've got more trouble in the world of Marvel Lego Superheroes.

Me: Sounds like it.

Nico: Okay, then, let's head down there and take care of the LEGO versions of Surtur and Baron Mordo.

Lincoln: This is going to be so awesome.

Eli: Boy this will be awesome! I can't wait to face the Lego version of my archenemy.

Camie: Yeah.

Me: This will be fun bro. The Prime Universe version of Baron Mordo can help you on that.

Eli: Awesome!

The previous group came.

Anti Wanda: Can me, Stinky Butt, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff come with ya'll?

Nico: Yes you all can come with.

LOUD FART!

Lincoln: Oops sorry.

Stinky Butt: Nice one Lincoln.

Lincoln: Thanks.

Me: Funny.

Qin: But we're ready for this.

Aqua Man: Nico, which Gene Slammer of me and my fellow Robot Masters do you think you'll meet next?

Nico: Solar Man next to start.

Me: Ooh! Fiery and Golden as the Sun.

Smoldendash: I like that. That is really awesome. A Blaze of Glory.

Me: It sure is.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie

mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Roshi who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Roshi who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

Me: So, now we're back on destroying the other Universe 666 Jinchuriki.

Nico: Looks like it.

Universe 666 Eli: I no longer associate with them, they're dishonorable bastards.

Sonnya Gokua: Which means, I'm up next.

Lincoln: Yep, and always, we're taking the fight to Glaren.

Roshi: Yeah, they may not be as strong as us, but they're still as tough.

Nico: And it was all the fault of that lunatic, that guy is such a Class

S psychopath. Alright, gang, let's go, we're off to Chronopolis and we're taking down the LEGO versions of Surtur and Baron Mordo.

Lincoln: LEGO versions of Surtur and Baron Mordo, you better be ready, we're coming for you, and once we get done with them, you're next, Universe 666 Roshi.

Sonnya Gokua: I can't believe he set this whole contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy every last one of the Universe 666 Jinchuriki. I already know of how strong Son Goku and Roshi are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the world of Marvel Lego Superheroes and we're taking down the LEGO versions of Surtur and Baron Mordo, and once we got done with him, Sonnya Gokua and Lincoln are going to destroy Universe 666 Roshi.

We were off to Chronopolis

We arrived in Chronopolis.

Me: Awesome.

Nico: Where do we meet the Lego Avengers.

Me: If we're facing Surtur then we're going to meet him in Thor's neck of the woods. Asgard.

Thor: Thou must be ready for him.

Lola: We will be.

Nicole: I remember that the battle with Surtur started right off the bat in the game.

Camie: I remember that.

Qin: That was aweome.

The Lego versions of Captain America, Captain Marvel, Thor, and Jane Foster landed near us

Me: Steve, Carol, Thor, and Jane Foster! Wow!

Captain Marvel: Boy I look awesome in Lego form.

Lego Captain Marvel: That is awesome.

Lego Jane Foster: Boy you all made it just in time.

Me: We sure did.

Lego Captain America: We were fighting Surtur and he punched us, sending us flying towards you guys.

Camie: WHOA! He is that strong!?

Me: Yep he sure is. But WE are stronger!

Nico: We sure are!

Me: Time for the Titan to be taken down by an angel.

Nick Russel: Magical Source, Mystic Force!

GALWIT MYSTO RANGER!

With that, Hitoshi reaches for his obscured belt, and pulls from it a strange mobile phone like object, that, when opened is revealed to be a strange tuning fork with a snarling face. Hibiki then strikes the tuning fork against his boot sole, lifting it to his forehead, revealing the same snarling face called upon by the soundwaves.

Hitoshi: (Under his breath) Hibiki.

At this point, the soundwaves envelop Hitoshi, turning from clear to red as purple flames envelop him, casting aside the form of man, allowing Hitoshi's Rider form to rise through, revealing a primarily violet being with red arm armor, silver armor across his chest, a belt with three sharp comma looking symbols circling on themselves on the central point of it and a burgundy-brown cloth between his legs, as well as what appear to be drumsticks attached to the back of his belt, disk-like objects on the left side of his belt and his folded tuning fork on the right, as well as a head with violet background and six red lines on it, with two more surrounding a small snarling face on his forehead.

Hitoshi: SOUNDS OF FIRE! KAMEN RIDER HIBIKI!

Nick Russell: FIERCE AS FIRE! RED MYSTIC RANGER!

Nico: YEAH! Lets go! Entrance time!

We went into the palace of Asgard!

Surtur was really blazing with fire!

Then the spirits of water appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him!

Zocks: (Singing) "Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

A phoenix cry was heard and we came out and landed.

I fired a massive blast of energy and blasted Surtur all over!

Surtur was massive!

Totally Spies Alice: He's fucking huge!

Nico: He sure is! In Thor: Ragnarok he destroyed Asgard.

Lego Mordo: Don't mind me. I'm here to teleport Surtur out of here so he can heal up for round 2!

Me: Sorry but I'm afraid we can't let you do that!

Eli teleported and kicked him in the back of the head!

Camie: That is for sure.

Laney: They completely underestimated our power.

Varie: Yep.

Headstrong: Is everyone and everything in Asgard okay?

Me: Uh does THIS look okay to you?

We saw everything on fire and everything was destroyed.

Nico: Obviously not.

Me: But I can fix this up.

I snapped my fingers and fixed it all up.

Laney: There.

Lego Iron Man: You guys meet Dr. Strange, Spider Man, Wong, and She Hulk at the Sanctum!

Me: Right! I have a feeling this will be important.

Qin: It sure will.

We went to meet them.

Artie Ziff: Which way is the Sanctum again?

Izuku: Don't ask me.

Nico: Over there.

We saw it.

We went to the sanctum.

We saw Dr. Strange, Spider Man, Wong, and She Hulk there.

Lego Wong: But you guys did great.

Lola: Yeah that was fun.

Professor XXXL: Want a snow cone?

Lego She Hulk: Ah why not.

She got a cone from him.

Me: I'll have one too. I'm starting to sweat from all that fire.

I had one too.

Me: (Slurps) Ahh.

Rampage: We think Mordo and Surtur retreated here.

Eli: He's right. I sense them.

Qin: Awesome. Now we can face them later.

Nico: We'll be ready for them soon.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

Xenia: YEAH!

Me: Take that!8

Hitoshi: Time I went Armed Hibiki!

Hitoshi hits the button on the back of the sword, causing him to be engulfed in sound yet again, turning entirely red with white contrast and a visor like spot on his face, as the disks carried by all the heroic Oni seemingly come to life, taking on vibrantly colored animal-based forms that we see for all of like a minute as they form armor on Hitoshi, ultimately culminating in a chestpiece as the horns on his head grow a bit and the small snarling face gains a guard of some kind, completing the transformation.

Nick Russel: Legendary Source, Mystic Force!

Lincoln and his harem: DOUBLE FINAL SMASH: MYSTIC AQUA DEMONIC MEGIDDO!

They fired a massive holy water meteor at lego Surtur and lego Baron Mordo which splashed them on contact!

Lincoln: It's over, Surtur and Baron Mordo.

Suddenly, Lincoln's eleven massive and long white wolf tails stretched out, and then, they lashed out at the LEGO versions of Surtur and Baron Mordo, and they were being bashed and beaten all over the place, and he even bashed them on the heads with two of his tails.

Nico: Ooh, now that's gonna leave a mark.

We then saw the LEGO versions of Surtur and Baron Mordo get a lump on their heads! OUCH! Then, we saw two white flag go up on the lumps.

Me: Looks like they surrender.

Lincoln threw two energy cards which hit the LEGO versions of Sutur and Baron Mordo and imprisoned him inside two cards and he put them inside a box he made and it vanished.

Nico: Now, that was awesome! We took down the LEGO versions of Sutur and Baron Mordo, and they're going to be in a lot of trouble.

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Universe 666 Roshi.

?: YOU WILL ALL DIE FOR WHAT YOU DID TO NICO!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of red Chakra blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Roshi, or I will blast you out!

Suddenly, we saw a figure come out, it was Universe 666 Roshi, one of the resurrected Universe 666 Jinchuriki because of Universe 666 Sebastian.

Universe 666 Me: Roshi.

Universe 666 Roshi: J.D.?! Impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back. But, there's no way I can ever forgive you, you were J.D.'s brother, but you betrayed him and sided with that filthy snake.

Universe 666 Roshi: He was weak!

Universe 666 Me grabbed him by the neck and kicked him hard into a wall of diamond Lincoln made and I snapped my fingers and we were on Planet Glaren.

Sonnya Gokua: He wasn't weak, but you, what you did was an act of betrayal that can never ever be forgiven!

Suddenly, Sonnya Gokua's red eyes turned neon red and she was surrounded by a crimson red energy aura with stars, fire, flames, lava, gorillas, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Roshi, she left crimson red energy, stars, fire, flames, lava, gorillas, phoenixes, and angels with every step.

Sonnya Gokua: I can never forgive you, Universe 666 Roshi, what you did in Evil Nico's name was nothing more than dishonorable and atrocious. You along with the other Universe 666 Jinchuriki have caused so much pain and suffering that it isn't funny, we thought we wouldn't have to deal with you or the other Universe 666 Jinchuriki and Universe 666 Tailed Beasts, but because of what that violent deranged psycho did in bringing you all back, that crossed a serious line, and for that, I'm going to end you once and for all!

Suddenly, Sonnya Gokua was surrounded by a massive vortex of crimson red energy with stars, fire, flames, and lava surrounding the vortex, there are gorillas, phoenixes, angels, and Son Goku the Four-Tailed Gorilla flying and running around the vortex, and in the vortex is a red phoenix with Son Goku's eyes in its wings and red eyes glaring at Universe 666 Roshi: the red eyes of death. Then, as the vortex faded, Sonnya Gokua emerged, but she was changed forever.

Sonnya Gokua grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large crimson red orbs orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long crimson red hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon crimson red eyes and a crimson red energy aura with stars, fire, flames, lava, gorillas, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has Son Goku the Four-Tailed Volcano Gorilla emblazoned on her forehead and Third Eye with crimson red iris, she has on gorilla earrings on her ears with red gems for eyes and holding the Star, Fire, Volcano, Four, and Eternity Kanjis in its paws, she also has Star, Fire, Volcano, Four, and Eternity with red gems for eyes and holding the Star, Fire, Volcano, Four, and Eternity Kanjis in its tails for the second pendant on the bottom of her crimson red gorilla-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Sonnya Gokua felt a sharp pain on her back, and then, her massive crimson red angel wings with red tips on the large crimson red feathers grew much bigger for her new body and Son Goku's four massive tails also grew much bigger and longer for her new body, Sonnya Gokua has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sonnya Gokua's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of crimson red energy, stars, fire, flames, lava, gorillas, phoenixes, and angels, and when it emerged, it was transformed into Sonnya Gokua's Eternal Crimson Red Volcanic Firestorm Avatar Four-Tailed Gorilla Phoenix Angel Greatsword of Eternal Crimson Red Volcanic Firestorm Avatar Four-Tailed Gorilla Phoenix Angel Justice, it's a brand-new massive greatsword with embedded red gems and Son Goku the Four-Tailed Volcano Gorilla etched on the 7'6" massive, wide, double-edged crimson red blade, large crimson red gorilla heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in their foreheads, longer midnight black handle, four large crimson red gorilla heads with red gems for eyes and on the bottom of the large crimson red gorilla heads is a large crimson red gorilla head with red gems for eyes and red gem in its mouth for the pommel, Sonnya Gokua has on her large gold Bracers of The Champions of The Universe with large crimson red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Son Goku's head with crimson red gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Sonnya Gokua's Super Angel-Four Tails Avatar-Gorilla-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Roshi saw it, he fell into a rage and we saw his eyes change into that of the beast inside him and his nails grew into claws and he ran at her to kill her, but Sonnya Gokua fired a massive barrage of crimson red energy, stars, fire, flames, lava, gorillas, phoenixes, and angels which hit Universe

666 Roshi and sent him flying into a rock formation, he got back up, but boy was he pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on him!

Roshi: It's not over yet, Nico. In fact, the show's about to begin.

Sonnya Gokua: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Inferno Firestorm Lava Volcano Gorilla Phoenix Angel and Divine Cosmic Eternal Inferno Firestorm Lava Volcano Gorilla Phoenix Angel Love) But, it'll end all the same, Roshi. Shall we, Lincoln?

Lincoln: Let's do it, Sonnya.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Sonnya Gokua.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Sonnya Gokua went after Universe 666 Roshi, and they fired extremely powerful blasts of rainbow energy, crimson red energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Roshi, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Sonnya Gokua also left many more by firing blue energy slashes with her claws, and he and Sonnya Gokua attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Roshi even more insane with rage than ever.

Universe 666 Roshi: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Roshi went at them now completely blind with insane rage and fury, but Lincoln and Sonnya Gokua kicked him hard in the stomach and Lincoln fired blasts of water at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Roshi even farther into the edges of rage and madness.

Suddenly, Universe 666 Roshi started transforming as all four tails manifested and he transformed into his Tailed Beast. But, before he could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Roshi who was literally on his last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Roshi, and then, Lincoln began forcibly absorbing all of Universe 666 Roshi's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Roshi and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Roshi was dead. Then, Lincoln absorbed his body by stabbing him with one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back as soon as he was done and he sent Universe 666 Roshi's soul to The Black Gates. We all cheered wildly for what Sonnya Gokua and Lincoln did as they holstered their massive greatswords and powered down and Sonnya Gokua's new body, clothes, weapons, jewelry, Third Eye, four massive and longer Son Goku's tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive crimson red angel wings are permanent.

Sonnya Gokua: See you never, you monster. Thanks for helping me get rid of Universe 666 Roshi for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Sonnya.

Suddenly, Sonnya Gokua wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sonnya Gokua's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Son Goku the Four-Tailed Volcano Gorilla flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging and lava behind them and we cheered wildly. Then, Lincoln and Sonnya Gokua sucked in and absorbed the elemental forces and fire and lava and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Sonnya did it, they defeated my former comrade and Lincoln killed him using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Son Goku, and without it, he died painfully.

Lincoln: But, we can't underestimate the rest of them at all, and there's also no telling what else that crazy lunatic has done in their resurrection.

Eli: Obviously, not good. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Calliope Midnight.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Calliope Midnight is Lincoln's Guardian Angel from Michigan and the middle sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Chandler with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Chandler tried to attack us, but Calliope used her dark powers and made Chandler's nightmares come to life, and he got so scared, he ran away and went back into his house and holed himself up in his room and refused to come out for the rest of the night.

Nico: Whoa, now what was his fear?

Lincoln: That was an easy one: his so called popularity falling apart and getting outed as a bully and a monster.

We gasped.

Me: Yeah, that fear is extremely powerful.

Radioactive Man: That takes care of them.

Gizmo: That was the biggest enemy we ever fought!

Private HIVE: But it was worth it, soldiers!

Me: Maybe not the biggest ever but one of them.

Po Kong: Let's celebrate by eating those donuts!

Felix Faust: You better save some for us!

Me: Don't worry we made more than enough.

Nico: Yep. Great job today guys!

Spiderman: (To the viewers) Another awesome victory for all of us.

Me: Yep.

We went back home and ate the donuts we made and then enjoyed the rest of the day and went to sleep.

Nicole: Wow! Its been a long time.

Nico: This is my first time here on Dinosaur Planet.

Nicole: Oh that's right Nico you weren't with us back then.

Nico: I was over at family relatives back then.

Me: Wow.

Nicole: We have an awesome story to tell you from back then.

Camie: This will be cool.

Nico: I can't wait to hear it.

Camie: Yeah.

Laney: Yeah.

Jack Landors: This is amazing though

Nico: Jack, I want to thank you, Cad Bane, and your teams for coming.

Jack Landors: No problem Nico. This will be awesome and fun.

Tatami: It sure will be.

Nico: Tatami, what do you like to do in your free time?

Tatami: I haven't given it much thought. I've been so busy with my hero training and my studies at UA Academy.

Me: That's okay Tatami. You'll think of something.

Kaoruko: Yeah plenty of stuff to do.

Lola: Yeah.

Nico: And I can help you find said job.

Tatami: Thanks Nico.

Me: But School always comes first.

Nico: Yep. That is true.

Laney: Man Lego Surtur and Lego Mordo REALLY put up a great fight!

Lana: Surtur was huge!

Laney: Yeah he sure was!

Nico: He was one of our more huge enemies.

Me: Yep. But we faced bigger foes before.

Qin: Yep.

Laney: Yeah that is for sure.

Varie: Yep.

Nico: Was that our first time seeing any version of the Sanctum Sanctorum?

Me: As a matter of fact, yeah it was.

Nicole: Before we do that I should tell you about the adventure we had here before.

Nico: Good idea.

Nicole: It was really awesome.

She went over what happened during the events of chapter 571.

---

It starts with me, Vince, Carol and Lincoln walking home from the mall. We had lots of shopping bags full of clothes and accessories.

Me: Boy that's a lot of stuff we bought.

Carol: It sure is. But these clothes are perfect for all of us.

Vince: They sure are.

?: Hello Carol.

We saw a man around 20-years-old with black hair and green eyes and he was dressed in a blue shirt with the sleeves torn off and black camouflage pants and combat boots. He had the Punisher

Skull tattooed on the middle of his forehead.

Me: Cory Slade.

Cory: Its been a while Knudson.

Me: I haven't forgotten what you tried to do Carol when we first met.

Vince: Who is that guy?

Me: You would hate this guy partner. His name is Cory Slade and he is Carol's ex-boyfriend.

Vince: Really? He looks like the kind of guy that would hurt anyone in any way, shape or form.

Me: He is. I looked up his information on the computer and he has a nasty criminal record that stretches back to when he was 8-years-old. I sent him to prison when he nearly killed a student at our school and got him expelled and sentenced to 10 years in prison for assault and battery. He was paroled recently.

Cory: Yes.

Carol: That's right. Before my split-personality problem I never even knew I was dating a criminal.

Cory: And you ruined my life J.D.!

Me: Because you are a heartless sociopath and you care about no one but yourself.

Vince: And besides you freak.

Carol and Vince show their wedding rings.

Carol: We're getting married soon.

Cory was shocked. Not only did Carol get engaged to Vince whom he had never even met but now he was engaged to his ex-girlfriend. Cory was enraged and he pulled out a knife.

Cory: (ENRAGED SCREAMING) I HATE YOU ALL! I WILL KILL

EVERY SINGLE ONE OF YOU!

Our auras flared up and he charged at us and Carol kicked him in the face and he fell to the ground and Vince crushed his hand and picked up the knife. It was a Switchblade.

Me: You will never hurt anyone again.

The police arrived.

Officer 1: Cory Slade you are under arrest and in violation of your parole. It's back to prison for you.

Cory: No!

They grabbed him.

Officer 1: You're gonna get life for this and this time you won't get paroled.

Cory: YOU WILL PAY FOR THIS CAROL! I WILL GET OUT AND I WILL KILL YOU AND YOUR IDIOT FRIENDS AND CRONIES!

Vince: That'll be the day.

Me: Get him outta here.

Officer 1: With pleasure.

Officer 2: Lets go Cory.

Carol: Good riddance to bad rubbish.

Me: Yep.

Cory was sentenced to life in the Antarctica prison. He was declared a habitual offender and was ordered to remain in the Antarctica Prison without the possibility of parole.

Back at the estate we were having a snack and watching TV and reading books. Suddenly the computer popped up and a fanfare was heard and a holographic image of a humanoid dog appeared. It was General Pepper of the Cornerian Army in the Lylat System.

General Pepper: General Pepper here.

Me: (Salutes) General Pepper of the Cornerian Army! It's an honor to meet you sir.

General Pepper: It's an honor to meet you too J.D. Knudson of Team Loud Phoenix Storm. I have an urgent mission for you.

Me: What is it sir?

General Pepper: Your mission is to assist the Star Fox Team in helping to repair Dinosaur Planet, an ancient world on the edge of the Lylat System.

A model of the planet is shown and the planet had four chunks of it broken off of the planet.

General Pepper: As you can see, chunks of the planet are being torn from its surface. It's your job to get them back! If Dinosaur Planet explodes, it could affect the entire Lylat System. Your mission is to assist the Star Fox Team in helping to save Dinosaur Planet.

Me: Affirmative General. We're on our way.

General Pepper: Right. Pepper out.

Me: Lets head out! Deploy the U.S.S. Valor!

Lisa: Affirmative 2nd Elder Brother.

Me: Lets roll!

In Megan's room she was talking to Cornelia.

Megan: No way! You and the others are helping Irma organize a concert for Vance Michael Justin?!

Cornelia: Yep! It's not as exciting as it sounds, though.

Megan: Why?

Cornelia (annoyed): Irma is giving us too many orders in getting the concert ready! And let me tell you, it's driving us crazy! She's become a total control freak!

Megan: Well, here's what you should do. You should go to Irma and tell her that if she wants the concert ready, she has to stop being acting like a slave driver!

Cornelia (smirks): Now there's an idea! Thanks, Megan!

Megan: No problem! (hangs up)

Me: Megan we're heading out. We have a mission.

Megan: Lets do it!

We launched and headed for the Lylat System.

The U.S.S. Valor was flying through space with Faster Than Light travel.

Me: Captain's Log, Stardate 2549.3: General Pepper of the Cornerian Army of the planet Corneria in the Lylat System located 92,000 light-years away from Earth has informed us that Dinosaur Planet is in great peril. Our mission is to find out who or what is behind this, destroy them and repair Dinosaur Planet.

Lincoln: This is gonna be so cool!

Lana: It sure is.

Nicole: I've known the Star Fox games for a long time. They are awesome.

Lily: I've never played the Star Fox Games before.

Nicole: They are awesome Lily.

Lincoln: They sure are.

Lucy: Who is the main bad guy in those games?

Me: Well the main antagonist is a mad scientist named Andross.

Lincoln: He is pure evil to the core.

Laney: I don't think I would like this guy.

Me: I know. Here's his story. Andross was once a very skilled and very respected scientist. He is a humanoid monkey and he helped invent lots of things that were incredibly beneficial for the planet Corneria and the Lylat System. This earned him the title of genius and a respected man.

Lynn: So all the people in the Lylat System are humanoid animals?

Me: Correct. But Andross grew mad with extreme powerlust and he began to conduct all kinds of insane and inhumane biotechnological experiments. The kinds that would put Dr. Frankenstein and Orochimaru to shame. When General Pepper got word of this, he ordered Andross to stop doing his experiments. But he refused and it caused a massive explosion that decimated much of Corneria City. As a result, General Pepper was infuriated and he banished Andross to the barren, uninhabitable and deserted planet Venom, the 1st and largest planet in the system. This was hoping that Andross would die there. But he was dead wrong. Venom quickly became Andross's base of operations. He performed experiments on himself and became a former shell of his former self and he went from being a benefiting scientist to one that will destroy the entirety of the Lylat System and reshaping the entire galaxy in his own image. But that's just the beginning.

Laney: How so?

Me: Well here's where things go from bad to worse. 5 years after that, General Pepper noticed strange activity coming from Venom. He sent the first ever Star Fox Team consisting of Fox's father James McCloud, his best friend and right-hand wingman Peppy Hare and Pigma Dengar who is an honorless slime ball to investigate what's going on. However upon their arrival, Pigma, who was working for Andross the entire time betrayed the team and James and Peppy got captured by Andross. At the cost of James' life he helped create a diversion to help Peppy escape from Venom and Peppy returned home to tell Fox what happened to him. But Peppy warned everyone on Corneria that Andross had amassed a powerful army with which he planned to use to conquer the entire Lylat System. Andross then declared war on the entire Lylat System and proclaimed himself as Supreme Emperor to all. Thus began a terrible war called the Lylat Wars. The Venomian Army was unleashed onto all the neighboring planets of the Lylat System. Destroying everything in their path and any rebellion was destroyed. This caused the Lylat System to nearly become a wasteland of near extinction. Corneria, the 4th planet of the Lylat system was the last hope of defense. Fox was outraged when he found out that the Cornerian Government couldn't do anything about it. So he left the Cornerian Academy to take care of it himself. Under Peppy's wing, he brought Star Fox out of retirement and formed a new team consisting of himself as Leader, Peppy Hare as Second in Command, hotshot pilot Falco Lombardi and mechanic Slippy Toad. They came to Corneria's aid without hesitation and ensured that Andross would be stopped and Pigma would be brought to justice.

Lily: Sounds like a huge task.

Me: It is. They beat all of Andross's forces and Fox faced Andross himself. It was a fierce battle and because of all the experiments that he did to himself Andross was nothing more than a huge disembodied head with two mechanical hands. Fox fought Andross in an intense battle and revealed his true form: a massive brain with 2 big eyes tied to him with energy strands. Fox beat Andross and blew him apart and with the help of the spirit of his father he escaped the explosion.

Lincoln: It's good he did.

Lola: Yeah.

Lisa: Affirmative.

Me: But the trouble doesn't end there. Then came the Titania Incident.

Four years passed since the presumed death of Andross. After the Lylat Wars, the galaxy seemed to be at peace. A Cornerian base was established on Titania for research on its ruins, but was unfortunately a front for the leader of the base, Captain Shears, to resurrect the great Andross by cloning genetic remnants of him found on the planet.

Sometime during the past four years, a space gang, led by Katt Monroe, had hacked into the main database of Captain Shears' files and discovered research documents on resurrecting Andross, although they initially believed that they were plans for a bioweapon. She managed to contact Falco, a former member of the gang, for assistance in dealing with what she found. Falco left without his team's permission while they were debriefed on the situation. Captain Shears misled the Star Fox team into believing the gang were actually servants of Andross, resulting in a dogfight between Fox and Falco. It was not until after Slippy explored the base and realized the truth, as well as the gang hailing Fox on the communications channel and explaining what happened and reviewing the files they hacked, that the fighting ended, although Slippy ended up captured in the process. Fox entered Captain Shears' base on Titania in an attempt to stop him, but it was too late.

The once powerful dictator Andross had awakened, despite Slippy's efforts in stopping Andross's revival. Captain Shears was crushed by the resurrected Andross, who thereafter immediately attacked Fox. Fox blinded Andross by throwing Shears's rapier at one of his eyes, escaping a close encounter and enraging Andross even more. Luckily, the Star Fox team managed to destroy the base and left Andross beneath its ruins by using a Landmaster.

Me: That fight was brutal. But Star Fox prevailed and Andross was gone for good. Or so we think.

Nicole: I have a feeling I know what's gonna happen next. But if Andross appears again we'll be ready for him.

Luna: Guys. I think we're here.

We had arrived at Dinosaur Planet.

Me: Wow! It's beautiful. And there's the four chunks of the planet like General Pepper said.

Lori: This is literally horrible.

Me: I know. Okay, Nicole, Megan, Killer Frost, Lea, Kirby, Samus, Meta Knight, Janeen, Lori, Lincoln, Linka, Lyra, Lucy, Laney, Lana, Lola, Lisa and Lily, you all will head down to the planet and help them out. Our scanners show that Fox heading down to the planet as we speak.

Nicole: Okay dad. Lets roll!

They set out for the planet. They flew up to Fox's Arwing and flew alongside it.

Fox: Samus! Kirby! Meta Knight! How are you three?

Samus: We've been good, Fox.

Falco: We haven't seen you guys since the last Super Smash Bros Tournament!

Samus: It has been a while Falco and Fox.

Kirby: How have you both been?

Falco: We've been doing great.

Fox: Same here. Did General Pepper send all of you guys here to help?

Nicole: He sure did. We can talk later guys. Lets head for the planet.

Fox (to Meta Knight): Remember when we were on your ship, and me, Falco, Lucario, Peach, Sheik, and Snake had to fight Duon?

Meta Knight: Yes. I had to stay behind to retake my ship. After Duon was defeated, I remember that it left behind a trophy of Mr. Game & Watch.

Falco: Man, those were good times.

They did and they landed in a place called Thorntail Hollow. It was a beautiful and peaceful place.

Nicole: Wow.

Lincoln: This place is amazing.

Lana: It sure is.

Lola: Yeah.

Fox: Lets look around and see if we can find the Queen Earthwalker.

Nicole: Okay. Here Fox.

I hand him a laser blaster.

Fox: Thanks Nicole.

Nicole: You're welcome. I sense something. This way.

They went to a grove of palm trees and saw what looked like a staff.

Nicole: It's a staff.

Nicole pulled it out and it emitted an energy flare. Nicole then heard a message play in her head.

Krystal: If you are receiving this message then I am in great danger. The Staff you hold in your hands is a powerful weapon. You must learn to use it wisely. It will give you great guidance when its powers can be used. My staff's main purpose is combat and in time your skills may grow. Try different actions to unleash its powerful attacks. You can also use it to explore the world around you. Try lifting rocks or knocking items out of the trees. I'm sure that you will find it very useful. Take care of my staff and it will take care of you.

Nicole: I know that voice. It's Krystal.

Fox: How do you know Krystal, Nicole?

Nicole: I have a long history Fox. Her staff here played a message in my head and it told me that she's in trouble. I don't know what's going on but something is telling me it isn't good.

Lincoln: What can we do?

Nicole: We'll worry about that later. First we need to find out more about what's going on here.

Fox: Okay.

Nicole: First I better practice with her staff and get the hang of it.

Laney: Good idea.

Nicole twirled and spun and did all kinds of awesome moves with it and learned all kinds of tricks and combat moves.

Nicole: I think I'm getting it. Lets find the Queen Earthwalker.

Fox: Okay.

They found the temple of the Queen Earthwalker and some Tyrannosaurus humanoid creatures came out of it.

Laney: Those creatures are not too friendly.

Nicole: No they are not.

Krystal: It's time to use my staff in combat.

Nicole: Lets dance.

Nicole bashed and pulverized the creatures with a variety of moves and she combined her powers with the staff and used a variety of combos. She defeated the creatures with great ease.

Nicole: That was too easy.

Krystal: This message will only play if my staff feels that you are ready to become its master. Before the staff becomes your own you must learn to see and feel its call through your hands. Follow its call and discover what lies beneath.

In a cave, Nicole then felt the call of the staff as it glowed green. It guided her to a cave and they went down into a chamber underground and saw a station. Nicole held up the staff and lightning struck the staff and she felt that the staff had gotten an upgrade.

Nicole: Wow!

Lincoln: What happened Nicole?

Nicole: The staff got an upgrade. I can feel it.

Nicole fired a blast of fire from the staff and it hit a button and opened a gate.

Nicole: Wow!

Lola: That was amazing!

Janeen: It sure was.

Kirby: That staff is awesome.

Nicole: It sure is. Lets continue on.

At the temple of the Queen Earthwalker they found the queen and she was hurt.

Nicole: Are you all right? My name is Nicole Knudson of Team Loud Phoenix Storm and we are from the planet Earth.

Fox: And I'm Fox McCloud and we've been sent here to help you. You must be the Queen Earthwalker.

Queen: (Dinosaur Language)

Fox: What did she say?

Nicole: She says her son Prince Tricky was kidnapped by the Sharpclaws and they took him to Ice Mountain. Over there.

Nicole pointed north to Ice Mountain.

Fox: Nice name.

Nicole: Lets go. I know where it's at. Oh Fox here. (Hands him something) You'll need this.

Nicole handed him a translator hearing aid.

Nicole: It's a translator hearing aid. These will help you understand the Dinosaurs of the planet.

Fox: Thanks Nicole.

Nicole: You're welcome. Lets head over there.

They went to Ice Mountain.

In the cold of Ice Mountain they saw a ship unload and it had Prince Tricky on it. Nicole and team were hiding behind the rocks and they saw the Sharpclaws take Prince Tricky into a cave.

Nicole: Lets go.

They went to the cave and Nicole fired an energy blast and blew the door to the cave apart and they went in.

Nicole: Pick on someone your own size you overgrown snake.

Sharpclaw 1: Who are you?

Nicole: None of your business!

Nicole punched the Sharpclaws and Lana freed the Prince. He was a young Earthwalker.

Prince Tricky: Thanks guys. Who are all of you?

Nicole: I am Nicole Knudson of Team Loud Phoenix Storm.

Fox: I'm Fox McCloud, leader of the Star Fox Team.

Nicole: Come on!

They ran out of the cave and left the mountain. They got to safety and landed by some trees.

Prince Tricky: Thanks guys. I owe you all one.

Nicole: No problem Tricky.

They introduced themselves.

Prince Tricky: It's a pleasure to meet you all.

Lori: We've been sent here to help Dinosaur Planet. It's literally under a lot of turmoil because of something going on.

Nicole: Lets get you home and help your mom. Come on.

They ran back to the Hollow and destroyed any Sharpclaws that got in their way. They got back and Tricky went to his mom.

Nicole: Lets go.

They went into the temple.

Prince Tricky: We have to help her out.

Nicole: How can we do that?

Prince Tricky: We need to find White Grubtubs. My mom gives them to me whenever I'm not feeling well.

Fox: It's looks like she'll need a lot.

Nicole: I think I know where to find them. Lets go.

They went to a greenhouse and found 10 of them. They went back to the temple and gave the White Grubtubs to her.

Queen Earthwalker: Thank you Nicole. Thank you all for saving my son and for saving me.

Nicole: You're welcome your majesty.

Fox: We need to know what's going on here.

Queen Earthwalker: This is all the work of General Scales. He is the ruler of the Sharpclaw Tribe. A nasty bunch of pirates who have always wanted to rule Dinosaur Planet. We have always been able to stop his attacks, but this time he's somehow become stronger and defeated our army at the Krazoa Palace.

Lincoln: This guy sounds like he is really bad news.

Laney: No kidding.

Fox: But how did the planet get in such a mess?

Queen Earthwalker: Within the Krazoa Palace he broke the seals of the Force Point Temples. This planet is rich with a magical force. A force so strong that it is continually pushing our world apart. To stop this, four Spellstones were placed inside the Force Point Temples.

Lana: That's really unusual.

Lisa: Indeed. But I see what's going on here.

Queen Earthwalker: With the seals broken, Scales entered the temples and removed the Spellstones. With nothing to hold back the magic force, the planet was torn apart!

Nicole: This is horrific! Scales has plunged this entire planet into turmoil and we have to make him pay for his crimes. We also have to find the Spellstones and bring them back to the Force Point Temples. We have three stages to our mission now. 1) Retrieve the Spellstones and fix the planet. 2) Rescue Krystal. And 3) kill General Scales.

Lori: We have our work cut out for us.

Janeen: But we can do it if we all work together.

Samus: That's right.

Prince Tricky was gonna help them all. They were told that the first Spellstone was taken to DarkIce Mines and the Queen Earthwalker knew the Gatekeeper Garunda Te. The leader of the Snowhorn Tribe. They went back to Ice Mountain and found him trapped under a huge sheet of ice.

Garunda Te: The SharpClaw have imprisoned me in this infernal cave. If you can bring me frost weeds I'll be strong enough to get myself out. Hurry.

Sharpclaws came out and Nicole got the Staff out and it was gonna be a big fight. Lori and Laney got the Frost Weeds and then

Garunda exploded out and he was free!

Garunda Te: Ah the young Prince. Who are they with you?

Prince Tricky: These are my friends Fox McCloud and Team Loud Phoenix Storm. My mother sent us to find you.

Garunda Te: Well I am Garunda Te. Spellstone Gatekeeper of DarkIce Mines.

Nicole: It's a pleasure to meet you.

Lincoln: Same here.

Lyra: We're looking for the Spellstone that General Scales took.

Garunda Te: Ah yes. It is my duty to guard the land from which a Spellstone is forged. General Scales took the Spellstone and discovered that I was a Gatekeeper. He gave me an ultimatum: Allow him to take the Spellstone back into the sacred land or he would destroy my tribe. I could not risk the safety of the entire planet. So I refused to help. My daughter did not think this way. And so to save the tribe she opened the gateway herself. Scales did not destroy my tribe. He enslaved them instead. My daughter dishonored me.

Nicole: She was doing what she thought was right to protect the tribe. Sure it was wrong but she was trying to save the tribe from destruction.

Garunda Te: I understand. You must search for the Spellstone within DarkIce Mines and return it to the Volcano Force Point Temple. Only then will the Spellstone's power be returned. I will open the gateway.

He released a stream of blue energy smoke from his trunk and the gateway to DarkIce Mines was opened.

Nicole: Okay lets go.

Nicole used Instant Transmission to beam them to DarkIce Mines.

When they arrived there they saw all much of the Snowhorn Tribe chained up. It was a cold place and the Snowhorns were slaves.

Nicole: Lets go.

They went to a Snowhorn and Lincoln picked the lock on her shackles with a bobby pin.

Snowhorn: Thank you for releasing me.

Lincoln: You're welcome.

Snowhorn: If you're heading down into the mines look out for Belina Te the gatekeepers daughter. She didn't mean to get us into this mess by telling Scales about the Spellstone. She did what she thought was right.

Nicole: We know. Garunda Te told us what went down and we're gonna make Scales pay for everything he has done to the planet. But we'll keep our eyes out for her.

The Snowhorn handed them a Bridge Cog. It would help them out.

They went to a bridge that was closed and Lana fixed the bridge by putting the cog in and pulling a lever. The bridge was fixed.

They saw a couple of Sharpclaws attacking a Snowhorn and Nicole pulled out the staff and bashed them into dust.

Snowhorn: I am forever in your debt.

Nicole: You're welcome.

Laney: Let me see if I can heal you up.

Laney used her plant powers to grow some Alpine Roots and she gave them to the Snowhorn. He was all better.

Snowhorn: Ah. That's better. Thank you.

Fox: You're welcome. That was amazing Laney.

Laney: Thanks Fox. I learn what plants can grow on whatever planet we're on very quickly and my powers can do anything with them.

Killer Frost: That's amazing.

Nicole: It sure is. Lets head down into the mines and find the Spellstone.

Nicole blasted the gates open and destroyed a turret. They found an awesome horn called a Dinosaur Horn which can be used to call a member of the Snowhorn Tribe. There was a nasty whiteout blizzard in their path and it had nasty extreme cold. She used the horn and a member of the Snowhorn Tribe came.

Nicole got on the Snowhorn that came.

Nicole: Okay. Everyone stay close. Tricky stay with the group.

Prince Tricky: Okay Nicole.

Fox: It'll be okay guys.

Lola: Okay Fox.

They went out into the blizzard and stayed together and then they went down into the mines. Along the way Nicole got another upgrade for the Staff, the Air Boost. They found numerous Snowhorns being worked to the brink. They destroyed the contraptions and destroyed their shackles. They also met Belina Te the daughter of Garunda Te. They went down into the mines and found the Spellstone in the hands of an ice statue.

Lola flew up and grabbed the Spellstone.

Lola: That was too easy.

Lincoln: It sure was.

Lincoln fired a blast of lightning and the statue exploded.

KABOOM!

Lincoln: That did it.

Lucy: That was the ugliest dinosaur I've ever seen.

Nicole: It sure was.

On the outside after rescuing all the Snowhorns they were talking to Belina.

Fox: So you must forgive your father. You should be working together in leading the Snowhorn Tribe against Scales instead of fighting eachother.

Belina: I will Fox. Thanks to all of you my people shall no longer live as slaves.

Nicole: I'm glad.

They all were.

Lisa: Yes indeed.

Nicole: Come on guys. Lets take the Spellstone to the Force Point Temple.

All: Right.

They did so.

They beamed to the planet and went down to Moon Mountain Pass and they busted through a gate and made it to the Volcano Force Point Temple.

Nicole: Wow! So this is the Volcano Force Point Temple. It's amazing.

Lola: It sure is hot here.

Lisa: Indeed. But it is a magnificent feat all on its own.

Laney: It sure is.

They walked around in the temple and got to a stand that was a teleport. They got on it and beamed to the core of the planet and they saw the ports of the Spellstones. There were four streams of energy coming out of a chimney. 2 of them were orange and the other 2 were blue.

Nicole: So this is where we have to put the Spellstones.

Lincoln: Looks like it. The level of energy I'm sensing coming from there is unbelievable.

Laney: It sure is strong.

Lucy: Wicked.

Fox: I can't sense things like you guys can but I know what you all mean.

Nicole put the Spellstone back and there was a small rumble. One stream vanished and they had 3 more Spellstones to get back.

Back in the temple they went out to Moon Mountain Pass.

Nicole: Okay we have 3 more Spellstones to find. Phase 1 of part one of our mission is complete.

As they walked down the pass they heard a voice call out for help.

Krystal: (Echoing) Help me! Please help me. I'm dying.

Fox: Can you hear that?

Nicole: I sure can. That's Krystal.

Laney: And it sounds like she's in really big trouble.

Krystal: I need Krazoa Spirits or I will not survive. Help me.

A ghostly figure appeared and it was a figure with an Egyptian Pharaoh mask.

Prince Tricky: A Krazoa.

Krazoa: Do you wish to accept our test?

Fox: What is it talking about?

Laney: What test?

Krystal: Please. Please.

Krazoa: I was released when she completed my test. But she is now in great danger and for her to survive you must continue what she started and collect the remaining Krazoa Spirits for only the pure of heart can enter our shrines.

Nicole: You must mean Krystal.

Krystal: (Choke) Stop, please don't hurt me.

Prince Tricky: She sounds like she's in big trouble guys.

Nicole: I know.

Krazoa: Find the remaining five Krazoa Shrines. Complete the test within each and bring the spirits to Krazoa Palace.

Nicole: I know where that is.

Krazoa: When all spirits are returned she will be saved. She is depending on all of you for her life.

Laney: We have to help her at all costs guys.

Nicole: Lets go guys!

They went further down into the pass and Nicole got another staff upgrade: the Ground Quake. They later found the second Krazoa Shrine entrance.

Nicole: Okay guys. I'll go in this one. Since we have five shrines to go into who will volunteer?

Lincoln, Laney, Lucy and Janeen raised their hands.

Nicole: Okay. Wish me luck guys. Not that I'll need it.

Nicole got onto the teleport pad and was taken into the Krazoa Shrine.

Nicole: Here goes.

She flew up a ladder and flew across lakes and a long flaming gap. She got to the Krazoa Spirit.

Nicole: Wow. So you are a Krazoa Spirit.

Krazoa Spirit: Yes. Your test is the test of Combat. Prove your worth in combat by defeating all the Sharpclaw within the time limit. If you succeed I will become yours to return to Krazoa Palace.

Nicole: Okay.

Nicole had three minutes and thirty seconds. She pulled out the staff and she beat all the Sharpclaws with ease. After completing the test the spirit came out and it flew into Nicole's body. But instead of taking complete possession of her she retained full control of her body and her eyes were glowing purple.

Nicole: Wow! Now I know how Lucy felt. But I did it.

She completed the test.

She exited the shrine and everyone saw that she had done it.

Lincoln: She did it!

Laney: She sure did.

Lana: How do you feel Nicole?

Nicole: I still have full control of my body.

Lincoln: That's good.

Lucy: Now you know how I felt.

Nicole: I know. Lets head for Krazoa Palace.

She used Instant Transmission and they all beamed to Krazoa Palace.

They arrived at Krazoa Palace, Dinosaur Planet's most sacred place. It was in the middle of a huge thunderstorm.

Fox: So this is Krazoa Palace.

Prince Tricky: Yes. It's Dinosaur Planet's most Sacred Place.

Lincoln: It sure looks Sacred.

Janeen: It sure does.

Fox: It sure looks amazing.

Nicole: Lets look around and see if we can find where to release the spirit and find Krystal.

They walked around and saw that it was all an amazing palace.

Lincoln: Wow. This place is amazing.

Laney: It sure is.

Lana: Yeah.

Lyra: It sure is breathtaking.

Lincoln: I sense an evil presence here though. It's power is incredible.

Laney: What do you think it might be?

Lincoln: I don't know but it's not good.

Nicole: I feel it too.

They went to the roof of the palace and they saw a crystal structure on a stand. They went up to the crystal and saw Krystal trapped inside it in a machine.

Fox was smitten by her.

Fox: Wow. She's beautiful.

Lincoln: She's perfect for you Fox. I may not be a Matchmaker, but she's perfect for you.

Laney: I agree.

Lana: How are we gonna get her out of that thing?

Nicole: I think I can do it. (Chants an incantation) KEKMUROM PESTEGA NEUTROTA!

She fired a beam of cosmic energy at the crystal and the machine was destabilizing. Krystal woke up and the machine exploded. Nicole pulled out the staff and Krystal fell and she grabbed it.

Nicole: I got you! I won't let go.

Fox grabbed her hand and they pulled her up.

Nicole: Are you all right?

Krystal: (British Accent) Yes. Thanks to all of you.

Lana: We're glad you're okay Krystal.

Krystal: Yes.

Nicole: Oh I'm sorry. We should introduce ourselves.

They did so.

Krystal: It's a pleasure to meet you all.

Laney: How did you get inside that crystal machine?

Krystal: I completed the first test of the Krazoa to and then when I brought it into the palace I saw this ghostly figure push me into that crystal you freed me from.

Lucy: Ghostly figure?

Lola: Did you get a good look of who or what it was?

Krystal: I sure did. It was the spirit of Andross.

They gasped in sheer horror.

Nicole: Andross is here!?

Fox: But I killed him on Titania!

Lincoln: You did Fox. But it's his spirit.

Laney: I think I know what's going on here. He somehow learned about the ancient power of the Krazoa and by trapping you Krystal because you have the ability to channel this power, he was going to use this powerful energy to resurrect himself.

Fox: My thoughts exactly.

Krystal: But you all freed me from having to do this.

Kirby: Even in death he still will always find a way.

Laney: He's like the Devil and he will do whatever it takes to win.

Prince Tricky: Yeah. I heard a lot of stories about Andross, but I never knew that he was that persistent.

Janeen: Persistent is an understatement Tricky. He's Trouble all in capital letters.

Nicole: Oh Krystal. (Hands her staff to her) I think this belongs to you.

Krystal got her staff back.

Krystal: My staff. Thank you Nicole.

Nicole: You're welcome. Would you like to help us save the planet?

Krystal: What's going on?

Lincoln: I'm afraid the situation is worse than you think.

They revealed what is going on to Krystal and she was horrified.

Krystal: That monster! We have to stop General Scales for good!

Nicole: And we will.

Nicole later expelled the Krazoa Spirit from her body and it was back in the palace.

They continued on and went to the Cloudrunner Fortress and brought the Spellstone to the Ocean Force Point Temple. They did it all and brought 5 of the 6 Krazoa Spirits to the Palace and returned all the Spellstones to the planet. All that was left was the Final Krazoa Spirit.

Back at the Krazoa Palace they were looking for the last Krazoa Spirit.

Nicole: It's got to be here somewhere.

?: We can't let you all get that last spirit.

They saw four men. It was four enemies that Star Fox knew all too well. It was the Bounty Hunter Mercenary team STAR WOLF!

Fox: It's Star Wolf.

Lincoln: I know these guys all too well.

Nicole: Me too. Wolf O'Donnell, Leon Powalski, Pigma Dengar and Andrew Oikenny the nephew of Andross.

Wolf: That is right Nicole Knudson. We've heard so many big things about you all from all over the galaxy.

Nicole: Nice to know we've made an impression. Pigma you are just the slice of pork we're looking for.

Pigma: And why is that?

Lincoln: Because you got James McCloud killed without a single shred of remorse or guilt!

Laney: You will pay for killing his father Dengar!

Pigma: We shall see.

Samus: Its been a while since the Super Smash Bros Tournament Wolf.

Wolf: I was one of the top fighters in the 3rd Super Smash Bros tournament. And yet I didn't get invited to the 4th one because I had a temper?!

Samus: There's also the fact that you tried to steal Master Hand's property. Looks like you haven't changed.

Andrew: You just had to remind him.

Me: (Offscreen) You Wolf freaks aren't going anywhere anytime soon.

I land by them.

Nicole: Hey dad.

Me: You guys have been doing a great job. Lets dance Wolf.

Wolf: With pleasure.

We charged and went at them and it was a brutal fight. Kirby sucked in Wolf and copied his abilities. He fired a blaster at him and as it turns out we were too much for Andrew.

Killer Frost: Lana lets use our combo.

Lana: You got it Louise.

Lea: Lets get him Lola.

Lola: You got it Lea.

Killer Frost and Lana fired a blast of ice.

Killer Frost and Lana: ABSOLUTE ZERO ICICLE BLIZZARD!

Lea and Lola fired a blast of fire.

Lea and Lola: FLAMING FIREBALL FIRESTORM!

The combo attacks combined and they hit Andrew and I fired an energy blast and Andrew exploded into dust and he died in an instant.

Fox and Falco used their Final Smash on them and their Landmasters blasted them. Wolf did the same and I protected us in a force field.

Laney used her plant powers and tied up Leon, Wolf and Pigma.

Wolf: If fate's decided today's the day, so be it. Just finish us off quickly, will ya?

Fox: No. You might be a criminal but I know that you and Leon have some sense of honor, unlike Oikenny and Pigma. And that's why you're going to lead us to where Andross is.

Megan: And you two are going to do it in our ship so you don't try anything funny.

Wolf: All right. I'll do it.

Me: I'll take Pigma to the ship so we can take him to Corneria to face justice.

Nicole: Okay dad.

I did so.

Nicole: Okay Wolf, lead the way.

They followed him and he lead them to a secret room and it went under the Krazoa Statue.

Wolf: Look, Fox. You have a point. Me and Leon do have a sense of honor. But Andross doesn't. So, my advice? Don't hesitate when it comes to guys like Andross and Shredder. When the time comes, just act.

Fox: I'll keep that in mind.

Kirby: I can't wait to kick Andross' butt. It'll be perfect payback for all the times that he's attacked us every time an opponent summoned him as an Assist Trophy!

Nicole: Same here.

Samus: You said it Kirby.

Janeen: I didn't know you participated in a huge tournament like that mom.

Samus: It's a long story Janeen.

They arrived in a huge chamber and they saw a ghostly figure. It was the head of Andross. He was now a ghost.

Nicole: Wow!

Andross: Welcome Nicole Knudson. Fox McCloud how nice to see you again.

Fox: Andross! So your spirit is still alive!

Krystal: That's him! He's the one that imprisoned me in that crystal!

Meta Knight: Andross seems different since the last time I saw him.

Fox: I think that's because this is his real form. The one that was used as an Assist trophy was one of his avatars.

Nicole: It really is true how you changed yourself. You really have become a completely insane and despicable fool.

Andross: That's true. But I will have my revenge on you Fox and destroy the Lylat System.

Nicole: Lets face him as he was before he became power-hungry.

She snapped her fingers and Andross was brought back to life and he was back to what he was before he did all those insane and inhumane biotechnological experiments on himself.

Nicole: Lets dance Andross!

Nicole, Lincoln, Lori, Laney and Linka went Super Angel and they fought him with a ruthless and vicious assault on him.

Kirby: (kicks Andross) That's for shooting panels in my face that one time!

Andross: Don't remind me! Do you know how infuriating it was to be in those Tournaments as an Assist Trophy and not as an actual fighter!

Megan used her own Final Smash called Phazon Comet Blast!

She fired a Phazon hyper beam and it turned into a comet ball and it went at Andross and exploded when it hit him.

Nicole punched him and fired an energy blast and vaporized him in an instant.

Nicole: Now to make sure you never terrorize our galaxy or the Lylat System ever again! (Chants an Incantation) ALDRUON ENLENTHRANEL VOSOLUN LIRUS-NOR!

Andross' spirit was sucked and sealed into the Book of Vile Darkness for all eternity. Same with Andrew Oikenny.

Nicole: That takes care of that. But we still have one last loose end to tie up: kill General Scales.

Lincoln: Okay.

Falco: Ok. In the next Super Smash Bros Tournament, Master Hand better replace Andross with a new Assist Trophy!

Nicole: I know where he's at. Lets go.

They went into the final Krazoa Shrine and it was there that it was a final battle arena.

Nicole: Here we go.

She got up onto the arena and Scales was expecting them.

General Scales: I've been waiting for you Nicole Knudson.

General Scales jumped down and Nicole jumped away as he landed and he had a sword in his hand.

General Scales: You may have returned the Spellstones, but the war is not over yet. Now you must face me!

Nicole: You're gonna pay for everything you've done to this planet Scales.

Nicole unsheathed her sword and they clashed in a brutal and ferocious sword fight. Sparks flew everywhere and set the arena on fire. It was a savage and powerful sword fight and it was getting more and more intense as it raged on. But General Scales got careless and Nicole slashed his entire head clean off his body and killed him instantly. Then the last Krazoa Spirit exited his body.

Lincoln: He had the last Krazoa Spirit inside him all this time.

Lucy: That's what gave him his incredible power.

Janeen: And that's how he was able to overpower the Earthwalker Army in the Krazoa Palace.

Nicole: Now he's been dethroned essentially.

The spirit went into Nicole's body. They did it. After returning the spirit to the palace the entirety of the planet was put back together and everything was back to normal for Dinosaur Planet. Afterwards we all went to the planet Corneria. We all stood before General Pepper.

Me: General Pepper it's an honor to meet you in person.

General Pepper: Same here J.D. Good work to all of you. I received a message from the King and Queen Earthwalker thanking you for saving their world. Oh and Tricky says hi. I was however very surprised to hear that Andross' spirit was there on the planet.

Slippy: Not as much as we were sir.

Nicole: Andross somehow learned about the ancient power of the Krazoa and by trapping Krystal here who has the ability to channel this power, he was going to use this energy to revive himself.

General Pepper: At least this time we have seen the last of him for good.

Me: Yes we have General. He's now forever imprisoned in the Book of Vile Darkness for all eternity.

Fox: That's right.

Krystal: I'm forever indebted to everyone here for saving me and for everything they did for me.

Lincoln: It was the least we can do Krystal.

Laney: I'm glad we were able to help out.

Me: Me too. By the way General Pepper are we the first ever humans to be in the Lylat System?

General Pepper: You are indeed J.D. You and all of Team Loud Phoenix Storm are the first of your kind to visit the Lylat System.

Me: First times for everything.

Fox: That is true.

We later went back to Earth and we set up a huge trade route and alliance with Corneria and they would call on us again should it be needed. Even though our planets are 92,000 light-years apart its proven to be extremely beneficial for all us. We set up a huge Spacedock-like space station for the Star Fox Team in orbit around planet Earth and we built a special jump gate that would get us to the Lylat System faster. Everyone on Team Loud Phoenix Storm was made honorary members of the Star Fox Team. Pigma Dengar was sentenced to death for his crimes against all of Corneria and Wolf and Leon were placed into the Mariana Trench Prison.

Fox and Falco were talking to Wolf and Leon there.

Wolf: Just remember what I told you, Fox. I don't want you getting soft on me. (Fox smirks) Now what's funny?

Fox: What's funny is that I know your secret.

Wolf: And what's that?

Fox: That deep down, you really do care about people. And that's why you lead us to Andross instead of bailing us the first chance you got.

Wolf: You better not tell anyone that!

Fox: Don't worry. I won't. Today just proved what I've always known. There's good in you, Wolf. And you don't have to admit it to me, but there's a part of you that knows you don't have to let your past define you. A part of you that really wants to be more than just a criminal.

Wolf: So I should be a hero like you, Fox? What exactly does that pay again?

Fox: It's just a matter of time. Something you'll have a lot of in here.

Wolf (smirks): Not as much as you think.

Leon: Please tell me we get some food in here!

Falco: Relax. We'll drop by every now and then to give you some burgers and fries.

They left and Leon and Wolf were going to have all the time in the world to reflect on their crimes.

---

When she was done he was amazed and in awe.

Nico: WOW! So that's how you met the Star Fox Team and Krystal for the first time as well as beat Star Wolf.

Nicole: Yep. And how I imprisoned Andross in the Book of Vile

Darkness for the first time.

Nico: That was awesome!

Maria: That was awesome back : It sure was.

Eli: That is amazing.

Twilight Sparkle: Wow you guys had an amazing adventure back then.

Sunset Shimmer: That is awesome. I had no idea that Andross did that to Kirby back then.

Nicole: Yeah it's something that Kirby doesn't like to recount.

Misty Brightdawn: Boy that is crazy.

Laney: It was. But it was a really fun adventure.

Maria: Technically, he's done that every time he appears as an Assist Trophy.

Nico: Yeah.

Nicole: That's true. And Andross appeared as he did back in 1993 which was really cool.

Nico: Good times back then.

Qin: Yeah.

Nico: But that was an awesome adventure Nicole. You did great.

Nicole: Thanks Nico.

Me: I'm proud of Nicole and some of the Louds back then.

Laney: It was really fun.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Sydney, are you familiar with someone by the name of George Henderson?

Sydney gasped in horror.

Sydney: Oh God, not him.

Nico: You know him?

Sydney: I wish I hadn't, but you guys deserve to know about it: George Henderson's my ex-boyfriend and the only reason why he's my ex-boyfriend is because he's pure unadulterated evil, and you guys will hate him with an absolute bloody passion. George was extremely physically and psychologically abusive and he always treated me like shit for his own amusement, and take a look.

Sydney lifted up her shirt and we saw bloody slashes on her back.

Me: Oh God, that's just disgusting!

Nico: WHOA MAN! That had to hurt!

Lola: No kidding!

Qin: This is definitely much worse than what that asshole ex of mine, Xin Fa, did to me.

Akira Akatsuki: How did you get away from him, Sydney?

Sydney: One night, I packed up all of my things and waited for him to come home, and lucky for me, he came home drunk and he passed out on the couch from a heavy hangover. I got my things and got out and went straight back to my parents' home, and after I told them everything, they were livid. They phoned the police and I told them everything and where to find him, they went there and arrested him, and I soon found out that the cops have been looking for him for a very long time as he was responsible for assaulting his other girlfriends in the past and he's even murdered a few of them. He was eventually found guilty and sentenced to spend the rest of his life in prison.

We were livid, and immediately, we had murder on our minds.

Me: That… goddamn… !

Applejack: Why that low down no good sidewinder!

Nico: That's it, he's heading for a one-way train ride to Hell for this!

Akira Akatsuki: Without a second thought!

Sydney then came dressed up in her jumpsuit. It was a dark blue one.

Nico: Awesome.

Sydney: Just in case.

Sydney then heard a Pokemon cry.

Sydney: Huh?

We saw a Beautifly but it had red, orange and yellow wings.

Qin: Wow a Beautifly.

May: Wow! This one looks just like mine. But it has Red, Orange and Yellow Wings.

Beautifly: That was a really sad story!

Meowth: Wow! It talks like me.

Beautifly: I'm sorry that happened to you Sydney.

Sydney: It's okay. So I guess you're my mascot too?

Beautifly: I sure am.

Nico: Cool!

Me: Looks like May's Beautifly has a little playmate.

Qin: She sure does.

Poromon: And a new beer drinking friend too.

Laney: Awesome.

Sydney: I need you to stick by me, okay?

Beautifly: Okay.

Qin: This is gonna be awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his

massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for George Henderson) AHA! Got you, you abusive worm! I just spotted George Henderson, he's 20 yards away and he's out to kill you and Akira, Sydney.

Sydney: That bastard, I knew he still hated me for turning him in to the police and finding out that I have Akira as my new boyfriend. He's going to get it.

Lincoln: He doesn't deserve to live a single second further. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all

of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on George Henderson.

We were looking around, and there we saw George Henderson and he was fighting Fox McCloud and the Star Fox crew.

Lincoln: There he is, and that jerk's getting into a fight with Fox and the crew?! That's it.

Lincoln fired rainbow energy blasts that took the form of the Arwings of the Star Fox Crew and they fired lasers at that asshole and he got hit hard. Then, we landed in front of that pissant, and he was growling like a fucked-up animal when he saw Sydney and Akira along with all of us.

George Henderson: YOU GODDAMN BITCH! HOW DARE YOU SHOW YOUR FACE TO ME!

Sydney: Those are the words I want to say to you. How the Hell did you break out of prison?!

George Henderson: I'm not saying anything, bitch! Now, you will die for throwing me in prison, and once I get through with you, your boyfriend's next!

George Henderson ran at Sydney and was about to stab her with a knife!

Akira Akatsuki: Get the Hell away from my girlfriend, you asshole!

Akira Akatsuki grabbed George Henderson and threw him into a tree. He got up, but he was pissed off.

Sydney: That was a nice throw, Akira. But, now he's pissed off beyond anyone's imagination.

Me: He had this coming!

I punched him in his face and kicked him in his stomach and kneed him in his chin!

Sydney's Beautifly was on her head.

Beautifly: Wow! J.D. is an awesome fighter.

Sydney: He sure is.

I leg swept him and kicked him in the back and smashed him into the ground!

Sydney: Nice! I'm going to tear this monster apart as Quarry!

Her eyes turned yellow!

Her jumpsuit tightened and then it ripped and she changed into QUARRY!

She roared and was ready!

George Henderson: WHAT THE!? YOU'RE A FREAK!

Hikaru tried charging at him but got knocked out.

Akira: YOU DIDN'T HIT MY BROTHER! IRON MAN, D SMASH!

He summoned IRON MAN!

Disk Wars Iron Man: Avengers Assemble!

Nico: What's Nora's Ranger name?

Nora: Oh how about LEGACY GREEN!

Nico: That works!

Me: I like it!

Nora: Sorry it's the first Forever color for us in one person.

Me: But it's awesome.

Beautifly charged at him and sprinkled him with Stun Spore.

Me: Stun Spore!

He was paralyzed with it.

George Henderson: I can't move!

Nico: That's kinda the idea!

Nico punched him all over!

POW POW POW POW POW!

Xenia: YEAH!

Poliwag slapped him all over with his tail!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted him!

Quarry spat acid and burned him.

Suddenly, Sydney Burlington's blue eyes turned neon blue, and she was surrounded by a blue energy aura with stars, acid, crickets, phoenixes, and angels, she unholstered her massive Sydney Burlington's Quarry Underground Cosmic Star Greatsword of Underground Star Acid Justice from her back, and as she approached George Henderson, she left blue energy, stars, acid, crickets, phoenixes, and angels with every step.

Sydney: You've got some goddamn nerve showing your stupid face again, George, I can't ever forget what I've had to go through because of you. You have and always be a total scumbag asshole and a selfish abusive loser who has shown no compassion towards me at all, all you ever cared about was yourself, I didn't regret turning you into the police because I didn't know about everything about you. But, in truth, I wish I could've killed you years ago because of what you've done not only to me, but to all of your other girlfriends in the past. Now, I'm going to rectify that immediately, I've had it up to hear with you, George, you're nothing more than a pathetic scumbag asshole and a murderer and you are heading for a one-way trip straight to Hell for what you've done to me and to many others in the past.

Suddenly, Sydney Burlington was surrounded by a massive vortex of blue energy with stars and acid surrounding it, there's phoenixes, angels, and Quarry flying running around the vortex, and in the vortex is a purple phoenix with red eyes glaring at George Henderson: the red eyes of eternal death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears him apart piece

by piece!

George Henderson: DIE, BITCH!

George Henderson charged at the vortex still intending to kill Sydney, but he got hit with acid and he has a burn mark on his chest as he screamed in agony.

Eli: Ooh, now that's going to leave a permanent scar on him!

Lincoln: And it's one he'll take with him to Hell!

Then, as the vortex faded, Sydney Burlington emerged, but she was changed forever.

We were amazed by Sydney Burlington's Super Angel-Underground Girl-Quarry-Cricket-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Akira Akatsuki saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when George Henderson saw it, the fucker went mad with rage and ran at her to stab her again with a knife, but Sydney Burlington fired a massive barrage of blue energy, stars, acid, crickets, phoenixes, and angels at George Henderson, and he got hit and sent flying into another tree, he got back up, and that really really set him off now!

Sydney: (Divine Echoing Godly Voice of The Cosmic Nebula Star Acid Underground Cricket Phoenix Angel and Divine Cosmic Nebula Star Acid Underground Cricket Phoenix Angel Hope) You've had this coming for a very long time, George!

Suddenly, George Henderson was hit hard by a massive blast of wind.

Lincoln: Lori, did you…?

Lori: That wasn't me.

Suddenly, we saw a very beautiful and super sexy girl with long sky blue hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a sky blue short-sleeved frilly shirt, necklace with pearls and blue gem for the pendant, sky blue skirt, white bridal gloves, sky blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Abigail Knudson.

Me, Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Sumner, and Patti: Abigail?!

Abigail Knudson: Yep, Emily Knudson, God Sibling of Wind reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yeah, you've already pissed us off after Sydney told us, now you're heading for a one-way train ride to Hell for what you've done to her, you piece of shit!

Lincoln, Sydney, Akira, and I went after George Henderson, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at George Henderson, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Sydney, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving George Henderson even more insane and straight to the brink of insanity.

George Henderson: YOU! YOU! (ENRANGED SCREAM)

George Henderson charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked him hard in the stomach and Sebastian fired blasts of Divine Darkness at him and he got hit hard and he slashed at him with his massive black greatsword, and Akira blasted him with red energy blasts. Then, Lincoln grabbed him by the waist with one of his eleven massive and long white wolf tails and he smashed him into the ground, and he was really getting messed up, and then, he threw him and sent him into a nearby tree.

George Henderson: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU BITCH! I'LL KILL YOU!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut it already.

Lincoln went at George Henderson, and he then literally laid down a really really nasty beatdown on him, and it was horrific. LINCOLN TORE HIS SHIRT OFF AND HE RIPPED HIS CHEST HAIR OFF, AND THEN, HE SHOVED IT INTO HIS BELLYBUTTON, THEN, HE BROKE EVERY LAST BONE IN HIS BODY, SMASHED HIS TEETH OUT OF HIS MOUTH, KICKED HIM HARD IN THE CROTCH, AND ALSO GAVE HIM TWO BLACK EYES ALONG WITH A BROKEN BLOODY NOSE!

Me: OH DAMN! NICE ONE, LINCOLN, AND FUCK YOU, ASSHOLE!

Nico: YEAH, GO TO HELL, YOU WOMAN-ABUSING PIECE OF SHIT!

That made George Henderson extremely angry as he got out a red liquid inside a container.

Becky Long: Oh shit, he stole an experimental muscle growth super soldier serum! I heard that it was stolen from an experimental lab in a military base in Montana, (Realizes the truth) which was where he was sent to after Sydney called the cops on him years ago!

We gasped. Then, George Henderson drank the experimental muscle growth super soldier serum, and then, he felt something happen to him: first, his heart started pounding faster and he clenched his eyes shut in pain, but when he opened them, they were bloodshot and red, then, his upper and lower body muscles started to suddenly grow larger and stronger as veins formed at a rapid rate and he was also growing taller, but he was also forever consumed by rage and hatred towards Sydney, and he let out a massive roar as he was transformed into a 12'5" massive hulking behemoth. He charged at us and tried to smash us, but we dodged all of his attacks which were wild and out of control.

UA Iron Man: (to Disk Wars Iron Man) Wanna finish him with a combo?

Disk Wars Iron Man: Like you even have to ask.

UA Iron Man and Disk Wars Iron Man: IRON MAN DEATH RAY!

They fired waves of energy and blasted him all over the place!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) He's lost it big time, but all of that bulk made him slow. (Sees the opportunity) Now!

Lincoln fired a massive rainbow energy blast from his massive white angel wings and it hit right near his feet and that caused George Henderson to stagger and he tripped and fell, he tried to get up, but Lincoln fired gold spider silk that bound his legs and wrists. Then, Lincoln fired vacuum tubes from his chest and back which latched onto George Henderson's pecs, and then, the vacuum tubes literally began sucking George Henderson dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger as his rainbow energy aura with elements and mythological animals flared up extremely, and at the same time, George Henderson was also shrinking both in height and muscle.

When Lincoln was done, the vacuum tubes detached themselves from George Henderson and they went back into Lincoln, George Henderson was back to his original height, but he was now dead from blood loss and thin as a rake due to having his blood, organs, and muscle mass sucked out of him and drained of his newly gained strength. Then, Lincoln flew into the air and fired a blast of fire and it destroyed him leaving him as ashes and sent to The Black Gates. Everyone cheered as we holstered our weapons and powered down and Sydney Burlington's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large blue orbs orbiting around her legs, and massive blue angel wings are permanent.

Lincoln: Good riddance forever, you lowlife, I hope you burn forever in Hell. (To Abigail Knudson) And it's so good to see you again, Abigail.

Abigail Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, Helena, Sophia, Emily, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Abigail Knudson and he hugged her, and Abigail Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Abigail Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Abigail Knudson, God Sibling of Wind, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful wind powers and immense control over the wind. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Emily, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Wind, but also Fire, Water, Ice, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and

Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us, and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT! YOU'RE GOING TO GET BLOWN AWAY!

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to get blown away.

Lincoln: Yeah, no one wants to get blown away by her, and now that you're here, Abigail.

Lincoln went up to and hugged Abigail Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Abigail Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Abigail Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Abigail Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Abigail Knudson.

Abigail Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Hikaru woke up.

Hikaru: What happened?

Nico: You were knocked out. But it was a great fight.

We told him everything.

Noriko: Oh my sweet Hikaru. Thank goodness.

Nico: George Henderson is now a forgotten memory.

Sydney: Thanks to me transforming and all of us tearing him apart.

Lola: Yep.

Beautifly: YAY!

Qin: Yeah that was awesome!

Lola: Yeah!

Nico: That was cool!

Me: It sure was. Now we can recruit dinosaurs here for this.

Nico: If we can find them.

Nicole: Don't worry they are all over.

We went and fanned out all over the planet. We found Thorntails, Cloud Runners, Earthwalkers, Snowhorns, Red Eyes and many more.

Nico: Wow! So many!

Laney: Yeah!

Krystal: (British Accent) Just like back in old times.

Nico: It sure is.

Maria: Hello there!

Tricky: Boy it's awesome to have you guys all here.

Me: Been a long time Tricky.

Qin: Yeah.

Tricky: Wow! You guys all have grown in numbers the last time we saw each other.

Me: I know. Things have REALLY changed.

Nico: They sure have.

Tricky: Oh I saw a bunch of dark versions of Duel Monsters here.

Me: Anothers are here.

Nico: Tricky, we might need your help.

Tricky: For you guys, anything.

Me: Awesome.

Eli: Lets see who we got for the Anothers. (Concentrates) Whoa! We got lots of them! We have Another Reaper of The Cards, Shapeshifter, Yubel The Ultimate Nightmare, Unchained Soul of Anguish, Unchained Abomination, Summoned Skull, Sphinx Teleia, Berserk Dragon, Five Headed Dragon, Malefic Blue-Eyes White Dragon, Malefic Red-Eyes Black Dragon, Malefic Stardust Dragon, Malefic Rainbow Dragon, Malefic Cyber End Dragon, Malefic Paradox Dragon, Malefic Truth Dragon, Cloak and Dagger and Cad Bane!

WE GASPED!

Nico: Whoa!

Me: Wow! Most of them are Duel Monsters!

Nico: At least we know who they are.

Me: Yep.

Nico: As I was saying, you know Chronopolis?

Tricky: Yeah Professor Paradox came and told us about it.

Me: Oh.

Nico: That's good he told you.

Maria: Wanna help us with that? We're not forcing you.

Tricky: I would be honored! After how you guys helped out before I would gladly help you all out.

Nico: Thanks Tricky.

May: Now who's up?

Me: Elandra Earthbound, Cianna Core, Valerie Vaadwaur, Vivian Vidiia, Gianna Gorn, Emily Knudson, Calista Midnight, Kat Crash, Tanya Elementia, Miranda Connors, Carline Mystique, R.J. Davenport, Denise Windfall, Adriana Agravain, Giselle Gaheris, and Grace Gareth, Maria Tristian, Selene Lancelot, and Michaela Artorgius.

Nico: Wow! This will be cool.

Kat Crash: It sure will be.

Calista Midnight: I'm ready to show some buttkicking.

Vivian Vidiia: Yeah no kidding.

Eli: And I sense that the Anothers minus Cad Bane are one person.

Nico: Nice.

Me: Awesome.

Nico: There they are!

We saw the Anothers minus Cad Bane!

Me: Whoa! So many!

Another Summoned Skull: (In a girls voice) (British Accent) But this is most fun.

Me: (GASP) That voice.

They merged and she reverted back. It was a girl with red hair, red eyes and had red and orange clothes and fire angel wings and had a tiara with the symbol of the Infernoble Knights on it and she had the same symbol on her skirt and a fire blade sword.

Me: Isabela Infernoble!

Isabela Infernoble: Jolly good to see you again J.D.

Me: Same here. Isabela is the Embodiment of the Infernoble Knights and she has all the powers of fire and is an amazing swordmaster.

Nico: Wow! Awesome to meet you.

Isabela Infernoble: Same here to you.

Me: Is the Another Cad Bane friendly or hostile?

Isabela Infernoble: She is friendly and she is someone you will love.

Me: Nice.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

She glowed and was separated.

Me: Action time!

We fired waves of energy and the blasted the Anothers and we caught the Wonder Ride Books.

Nico: Awesome!

Beautifly: That's awesome!

Me: Yep.

Lola: Now we wait for the main battle.

Nico: Yep.

Poromon: Want some beer, Beautifly?

Beautifly: Oh no thanks. I don't drink.

Sydney: It's best you don't. We've had crazy things happen.

Qin: Yeah.

Poliwag: Aww come on? (Does the Puppy eyes)

Nico: Poliwag that's enough. And Poromon no.

Poromon: Ok. But you don't know what you're missing out on.

Poromon: Ok. But you don't know what you're missing out on.

Jack Landors: Just in case though. SPD EMERGENCY!

He transformed and was ready!

Me: Look sharp!

We saw Another Cad Bane!

Nico: Whoa Another Cad Bane.

Me: Awesome!

Another Cad Bane: (In a girls voice) This is gonna be awesome.

Me: (GASP) That voice.

She reverted back and was a girl with blond hair and had yellow eyes and yellow clothes and yellow angel wings and had a candy Magisword and she had a tiara on her head with the symbol of the Twinkie Dopant on it and the same symbol on her skirt.

Me: (GASP) Tiana Twinkie!

Tiana Twinkie: Awesome to see you again J.D.

Me: Yep.

Lola: TWINKIES!

Lana held Lola back.

Tiana Twinkie: (LAUGHS) She sure loves Twinkies.

Me: Yep. Tiana is the Embodiment of the Twinkie Dopant and she has twinkie powers.

Lola: Wow! That is cool!

Me: Yep. And like Cad Bane she is a great Bounty Hunter and mercenary.

Cad Bane: That is truly amazing.

Tiana Twinkie: It sure is. Good money.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Tiana Twinkie: Nope. I used my Twinkie Powers and gave him some twinkies and left.

Me: Nice.

Nico: Clever.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

Lincoln did so and separated her.

Me: Nice!

Tiana fired waves of energy and blasted the Another all over.

Nico: (Gets out Cad Bane's Ridewatch) Time for some Blaster Action!

May: (Gets out Mad Scotty's ridewatch) This was one insane Scotty.

Maria: (Gets out Boba Fett's ridewatch) I love a good hunt.

They used the ridewatches of Cad Bane, Cloak and Dagger, Mad Scotty, Homer Clones, Boba Fett and Buccarat and fired energy and laser blasts.

Tatami: Time for some sea power! (ACTIVATES CLOAK AND DAGGER'S RIDEWATCH)

She fired waves of energy and smashed down the Another!

Then Bizarro, Evil Solar Man, Boxy, Akira Otoishi, Idiot Teeth and Butch and Cassidy came.

Nico: Bad team Bizarro.

Bizarro: Bizarro think team bad too.

?: I don't agree too.

Solar Man came!

Me: Whoa Solar Man!

Qin: Nice!

Solar Man: (In a girls voice) This will be golden as the sun!

Nico: Sonnya Solar! Wow!

She reverted back and was a girl with orange hair and red eyes and had fire angel wings and she had orange and yellow clothes and in the middle of her forehead was a sun symbol and on her arm was a tattoo for the symbol of the Fire Skylanders and in her hand was a fire whip.

Sonnya Solar: This is gonna be fun! I got this.

She fire a fireball and blasted the Another and I caught the Ridewatch and purified it.

Me: Oh yeah!

May: I like how I'm not getting hit now.

Maria: Don't jinx it!

May: Sorry.

Tatami: What's your favorite memory of Nico?

Sonnya Solar: When me and Nico were making sun donuts and they were really awesome.

Nico: Yep they were tasty.

Me: Cool.

Nico and Sonnya hugged.

Nico: I've missed you.

Sonnya Solar: Same here.

We all went back home.

Lincoln: Ah, we're here in Nowhere, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we got bad news: Muriel was bitten by The Weremole again and she's been turned into a rampaging beast.

We gasped.

Me: Oh boy, that's not good.

Nico: She's probably wrecking the farm already, and Eustace is trying to hit her with his mallet.

Lincoln: Courage and Francesca told me about it, and she already hit Eustace on the head with a rolling pin and told him to leave this to us. We're going to cure Muriel with the Weremole cure we used on Darren Devereaux and Sebastian Mendez when they got turned into Weremoles, and then, we're going to pulverize The Weremole and send him to Vypra.

Wes Collins: We better hurry, there's no telling how long Courage and Francesca can hold out against Weremole Muriel and keep Eustace away for long.

We rushed to the Bagge Farmhouse, and we saw it: it was a really huge mess with mole holes. Then, we ran upstairs to the bedroom, and we saw Eustace and he had his mallet ready and Courage and Francesca were trying to hold him back, and we saw Weremole Muriel roaring like a monster. Lincoln got out the cure and he administered it, and Muriel was changed back.

Muriel: Oh my, what happened?

Francesca: Guys, thank goodness you arrived, it happened again.

Lincoln: The Weremole. We've already cured Muriel, but we still got to take care of our rabbit-eating friend still lurking about.

Courage: He's in the front yard waiting for more prey. We need to catch him!

Just then, Bai Tza arrived.

Bai Tza: I just heard the news, I can't believe the Weremole is back! Is Muriel okay?

Lincoln: We just cured her, oh, and Francesca hit Eustace on the head with a rolling pin because he was about to use his mallet on Muriel.

Bai Tza: Figures.

We headed outside to the front yard to confront The Weremole. Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the ten girls.

Lincoln: (GASPS) Calliope Midnight of The Midnight Society.

Calista Midnight: That's right, and I got the girls away from that Weremole before it infected them.

Suddenly, we saw a charging mound of dirt heading right for us, Lincoln slammed his fist into the dirt and channeled Earth energy into it, and it forced out our old "friend", The Weremole, and it roared at us.

Sylvester: Ugly little monster! You better be lucky Bugs, Lola, Buster, Babs, and the rest of our rabbit friends aren't here!

Weremole, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a beam of energy that tied The Weremole up and put him in a cage and sent him to Vypra with a warning: CAREFUL! HE BITES! We cheered as we holstered our weapons and powered down.

Lincoln: Man, that was one really dangerous rescue. Now, to fix up the Bagge Farm. (SNAPS FINGERS)

Lincoln snapped his fingers and the upgraded Bagge Farm was repaired.

Francesca: Nice job, Lincoln, and we took care of The Weremole again.

Bai Tza: After our first encounter, I thought we'd never have to deal with him again. (SHUDDERS)

Courage: Vypra's going be keeping an eye on him, I hope.

Lincoln: Vypra will definitely be keeping an eye on him and keep him from infecting anyone else. (To Calliope Midnight) And it's so good to see you again, Calliope Midnight.

Calliope Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Calliope.

Lincoln went up to Calliope Midnight and he hugged her, and Calliope Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Calliope Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation

and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Calliope Midnight, she's my Guardian Angel from Michigan and the middle sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with me at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Chandler with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Chandler tried to attack, but Calliope used her dark powers and made Chandler's nightmares come to life, and he got so scared, he ran away and went back into his house and holed himself up in his room and refused to come out for the rest of the night.

Nico: Serves him right!

Me: Yeah, I remembered that night all too well, and Calliope really did awesome in scaring Chandler senseless.

Lincoln: He made a huge mistake coming after us again, and now that you're here, Calliope.

Lincoln went up to and hugged Calliope Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Calliope Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Calliope Midnight's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Calliope Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Calliope Midnight.

Calliope Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Kikki the Half-Elf, Renee the Dark Elf, Saria the Human Girl, Clara the Cowgirl, Odelia the Ogre, Zoey Kittenlove the Catgirl Mother, Bridget the Succubus, Zuzu the High Elf, Dora the Doggirl, and Dana the Dwarf from Itsudemo Tanetsuke! Ishuzoku Haramase Harem Mura.

Lincoln: Oh wow, it's Kikki the Half-Elf, Renee the Dark Elf, Saria the Human Girl, Clara the Cowgirl, Odelia the Ogre, Zoey Kittenlove the Catgirl Mother, Bridget the Succubus, Zuzu the High Elf, Dora the Doggirl, and Dana the Dwarf from Itsudemo Tanetsuke! Ishuzoku Haramase Harem Mura.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kikki the Half-Elf: Yes, we're okay, thanks to you.

Then, when Kikki the Half-Elf and the other nine girls saw who it was that saved them from The Weremole, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Kikki the Half-Elf: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kikki the Half-Elf: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kikki the Half-Elf, Renee the Dark Elf, Saria the Human Girl, Clara the Cowgirl, Odelia the Ogre, Zoey Kittenlove the Catgirl Mother, Bridget the Succubus, Zuzu the High Elf, Dora the Doggirl, and Dana the Dwarf with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what happened, and they were shocked to find out the villain we went after was The Weremole and the bad news: he bit Muriel again and she became a Weremole.

But, when Lincoln what happened first by curing Muriel and then us pulverizing that vicious monster and Lincoln putting him in a cage and sending him to Vypra with a warning to be careful as he bites, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Calliope Midnight have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I can't believe The Weremole came back and bit

Muriel again! What a monster!

Lincoln: Yep, that monster really caused a lot of trouble, but our Weremole cure got Muriel back to normal and we took care of The Weremole.

Nico: Vypra's going to have a tough time with that beast.

We moved the upgraded Bagge Farm to Gotham Royal York, and we also made a portal generator for Muriel, Eustace, Courage, and Francesca that leads to Nowhere, in case they need something from there.

---

After taking care of our Weremole problem in Nowhere, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Calliope Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Calliope Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Calliope, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Calliope Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Calliope Midnight: I knew it was only a matter of time before he told everyone that story.

Mamoru Ugumori: Oh, Lincoln, we also have to thank you for what you did in helping Darren end that family curse of his yesterday.

Lincoln: Darren had been through Hell because of that family curse, and he needed to be freed from it one way or another.

Leon Ugumori: He was really glad though, it felt like a dark cloud was lifted off him.

Asahi: Back then, he always had that darkness in his eyes and black aura around him warning if you get him mad, you're in for Hell. But, after what you did in ending nineteen years of pain and suffering for him, he was freed from the vengeful spirits that killed the members of his family that fell victim to the curse.

Hiroshi Ohira: Darren was freed though, but he still has that darkness around him, but it's not as bad from back in the past. But, there were those who still want him dead, however they always wind up on the wrong end of his wrath.

Eli: Yeah, it always ends with blood being spilled, and death being left in his wake.

Darren Devereaux: Exactly.

Mamoru Ugumori: He'd killed one of our old enemies and Asahi's ex-mother who crossed him and he showed his demonic side more than once, but despite that, he's kept the curse from making him the final victim of its wrath.

Lincoln: Still, what happened to his family was tragic, many of them gave into the curse and became evil criminals and the only way to end it was their deaths and his parents and brother, the only ones not affected by the curse, died through natural death, suicide, and murder.

Nico: In effect, Darren became an orphan, Selene adopted him and he hoped that he would have a good life.

Selene Arcangela: That was true, and despite my ancestor's history with his, he didn't hate me nor my family. But, thanks to the separate actions of Asahi's mother along with Connor Devereaux and his MS-13 clique, Darren couldn't escape his past nor his family's dark legacy, and the transformation he underwent when we went after Okiku caused him to be reborn as Darren Devereaux and in effect cut all ties with me forever, which hurt.

Me: And Lincoln restrained himself from trying to hit Darren hard in the head. That cutting off all ties with the leader of his Guardian Angels was a line Darren's bloodline curse crossed.

Nico: This wasn't from the bloodline curse though, it was due to what Angelico Arcangela did ending Elias Devereaux and sending him to Hell over 100 years ago.

Darren Devereaux: My family never forgave her family for what happened. The curse made many of my relatives twisted and evil like he was, it was sickening.

Selene Emperyous: You almost fell victim to it, but Selene Arcangela still took you in despite you had your family's dark curse in your veins and killed a lot of Yakuza in the past.

Michelle Emperyous: But, your transformation caused the severing of all ties with Selene Arcangela, whom you called a sister, we couldn't forgive you for it and we thought you also gave into the curse and we almost wanted to end you, but Lincoln got back at you by stealing your chance to end Okiku.

Hiroshi Ohira: Along with stealing your chance to kill your ex-cousin after the exposing of the affairs Terumi and Misaki had, so that really left a nasty burn on you.

Darren Devereaux: Hiroshi, don't push your luck.

Nico: Now, now, you guys.

Selene Arcangela: You're right, we'll just let this go, we can't hold onto grudges from the past or from over a century ago.

We got a shower afterwards, and then, Lincoln, Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames

coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Lincoln, Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Julia the Phoenix: Wow, so, this is Orange Ocean, it sure is beautiful.

Lincoln: It sure is, Julia, and it's perfect for our first date. Shall we?

Lincoln, Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking

Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin and they hugged the girls in their abnormally massive and powerful muscular arms, and Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin are in your harem, Linky.

Yamiga: And he marked you, Cora, Calliope, Mai, and Aresia, along with Simulator Lulu and Simulator Rin, right, Julia?

Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Cora the Cockatrice, Calliope the Crow Tengu, Mai the Harpy, Julia the Phoenix, Aresia the Siren, Simulator Lulu Obsidian, and Simulator Rin, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy

McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Upside Dizzy Galaxy.

Me: Whoa that one will make you dizzy.

Qin: Yep.

Ed Grant: Me and Hulk will go.

Nico: Awesome.

Hulk: Hulk ready for action.

They went in and the simulator activated and they were at the galaxy. UPSIDE DIZZY GALAXY!

Nico: We're here.

Hulk: Hulk ready for this.

Nico: Any tips Nicole?

Nicole: (On the radio) This is gonna be a really tricky one. The gravity in this one changes a lot. So it will make you dizzy. You just got to get the star in this changing gravity.

Nico: Oh boy.

Ed Grant: This will be good.

Hulk: Even gravity no match for Hulk!

Nico: Yeah!

?: Let me help too.

A figure came and it was a girl with blue hair, blue eyes and had blue clothes and blue angel wings and she had a tiara with the symbol of Gemini the Twins on it.

Gina Gemini: Gina Gemini, Embodiment of Gemini Man.

Aqua: Wow! Gina is there!

Kairi: Cool!

Gina Gemini: Aqua and Kairi. Its been a while.

Kairi: Hi, Gina!

Gina Gemini: Awesome to see you.

Nico: We can talk later. Lets go.

They went down the pipe and saw that they had to get to the end.

But there were Goombas there.

Nico: (Gets out Cad Bane and Wolf's Ridewatches) Time for them to get a taste of the bounty hunters.

Nico activated them and fired waves of lasers and blasted them.

Gina then made 50 clones and they blasted and bashed the Goombas.

Hulk: HULK SMASH PUNY GOOMBAS!

KRASMASH!

He bashed and smashed them into pulp!

Ed Grant fired energy blasts and smashed them into dust!

Nico: Take that!

They went and grabbed the star!

YOU GOT A STAR!

Nico: YEAH!

Gina Gemini: That was fun!

They all high five!

Nico: How did you meet Aqua and Kairi?

Gina Gemini: Easy.

She showed her own Keyblade and it was a Zodiac Keyblade!

Me: Whoa! She's a Keyblader too!

Gina Gemini: Yep. I helped them destroy Heartless, Nobodies, Unversed and many more of Xehanort's goons. It was fun.

Nico: That is cool! Would you like to join the team?

Gina Gemini: I would be honored.

They left and we cheered for them.

---

Later we were watching TV.

Captain Marvel saw a robotic hand crawl towards us.

Captain Marvel:… what have the mascots done now?

Me: Whoa nice robotic hand!

Poromon: Oh you like it? We built it.

The hand high five him.

Me: That is genius.

Lisa Loud: A very well crafted mechanical hand.

Black Widow: How did you make this?

Poromon: We made it from scrap metal and robotic parts we found in a junk yard.

Qin: Wow that is cool!

Laney: It sure is.

We saw the hand crawl up the sofa and it pat me on the back and then…

LOUD SUPER BELCH!

I belched up a glob of food and it hit Nico in his face.

Me: Oh pardon me. Sorry I had something stuck in my throat.

Aligned Knock Out: Can it help polish my finish?

Poliwag: It sure can.

The hand was doing that.

Aligned Knock Out: That is spiffy.

Qin: It sure is.

Nico: Can it kick that big chinned jerkwad Animated Sentinel Prime's butt?

Poromon: Yep.

Skids: Can it arm wrestle?

Poromon: Yep.

Lynn and the Hand was arm wrestling and they were dead even.

Nico: Wow! That is cool!

Zilius Zox: Nico, who gets to shine today?

Nico: Carter Grayson, Ed the Protector, Aligned Bumblebee, Cody Burns, Snake, and Shoichi.

Me: Awesome!

Xenia: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO versions of Kingpin and Steel Serpent, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the LEGO versions of Kingpin and Steel Serpent.

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: They're in the levels Noir Night-Mayor and K'un Lun Konundrum.

Nico: Looks like we've got more trouble in Chronopolis.

Me: Sounds like it.

Nico: Okay, then, let's head down there and take care of the LEGO versions of Kingpin and Steel Serpent.

Lincoln: This is going to be so awesome.

Qin: Yep.

The previous group came.

Po Kong: Can me, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Radioactive Man, Gizmo, Private HIVE, and Felix Faust go with you guys?

Nico: Yes you all can go with us.

Qin: This will be awesome. We're going to meet Lego Iron Fist today.

Camie: Yeah!

Commander Mars: Nico, which Gene Slammer do you think you'll meet next?

Nico: Commando Man next.

Me: Whoa! That one is gonna be elite and action packed.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Yagura who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Yagura who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

Me: So, now we're back on destroying the other Universe 666 Jinchuriki.

Nico: Looks like it.

Universe 666 Eli: I no longer associate with them, they're dishonorable bastards.

Irina Isobu: Which means, I'm up next.

Lincoln: Yep, and always, we're taking the fight to Glaren.

Yagura: Yeah, they may not be as strong as us, but they're still as tough.

Nico: And it was all the fault of that lunatic, that guy is such a Class S psychopath. Alright, gang, let's go, we're off to Chronopolis and we're taking down the LEGO versions of Kingpin and Steel Serpent.

Lincoln: LEGO versions of Kingpin and Steel Serpent, you better be ready, we're coming for you, and once we get done with them, you're next, Universe 666 Yagura.

Irina Isobu: I can't believe he set this whole contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy every last one of the Universe 666 Jinchuriki. I already know of how strong Son Goku and Roshi are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the LEGO versions of Kingpin and Steel Serpent, and once we got done with him, Irina Isobu and Lincoln are going to destroy Universe 666 Isobu.

We were off to Chronopolis.

We arrived in Chronopolis.

Nico: Where do we find the Avengers?

Me: Fisk Industries in Noir New York.

Noir Spiderman: Just like home.

Xenia: Yep.

Me: This will be fun.

Noir Spiderman: And I think see my Lego self, the original Lego Spidey, Iron Fist, Ms. Marvel, and Daredevil.

We saw them fighting LEGO FISK in the top floor of Fisk Industries!

Me: Target sighted!

Nico: Mini-entrance time.

We went at the building.

Lego Kingpin was really putting up a good fight.

Lego Kingpin: You will not beat me that easily Spiderman!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them.

Zocks: (Singing) "Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

Lego Kingpin: Is that singing?

Lego Spiderman: Just my help has come.

A phoenix cry was heard and we came out and landed.

Me: Wilson Fisk A.K.A. Kingpin. Nice of you to save us the trouble of having to go through your staff and office.

Lego Kingpin: Which is too bad. Because you're still fighting some of them.

Lego Kingpin retreated inside as Lego Noir Elektra appeared.

Me: Elektra Natchios A.K.A. Elektra.

Noir Spiderman: The Noir version of her!

I teleported and kicked Lego Kingpin and smashed him into the middle of his floor.

Me: Now now you shouldn't leave. The fun is about to start.

He ran at me and I kicked him in his face and knocked him down.

Eli: Gladly!

Eli kicked her iin the face.

I teleported and smashed down Lego Kingpin down.

Noir Elektra: Why you! You better not underestimate me!

Me: You're the one that shouldn't underestimate us.

Camie: Or you will not be around to regret it!

Abis Mal: We haven't even started yet!

Carter: Lightspeed Rescue!

Shoichi: Henshin!

They transformed!

Carter: RESCUE READY! LIGHTSPEED RESCUE RED!

Shoichi: PRIDE OF THE SPIRIT! KAMEN RIDER AGITO!

Nico: Oh yeah!

I kicked Lego Kingpin down.

Agony: You probably aren't familiar with us. Which is a shame! (Charges at Noir Elektra)

She bashed her down!

Xenia: Take this!

She fired arrows and blasted Noir Elektra!

Nico: Nice!

Lego Kingpin: I heard you all faced my prime universe self. Is that true?

Me: Yes it is. Boy we haven't seen that one in almost 2 years.

Lego Kingpin: I see.

Ed the Protector: I expected him to break out.

Motor Ed: But he chose to accept defeat and serve his sentence. Seriously.

Ed: I'm hungry.

Eddy: Shut up Ed!

Ed Coward: Yeah that is true!

Nico: Yeah.

Suddenly, we dodged some bullets. We saw that it was Lego Hammerhead that shot at us.

Lego Hammerhead: Geez, I go to the bathroom for 10 minutes and this shit happens!

Me: Joseph Lorenzini A.K.A. Hammerhead! Thank goodness you aren't like the Noir version that was a pure evil gangster.

Noir Spiderman: Yeah he was from my universe and he was worse than you.

Me: Yeah!

Nico teleported and bashed Lego Hammerhead in the face.

But Nico felt a pain in his hand.

Lego Hammerhead: Wasn't a smart idea to punch my head!

Nico: Boy your head is really tough!

Nico's hand healed.

Nico: Still doesn't hurt that much as this does.

He fired an energy blast and blasted him down.

Lego Kingpin was running!

I then put a tracer on him.

Nico: He's getting away!

He got away.

Me: Let him go.

I pulled up my radar and it showed where he was.

Nico: Nice.

Tso Lan: We have to take care of Elektra and Hammerhead first!

Eli: Right!

Eli used the Force and lifted Lego Hammerhead and threw him into Lego Electro and they bashed their heads together and were knocked out cold!

Nico: Whoa! Nice one!

Nico: Nice.

Tso Lan: We have to take care of Elektra and Hammerhead first!

Eli: Right!

Eli used the Force and lifted Lego Hammerhead and threw him into Lego Elektra and they bashed their heads together and were knocked out cold!

Nico: Whoa! Nice one!

Aligned Bumblebee: He got away!

Private HIVE: At least we got his troops.

Me: Don't worry guys, Kingpin is not going very far.

I turned on the radar and it showed he was in the Kun-Lun Mountains sector of Chronopolis.

Nico: Looks like he's heading for Iron Fist's territory.

Maria: That's where we're headed.

Nico: Lets go guys!

Lincoln put Lego Elektra and Hammerhead in cards.

We were then off to Iron Fist's temple.

We arrived at Iron Fist's temple.

Ilana: We're here!

Me: Wow!

Lily: Amazing!

Lego Iron Fist: Team Loud Phoenix Storm. Glad you came.

Me: Daniel Thomas Rand A.K.A. Iron Fist. Awesome to meet you.

Lego Iron Fist: Same to you J.D.

Felix Faust: We tracked Kingpin here.

Cody Burns: We need to find him.

Lego Iron Fist: I saw him head into the temple. He's heading into the Cave of the Dragon.

Me: He's no doubt going to team up with Steel Serpent.

Papillon: So he has more backup.

Lego Iron Fist: Yes. We have to stop him.

Me: And I have a feeling he's going to summon Shou Lao too.

Nico: Oh boy.

Varie: That red dragon.

Me: Yep.

Snake: Let him do that.

Gizmo: It won't make a difference anyway. The barfbrain is gonna be facing all of us.

Me: Yep.

Lego Iron Fist: Lets get a move on then.

Fluttershy: I'll help with my chi powers for this one.

Me: Awesome.

Gluko: Lets keep an eye for any henchmen.

Lincoln: Good idea.

We went into the cave and it was scary and cool.

Me: Wow. Look at this.

Camie: Amazing.

Shoichi: It's also dark.

Radioactive Man: It doesn't matter to me.

We found some torches and lit them and then the cave lit up.

Me: Wow.

We then saw a door. It was the Door to the Dragon Cave!

Nico: The Door to the Dragon Cave.

Airi: Where does it lead?

Me: To the temple of Shou-Lao. That's where we'll face Steel Serpent.

Lego Iron Fist: That's right.

Fluttershy opened it and it was awesome.

Nico: Wow.

Lego Iron Fist: Amazing.

Laval: Yeah she was taught how to use chi.

Me: Yep.

We went through the door and we then saw a HUGE TEMPLE! And in front of it in the middle and meditating was LEGO STEEL

SERPENT!

Mojo Jojo: He has no idea we've just arrived.

Nico: Entrance time.

We went at him.

He was in a deep state of concentration and then he opened his eyes and saw the spirits of the Kanji of the elements and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out from beneath him and blew him back and a phoenix cry was heard and we came out.

Me: Davos A.K.A. Steel Serpent. Nice to finally meet you even though you aren't the prime universe version.

Lego Steel Serpent: Team Loud Phoenix Storm. And Iron Fist. Nice of you all to make it. For me to defeat you all.

Gravity Man: Just meditating and knowing when you are coming to face your demise.

Me: We'll see about that. Too bad you aren't the prime universe version. He and I would have loved to duke it out in Mortal Kombat.

Lego Steel Serpent: We can still do that here.

Nergal: Challenge accepted.

I was ready!

(MORTAL KOMBAT THEME PLAYS)

GONG SOUNDS

TEST YOUR MIGHT! WHAP! TEST YOUR MIGHT! ZAP! TEST YOUR MIGHT! WHAM! TEST YOUR MIGHT!

MORTAL KOMBAT!

I kicked him in his face and blocked his punches and kicks.

I punched him all over and knocked him down and he got up. He went at us and I teleported and kicked him in the back.

Drill Man: You know the drill!

He fired Drill Missiles and blasted Lego Steel Serpent with them.

KRABBBBBBOOOOOOOMM!
KRABBBBBOOOOOOOOOOOOOMMMMMMM!

Then Kingpin cam!

Laney: Right on cue!

Eli: I got this!

Eli fired Force Lightning and electrocuted Lego Kingpin.

Deker: Was wondering where you were!

Lego Kingpin: Now I can defeat you all.

POW!

I punched Lego Steel Serpent and he smashed into Lego Kingpin!

Nico: Awesome!

Carter: Trans Armor Cycle!

Shoichi: Time to go shining!

Shoichi presses the two buttons on the side of his belt yet again, causing a ring marked with three violet talons to materialize on the front of his belt, turning his gold armor red, adding two points under each of his crest horns and turning his eyes yellow, before the red armor on his chest breaks apart, keeping the shoulder pads red while revealing gleaming white armor marked with strange symbols and a yellow stone with black patterns on it.

They were ready!

Qin: Awesome!

They fired lasers and energy blasts and smashed them both all over!

Fluttershy: Time for some Wild!

She ran fast and kicked Lego Kingpin in his back and pulled his leg up! Then she SNAPPED HIS NECK BACK and screamed savagely!

Lego Kingpin: It's going to take more than that to defeat me!

Nico: I agree. For reasons that might offend Choji.

Lego Kingpin: Oh really!? Why is he too fat to do so!? FATSO!

Me: Oh you just fucked up big time!

Choji: WHO ARE YOU CALLING FAT! I'M JUST BIG BONED! HUMAN BOULDER!

He rolled and smashed Lego Kingpin into a pulpy pancake!

Lego Steel Serpent: (to me) Okay, between you and me, Kingpin over there is fat too.

Me: Noted. But Choji absolutely HATES being called Fat or Fatso. He despises that. Take it from someone that knew about it for 150,000 years.

Lego Steel Serpent: I see what you mean.

Me: I know.

I punched him in the face and kicked him in his stomach and smashed him in his face.

Fluttershy fired a Rainbow Chi blast and it hit Lego Steel Serpent and smashed him down.

Horsea squirted Ink and blinded both Lego Kingpin and Steel Serpent.

Lucy Loud: Taste my Shadow Blade!

She fired blades of darkness and blasted them both.

Nico: Yeah!

Carter and Ed the Protector charged at Kingpin And bashed him down.

Carter blasted him with his Battle Booster Beam!

I fired a Thermo Blaster blast!

Nico: YEAH!

Eli fired a blast of energy.

Aligned Bumblebee and Cody Burns charged at both of them and smashed them down with a ram attack and blasted them with lasers!

Lincoln: It's over, Kingpin and Steel Serpent.

Suddenly, Lincoln's eleven massive and long white wolf tails stretched out, and then, they lashed out at the LEGO versions of Kingpin and Steel Serpent, and they were being bashed and beaten all over the place, and he even bashed them on the heads with two of his tails.

Nico: Ooh, now that's gonna leave a mark.

We then saw the LEGO versions of Kingpin and Steel Serpent get a lump on their heads! OUCH! Then, we saw two white flag go up on the lumps.

Me: Looks like they surrender.

Lincoln threw two energy cards which hit the LEGO versions of Kingpin and Steel Serpent and imprisoned him inside two cards and he put them inside a box he made and it vanished.

Nico: Now, that was awesome! We took down the LEGO versions of Kingpin and Steel Serpent, and they're going to be in a lot of trouble.

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Universe 666 Yagura.

?: YOU WILL ALL DIE FOR WHAT YOU DID TO NICO!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of red Chakra blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Yagura, or I will blast you out!

Suddenly, we saw a figure come out, it was Universe 666 Yagura, one of the resurrected Universe 666 Jinchuriki because of Universe 666 Sebastian.

Universe 666 Me: Yagura.

Universe 666 Yagura: J.D.?! Impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back. But, there's no way I can ever forgive you, you were J.D.'s brother, but you betrayed him and sided with that filthy snake.

Universe 666 Yagura: He was weak!

Universe 666 Me grabbed him by the neck and kicked him hard into a wall of diamond Lincoln made and I snapped my fingers and we were on Planet Glaren.

Irina Isobu: He wasn't weak, but you, what you did was an act of betrayal that can never ever be forgiven!

Suddenly, Irina Isobu's pink eyes turned neon pink and she was surrounded by a pink and green energy aura with stars, water, ocean waves, turtles, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Yagura, she left pink and green energy, stars, water, ocean waves, turtles, phoenixes, and angels with every step.

Irina Isobu: I can never forgive you, Universe 666 Yagura, what you did in Evil Nico's name was nothing more than dishonorable and atrocious. You along with the other Universe 666 Jinchuriki have caused so much pain and suffering that it isn't funny, we thought we wouldn't have to deal with you or the other Universe 666 Jinchuriki and Universe 666 Tailed Beasts, but because of what that violent deranged psycho did in bringing you all back, that crossed a serious line, and for that, I'm going to end you once and for all!

Suddenly, Irina Isobu was surrounded by a massive vortex of crimson red energy with stars, water, and ocean waves surrounding the vortex, there are turtles, phoenixes, angels, and Isobu the Three-Tailed Turtle flying and running around the vortex, and in the vortex is a pink phoenix with Isobu's eyes in its wings and red eyes glaring at Universe 666 Yagura: the red eyes of death. Then, as the vortex faded, Irina Isobu emerged, but she was changed forever.

Irina Isobu grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large pink orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her short chin length pink hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a pink and blue energy aura with stars, water, ocean waves, turtles, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has Isobu the Three-Tailed Turtle emblazoned on her forehead and Third Eye with pink iris, she has on turtle earrings on her ears with pink gems for eyes and holding the Star, Water, Three, and Eternity Kanjis on its shells, she also has Isobu the Three-Tailed Turtle with pink gems for eyes and holding the Star, Water, Three, and Eternity Kanjis in its tails for the second pendant on the bottom of her pink turtle-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Irina Isobu has on a sleeveless green crop top, green skirt with the symbol of Kirigakure and the Three Kanji on it, black pants, purple legwarmers, purple shoes, and long sleeveless white trenchcoat with stars, water, ocean waves, turtles, phoenixes, and angels on the coattails, and on the back is Isobu the Three-Tailed Turtle surrounded by water and ocean waves. Suddenly, Irina Isobu felt a sharp pain on her back, and then, her massive pink angel wings with green tips on the large pink feathers grew much bigger for her new body and Isobu's three massive tails also grew much bigger and longer for her new body, Irina Isobu has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Irina Isobu's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink and blue energy, stars, water, ocean waves, turtles, phoenixes, and angels, and when it emerged, it was transformed into Irina Isobu's Eternal Pink Oceanic Maelstrom Avatar Three-Tailed Turtle Phoenix Angel Greatsword of Eternal Pink Oceanic Maelstrom Avatar Three-Tailed Turtle Phoenix Angel Phoenix Angel Justice, it's a brand-new massive greatsword with embedded pink gems and Isobu the Three-Tailed Turtle etched on the 7'6" massive, wide, double-edged pink blade, large pink turtle heads for the crossguard, large white angel faces built into both sides of the hilt and large pink gems embedded in their foreheads, longer midnight black handle, four large pink turtle heads with blue gems for eyes and on the bottom of the large pink turtle heads is a large pink turtle head with blue gems for eyes and pink gem in its mouth for the pommel, Irina Isobu has on her large gold Bracers of The Champions of The Universe with large pink gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Isobu's head with pink gems for eyes and large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Irina Isobu's Super Angel-Three Tails Avatar-Turtle-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Yagura saw it, he fell into a rage and we saw his eyes change into that of the beast inside him and his nails grew into claws and he ran at her to kill her, but Irina Isobu fired a massive barrage of pink and blue energy, stars, water, ocean waves, turtles, phoenixes, and angels which hit Universe 666 Yagura and sent him flying into a rock formation, he got back up, but boy was he pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on him!

Yagura: It's not over yet, Nico. In fact, the show's about to begin.

Irina Isobu: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Water Oceanic Maelstrom Turtle Phoenix Angel and Divine Cosmic Eternal Water Oceanic Maelstrom Turtle Phoenix Angel Love) But, it'll end all the same, Yagura. Shall we, Lincoln?

Lincoln: Let's do it, Irina.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Irina Isobu.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Irina Isobu went after Universe 666 Yagura, and they fired extremely powerful blasts of rainbow energy, crimson red energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Yagura, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Irina Isobu also left many more by firing blue energy slashes with her claws, and he and Irina Isobu attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666

Yagura even more insane with rage than ever.

Universe 666 Yagura: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Yagura went at them now completely blind with insane rage and fury, but Lincoln and Irina Isobu kicked him hard in the stomach and Lincoln fired blasts of water at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Yagura even farther into the edges of rage and madness.

Suddenly, Universe 666 Yagura started transforming as all three tails manifested and he transformed into his Tailed Beast. But, before he could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Yagura who was literally on his last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Yagura, and then, Lincoln began forcibly absorbing all of Universe 666 Yagura's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Yagura and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Yagura was dead. Then, Lincoln absorbed his body by stabbing him with one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back as soon as he was done and he sent Universe 666 Yagura's soul to The Black Gates. We all cheered wildly for what Irina Isobu and Lincoln did as they holstered their massive greatswords and powered down and Irina Isobu's new body, clothes, weapons, jewelry, Third Eye, three massive and longer Isobu's tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive pink angel wings are permanent.

Irina Isobu: See you never, you monster. Thanks for helping me get rid of Universe 666 Yagura for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Irina.

Suddenly, Irina Isobu wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Irina Isobu's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Isobu the Three-Tailed Turtle flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and ocean waves and water crashing behind them and we cheered wildly. Then, Lincoln and Irina Isobu sucked in and absorbed the elemental forces and water and ocean waves and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Irina did it, they defeated my former comrade and Lincoln killed him using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Isobu, and without it, he died painfully.

Lincoln: But, we can't underestimate the rest of them at all, and there's also no telling what else that crazy lunatic has done in their resurrection.

Eli: Obviously, not good. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Danika Midnight.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Danika Midnight is Lincoln's Guardian Angel from Michigan and the middle sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Scoots with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that old goat showed up and tried to attack, but Danika used her dark powers and made Scoots' nightmares come to life, and she got so scared, she drove away and she went back into the Lansing Maximum Security Insane Asylum and holed herself up back in her padded room and she refused to come out for the rest of the night.

Nico: Whoa, now what was that old goat's fear?

Lincoln: That was an easy one: her reign of causing trouble ending and finally meeting The Grim Reaper.

We gasped.

Me: Yeah, that fear is extremely powerful.

Dr. Viktor: And that's how the fat lady sings.

Ghost: Or fat man, in this case.

Skulker: We get the idea.

Me: Yep.

Dr. Light: How should we celebrate?

Robo Blaze: Is there food here in Kun Lun?

Lego Iron Fist: I don't think so.

Me: Luckily we have plenty of restaurants..

Nico: Yep. Great job today everyone.

Iron Fist: (To the viewers) Boy this was so awesome and amazing.

Nico: It sure was.

We went to Lynn's table and had a great meal. We later went back home and went to sleep.

TO BE CONTINUED…

Nico: I have a feeling this location will be cool.

Qin: It sure will.

Lola: I'm excited for this one.

Me: Me too!

Nico: Yeah this will be fun.

Lincoln: It sure will be fun.

Nico: Princess, I want to thank you, Bizarro, and your teams for coming.

Princess What's Her Name: No problem Nico. This will be awesome.

Bizarro: Bizarro not excited for this.

Nico: We're sad for you.

Asami: I'm excited for this Nico.

Nico: I am too Asami.

Lola: Yeah.

Nico: Asami, are you ever going to get married to Korra?

Asami: I sure am. (Blushes) I love her more than anything.

Me: Aww so cool.

Varie: So awesome.

Asami: I know. She completes me.

Me: So adorable.

Lola: Yeah Luna said the exact same thing to Sam.

Laney: That is for sure. I think it's awesome.

Asami: And I'm happy for that and for me and Korra.

Nico: You should do it sometime in the future.

Asami: Agreed. Maybe we can make it a double wedding with Luna and Sam.

Me: Hey that's a good idea!

Asami: Thanks.

Lola: Yeah I like it. We'll have a rainbow pride wedding.

Nico: I like it.

Me: Yeah. Boy yesterday was awesome.

Nico: It sure was! Wow! That was awesome taking down Lego Kingpin and Steel Serpent.

Qin: That was fun.

Nico: We did all kinds of kung fu moves against them.

Me: We sure did.

Fluttershy: It was really fun doing all those.

Lola: It sure was awesome.

Varie: Yep.

Me: And Fluttershy your Chi powers really were amazing during

then.

Fluttershy: I thought it was so fun.

Nico: You should be proud.

Fluttershy: Oh I was just doing my best to help.

Me: And you did great.

Lincoln: That is for sure Flutters.

Girl Jordan: I have a good feeling I know what's next. I played the game long ago myself and I know that we're facing Carnom next.

Me: Yes Carnom is next Girl Jordan.

Nico: Like I said Girl Jordan, you can blow Carnage to smithereens if he shows insanity.

Qin: Yeah.

Nico: And I interrogated Steel Serpent before we left. Defeating Kang will separate Chronopolis.

Me: Whoa! I remember that. Just like in the comics and on the game.

Nico: Yep.

Laney: Aww does that have to happen? Chronopolis is a fun place.

Me: It sure is. I think it's fun too.

Camie: Some things are fun while they last.

Nico: Yeah.

We then arrived at the location and then we saw an AMAZING SIGHT! We saw a MOUNTAIN FOREST MADE ENTIRELY OUT OF CHEESE! There was Swiss Cheese Mountains, Limburger Lakes, Mozzarela Trees and more!

Me: WHOA! A Cheese Mountain Forest!

We were in awe!

Nico: CHEEESE!

Nico laughed crazily and was eating mozzarella trees!

Me: Lets eat!

We got to eating cheese.

Nico had bleu cheese rocks, limburger cheese, Swiss Cheese mountain and more.

Maria: Save some for us bro!

We ate some too.

Me: (Eating Cheddar rocks) Mmm! Wow! This is amazing!

Eli: And it's all the way here in Wisconsin! Fitting too because Wisconsin makes some of the most amazing cheese ever.

Qin: It sure does.

Lola: Wow! This is awesome!

May ate some.

May: (Eating) Mmm! Yummy.

Laney: Wow this is really amazing!

Lincoln: Boy this is an amazing cheese haven here in Wisconsin!

Nico: AND I LOVE IT!

Qin: YEAH!

Nanette came up to us.

Nanette: Hey guys. Wow! A Mountain Forest made of Cheese!? This is amazing! And it's fitting too because we're here in Wisconsin.

Eli: I said the same thing.

Lola: Funny.

Nanette: Too bad I can't have any cheese because I'm lactose intolerant. Cheese and milk makes me fart.

Me: Geez.

Laney: Adam Lyon feels the same way. He can't have lactose either because he farts bad himself.

Nico: I didn't know that.

Nanette: Yeah I forgot to mention that. Sorry.

Qin: No worries.

Me: Well the soft cheeses have lactose in them but not cheeses like Cheddar, colby, Swiss or Mozzarella.

Nanette: Oh that's different.

Nanette had some cheddar and it didn't make her gassy.

Nanette: (Eating) Mmm! Good cheese.

Nico: Glad you like it.

Nanette: So it's the soft cheeses that bug me.

Me: Yeah.

Nanette: Still amazing cheese though.

Lisa Loud: Indeed. It sure is.

Me: I agree there.

I then saw something on the back of Lisa's neck.

Me: Wait Lisa there's something on the back of your neck.

Lisa Loud: Where?

I went over and looked.

Me: Hold still.

I looked and saw that it was a sparking microchip.

Me: It's a microchip!

Lisa Loud gasped!

Lisa Loud: How did that get on me!?

Me: Lets see.

I pulled it out and Lisa got a MASSIVE AND TERRIBLE HEADACHE.

Lisa Loud: SWEET EINSTEIN and all figures and fathers of science. I feel like I was run over by an alces alces.

Nico: What was that supposed to do?

Me: Lets see.

I looked at it with my data eyes and then I got a REALLY SHOCKING RESULT!

Me: (GASP) OH DEAR GOD! This is not good! Anna you and the guardian angels are not going to like this!

Anna Anyanova: What is it?

Me: This microchip is responsible for unleashing the darksides of Lisa, Lola, Lynn, Luan and Lori!

Anna Anyanova: (GASP) That's crazy!

Laney looked on Lola.

Laney: Lola has a chip too!

Eddy saw one on Luan!

Eddy: There's one on Luan!

Me: These chips have that crazy dark side serum in it and they are activated by remote control and they inject a tiny drop of it into them and it unleashes their dark sides!

Nico: I thought it was Dark Chase Young.

Me: These chips were made by him.

Nico: Oh man!

Me: Killjoy Huggins made them for him and he put them on the sisters when they weren't looking.

Rita: That explains why they got more and more violent every time. Oh man.

Lincoln: Yeah no kidding. Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Nanette, are you familiar with someone by the name of Krystal Novvington?

Nanette gasped.

Nanette: (GASPS) Krystal Novvington?!

Nico: You know her?

Nanette: I wish I hadn't and you guys will despise her, Krystal Novvington is a bully that I knew from the past past and she hates me with a vengeance and she wants nothing more than to see me die.

We gasped.

Me: What a bitch!

Nanette: You have no idea, Krystal was a monster who caused destruction all over school by trashing lockers, destroying desks and chairs, and she's destroyed a lot of classrooms. But, in the end, I had busted her for destroying the cars of teachers in broad daylight, and when I showed the evidence to the teachers and the principal, they were all absolutely furious with her, and she was expelled from school, and on top of that, the teachers pressed charges on her for the destruction of their cars, her parents were forced to pay the teachers compensation for the cars which drained their savings down to nothing, and having had enough of their rampaging daughter, her parents disowned her and sent her to a boarding school in Russia.

We were livid, and immediately, we had murder on our minds.

Me: That… goddamn… rampaging, little… !

Nico: That's it, that rampaging she-beast is heading for a one-way train ride to Hell for this!

Ed Grant: Without a second thought!

Me: First lets get those chips off.

We got the chips off Lori, Luan, Lynn and Lola too and they got massive headaches.

Nanette got changed into her jumpsuit.

It was red.

Lola: (GROANS) What a headache.

Lori: I literally feel like I got hit by a comet.

Luan: This aches to pieces. (LAUGHS) Get it? But seriously my head really hurts.

Lynn: (GROANS) What a headache. I feel like I drank 100 bottles of beer.

Poromon: BEER!

Lynn: No Poromon I said that I feel like I drank that many beers.

Nico: Geez.

Lynn Sr.: What the ding dang jiminy happened guys?

Me: Ugly story.

I told them what happened.

Lynn Sr.: Oh man! That is terrible!

Nico: I know! At least we found the culprits behind the dark sides.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of

Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Krystal Novvington) AHA! Got you, you rampaging she-beast! I just spotted Krystal Novvington, she's 20 yards away and she's not out to kill you and Ed Grant, Nanette, but she's also destroying cars and wrecking private property yet again.

Nanette: That bitch, I knew she still hated me for getting her expelled and finding out that I have Ed Grant as my boyfriend. She's going to get it and I knew she was still destroying cars and private property again!

Lincoln: As it stands, she doesn't deserve to live a single second further.

Qin: I agree!

Nanette then heard a Pokemon cry.

Nanette: Huh?

We saw a Flareon!

Nanette: Wow a Flareon.

Flareon: Huh? Wait who are you?

Nanette: I'm Nanette Albright and we just want to help you.

Nico: You okay?

Flareon: Just need someone to have as a friend.

Nanette: Oh it will be all right. You can come live with me.

Flareon: All right!

Lincoln: (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Krystal Novvington.

We were walking around the area.

Nico: By the way, Carter, you, Ed the Protector, Aligned Bumblebee, Cody Burns, Snake, and Shoichi did good yesterday.

Carter Grayson: Thanks Nico. That was fun.

Lola: It sure was.

Qin: Yep.

We then saw her.

Lori: There she is.

Nico: Just look at this place, that rampaging she-beast's wrecking the place!

Luna: This is even worse than Lynn and Lola's rampages in the past!

Me: I never forgot about those in the past, once we take care of her, Lincoln and I will fix the place with two snaps of our fingers.

Eli: Right now, we better take care of that rampaging she-beast.

Lincoln: Already on it.

Lincoln fired rainbow energy blasts and elemental blasts which hit Krystal Novvington and she really got hit hard. Then, we landed in front of that rampaging she-beast, and she was growling like a fucked-up animal when she saw Nanette and Ed Grant along with all of us.

Krystal Novvington: YOU GODDAMN BITCH! HOW DARE YOU SHOW YOUR FACE TO ME!

Nanette: Those are the words I want to say to you. How the Hell did you break out of that boarding school?!

Krystal Novvington: I'm not saying anything, bitch! Now, you will die for throwing me in prison, and once I get through with you, your boyfriend's next!

Krystal Novvington ran at Nanette and was about to stab her with a knife!

Ed Grant: Get the Hell away from my girlfriend, you rampaging bitch!

Ed Grant grabbed Krystal Novvington and threw her as she crashed into a tree. She got back up, but she was so pissed off, she roared like a rampaging animal.

Nanette: That was a nice throw, Ed. But, now she's pissed off beyond anyone's imagination, and that rampaging she-beast has already lost it.

KRABLAM!

She then knocked Jessica Shannon out.

Jessica was out cold!

Nanette: YOU BITCH!

KRASMASH!

She bashed Krystal on the head with a kitchen sink!

Lincoln: NO ONE DOES THAT TO ONE OF MY FUTURE WIVES!

Taranee: LIGHTSPEED RESCUE!

She turned into LIGHTSPEED RESCUE SCARLET!

Taranee: RESCUE READY! LIGHTSPEED RESCUE SCARLET!

Irma: FOREVER BLUE!

She turned into a Blue Ranger with all the Blue Power Rangers

Powers.

Irma: I am LEGACY BLUE!

Hay Lin: SPRING DUCK!

She turned into a Duck Jetman!

Hay Lin: I AM SPRING GREEN DUCK!

Cornelia: RPM! GET IN GEAR!

She turned into a Magenta In Space Ranger!

She flared up a Cherubim Aura and turned into a White and Yellow Ranger!

Kairi: I AM CHERUBIM WHITE!

Sora: SAMURAIZER! GO GO SAMURAI!

He turned into the White Samurai Ranger!

Sora: WHITE RANGER OF THUNDER! SAMURAI RANGER READY!

Nico: Awesome!

Me: Whoa!

Flatiron: YAY!

Nico: Awesome! Lets get her!

Lincoln: With pleasure! Come on guys!

Lincoln, Luna, Sam S.L. And the Ripping Friends: IT'S RIPPING TIME!

They went at Krystal and bashed and pulverized and smashed her all over!

Nanette fired a blast of lightning and electrocuted Krystal!

Nanette: No more Krystal!

She then grew antennae and then her suit tightened and she ripped out of it and turned into THUNDERLEGS!

Krystal Novvington: You're a freak!

Nico: NO YOU ARE THE FREAK!

Thunderlegs fired waves of lightning and electrocuted Krystal and blasted her all over.

Qin fired waves of fire and blasted her!

Ed Grant: HULK LETS SMASH! D-SMASH!

He summoned DISK WARS HULK!

Disk Wars Hulk: TIME TO SMASH!

He smashed Krystal all over!

Qin fired blasts of fire and blasted her all over.

Flareon charged at her and bashed her with a headbutt.

SMASH!

Qin: Yeah!

Izuku: I'll help sis!

He flared up his green lightning aura and blasted Krystal all over.

Nanette reverted back and thanks to the spell I used she has all her clothes on.

Suddenly, Nanette Albright's eyes turned neon yellow, and she was surrounded by a blue energy aura with stars, lightning, crickets, phoenixes, and angels, she unholstered her massive Thunderlegs' Cosmic Supercell Lightning Storm Greatsword of Electric Cosmic Underground Supercell Lightning Justice from her back, and as she approached Krystal Novvington, she left blue energy, stars, lightning, crickets, phoenixes, and angels with every step.

Nanette: You've got some goddamn nerve showing your ugly face again, Krystal, I can't ever forget what I've had to go through because of you. You have and always be a rampaging beast who's shown no compassion towards me at all, all you ever cared about was yourself and wanting to see me die, I don't regret what I did exposing what you did in destroying the teachers' cars in broad daylight. You were always nothing more than a rampaging animal who enjoys causing misery to me and everyone in your path. I've absolutely had it up to hear with you, Krystal, you're nothing more than a pathetic lowlife bitch and you are heading for a one-way trip straight to Hell for what you've done to me and everyone else in the past.

Suddenly, Nanette was surrounded by a massive vortex of blue energy with stars and powerful bolts of lightning surrounding it, there's crickets, phoenixes, angels, and Thunderlegs running around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Krystal Novvington: the red eyes of death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears him apart piece by piece!

Krystal Novvington: YOU FUCKING BITCH! WHY CAN'T YOU JUST FUCKING DIE?!

Krystal Novvington charged at the vortex still intending to kill Nanette, but that rampaging she-beast got hit with a bolt of lightning and she now has a burn mark on her face as she screamed in agony.

Eli: Ooh, now that's going to leave a permanent scar on him! Serves her right!

Lincoln: And it's one she'll take with her to Hell!

Then, as the vortex faded, Nanette emerged, but she was changed forever.

Nanette Albright remained tall at 7'9" in height, she has gold bracers on her biceps and thighs and she now has eleven large blue orbs orbiting around her legs, she the body of a goddess, she has blue lightning bolt highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes, and a blue energy aura with stars, lightning, crickets, phoenixes, and angels surrounding her, she has Thunderlegs holding the Thunder Kanji in its hands emblazoned on her forehead and Third Eye with blue iris, she has on cricket earrings with blue crystals for the eyes and holding the Thunder and Eternity Kanjis in its legs, she has on her Crystal Necklace of The Buddha with blue gems in the gold lightning bolt links and blue crystal links and blue beetle-shaped Element of Harmony and on the bottom of the Element of Harmony is Thunderlegs with blue crystals for the eyes and holding the Thunder and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck. Nanette Albright has on a short-sleeved blue blouse, blue short-sleeved shirt with gold phoenix on it, blue skirt with bolts of lightning on it, blue pants, blue high-heel ankle-high boots, and long white sleeveless trenchcoat with stars, lightning, crickets, phoenixes, and angels on the coattails and on the back is Thunderlegs surrounded by lightning bolts and stars. Suddenly, Nanette Albright felt a sharp pain on her back, and then, her massive blue angel wings with yellow tips on the large blue feathers and surging with very powerful super lightning grew much bigger for her new body, she has on a Ring of the Phoenix with blue gem and heart-shaped gem embedded in it on her right ring finger and her Blue Lantern ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were amazed by Nanette's Super Angel-Underground Girl-Shredlegs-Cricket-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Ed Grant saw her, he had an atomic red blush on his face and hearts in his eyes, but when Krystal Novvington, she went ballistic and ran at her to kill her again, but Nanette fired a massive barrage of blue energy, stars, lightning, crickets, phoenixes, and angels which hits Krystal Novvington, and she got hit and sent flying into another tree, she got back up, and that really really set her off now!

Nanette: (Divine Echoing Godly Voice of The Cosmic Nebula Star Lightningstorm Underground Cricket Phoenix Angel and Divine Cosmic Nebula Star Lightningstorm Underground Cricket Phoenix Angel Hope) You've had this coming for a very long time, Krystal!

Me: And it''s going to hurt like hell REALLY BAD!

Xenia: Yeah that is for sure!

Lola: Yeah!

?: Lets make it hell for her!

A figure came and out came a girl with red and orange hair and had red and orange clothes and had red eyes and she had a tiara with the Shiranui symbol on it and she had the same symbol on her skirt and had fire angel wings and had a sword of fire.

Shania Shiranui: Shania Shiranui, Embodiment of the Shiranui monsters is here.

Me: Awesome!

Suddenly, Krystal Novvington was hit hard by a bolt of lightning.

Lincoln: Now, that one wasn't me.

Me: No, it wasn't, but I know someone who has the knack for electrocuting assholes.

Suddenly, we saw a very beautiful and super sexy girl with long neon purple hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a purple short-sleeved frilly shirt, necklace with pearls and purple gem for the pendant, purple skirt, white bridal gloves, purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Avery Knudson.

Me: I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Abigail Knudson, Sumner, and Patti: Avery?!

Avery Knudson: Yep, Avery Knudson, God Sibling of Lightning reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well.

And I unholstered my massive J.D. Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental

Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I honestly don't know how you busted out of that boarding school in Russia, but quite frankly, none of us care.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yeah, you've already pissed us off after Nanette told us, now you're heading for a one-way train ride to Hell for what you've done to her, you piece of shit!

Lincoln, Nanette, Ed Grant, and I went after Krystal Novvington, and we fired extremely powerful blasts of rainbow energy, blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Krystal Novvington, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Nanette, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Krystal Novvington even more insane and straight to the brink of insanity.

Krystal Novvington: YOU! YOU! (ENRANGED SCREAM)

Krystal Novvington charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at him and she got hit hard and he slashed at her with his massive black greatsword, and Ed Grant blasted her with blue energy blasts. Then, Lincoln grabbed her by the waist with one of his eleven massive and long white wolf tails and he smashed her into the ground, and she was really getting messed up, and then, he threw her and sent her into a nearby tree.

Krystal Novvington: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU BITCH! I'LL KILL YOU!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth,

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut it already.

Lincoln went at Krystal Novvington and he proceeded to give that rampaging animal the beatdown of her miserable life. LINCOLN SLASHED KRYSTAL NOVVINGTON ON THE STOMACH WITH HIS GOLD-PLATED CLAWS, HE SLASHED OFF HER HAIR WITH HIS MASSIVE GREATSWORD, HE ALSO BROKE HER ARMS AND LEGS EVERY LAST BONE IN HER BODY, SMASHED HER TEETH OUT OF HER MOUTH, AND ALSO GAVE HER TWO BLACK EYES ALONG WITH A BROKEN BLOODY NOSE!

Me: OH DAMN! NICE ONE, LINCOLN, AND FUCK YOU, BITCH!

Nico: YEAH, GO TO HELL, YOU RAMPAGING SHE-BEAST!

That made Krystal Novvington so mad, she eventually lost all traces of reason and started acting like the rampaging she-beast she really is. She went at us, but we kicked her hard into the air and Lincoln and Avery Knudson summoned a powerful lightning storm and Krystal Novvington was hit hard by bolt after bolt of lightning, when she came crashing down, she was literally a mess and twitching from getting hit by bolt after bolt of lightning.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Looks like it's time we took care of this piece of trash for good.

Lincoln fired a massive ball of lightning which hit Krystal Novvington and she was literally charbroiled and died and he sent her to The Black Gates forever. Everyone cheered as we holstered our weapons and powered down and Nanette Albright's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large blue orbs orbiting around her legs, and massive blue angel wings are permanent.

Lincoln: Good riddance forever, you lowlife, I hope you burn forever in Hell. (To Avery Knudson) And it's so good to see you again, Avery.

Avery Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, Helena, Sophia, Emily, Abigail, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Avery Knudson and he hugged her, and Avery Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Avery Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Avery Knudson, God Sibling of Lightning, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful lightning powers and immense control over the storms. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Emily, Abigail, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Lightning, but also Fire, Water, Ice, Wind, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us, and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT! YOU'RE GOING TO GET ELECTROCUTED BIG TIME!

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to get electrocuted.

Lincoln: Yeah, no one wants to get electrocuted by her, and now that you're here, Avery.

Lincoln went up to and hugged Avery Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Avery Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Avery Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Avery Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Avery Knudson.

Avery Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Jessica woke up.

Jessica: What happened?

Me: You got knocked out and missed the whole battle.

Jessica: Aw man!

Flareon cuddled up to Nanette.

Nico: Aww.

Poromon: Looks like we have another awesome mascot.

Varie: We sure do.

Poromon: Yeah. Flareon you want some beer?

Poromon: Just forget it. More for us.

Nico: Okay you 2 that's enough. Besides Nanette's flareon is now part of the team.

Flareon: And I don't drink beer anyway sorry.

Qin: Oh. Okay.

Shania Shiranui: But that was a fun adventure.

Nico: Beer isn't the only thing you'll experience from being a mascot.

Me: You have all kinds of funny adventures.

Camie: Yep.

Lola: It's funny.

Varie: Sometimes they are crazy and awesome.

Mr. Krabs: (LAUGHS) Yeah they are funny.

Maria: They're adventures that could land on ordinary person in jail.

Nico: Yeah.

Flareon: (LAUGHS) That is funny and true and crazy.

Qin: Yeah.

Nico: I like how the Underground Girls are getting mascots now.

Me: Me too.

Qin: Yeah it's awesome.

Lola: It sure is.

Camie: I think it's cute too.

Nico: After the rescue, we should make a new spicy food.

Me: Ooh! Now you're speaking my language Nico.

Lola: Nice!

Eli: Now we have the Anothers to deal with.

Camie: Yeah.

Nico: And they are?

Eli: (Concentrates) WHOA! This is a weird one. We have Another Howler Leeches, Evil Solar Man and Bizarro.

WE GASPED!

Daggett: (SCREAMS) THE HOWLER LEECHES!?

Norbert: Oh not that spooty thing again! DAGGETT You are a stupid ignoramus Brawther!

Daggett: Shut up you spoothead!

Then Norbert and Daggett got into a brawl!

POW BIFF WHOMP BIFF WHAM!

Nico: At least it isn't too much.

I went and grabbed Norbert and Daggett.

Me: Pardon me you two lobster brains but I must discipline the nannygoats!

KRABLANG!

I bashed their heads together.

Norbert and Daggett: OUCH!

Me: Now what are the Howler Leeches?

Daggett: They were featured here.

He showed a comic book.

Me: Konspiracy Komics Presents The Attack of The Howler Leeches. All stories guaranteed to be 37% true.

I looked at the comic and it showed the Giant Snowdwelling Alien Mutant Howler Leeches. It showed how they attacked and what they looked like and how they destroyed all the animals.

Me: Whoa that is gross! But with all the stuff we have seen over the years from the universe it's no surprise.

POW!

I was punched in the stomach!

Nico: NORBERT! What the hell was that for!?

Maria: (Sighs) Which 2 people are up?

Norbert: J.D. you are a stupid spoothead! There are no such things as Howler Leeches!

POW BIFF WHOMP!

He was punching me in the face.

Daggett: NORBIE STOP IT!

Eli used the Force and stopped Norbert.

Shania Shiranui: I'll face the Howler Leeches.

Asami: And I'll face Evil Solar Man.

Qin: Okay then.

Eli: I sense the Anothers minus Bizarro are one person.

Me: Ouch. But that is interesting.

Nico: There they are!

We saw ANOTHER HOWLER LEECHES AND EVIL SOLAR MAN! The Another Howler Leeches were UGLY!

Me: WHOA!

Daggett: DO YOU BELIEVE ME NOW NORBIE!?

Norbert rubbed his eyes and then screamed!

Norbert: (SCREAMS)

I bashed him on the head!

Me: Spootheaded Lobsterface! Now you know!

Nico: FUCK! THOSE THINGS ARE HIDEOUS!

Me: They are REALLY UGLY!

Shanan: (GASP) Oh dear god! I didn't expect the Howler Leeches to be Alouattahirudineans!

Qin: What are they?

Shanan: Alouattahirudineans are bloodsucking leech creatures from the distant planet of Alouathira and they are responsible for the destruction of all animal life on numerous planets across different galaxies. But they were thwarted off Earth somehow.

Nico: GEEZ!

Another Howler Leeches: (In a girls voice) (LAUGHS MANIACALLY) That is scary huh? Not as bad as me killing all the criminals in a prison.

Me: Oh no that voice. Girl Jordan you are not going to like who this is.

They merged and she reverted back and was a girl with red hair, red eyes and had red angel wings and she had red clothes and had a tiara with the symbol of the Carnage Dopant on it and the same symbol on her skirt and she had a blood dripping sword.

Me: Catherine Kasady Carnage!

Nico: Wait YOU MEAN THE INFAMOUS DAUGHTER OF CLETUS KASADY!?

Me: The very same. And she is also the Embodiment of Carnage, and she is just as fucked up as her father is.

Girl Jordan growled ferociously!

Girl Jordan: ANYONE THAT IS THAT DERANGED AS HER FATHER IS MY ENEMY!

Girl Jordan went up to her!

Girl Jordan: YOUR FATHER RUINED MY LIFE!

Catherine Kasady Carnage: And he deserved to die!

Girl Jordan: Please tell me you hate your father!

Catherine Kasady Carnage: (LAUGHS MANIACALLY) I HATE HIM MORE THAN ANYTHING! I kill all people like him.

Me: She killed over 100,000 people just like him.

Nico: SHE IS A FUCKED UP WHACKO!

Qin: She's fucking insane!

Nico: But wait Marvel Dopants too!? Holy fuck!

Maria: Okay. So she hates her father. That's good right?

Me: Yes it is. But she is just as fucked up as the Joker. But she only goes after evil people. Look.

I showed newspaper articles of all the people she killed. They were all MERCILESSLY butchered and thrashed and killed with extreme savagery.

Me: She earned herself the moniker The Walking Bloodbath.

Nico: GEEZ!

Catherine Kasady Carnage: And I will make sure they are all dead! (LAUGHS LIKE A FUCKED UP LUNATIC!)

May: Tell me you haven't killed innocent people!

Catherine Kasady Carnage: (SHAKES HEAD) No I haven't. I only kill bad people that deserve it.

Me: She has a REALLY NASTY mental problem. She kills criminals like murderers and everyone like them. But she has a HARD time controlling her urges. She is a bloodthirsty savage that kills criminals to satisfy her thirst for blood.

Nico: GEEZ! That is terrible!

Me: Yeah. She can't control it.

Nico: Okay. We just need to work on helping her control said urges and we won't have any problems.

Me: Easier said than done.

Catherine Kasady Carnage: I know.

Me: I can do that.

I fired a beam of energy and it got on the tiara and symbols appeared and they were sealing jutsu symbols.

Me: I used a sealing jutsu to do that. Her killing personality now comes out comes out when she says a safety word while touching the tiara.

Nico: Wow! That is clever.

Qin: What's the word?

Me: Bloodbath.

Nico: Wow.

May: How do you feel now?

Catherine Kasady Carnage: Good actually. I feel good.

Nico: Awesome.

Girl Jordan: I still won't trust you! I hate ALL PEOPLE WITH KASADY AS THEIR LAST NAME!

Nico: You're gonna want to give Girl Jordan some time.

Me: She absolutely loathes and despises your father with an incredibly VICIOUS and deadly vengeance and wants nothing more than to kill ALL VERSIONS of Carnage no matter what. Anyone with Kasady and bloodties to Cletus Kasady is on her hitlist of death.

Catherine Kasady Carnage: I don't blame her.

Nico: Except for a few versions.

Qin: Yeah.

Catherine Kasady Carnage: Wow my father REALLY ruined her.

Me: That is a fucking understatement.

Laney: Yeah.

Girl Jordan: You make one wrong move and YOU WILL BE JOINING YOUR MOTHERFUCKING FATHER IN THE BLACK GATES!

Qin: Whoa easy Girl Jordan.

Catherine Kasady Carnage: I'll keep that in mind.

She gave the I'm Watching you Fingers!

Nico: Yeah.

Maria: Sorry we have to do this.

Me: And I apologize for some of the teams distrust in you.

Catherine Kasady Carnage: It's no worries. I can't believe that my father would cause so much damage to all of you!

Me: That is another fucking understatement. By the way is the Another Bizarro friendly or hostile?

Catherine Kasady Carnage: Friendly and she is a powerful one. And a cool one.

Nico: Lets do this!

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Raise the rock where Yurgen fell

Raise the rock

Spring abundant holoél

She glowed and was separated.

Me: Action time!

We fired waves of energy and the blasted the Anothers and we caught the Wonder Ride Books.

Nico: Awesome!

Girl Jordan: I'm still not letting my guard down! You make any wrong moves… (THROAT SLASH FINGER)

Nico: I would listen to her.

Me: She's not called The Death of Carnage for nothing. She killed more versions of Carnage than anyone we know.

Catherine Kasady Carnage: Geez! I heard all about that!

Me: Yep. Don't fuck around with Girl Jordan. OR ELSE!

Nico: YEAH!

Catherine Kasady Carnage: I even heard she killed a version of Carnage in another universe with a Spirit Bomb and obliterated it into nothing!

Me: She sure did.

Qin: That was epic!

Lola: It sure was.

Maria: Better call in backup. (TURNS DIAL) BOUNTY HUNTER PARTY 6!

She summoned Cad Bane, Cloak and Dagger, Mad Scotty, Homer Clones, Boba Fett and Buccarat.

Nico: Although even that wasn't enough to stop the previous version of Carnage from killing so many people.

Me: Yeah 10,000 people dead.

Catherine Kasady Carnage: HOLY SHIT!

Xenia: I know. That was terrible.

Me: It happened in the Ultimate Universe.

Ultimate Spiderman: Yeah that was awful.

Cad Bane: It sure was. Also wait you're the Embodiment of Carnage!? Marvel Dopants now!?

Nico: Yep. Marvel Dopants.

Xenia: Yeah.

Nico: They were fucking zombies!

Qin: That was awful!

Me: You should have seen how pissed Nick Fury was there after we killed that monster!

Girl Jordan: Yeah he looked like he was ready to have his head explode!

Me: It was all a horrible experiment gone horribly wrong. And it ended up killing over 10,000 people.

Catherine Kasady Carnage: Sweet fuckbuckets! That is terrible!

Qin: No kidding!

Nico: Yeah.

Me: Yeah no kidding.

Girl Jordan: I know.

Catherine Kasady Carnage: Yeah. But I am just absolutely shocked more about how my father would become so fucked up and horrible! (CRYING)

She broke down crying.

Catherine Kasady Carnage: (SCREAMING) I HATE YOU CLETUS KASADY! I FUCKING HATE YOU! (CRYING HARD)

Girl Jordan couldn't help but feel bad for her.

Girl Jordan: Catherine.

She went over and comforted her.

Nico: Your father got what he deserved.

Me: And that is death and a trip to the Black Gates for all time.

Qin: Yeah. He brought all that on himself.

Lola: He was a monster.

Me: Cletus Kasady was a fucked up monster to the core. He deserves every ounce of pain he is getting.

Varie: Yeah.

Lola: Good riddance.

Girl Jordan: That's right. Catherine, I was completely wrong about you. You are DEFINITELY not like your heartless monster of a father. I let my hatred towards him hurt you. Can you ever forgive me?

Catherine Kasady Carnage: Yes. But I really don't kill innocents.

Girl Jordan: That's good.

They hugged.

Qin: Aww.

Misty Tredwell: Boy that was rough she went through all that.

Me: It was.

Camie: Yeah.

Rainbow Dash: Yeah no kidding. But it's good she defends people that are innocent.

Lola: It sure is.

Nico: We'll need her in October.

Qin: Yeah.

Lola: Good idea.

Nico: What's taking Another Bizarro so long?

Me: Just probably waiting for us to get some stuff our our chests like resolving hatred.

Nico: Oh speaking of which Norbert I think you owe J.D. and Daggett an apology.

Norbert: I'm sorry. I had no idea the Howler Leeches were real until just now.

Daggett: Aw it's okay Norbert. Besides now we know one of Konspiracy Kevin's tales is true.

Me: Boy it sure is.

Camie: Yeah. They were hideous.

Nico: No kidding!

Me: And they sure were UGLY!

Shania Shiranui: Yeah.

Me: Daggett you think I can get a subscription to Konspiracy Komics?

Daggett: Sure.

?: That is not gonna be fun. Man I hate talking opposite.

We saw ANOTHER BIZARRO!

Me: Whoa Another Bizarro!

Qin: Uh oh.

Another Bizarro: (In a girls voice) I hate myself for talking in opposite.

Me: That voice.

She reverted back and was a girl with black hair and blue eyes and had blue clothes and had a hurricane nautical flag tattoo on her arm and she had blue angel wings and a sailor hat on and had a tiara with the symbol of the Yacht Dopant on it and had the same symbol on her skirt and she had a wind sword in her hand.

Me: Yinnia Yacht! Wow!

Nico: The famous Yacht Maker!? Whoa!

Yinnia Yacht: That's right. I make yachts worth a fortune.

Nico: Wow!

Me: Yep and she is the Embodiment of the Yacht Dopant and makes yachts worth a flipping fortune in the tens or hundreds of millions. And she also has all of Bizarro's powers and has enhanced them with Supermans.

Bizarro: Bizarro not sad for that to not see that.

Me: Translation: He is happy to see that.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Me: If I were to guess it's to build the biggest ever yacht to break a record.

Yinnia Yacht: (LAUGHS) Yes that's right.

Me: Yep. Yinnia's dream is the build the worlds largest ever yacht to break the record for that.

Nico: WOW! That we can easily do.

Me: Yep.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

Lincoln fired a wave of energy and separated her.

Me: YEAH!

Yinnia Yacht fired waves of energy and smashed the Another all over.

Nico: (Gets out Bizarro's ridewatch) Time for this guy to say hello!

May: (Gets out Boxy's ridewatch) I'm going to bash your brains out!

Maria: (Gets out Idiot Teeth's ridewatch) Time for the song of death.

They activated the ridewatches of Bizarro, Evil Solar Man, Boxy, Akira Otoishi, Idiot Teeth and Butch and Cassidy and fired waves of energy and elements.

Asami: Take this fireball! (ACTIVATES EVIL SOLAR MAN'S RIDEWATCH)

She formed a powerful fireball and threw it and the blasts all hit Another Bizarro and blasted him down.

Then Grundy, Greg, Alien Guts, Evil Silver Banshee, Repteel and Midaredouji came!

Nico: Nice team Grundy!

Grundy: Grundy happy for it.

?: Boy I'll say!

Commando Man then appeared.

Me: Whoa! Commando Man.

Commando Man: (In a girls voice) Catherine Commando reporting for duty!

Nico: Awesome to see you Cat!

Catherine reverted back and she was a girl with green hair and blue eyes and had green clothes and camouflage pants and had green angel wings and had a green sword and had the symbol of a soldier in the middle of her forehead.

Nico: Awesome!

She fired waves of missiles and energy blasts and smashed the Another and I caught the Ridewatch and purified it.

Me: AWESOME!

May: I love how I'm not getting hit.

Me: Well don't get used to it. It's bound to happen again soon.

Nico: Yeah.

Asami: What's your favorite memory of Nico?

Catherine Commando: When me and Nico were over on the island of San Valero and we blew up an entire organization and terrorist camp there and rescued lots of hostages there.

Nico: That was really awesome.

Me: Wow! The San Valero ambush was you guys?

Nico: Yep. That was fun.

Qin: Wow!

Nico: Yep.

Nico and Catherine Commando hugged.

Nico: I've missed you.

Catherine Commando: Me too Nico.

We later went back home.

Wonder Woman: We better get going, there's no telling what that mad scientist is going to do to her hostages?

Lincoln: I've already got a pretty good idea, since I've had to deal with Lisa's Dark Side who's a mad scientist.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the fifteen girls.

Lincoln: (GASPS) Danika Midnight of The Midnight Society.

Danika Midnight: That's right, and I got the girls away from that mad scientist, she was about to open their heads and remove their brains to create a Frankenstein monster.

?: HOW DARE YOU! HOW DARE YOU! YOU'VE RUINED MY EXPERIMENT! I WILL HAVE THEIR BRAINS! (LAUGHING LIKE A FUCKED-UP MAD SCIENTIST)

We then saw our target, Lady Sciencera, and boy was she 1000 times worse than Dr. Frankenstein!

Then, Lincoln fired massive waves of red fire and ladybugs which hit Lady Sciencera, knocked her down and out, and he tied her up in a straitjacket and sent her to Vypra with a warning label on her that said: CAREFUL! SHE'S 1000 TIMES WORSE THAN DR. FRANKENSTEIN! We cheered as we holster our weapons and powered down.

Lincoln: Vypra's going to enjoy straightening you out, you mad scientist. (To Danika Midnight) And it's so good to see you again, Danika Midnight.

Danika Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Danika.

Lincoln went up to Danika Midnight and he hugged her, and Danika Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Danika Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to

measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Danika Midnight, she's my Guardian Angel from Michigan and the first youngest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with me at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Scoots with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that old goat showed up and tried to attack, but Danika used her dark powers and made Scoots' nightmares come to life, and she got so scared, she drove away and she went back into the Lansing Maximum Security Insane Asylum and holed herself up back in her padded room and she refused to come out for the rest of the night.

Nico: Serves her right!

Me: Yeah, I remembered that night all too well, and Danika really did awesome in scaring Scoots senseless.

Lincoln: He made a huge mistake coming after us again, and now that you're here, Danika.

Lincoln went up to and hugged Danika Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Danika Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Danika Midnight's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Danika Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Danika Midnight.

Danika Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them. The fifteen girls are Chiaki Nagumo, Eri Takabe, Kaori Maejima, Moeko Fujima, Nagisa Kondou, and Shiho Minazuki from Shusaku, Glacia, Alecta, Mikaela, and Lunaria from League of Angels, and Vivian, Victoria, Isolde, Lydia, and Aurora from League of Angels III.

Lincoln: Oh wow, it's Chiaki Nagumo, Eri Takabe, Kaori Maejima, Moeko Fujima, Nagisa Kondou, and Shiho Minazuki from Shusaku, Glacia, Alecta, Mikaela, and Lunaria from League of Angels, and

Vivian, Victoria, Isolde, Lydia, and Aurora from League of Angels III.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chiaki Nagumo: Yes, we're okay, thanks to you.

Then, when Chiaki Nagumo and the other fourteen girls saw who it was that saved them from Lady Sciencera, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita

Chiaki Nagumo: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chiaki Nagumo: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chiaki Nagumo, Eri Takabe, Kaori Maejima, Moeko Fujima, Nagisa Kondou, Shiho Minazuki, Glacia, Alecta, Mikaela, Lunaria, Vivian, Victoria, Isolde, Lydia, and Aurora with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what happened, and they were shocked to find out the villain we went after was Lady Sciencera, the hypothetical Akumatized villain of Stella Zhau and she is a mad scientist villain, who's 1000 times worse than Dr. Frankenstein!

But, when Lincoln what we did in beating that mad scientist down into the ground and sending her to Vypra with a warning that she's a mad scientist 1000 times worse than Dr. Frankenstein and loves to cut people open to get their brains and body parts, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Danika Midnight have a lot of catching up to do, now that she's back in town.

Maria: Yeesh, so you guys had to face off against Stella's hypothetical Akumatized self who's 1000 times worse than Dr. Frankenstein!

Lincoln: Yep, but now, Vypra's going to straighten her out in case she gets any ideas.

Nico: Dealing with a mad scientist, that won't be easy.

Me: True, but a mad scientist like her won't last for long under Vypra.

---

After taking down Lady Sciencera, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Danika Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Danika Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Danika, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Danika Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Danika Midnight: I knew it was only a matter of time before he told everyone that story. Oh, and we're holding off on telling our memories with Lincoln until all members of The Midnight Society are here.

Helena Knudson: Same with us.

Me: That's okay, besides, Marlene already told everyone her story.

Sophia Knudson: Figures.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Hey, what's with the sudden glowing?

Eini: That's a special function that was included with the Universe 666 Miracle Box on your back, that warns us of a clone of an Akumatized villain. Let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was clones of Volpina, Timebreaker, Puppeteer, The Evillustrater, Bubbler, Syren, Style Queen, Stormy Weather, Silencer, Sapotis, Sandboy, Rogercop, Riposte, Reverser, Reflekta, Princess Fragrance, Prime Queen, Pixelator, Party Crasher, Mr. Pigeon, Miraculor, Lady Wifi, Kung Food, Horrificator, Stoneheart, Gigantitan, Glaciator, Gamer, Frozer, Frightningale, Desperada, Dark Blade, Dark Owl, Dark Cupid, Goririlla, Copycat, Christmaster, Catalyst, Captain Hardrock, Ephemeral, Golden Record, Penalty, King Cash, Befana, Hoaxer, Bakerix, Weredad, Backwarder, Despair Bear, Rocketear, Antibug, Oni-Chan, Troublemaker, and Anansi.

Tikki: Clones of The Akumatized Villains?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved. Oh well, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of Volpina, Timebreaker, Puppeteer, The Evillustrater, Bubbler, Syren, Style Queen, Stormy Weather, Silencer, Sapotis, Sandboy, Rogercop, Riposte, Reverser, Reflekta, Princess Fragrance, Prime Queen, Pixelator, Party Crasher, Mr. Pigeon, Miraculor, Lady Wifi, Kung Food, Horrificator, Stoneheart, Gigantitan, Glaciator, Gamer, Frozer, Frightningale, Desperada, Dark Blade, Dark Owl, Dark Cupid, Goririlla, Copycat, Christmaster, Catalyst, Captain Hardrock, Ephemeral, Golden Record, Penalty, King Cash, Befana, Hoaxer, Bakerix, Weredad, Backwarder, Despair Bear, Rocketear, Antibug, Oni-Chan, Troublemaker, and Anansi and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Volpina, Timebreaker, Puppeteer, The Evillustrater, Bubbler, Syren, Style Queen, Stormy Weather, Silencer, Sapotis, Sandboy, Rogercop, Riposte, Reverser, Reflekta, Princess Fragrance, Prime Queen, Pixelator, Party Crasher, Mr. Pigeon, Miraculor, Lady Wifi, Kung Food, Horrificator, Stoneheart, Gigantitan, Glaciator, Gamer, Frozer, Frightningale, Desperada, Dark Blade, Dark Owl, Dark Cupid, Goririlla, Copycat, Christmaster, Catalyst, Captain Hardrock, Ephemeral, Golden Record, Penalty, King Cash, Befana, Hoaxer, Bakerix, Weredad, Backwarder, Despair Bear, Rocketear, Antibug, Oni-Chan, Troublemaker, and Anansi and he began absorbing them into him as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: That was a nice alarm system that Eini and the Universe 666 Miraculous installed, Lincoln.

Me: It sure is.

Kibal: We're going to be doing the same thing to The Miracle Box of our Earth, J.D.

Me: Nice one.

Marinette: Still, we knew that a fragment of Universe 666 Sebastian's residual darkness was behind that, since he and Slappy had been sending clones of the Akumatized villains at us.

Adrien: You said it, but they got their just desserts. But, we got to keep our heads up.

Me: Yeah, no telling what that lunatic's got up his sleeves.

We got a shower afterwards, and then, Lincoln, Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe are heading to Aquarium Park.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Rouko: Wow, so, this is Aquarium Park it sure is beautiful.

Lincoln: It sure is, Rouko, and it's perfect for our first date. Shall we?

Lincoln, Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe and they hugged the girls in their abnormally massive and powerful muscular arms, and Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Aquarium Park, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe are in your harem, Linky.

Miia: And he marked you, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe, right, Rouko?

Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Rouko, Usako, Nezuku, Nekoko, Apple Byte, Haruna, and Lotus Hanazoe, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later we were in the kitchen making something.

Oceanus Shenron: What are we making again?

Me: We're going to make the hottest ever pizza in the world.

Nico: Yep. It's a pizza so spicy and so hot that it will blow you into dust.

WE GULPED.

Laney: Oh boy.

Girl Jordan: This is gonna be exciting!

Qin: It sure is!

We made a pizza made with Netherworld Reaper Armageddon Hot Sauce, Put wasabi sauce on it. We also had cheese put on it and then we topped it with a Ghost Pepper and Reaper Sauce swirl.

We called it THE SUPER COCYTUS FLAME STORM DEATH PIZZA!

Me: Now this is a pizza! Who will try it?

Lynn: Me and my friends will.

Nico: Oh boy.

We got the pizza served to them.

Lynn: This is gonna be awesome.

We were hiding behind sandbags and had riot shields up.

They got to eating.

Blackout: They're enjoying it so far.

Me: Wait for it.

But then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Lynn, Margo, Paula, Polly Pain and Boy Lynn SCREAMED IN EXCRUCIATING PAIN AS FIRE EXPLODED OUT OF THEIR MOUTHS AND STREAMED OUT OF THEM LIKE FLAMETHROWERS!

Cheese: (approaches them) I like cereal!

They breathed fire all over Cheese and burned him all over!

A magnetic blast then hit them and pinned them to the walls and the Water Users fired waves of water and went down their throats. HUGE CLOUDS OF STEAM CAME OUT!

?: WHOA! That is a REALLY SPICY pizza!

We saw a girl with red hair and had blue and red clothes and she had a Magnet Magisword and she had red angel wings and a tiara on that had a magnet on it.

Maria Magnet: Maria Magnet, embodiment of Magnet Man.

Me: Boy you arrived just in time!

Maria Magnet: I sure did!

Lightspeed: Wow! Maria! Awesome to see you again!

Tristan: You're looking great.

Maria Magnet: Julie and Tristan you're looking great. Its been a while. And you and your siblings are doing good too.

Zero-G: We sure are.

G1 Inferno: How did you meet the Power Pack Kids and Tristan?

Maria Magnet: I met the Power Pack kids when I was helping them with an army of flesh eating robots that were ripping people to shreds and I used my magnet powers on them and blew them to scrap metal.

Me: WHOA!.

Maria Magnet: I know. And I met Tristan and helped him and Joey bash some Rare Hunters faces in and rescued Tea from being crushed by one of them.

Me: That Yami Marik. What a motherfucking pissant.

Laney: Yeah.

Nico: Yeah. Would you like to join the team?

Maria Magnet: I would be honored.

Leozack: Boss, who gets to shine here?

Nico: 2003 Leo, Aurico, Otto Rocket, Ish, Sunny Bridges, and Apple White

Rainbow Dash: Awesome!

Qin: Nice!

Musa: This will be fun!

Apple White: It sure will be!

Princess Amore: It sure will be!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO versions of Venom and Carnage who have become Carnom, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the LEGO versions of Venom and Carnage who have become Carnom, and they're causing havoc.

Girl Jordan: I knew it!

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: They're in the levels Symbiote Surprise and Kree-Search and Development.

Me: Boy this will be fun.

Nico: Looks like we've got more trouble in Chronopolis.

Me: Sounds like it.

Girl Jordan: I knew it. I knew we'd be facing them.

Qin: Me too!

Nico: Okay, then, let's head down there and take care of the LEGO versions of Venom and Carnage.

Lincoln: This is going to be so awesome.

Laney: Yep.

Nico: If by awesome, you mean terrifying as fuck, then I agree!

Qin: We'll be ready for anything though.

Laney: I agree too.

Lana: Same here.

Varie: But we're ready for this.

Girl Jordan: As long as I get to kick some Carnage butt!

Me: Nice.

The previous group came.

Dai Gui: Can me, Heatwave, Demyx, Vulture, Dr. Viktor, Ghost, Skulker, Baron Mordo, Dr. Light and Robo Blaze go With you guys?

Nico: Yes you all can come with.

Qin: This will be fun too.

Nico: Yep.

Anastasia (Cinderella): Nico, which Gene Slammer do you think you'll meet next?

Nico: Strike Man next.

Lynn: (Wheezing) Cool! (Smoke coming out of her mouth.)

Xenia: Boy that pizza BURNED HER bad.

I tried some of the pizza we made and my fire aura was intensely hot!

Me: Mmm! Wow! We made the spiciest ever pizza.

Nico: (LAUGHS) We sure did.

Maria: Have more water!

She fired waves of water and cooled her down.

Me: Boy that was funny.

Heatwave: Boy that pizza you made was REALLY spicy.

Me: Hottest ever in the world. We call it the Super Cocytus Flame Storm Death Pizza.

Heatwave: WHOA! That is lethal!

Xenia: Yeah it was!

Catherine Kasady Carnage: And it tastes really good!

Catherine ate some and man was she loving it.

Me: Boy Catherine has a mouth as powerful as mine.

WE LAUGHED!

Xenia: She sure does.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie

mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Yugito Nii who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Yugito Nii who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

Me: So, now we're back on destroying the other Universe 666 Jinchuriki.

Nico: Looks like it.

Universe 666 Eli: I no longer associate with them, they're dishonorable bastards.

Maya Matatabi: Which means, I'm up next.

Lincoln: Yep, and always, we're taking the fight to Glaren.

Yugito: Yeah, they may not be as strong as us, but they're still as tough.

Nico: And it was all the fault of that lunatic, that guy is such a Class

S psychopath. Alright, gang, let's go, we're off to Chronopolis and we're taking down the LEGO versions of Venom and Carnage.

Lincoln: LEGO versions of Venom and Carnage, you better be ready, we're coming for you, and once we get done with them, you're next, Universe 666 Yugito.

Maya Matatabi: I can't believe he set this whole contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy every last one of the Universe 666 Jinchuriki. I already know of how strong Yugito and Matatabi are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the LEGO versions of Venom and Carnage, and once we got done with him, Maya Matatabi and Lincoln are going to destroy Universe 666 Yugito.

We were off to Chronopolis

* * *

We arrived in Chronopolis and we saw Lego Spidey 2099, Lego Spidey, Ms. Marvel, She Hulk, and Spider Gwen.

Lego Spiderman: Glad you guys made it.

Girl Jordan: I know Carnom is here and we're ready for him.

Qin: Yeah.

Lego She-Hulk: We got to be ready for whatever they have in store.

Ghost: Sneaking in will be easy for me.

2003 Leo: Count me in as well!

Qin: Lets go then.

Nico: Here we go.

We went into the lab of the Oscorp building.

Aurico: It's Morphin time!

He transformed!

Aurico: RED AQUITAR RANGER POWER!

He was ready!

Nico: Oh yeah!

We got to looking around.

Maria: No sign of any Symbiotes yet.

Girl Jordan: The first symbiote I see, I'm blasting it with a Soundwave Cannon.

We then heard a roar.

Lego Spiderman: Let's follow that louder roar.

Shaggy: Like lets not and say we did.

Me: Shaggy this is not the time to be a chicken.

Then we saw a bunch of SYMBIOTES!

Squidward: We got this! And a-one, and a-two, and-a one, two, three, four!

[Screen cuts to the outside of the Oscorp building and a blast of noise ensues, breaking the windows. Cuts back inside the Oscorp building, where Squidward's face is deformed beyond recognition, his shirt's been ripped, and his baton breaks]

The Symbiotes were all destroyed!

Qin: Boy that was funny!

Lily: Just like back when SpongeBob made Squidward famous with that band.

Squidward: Okay, that was too easy. But where's the main one?

Eli: I sense it's in that room there.

Eli pointed to the big door in front of us.

Lego Spiderman web pulled the door down.

CRASH!

Nico: Nice one.

The door was ripped off.

Camie: Whoa.

We looked around.

Nico: Might as well show yourself coward! We know you're here!

But instead of the main Symbiote, out came RONAN THE ACCUSER!

Me: Ronan the Accuser!

Nico: Oh no

Lego Ronan: Okay. I know who you're really wanting to fight here. So, I might as well give it to you.

He teleported away right as we heard a load roar.

Nico: We'll go after Ronan later. Right now, our target here is coming!

We then saw CARNOM!

Me: CARNOM!

Lego Spiderman: Great! A combination of Carnage and Venom!

Carnom: We are neither Carnage nor Venom. Call us… Carnom!

Girl Jordan: But you are still 2 Symbiotes! I'm going to RIP BOTH OF YOU APART INTO FUCKING PIECES!

Girl Jordan then Transformed into her SUPER ANGEL-SEA DRAGON-MERMAID-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE CELTIC ATHLETIC ARCTIC SNOW MAELSTROM ARCTIC ICE SEA DRAGON PHOENIX ANGEL OF DIVINE CELTIC ATHLETIC ARCTIC SNOW MAELSTROM ARCTIC ICE SEA DRAGON PHOENIX ANGEL JUSTICE AND DIVINE ATHLETIC ARCTIC SNOW MAELSTROM ARCTIC ICE SEA DRAGON PHOENIX ANGEL LOVE form!

Nico: Oh he is fucking screwed now!

Viceroy: Lemme guess. You wanna spread chaos, right?

Carnom: Chaos? Carnom is order! Lord Kang's order!

Me: Lord Kang's days are numbered!

Girl Jordan fired a blast of fire and blasted Carnom and HE TURNED INTO LEGO VENOM AND LEGO CARNAGE!

Girl Jordan ran and went at Lego Carnage and then…

KRABLAMMMM!

She punched him and smashed him into the wall with devastating force and smashed him into the floor and blasted him all over with fire and ice blasts!

I punched Lego Venom and kicked him in the face and smashed him into pulp!

I threw him into the wall and bashed him through it!

Lego Spiderman: WHOA!

Kang was watching Girl Jordan THRASH LEGO CARNAGE AND

ROARING LIKE A MANIAC!

She was thrashing him into pulp and really mercilessly pulverizing him! And this also scared Kang out of his mind! He ran into the corner and started sucking his thumb curled up in a fetal posiition!

Girl Jordan jumped away from his strike and then They merged back into Carnom!

Nico: We don't need to seperate you two to beat you! Because you still have a symbiote's weakness!

Sunny Bridges: That's right! (to his class) Guys, play your instruments as loud as you can!

Demyx: (gets out Sitar) Count me in as well!

Me: Lets ROCK!

Luna Loud: ROCKIN!

I pulled out a speaker and put on ear muffs and turned the volume up to max and played!

LOUD GUITAR RIFFS!

We blasted them into the wall!

Thorn: Lets join in too, girls!

The Hex Girls joined in the fun and so did Sam and the Rainbooms and the girls of WITCH!

Nico: ROCK ON!

We were really jamming!

ROCK ON!

Carnom: Carnom thinks that's too loud!

Baron Mordo: Now you're talking in the third person?!

Aurico: If you start turning green, Hulk's gonna sue!

Me: Yeah! But so is this!

I pulled out a chalkboard and turned my fingers into claws and scraped it!

LOUD HORRIBLE SCRAPING NOISE!

CARNOM SCREAMED AND ROARED IN PAIN!

I stopped.

Carnom: Follow Carnom if you dare!

He then jumped out the window.

Lego Spidey: At least we can claim this building as ours.

Me: Yep. I think I know where he's heading. The Kree Temple here in Chronopolis.

Nico: Whoa.

Lego Spidey: The Guardians of the Galaxy are waiting for us there!

Drillhorn: How nice of them!

Me: Yeah!

Nico: Lets go then!

We were off!

We arrived.

Robo Blaze: Star Lord? Guys?

Otto Rocket: Anyone there?

Lego Star Lord: Guys!

We saw them.

Lego Star Lord: Did you see that…

Me: Ronan the Accuser is causing trouble? Yeah we saw.

Toxica: And he's not alone.

Me: Carnom, a fusion of both Venom and Carnage is with him.

Lola: Yeah.

Lego Gamora: We saw that too.

Nico: Looks like we're going to have a big battle.

Eli: Yeah we sure are.

Ish: Did you see which way he went?

Dr. Light: Shouldn't be that hard to find.

Lego Star Lord: Into the stadium over there.

Nico: Lets head there then.

Qin: Yep.

Eli: I sense that this will be fun.

Barricade: Lets get a move on.

Nico: Lets do it. Entrance time.

We went at the stadium.

In the stadium was Lego Ronan and Carnom! They were looking around and then the spirits of Echo Echo came and they swirled around them and blasted them with sonic waves and Carnom screamed! Then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and fireballs rained down and blasted them both and then a phoenix cry was heard and we came out!

Nico: YEAH!

Me: Ronan the Accuser you have been accused of following a jerk and a monster like Kang the Conqueror!

Apple White: How do you plead?

Lego Ronan: Um… not guilty?

Skulker: Wrong answer!

I fired a blast of energy and it hit Lego Ronan and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

I then teleported and formed an energy hammer and bashed him in his head!

KRABLAM!

Carnom roared!

Maximum Carnom: Carnom is order! Lord Kang's order!

Dr. Viktor: At least he still retains that.

Girl Jordan: He is still just a jerk!

She fired a massive blast of sun fire and blasted him all over!

Dr. Viktor and Will fired a wave of lightning and blasted him.

I bashed Lego Ronan with a powerful hammer.

Skalor: Our hammers are bigger than yours!

Me: And they hurt much worse!

KRABLANG!

I bashed Ronan in the head and knocked him out and he was put into an energy card.

Lola: Oh yeah!

Me: Now for Carnom.

Girl Jordan was really tearing into him.

Carnom: Carnom does not fear you!

Vulture: You should!

Girl Jordan: Because I've killed many versions of you! And they all faced the ultimate extent of my wrath! Because Carnage RUINED MY LIFE! And I'm going to return the favor!

She fired a wave of sun energy and blasted Carnom brutally!

Aurico and Ish charged and bashed Carnom down and blasted him all over!

Stacy, Otto Rocket and Apple White blasted and smashed and bashed him.

Dirt Boss: DIRT DOG ATTACK!

He fired an energy blast and blasted Carnom all over.

Lola: Take this!

She fired a wave of fire and burned him.

Sonnya Solar: Taste this!

She fired a fireball and blasted down Carnom!

Heatwave: Let me add to this!

He fired a fire blast!

Zhuqiaomon: And this too! (ECHOING) BLAZING HELIX!

He fired a massive blast of Helix Fire Blast!

Zoey Zhuqiaomon: Take this too! (ECHOING) BLAZING HELIX!

She fired a massive blast of fire and it formed into a Helix Fire Blast!

The blasts all hit Carnom and blasted him with intense infernal fury!

2003 Leo and Aurico charged at him and blasted Carnom all over.

Norbert and Daggett slapped Carnom all over with their tails.

I even grew trees for them and they chewed them down and then then the trees fell and smashed them onto him!

CRASH SMASH WHAM BLAM!

The trees smashed them.

Sunny Bridges and Apple White charged at him!

They fired sonic blasts and blasted Carnom all over the place!

Qin and Girl Jordan blasted him with sun and fire blasts.

Nico: Take this! NUOVA DEATH RAY!

Nico formed a lens and then fired a massive focused fire laser blast and it hit Carnom and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Maria Magnet: My turn!

She fired a magnet blast and it hit Carnom and then NUMEROUS SCRAP METAL pieces flew in and then…

KRASMASH!

He surrounded him by making 20 clones.

Echo Echo: Feel the Scream!

THEY RELEASED A MASSIVE SUPER LOUD SONIC BLAST!

Carnom screamed in pain from the blast!

I flew high.

Me: Time for a Hypersonic Boom!

I THEN FLEW AT HIM WITH INCREDIBLE SPEED!

I flew at 50,000 miles per hour and then went at Carnom!

Lincoln: It's over, Venom and Carnage.

Suddenly, Lincoln's eleven massive and long white wolf tails stretched out, and then, they lashed out at the LEGO versions of Venom and Carnage, and they were being bashed and beaten all over the place, and he even bashed them on the heads with two of his tails.

Nico: Ooh, now that's gonna leave a mark.

We then saw the LEGO versions of Venom and Carnage get a lump on their heads! OUCH! Then, we saw two white flag go up on the lumps.

Me: Looks like they surrender.

Nico: Now, that was awesome! We took down the LEGO versions of Venom and Carnage, and they're going to be in a lot of trouble.

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Universe 666 Yugito.

?: YOU WILL ALL DIE FOR WHAT YOU DID TO NICO!

Suddenly, the twelve large planets and stars orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of blue fire blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Yugito, or I will blast you out!

Suddenly, we saw a figure come out, it was Universe 666 Yugito, one of the resurrected Universe 666 Jinchuriki because of Universe 666 Sebastian.

Universe 666 Me: Yugito.

Universe 666 Yugito: J.D.?! Impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back. But, there's no way I can ever forgive you, you were J.D.'s brother, but you betrayed him and sided with that filthy snake.

Universe 666 Yugito: He was weak!

Universe 666 Me grabbed her by the neck and kicked her hard into a wall of diamond Lincoln made and I snapped my fingers and we were on Planet Glaren.

Maya Matatabi: He wasn't weak, but you, what you did was an act of betrayal that can never ever be forgiven!

Suddenly, Maya Matatabi's blue eyes turned blue pink and she was surrounded by a blue energy aura with stars, blue fire, ghosts, cats, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Yugito, she left blue energy, stars, blue fire, ghosts, cats, phoenixes, and angels with every step.

Maya Matatabi: I can never forgive you, Universe 666 Yugito, what you did in Evil Nico's name was nothing more than dishonorable and atrocious. You along with the other Universe 666 Jinchuriki have caused so much pain and suffering that it isn't funny, we thought we wouldn't have to deal with you or the other Universe 666 Jinchuriki and Universe 666 Tailed Beasts, but because of what that violent deranged psycho did in bringing you all back, that crossed a serious line, and for that, I'm going to end you once and for all!

Suddenly, Maya Matatabi was surrounded by a massive vortex of blue energy with stars and blue fire surrounding the vortex, there are ghosts, cats, phoenixes, angels, and Matatabi the Two-Tailed Wraith Cat flying and running around the vortex, and in the vortex is a blue phoenix with Matatabi's eyes in its wings and red eyes glaring at Universe 666 Yugito: the red eyes of death. Then, as the vortex faded, Maya Matatabi emerged, but she was changed forever.

Maya Matatabi grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large dark blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long blonde hair with two blue cat ears on top of her head and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a dark blue energy aura with stars, blue fire, ghosts, cats, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has Matatabi the Two-Tailed Wraith Cat emblazoned on her forehead and Third Eye with blue iris, she has on cat earrings on her ears with blue gems for eyes and holding the Star, Fire, Ghost, Two, and Eternity Kanjis in its paws, she also has Matatabi the Two-Tailed Wraith Cat with blue gems for eyes and holding the Star, Fire, Ghost, Two, and Eternity Kanjis in its tails for the second pendant on the bottom of her dark blue cat-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Maya Matatabi has on a sleeveless dark blue turtleneck top, dark blue vest, dark blue skirt with the symbol of Kumogakure and the Two Kanji on it, blue pants, blue legwarmers, blue shoes, and long sleeveless white trenchcoat with stars, water, ocean waves, turtles, phoenixes, and angels on the coattails, and on the back is Matatabi the Two-Tailed Wraith Cat with flames and ghosts surrounding it. Suddenly, Irina Isobu felt a sharp pain on her back, and then, her massive blonde angel wings with dark blue tips on the large blonde feathers grew much bigger for her new body and Matatabi's two massive tails also grew much bigger and longer for her new body, Maya Matatabi has on her Ring of the Phoenix with large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Maya Matatabi's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of dark blue energy, stars, blue fire, ghosts, cats, phoenixes, and angels, and when it emerged, it was transformed into Maya Matatabi's Eternal Dark Blue Haunting Blue Firestorm Avatar Two-Tailed Wraith Cat Phoenix Angel Greatsword of Eternal Dark Blue Haunting Blue Firestorm Avatar Two-Tailed Wraith Cat Phoenix Angel Justice, it's a brand-new massive greatsword with embedded yellow gems and Matatabi the Two-Tailed Wraith Cat etched on the 7'6" massive, wide, double-edged dark blue blade, large dark blue cat heads for the crossguard, large white angel faces built into both sides of the hilt and large dark blue gems embedded in their foreheads, longer midnight black handle, four large dark blue cat heads with yellow gems for eyes and on the bottom of the large dark blue cat heads is a large dark blue cat head with yellow gems for eyes and yellow gem in its mouth for the pommel, Maya Matatabi has on her large gold Bracers of The Champions of The Universe with large dark blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Matatabi's head with yellow gems for eyes and large dark blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below Matatabi the Two-Tailed Wraith Cat with nine dark blue magatama in between the kanji that said, "Maya Matatabi, Avatar of Matatabi The Two-Tailed Wraith Cat, Member of The Tailed Beast Avatar Guardian Angels, True Immortal and Powerful Warrior of The Universe, Dear Friend of Yugito Nii and Matatabi the Two-Tailed Wraith Cat, Master of Blue Fire and Ghosts Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Despiser of The Mean Loud Sisters, Archenemy of The Firecats, Destroyer of Universe 666 Yugito Nii, Amazing Member of

We were amazed by Maya Matatabi's Super Angel-Two Tails Avatar-Wraith Cat-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Yugito saw it, she fell into a rage and we saw her eyes change into that of the beast inside her and her nails grew into claws and she ran at her to kill her, but Maya Matatabi fired a massive barrage of dark blue energy, stars, blue fire, ghosts, cats, phoenixes, and angels which hit Universe 666 Yugito and sent her flying into a rock formation, she got back up, but boy was she pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on her!

Yugito: It's not over yet, Nico. In fact, the show's about to begin.

Maya Matatabi: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Haunting Blue Firestorm Wraith Cat Phoenix Angel and Divine Cosmic Eternal Haunting Blue Firestorm Wraith Cat Phoenix Angel Love) But, it'll end all the same, Yugito. Shall we, Lincoln?

Lincoln: Let's do it, Maya.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Maya Matatabi.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal

Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Maya Matatabi went after Universe 666 Yugito, and they fired extremely powerful blasts of rainbow energy, dark blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Yugito, and they exploded with incredible power as they hit her.

Then, they attacked her with energy slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Maya Matatabi also left many more by firing blue energy slashes with her claws, and he and Maya

Matatabi attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Yugito even more insane with rage than ever.

Universe 666 Yugito: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Yugito went at them now completely blind with insane rage and fury, but Lincoln and Maya Matatabi kicked her hard in the stomach and Lincoln fired blasts of blue fire and ghosts at her and she got hit hard and he slashed at her with his massive greatsword. They also attacked her with powerful elemental and energy blasts and she got hit hard, and this was more than enough to drive Universe 666 Yugito even farther into the edges of rage and madness.

Suddenly, Universe 666 Yugito started transforming as all two tails manifested and she transformed into her Tailed Beast. But, before she could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Yugito who was literally on her last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Yugito, and then, Lincoln began forcibly absorbing all of Universe 666 Yugito's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Yugito and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Yugito was dead. Then, Lincoln absorbed her body by stabbing her with one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back as soon as he was done and he sent Universe 666 Yugito's soul to The Black Gates. We all cheered wildly for what Maya Matatabi and Lincoln did as they holstered their massive greatswords and powered down and Maya Matatabi's new body, clothes, weapons, jewelry, Third Eye, two massive and longer Matatabi's tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive blonde angel wings are permanent.

Maya Matatabi: See you never, you monster. Thanks for helping me get rid of Universe 666 Yugito for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Maya.

Suddenly, Maya Matatabi wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maya Matatabi's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Matatabi the Two-Tailed Wraith Cat flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and blue fire raging and ghosts behind them and we cheered wildly. Then, Lincoln and Maya Matatabi sucked in and absorbed the elemental forces and blue fire and ghosts and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Maya did it, they defeated my former comrade and Lincoln killed her using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Matatabi, and without it, she died painfully.

Lincoln: But, we can't underestimate the last of the Universe 666 Jinchuriki: Universe 666 Gaara, and there's also no telling what that crazy lunatic has done in his resurrection.

Eli: Obviously, not good. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Delilah Midnight.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Delilah Midnight is Lincoln's Guardian Angel from Michigan and the second younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Hawk and Hank with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, those two buttrags showed up and tried to attack, but Delilah used her dark powers and made Hawk and Hank's nightmares come to life, and they got so scared, they ran away and went back to prison and holed themselves back in their cells and they refused to come out for the rest of the night.

Nico: Whoa, now what was those buttfaces' fear?

Lincoln: That was an easy one: what we did in scaring them on Halloween years ago.

We gasped.

Me: Yeah, that fear is extremely powerful, and it remained as a permanent scar on their minds. But I'll never forget that. That was so fun.

Carnom: (groans) You… cannot… spot… us! Carnom… is… order. Lord… Kang's… order! (falls unconscious)

FWOMP!

Goro: Devoted to his boss to the end.

Crimson Dynamo: He was tougher then Venom AND Carnage together.

Turtle: At least he's done now.

Skalamander: We'll take him with us.

Dr. Polaris: We'll need a crane though.

Lincoln threw 3 energy cards which hit the LEGO versions of Venom and Carnage and Carnom and imprisoned them inside 3 cards and he put them inside a box he made and it vanished.

Dr. Polaris: Or that works.

Nico: Yep. Great job guys.

Rainbow Dash: (To the viewers) That was awesome though!

Me: Yeah it was R.D.!

We later went back home and enjoyed the rest of the day and went to sleep.

We had tons and tons of bags full of stuff.

Me: Nothing like a little fun at the mall for some awesome shopping.

Nico: You said it.

Eli: It's always fun to come here.

Camie: It sure is.

Leni: I totes love coming to the mall. It's my second home away from home.

Me: (LAUGHS) Every teen loves coming to the mall.

Varie: They sure do.

Lola: Yeah it's awesome.

Tristan: It sure is.

Nico: Tristan, I want to thank you, Grundy, and your teams for coming.

Tristan: No problem Nico. It's always fun to help everyone.

Me: It sure is.

Candy: I like all of this too. It's so awesome.

Qin: It sure is.

Nico: Candy, are you glad that you and me are back together?

Candy: I sure am Nico. It's so awesome and fun.

Qin: It's awesome too.

Candy: Yeah I agree. And the best part is that I have awesome candy powers.

Varie: Yeah it sure is cool.

Camie: Yep.

Nico: Do you give the mascots any candy?

Candy: I sure do and they love it. They have the most awesome sweet tooths ever.

Me: They and my daughter Mary both. Oh man she LOVES ALL candy.

Nicole: Yeah my sister Mary can't get enough of it.

Qin: No kidding.

Lola: Yeah.

Girl Jordan: And I love some good candy.

Nico: Yeah who DOESN'T love good candy. Especially (SLURPS) COOKIES AND CREAM!

We laughed!

Me: Yeah.

Nico: Boy yesterday was awesome. But man Girl Jordan you went really bonkers on Lego Carnage and Carnom too.

Girl Jordan: (Chuckles nervously) Sorry about that. But yeah that was fun.

Nico: Technically, it was just Carnom.

Girl Jordan: I know but it was Lego Venom and Carnage merged together. Still the same 2 Symbiotes nonetheless.

Qin: She does have a point.

Me: Yeah but it was still an awesome mission.

Nico: Yep it sure was.

Lana: I thought it was fun too.

Juran: That Carnom saying he is Order gave me the chills.

Me: That is for sure.

Laney: No kidding.

Me: Soon Kang will meet his maker and it will be painful.

Lola: J.D. you should use the power of the Soul Infinity stone to snap him out of existence.

Me: Whoa! Lola no! I am not doing that. It's too powerful and I could easily wipe out all life in the universe that way. Lego Kang is going into the M.O.E.

Nico: Good call there.

Qin: Yeah.

Nico: The next one probably won't be easy.

Me: No but it will still be a fun adventure nonetheless.

Xenia: Yeah it will be cool.

Nico: Yep. For now lets just have some fun.

Poromon and the mascots came.

Poromon: Hey guys!

Nico: What's up Poromon?

Poromon: Not much. We're just here to enjoy some shopping fun too.

Me: Cool cool.

Qin: Yeah.

Poromon: And I'm buying stuff too.

Me: Cool.

Nico: Awesome.

We got to shopping more. We went and bought clothes, toys, games, comics, jewelry and more.

Poromon was buying a lot of stuff. It was all technological stuff for something he has planned.

Poromon says it a surprise.

We continued shopping and more. Later we were at the food court having lunch and a really good pizza.

Poromon was eating pepperoni slices.

I was eating really cheesy pizza.

Me: (eating) Mmm! Delicious pizza.

Nico: You said it.

Xenia: It's all really good food.

We had a great lunch.

Poromon burped.

Poromon: Oh pardon me.

Me: No worries.

Qin: Still awesome food.

We had a great lunch. But then Lincoln gave us shocking news.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Sheila, are you familiar with someone by the name of Tina Tiberius Turner?

Sheila: (GASPS) That no good queen bee monster?! What the hell is she doing here?!

Suddenly, the rest of the team arrived.

Nico: Wow, you guys got here quick, and you know her, Sheila?

Sheila: I wish I hadn't, Tina Tiberius Turner is a horrible queen bee girl that ABSOLUTELY HATES me with a vengeance, and she did all kinds of HORRIBLE pranks on me to make me suffer.

We gasped.

Me: What a bitch!

Sheila: That's not even word I'd describe her, but I was too smart to fall for any of her stupid pranks. However, I'd decided that enough was enough, so I started to gather evidence on her by going to the kids whom she'd pranked and humiliated, and I was able to gather tons of evidence and testimonies from everyone. Then, all of us went to the principal and we showed him and all the teachers all of the evidence against Tina, and they were furious. They called her down to the office, and they decided on a punishment fitting for her: Tina was expelled from school, and her parents were forced to pay all of Tina's victims compensation for the pranks she'd done unto them which drained their savings down to nothing, and having had enough of their heartless daughter, her parents disowned Tina and sent her to a sent to a boarding school for spoiled brats. And now, Tina is back and she wants REVENGE on me!

We were livid, and immediately, we had murder on our minds.

Me: That… goddamn… heartless, little… !

Nico: That's it, that bitch is heading for The Xaikora Prison for the rest of her life.

Eric Loud: Without a doubt. Sheila, don't worry, that bitch isn't laying one hand on you or our kids.

Sheila: I know, Eric. If she so much as threatens you or our kids, she's getting my foot right up her ass.

Lynn: Oh yeah! Awesome you guys are at the mall.

Qin: Yep we sure are.

Lynn: Cool.

Sheila then heard a Pokemon cry.

Sheila: Hear that?

Me: More than hear it. Look.

We saw a Moltres!

Me: Wow! The legendary Moltres! But oh man it hurt its wing.

Fluttershy: Aww the poor thing.

Moltres: I hurt my wing and can't fly.

Nico: Oh you poor thing.

Sheila: We'll heal you up.

Moltres: Thank you.

Me: Moltres is one of my favorite Pokemon.

Kayla Schmidt: It's awesome because I'm the gene-slammer of one.

Qin: Cool.

Moltres: That is cool.

Sheila: Here you go.

She healed Moltres up and it was better.

Moltres: Thank you. Ahh much better.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Tina Tiberius Turner) AHA! Got you, you rampaging she-beast! I just spotted Tina, she's 20 yards away and she's out to kill you, Eric, and the kids, Sheila.

Sheila: That bitch, I knew she still hated me for getting her expelled and finding out that I have Eric as my husband and I now have kids. She's going to get it big time!

Lincoln: As it stands, she doesn't deserve to be running loose any further.

Nico: I agree!

Me: We better go find her then.

Nico: And Leo? You, Aurico, Otto, Ish, Sunny, and Apple White did good yesterday.

Leo: That was awesome.

Qin: Boy it sure was.

Lincoln: (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Tina Tiberius Turner.

Qin: She is bound to be close.

Lola: But we're ready for her and we're going to kick some butt.

Nico: Moltres, who do you want to stay with?

Moltres: Sheila. She helped me get better.

Sheila: Awesome.

Me: Wow! One of the legendary Pokemon as a mascot.

Qin: Yep. Won't be the last because we have Jirachi with us.

Lola: Yep.

We went to find her. We then saw a nasty trail of destruction. We then saw Tina Tiberius Turner and she was on the rampage hurting people and destroying cars and property.

Lori: There she is.

Nico: Just look at this place, that rampaging she-beast's wrecking the place!

Luna: This is even worse than Lynn and Lola's rampages in the past!

Me: I never forgot about those in the past, once we take care of her, Lincoln and I will fix the place with two snaps of our fingers

Eli: Right now, we better take care of that rampaging she-beast.

Lincoln: Already on it.

Lincoln fired rainbow energy blasts and elemental blasts which hit Tina Tiberius Turner and she really got hit hard. Then, we landed in front of that monster bitch, and she was growling like a fucked-up animal when she saw Sheila, Eric Loud, and their kids in Lori's arms along with all of us.

Tina Tiberius Turner: YOU GODDAMN BITCH! HOW DARE YOU SHOW YOUR FACE TO ME!

Sheila: Those are the words I want to say to you. How the Hell did you break out of that boarding school?!

Tina Tiberius Turner: I'm not saying anything, bitch! Now, you will die for throwing me in prison, and once I get through with you, your loser husband and dumb kids are next!

Tina Tiberius Turner ran at Sheila and was about to stab her with a knife!

Eric Loud: Get the Hell away from my wife and kids, you rampaging bitch!

Eric Loud grabbed Tina Tiberius Turner and threw her as she crashed into a wall. She got back up, but she was so pissed off.

Sheila: That was a nice throw, Eric. But, now she's pissed off beyond anyone's imagination, and that bitch has already lost it.

Nico: Bring it on.

Leni tried to punch her but was knocked out for her troubles.

Ed: Leni! NO ONE PUNCHES LENI!

He turned into EDZILLA!

Edzilla: ED SMASH BAD GIRL!

He went and smashed and pulverized and bashed her all over.

She fired a powerful fire blast and it hit her and burned her all over.

Me: Nice one!

Sheila: You are going to love this.

She fired a wave of webs and tied Tina up in a HUGE SPIDERWEB!

Tina Tiberius Turner: WHAT THE!? LET ME GO YOU BITCH!

Moltres used Overheat and burned her all over.

Nico: Burned!

Sheila: You are a pathetic loser Tina!

Her eyes turned blue and took her clothes off and revealed a green jumpsuit.

She then had her eyes split into 8 eyes and then she got extra legs and then she turned into SHREDLEGS!

Tina Tiberius Turner: WHAT THE!? YOU'RE A FUCKING FREAK!

Her jumpsuiit was ripped off.

Nico: She's in for it now.

Shredlegs went at her and looked her in the face.

Shredlegs: You are a monster and nothing but a PETTY PATHETIC

MAMA'S PRINCESS! No wonder your fucking family hated your fucking guts! Because they were scared of you! You were the devil in human skin!

Tina Tiberius Turner: YOU MAKE ME FUCKING SICK! YOU RUINED MY LIFE SHEILA! I SHOULD HAVE KILLED YOU TO PUT YOU IN YOUR PLACE! YOU ARE A FUCKING LOSER! ALWAYS HAVE BEEN AND ALWAYS WILL BE!

Lupin III: Mind if I join in?

He jumped and kicked and punched Tina all over and knocked out some of her teeth.

Horsea squirted ink and covered her in it.

Tina Tiberius Turner: YOU ARE ALL DISGUSTING!

Bender: Bite my shiny metal ass!

Poromon got drunk and then threw bottles and they hit her in her face.

SMASH SMASH SMASH!

Nico: Nice!

Jenna Jellyfish: How about this one!

She summoned LOTS OF Jellyfish and they went at her and surrounded her.

Tina Tiberius Turner: Uh oh!

Then…

ZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPP

She screamed in pain as they stung her and zapped her big time to the point where her skeleton showed.

Tentacool: I want to join in!

Tentacool fired laser blasts and blasted Tina and then she blasteed her with a lightning ray.

ZZZZZZZZZAAAAAAAAAAAAAAAAPPPPPPPPP!

Me: Ouch! Ooh! Pipp your perfume that didn't sell will be perfect for this.

I pulled out a bottle of perfume and sprayed it all over Tina.

THEN THERE WAS A RUMBLE! Then we saw NUMBEROUS CRITTERS!

Hitch Trailblazer: The critters? Oh I get it!

They smelled the perfume and chittered and they dogpiled onto Tina!

They smashed and pulverized and bashed and blasted her.

Qin: WHOA! What was that perfume made of?

Me: Izzy accidentally put garbage into the perfume that Pipp made for a launch and the critters really like it.

Fluttershy: (LAUGHS) That is too cute.

Qin: It sure is.

Lana: Cool! That is my kind of perfume.

Me: (LAUGHS) Garbage scented for Lana.

Nico: Very clever!

Me: Yeah!

Pipp Petal: That perfume is perfect for this.

Me: Yep.

Hitch called the critters back.

Hitch Trailblazer: Good job critters.

Nico: We're not done yet!

Sheila reverted back and had her clothes on again.

Sheila: Time for the main event!

Suddenly, Sheila Castille's yellow eyes turned neon yellow, and she was surrounded by a green energy aura with stars, webs, rocks, spiders, phoenixes, and angels surrounding her, she unholstered her massive Sheila Castille's Underground Shredlegs Earth Spider Greatsword of Underground Spider Nature Justice from her back, and as she approached Tina Tiberius Turner, she left green energy, stars, webs, rocks, spiders, phoenixes, and angels with every step.

Sheila: You've got some goddamn nerve showing your ugly face again, Tina, I can't ever forget what I've had to go through because of you. You have and always be a heartless bitch who has shown no compassion towards me at all, all you ever cared about was yourself and wanting to see me die and did all those pranks to make me suffer, but I was too smart for the likes of you. I don't regret what I did exposing all of your crimes. You were always nothing more than a rampaging bitch who enjoyed causing misery to me and everyone who gets in your way. I've absolutely had it up to hear with you, Tina, you're nothing more than a pathetic lowlife bitch and forget about heading back to the boarding school for spoiled brats, what you've done in coming after me for revenge is about to get you a one-way trip to prison where you will stay there until the day you die.

Suddenly, Sheila Castille was surrounded by a massive vortex of green energy with stars, webs, spiders, and Earth surrounding the vortex, there are spiders, phoenixes, angels, and Shredlegs running and flying around the vortex, and in the vortex is a grey phoenix with red eyes glaring at Tina Tiberius Turner: the red eyes of death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears him apart piece

by piece!

Tina Tiberius Turner: YOU FUCKING BITCH! WHY CAN'T YOU JUST FUCKING DIE?!

Tina Tiberius Turner charged at the vortex still intending to kill Sheila, but that bitch got hit with a rock and she screamed in agony as it damaged her face.

Eli: Ooh, now that's going to leave a scar on her! Serves her right!

Lincoln: And it's one she'll take with her to prison!

Then, as the vortex faded, Sheila Castille emerged, but she was changed forever.

Sheila Castille-Loud remained tall at 7'9" in height, she has gold bracers on her biceps and thighs and she now has eleven large green orbs orbiting around her legs, she has the body of a goddess, she has spring green highlights in the bangs of her long flowing green hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon yellow eyes, and a green energy aura with stars, rocks, webs, spiders, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Shredlegs holding the Earth Kanji in its legs emblazoned on her forehead and Third Eye with green iris, she has on spiders earrings with green crystals for the eyes and the Earth and Eternity Kanji in its legs, she has on her Crystal Necklace of The Buddha with green gems on the gold leaf links and green crystal links and green spider-shaped Element of Harmony and on the bottom of The Element of Harmony is Shredlegs with green crystals for the eyes and holding the Earth and Eternity Kanjis in its legs for the pendant and she has on a white and gold-accented choker on her neck. Sheila Castille has on a long sleeveless purple blouse, purple short-sleeved top with a green phoenix and rocks on it, lavender pants, lavender legwarmers, spring green shoes with butterflies on it, and a long white sleeveless trenchcoat with stars, rocks, webs, spiders, phoenixes, and angels on the coattails and on the back is Shredlegs surrounded by rocks and Earth. Suddenly, Sheila Castille felt a sharp pain on her back, and then, her massive green angel wings with light green tips on the large green feathers grew much bigger for her new body. We were amazed by Sheila Castille-Loud's Super Angel-

Underground Girl-Shredlegs-Spider-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Eric Loud saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Tina saw it, she went ballistic and ran at her to kill her again, but Sheila fired a massive barrage of green energy, stars, rocks, webs, spiders, phoenixes, and angels which hits Tina Tiberius Turner, and she got hit and sent flying into another tree, she got back up, and that really really set her off now!

Sheila: (Divine Echoing Godly Voice of The Star Earth Underground Spider Phoenix Angel and Divine Cosmic Star Cosmic Earth Underground Spider Phoenix Angel Hope) You've had this coming for a very long time, Tina.

Suddenly, Tina Tiberius Turner was hit by a load of rocks and got buried in them. She got back out, but boy was she madder than Lori, Lynn, and Lola at the absolute worst of their wraths due to their Dark Sides.

Lynn: That wasn't from Tara.

Me: No, it wasn't, but I know someone who has the knack for burying assholes under tons of Earth.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a green short-sleeved frilly shirt, necklace with pearls and green gem for the pendant, green skirt, white bridal gloves, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Grace Knudson.

Me: I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Sumner, and Patti: Grace?!

Grace Knudson: Yep, Grace Knudson, God Sibling of Earth reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well.

And I unholstered my massive J.D. Knudson's Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel Greatsword of Universal True Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice from my back and transformed into Super Angel-Ebonwu-January Wolf Moon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental

Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel of Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Justice and Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Hope, and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve breaking out of the boarding school, Tina, but you really crossed the point of no return now.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yeah, you've already pissed us off after Sheila told us, but we're not going to kill you, instead you're heading straight for prison where you'll be forced to take only cold showers and eat nothing but chum until the day you die.

Lincoln, Sheila, Eric Loud, and I went after Tina Tiberius Turner, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Tina Tiberius Turner, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Sheila, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Tina Tiberius Turner even more insane and straight to the brink of insanity.

Tina Tiberius Turner: YOU! YOU! (ENRANGED SCREAM)

Tina Tiberius Turner charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at him and she got hit hard and he slashed at her with his massive black greatsword, and Eric Loud blasted her with red and blue energy blasts. Then, Lincoln grabbed her by the waist with one of his eleven massive and long white wolf tails and he smashed her into the ground, and she was really getting messed up, and then, he threw her and sent her into a nearby tree.

Tina Tiberius Turner: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU BITCH! I'LL KILL YOU!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut it already.

Lincoln went at Tina Tiberius Turner and he proceeded to give that rampaging animal the beatdown of her miserable life. LINCOLN SLASHED KRYSTAL NOVVINGTON ON THE STOMACH WITH HIS GOLD-PLATED CLAWS, HE SLASHED OFF HER HAIR WITH HIS MASSIVE GREATSWORD, HE ALSO BROKE HER ARMS AND LEGS EVERY LAST BONE IN HER BODY, SMASHED HER TEETH OUT OF HER MOUTH, AND ALSO GAVE HER TWO BLACK EYES ALONG WITH A BROKEN BLOODY NOSE!

Me: OH DAMN! NICE ONE, LINCOLN, AND FUCK YOU, BITCH!

Nico: YEAH, GO TO HELL, YOU RAMPAGING SHE-BEAST!

That made Tina Tiberius Turner so mad, she eventually lost all traces of reason and started acting like the rampaging she-beast she really is. She went at us, but we kicked her hard into the air and Lincoln and Grace Knudson fired blasts of rock and earth and Tina Tiberius Turner was hit hard by the rocks and earth, when she came crashing down, she was literally a mess and she had her bones broken all over the place.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Looks like it's time we took care of this piece of trash for good.

Lincoln fired a massive ball of lightning which hit Tina Tiberius Turner and she got electrocuted badly and he tied her up in a rainbow straitjacket and beamed her to The Xaikora Prison. Everyone cheered as we holstered our weapons and powered down and Sheila's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large green orbs orbiting around her legs, and massive green angel wings are permanent.

Lincoln: Good riddance forever, you lowlife, I hope you burn forever in Hell. (To Grace Knudson) And it's so good to see you again, Grace.

Grace Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, Helena, Sophia, Emily, Abigail, Avery, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Grace Knudson and he hugged her, and Grace Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Grace Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Grace Knudson, God Sibling of Earth, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful earth powers and control over the forces of earth and nature. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Emily, Abigail, Avery, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Marlene, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Earth, but also Fire, Water, Ice, Wind, Lightning, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us, and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT! YOU'RE GOING TO SUFFER THE FURY OF EARTH AND MOTHER NATURE!

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to get buried under tons of earth.

Lincoln: Yeah, no one wants to get electrocuted by her, and now that you're here, Grace.

Lincoln went up to and hugged Grace Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Grace Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Grace Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Grace Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Grace Knudson.

Grace Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: Nice job Sheila!

Sheila: Thanks Nico!

Leni got up.

Leni: (GROANS) What hit me?

Lincoln: Tina bashed you on your head and knocked you out.

Leni: Aw man!

Nico: Thanks for helping us, Moltres.

Moltres: It was really fun.

Me: It sure was. Now Tina is in the Xaikora prison for eternity.

Grace Knudson: She sure is.

Varie: Good riddance.

Poromon: I guess you're now a mascot.

Moltres: I sure am. And I don't really like beer that much. I like soda.

Poliwag did the puppy eyes.

Moltres: Poliwag I'm not going to fall for that.

Nico: Not even a legendary Pokemon like Moltres can fall for that trick.

Poliwag: Aw man. Worth a try.

Fluttershy: But if the mascots want to have a cute-off you got one.

Nico: A cute-off? That would be cool to see.

Poromon: If you don't want beer, that's fine. Right now, I have more shopping to do.

Me: Okay. Have fun.

Poromon: Thanks.

The mascots all went with him.

Me: So awesome.

Moltres: Poromon and his little pals are awesome.

Nico: Yep.

Sheila: They sure are.

Varie: Yeah. That's our mascots.

Me: Yep. Now for the mascots.

I felt an ominous tingle down my back.

Me: Uh oh.

Maria: Anyone else getting a bad feeling?

May: It's Poromon. We're ALL getting a bad feeling.

Me: Oh boy. Thank goodness Poromon isn't as bad as Dishwater Slog is.

Nico: Yeah no kidding! That guy is a lazy and stupid bum.

Me: Yeah he is always belittling others because he is so despicably mediocre.

Nico: I'm talking about the fact that Poromon might be up to something crazy and wacky.

Me: Nico he and the mascots are ALWAYS up to something crazy and wacky.

Nico: True. Anyway lets get the Anothers.

Luna Spencer: We're ready for this.

Qin: Yeah.

Me: Now we have a more localized version of that scary power Thanos had. By the way girls is the Another Grundy friendly or hostile?

Sina Solomon: Friendly and she is awesome.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated.

Me: Action time!

We fired waves of energy and the blasted the Anothers and we caught the Wonder Ride Books.

Nico: Awesome!

Qin: That was awesome though.

I went over to where the thief was and picked up the bag.

Me: Well we'll never know who that thief was. He's gone for good.

I went and returned the jewels he took.

Nico: Wendy where did you send that guy?

Wendy Storious: He's gone forever. Erased from existence like he was never born.

Me: Wow!

Laney: Just like in the movie.

Qin: Yeah.

Nico: Just like what Bowser did to Thanos.

Qin: Yeah. Except only on one person.

Nico: That is good.

Me: That battle will be forever remembered in our history. It will go down as the most devastating battle ever.

Laney: Yeah.

Nico: And one of the greatest.

Me: Yeah.

Wendy Storious: That is for sure. Boy I remember reading all about that. That was brutal.

Laney: Yeah it was.

Qin: Yeah.

Serena Slash: Yeah. That was amazing.

Lola: It was.

Qin: Yeah. First ever major battle that we had.

Grundy: Grundy remember that.

Nico: We'll never forget that day.

Faye Falchion: When did that happen again?

Me: December 26th, 2019.

Faye Falchion: That's right. I always forget that.

Me: Yeah. It was an epic yet devastating battle.

Ra's Al Ghul: Me and Bowser both lost our lives back then.

Me: Yeah. Anyway we'll talk more about that later. Right now we got Another Grundy to face.

Nico: Right!

Qin: Sorry Wendy but that power you have made us think on that.

Wendy Storious: Oh no worries.

Me: Good.

We got to waiting.

Moltres nuzzled Sheila.

Sheila: That was an awesome day here at the mall.

Moltres: It sure was.

Eric Loud: You okay cousin?

Leni was crying.

Leni: (CRYING) I WAS BADLY HURT BY TINA!

Ed was comforting her.

Ed: There there Leni. There there.

Nico: It's not your fault Leni. She got the drop on you.

Leni: It still hurts though! (CRYING)

Ed: It'll be okay Leni.

Nico: I know it hurts Leni. It will be fine. But you were avenged.

Ed: Yeah Leni. You were avenged by me.

Leni: (Sniffles) Thanks guys.

Qin: You're welcome Leni.

Sebastian Mendez: Besides it will take more than a snobby queen bee bitch like Tina to take you guys down.

Laney: That is for sure Sebastian.

Nico: And you were also avenged by your sister in law who has a form you used to be afraid of.

Me: Yeah.

Faye Falchion: Oh right Leni used to be terrified of spiders.

Me: Yep.

Leni: Hey that is true.

Cora Calibur: Just like how Goku is scared of needles?

Me: Exactly. Now Master Goku is not afraid of needles anymore.

Goku: (LAUGHS) It's true girls. I got over that fear thanks to some help.

Nico: You sure did Kakarot.

Me: But I think we found out another fear that Vegeta is terrified of.

Vegeta: And what pray tell is that?

Me: Worms. You found that out when you were inside Majin Buu's stomach.

Goku: (LAUGHS) That is true.

Krillin: (LAUGHS) Vegeta scared of worms!?

Yamcha: How funny!

They laughed and we laughed along with them.

Vegeta: (GROWLS) STOP LAUGHING OR I WILL BLAST YOU ALL!

I fired an energy beam and it his leg.

Me: Oh sorry. Slipped. Also need I remind you that it was me that killed you in one fell swoop when me and Nico destroyed Cell in the simulator.

But then we smelled a really foul odor.

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT ODOR!?

Nico: OH MAN! ED!?

Ed: Wasn't me!

Nico: I think it was from him!

We saw ANOTHER GRUNDY!

Grundy: Grundy handsome as Another Grundy.

Me: Yeah you are!

Another Grundy: (In a girls voice) No offense but this form smells like rotten corpses.

Me: That voice!

She reverted back and was a girl with blue hair and blue eyes and had blue tattered clothes and she smelled HORRIBLE! And she had blue angel wings and a tiara with the symbol of the Walrus Dopant on it.

Me: (GASP) Wanda Walrus!

Wanda Walrus: Hey J.D.

Nico: Oh man is she a homeless girl?

Me: Yeah she is. She was born in a rich home and hated it and she ran away and lives on the streets.

Varie: Oh you poor girl!

Me: Wanda is the Embodiment of the Walrus Dopant and she has the power to summon walruses and loves fish. Also she smells horrible like Grundy. No offense.

Grundy: None taken. Grundy walking corpse and Grundy smells bad.

Nico: Yeah that's true.

Varie: After we get done here we'll give her a bath, new clothes and some food. She must be starving.

Wanda Walrus: I hadn't eaten anything for 5 days.

Me: Oh man you must be REALLY hungry.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz,

Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Nico: If I were to guess it's to give you a new place to live.

Wanda Walrus: That's right and a life away from my rich life. I hated all the rules and everything in high society.

James: I feel exactly the same pain you do.

Wanda Walrus: Really?

Me: Yeah James was born in a REALLY HIGH Class lifestyle and he came from a rich family himself. He hated it too.

Wanda Walrus: Wow. I didn't know.

James: It's okay.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

He fired a wave of energy and did so.

We brought her over.

We fired energy blasts and blasted Another Grundy over.

Me: You don't have the energy to fight him like this. So we'll take it from here.

Wanda Walrus: Thank you.

Nico: (Gets out Grundy's Ridewatch) I don't even think you were born on a Monday!

May: (Gets out Alien Guts Ridewatch) Or Christened on Tuesday!

Maria: (Gets out Repteel's Ridewatch) Or Married on Wednesday!

Candy: (Gets out Greg's Ridewatch) Or Took Ill on Thursday!

Me: Or Grew worse on Friday, Died on Saturday and Buried on Sunday!

We fired waves of energy and they activated the ridewatches of Grundy, Greg, Alien Guts, Evil Silver Banshee, Repteel and Midaredouji and fired waves of energy and elements and blasted Another Grundy!

Qin: YEAH!

Camie: That was unusual.

Me: Oh it's a Nursery Rhyme. It's Solomon Grundy's Nursery Rhyme. Solomon Grundy, Born on a Monday, Christened on Tuesday, Married on Wednesday, Took ill on Thursday, Grew worse on Friday, Died on Saturday, Buried on Sunday.

Camie: Oh I get it!

Me: Yeah. Solomon Grundy's real name is Cyrus Gold. He was a merchant from back in the 1800's and he was murdered and dumped in Slaughter Swamp. He came back from the dead as Solomon Grundy who you now see before you.

Camie: WHOA! That is amazing.

Lola: Yeah we were shocked ourselves.

Laney: Yeah.

Then David Cain, Lego Poison Ivy, Dr. Sun, Incentas, Tactimon and the Wu Sisters came.

Nico: Nice team David!

David Cain: Thanks Nico.

But then…

KRABLAM!

Another Grundy got hit in the face with a baseball and it knocked him down and I caught the ridewatch and purified it.

Me: WHOA!

Lynn: STEERIKE THREE! YOU'RE OUT!

Me: YEAH! Nice one Lynn.

Lynn: That wasn't me!

Rainbow Dash: Really?

Lynn: I wish it was though.

?: Sorry about that.

Strike Man came.

Me: Strike Man! Wow!

Strike Man: (In a girls voice) That was a great pitch though.

Nico: Sidney Strike!? WHOA!

Lynn: Wait you mean THE Sidney Strike!? The great woman Baseball Star!? OH WOW!

She reverted back and was a girl with brown hair and blue eyes and had red sports clothes on and she and red angel wings and she had a baseball in the middle of her forehead.

Sidney Strike: I'm glad I have an awesome fan Lynn.

Nico: Awesome to see you Sidney.

Sidney Strike: Same here Nico.

Lynn: I'm a huge fan of you Sidney.

Sidney Strike: I'm truly honored Lynn.

May: And I didn't get hit!

Me: You do not want to get hit with a baseball May.

May: Oh. Yeah.

Me: Do you have a favorite memory of Nico?

Candy: I wanted to ask it but it would be too weird.

Sidney Strike: Point taken. My favorite is when I was at a baseball game and I hit a ball over 1,500 feet out of the park. I clobbered a thief as he was running.

Me: Whoa! What a hit!

Qin: Yeah that was awesome!

Lana: Amazing!

Nico: Yep.

Nico and Sidney hugged.

Nico: I've missed you.

Sidney Strike: Same here.

Me: Lets go home and get Wanda here cleaned up.

Nico: Good idea.

We went home and put our bags in our rooms and got Wanda cleaned up.

Lincoln: Whoa, we're here in Persia, and I know what we're going to do here, not only am I going to rescue the twenty-two girls here, but we're also going to destroy our old enemy, the dark sorcerer, Anubis, who's returned from the dead in search of vengeance.

We gasped.

Me: Oh man, that dark sorcerer's come back?!

Nico: That's not good, we got to stop him.

Lightspeed: And destroy him for good, I hope Lincoln sucks out all his powers and life force.

Lincoln: Believe me, I'm doing just that to that dark sorcerer.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the twenty-two girls.

Lincoln: (GASPS) Delilah Midnight of The Midnight Society.

Delilah Midnight: That's right, and I got the girls away from that dark sorcerer before he could attack them and drain them of their life energy.

?: YOU WILL ALL DIE FOR WHAT YOU DID IN DESTROYING ME, TEAM LOUD PHOENIX STORM!

We then saw our old enemy, the dark sorcerer, Anubis, and he hadn't forgotten about us in the slightest.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into large black wolf heads with red eyes, and he sent them right at Anubis, and as they bit down on him, they began sucking out all of his powers and life energy as we saw blue energy visibly flowing out of Anubis and into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger and he assimilated all of Anubis' powers.

Suddenly, we saw Anubis suddenly wither and he turned to dust and the wolf heads change back and Lincoln sent his spirit to The Black Gates forever. We cheered as we holster our weapons and powered down.

Lincoln: That's the last time we ever have to deal with you, you vengeful dark sorcerer. (To Delilah Midnight) And it's so good to see you again, Delilah Midnight.

Delilah Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Delilah.

Lincoln went up to Delilah Midnight and he hugged her, and Delilah Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Delilah Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Delilah Midnight, she's my Guardian Angel from Michigan and the second younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with me at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Hawk and Hank with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, those two buttrags showed up and tried to attack, but Delilah used her dark powers and made Hawk and Hank's nightmares come to life, and they got so scared, they ran away and went back to prison and holed themselves back in their cells and they refused to come out for the rest of the night.

Nico: Serves them right!

Me: Yeah, I remembered that night all too well, and Delilah really did awesome in scaring those buttfaces senseless.

Lincoln: They made a huge mistake coming after us again, and now that you're here, Delilah.

Lincoln went up to and hugged Delilah Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Delilah Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Delilah Midnight's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Delilah Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Delilah Midnight.

Delilah Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the twenty-two girls, and when Lincoln saw them, he immediately recognized them. The twenty-two girls are Nao Kusuda, Reika Segawa, Tamaki Shinohara, and Rune Umesawa from Kyonyuu Dosukebe Gakuen ~Shoujo-tachi no Tomaranai Koshi Tsukai~ and Akane Ryuuzouji, Akira Toudou, Chifuyu Rehn Kuroda, Chloe Mansfield, Elisa Tachibana, Karen Kamiya, Mahiru Mizuhara, Maria Kuroda, Asuka Hearthlove, Fuyuki Healheart, Chika Techheart, Mira Suou, Natsu Ichijou, Neneko Isurugi, Rea Katagiri, Rena Kitayama, Shunka Hiiragi, and Yuzuki Hanyuu from World's End Harem.

Lincoln: Oh wow, it's Nao Kusuda, Reika Segawa, Tamaki Shinohara, and Rune Umesawa from Kyonyuu Dosukebe Gakuen ~Shoujo-tachi no Tomaranai Koshi Tsukai~ and Akane Ryuuzouji, Akira Toudou, Chifuyu Rehn Kuroda, Chloe Mansfield, Elisa Tachibana, Karen Kamiya, Mahiru Mizuhara, Maria Kuroda, Asuka Hearthlove, Fuyuki Healheart, Chika Techheart, Mira Suou, Natsu Ichijou, Neneko Isurugi, Rea Katagiri, Rena Kitayama, Shunka Hiiragi, and Yuzuki Hanyuu from World's End Harem.

Lincoln: Are you girls okay?

Nao Kusuda: Yes, we're okay, thanks to you.

Then, when Nao Kusuda and the other twenty-one girls saw who it was that saved them from Anubis the Dark Sorcerer, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a

Nao Kusuda: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twenty-one clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Nao Kusuda: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty-two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nao Kusuda, Reika Segawa, Tamaki Shinohara, Rune Umesawa, Akane Ryuuzouji, Akira Toudou, Chifuyu Rehn Kuroda, Chloe Mansfield, Elisa Tachibana, Karen Kamiya, Mahiru Mizuhara, Maria Kuroda, Asuka Hearthlove, Fuyuki Healheart, Chika Techheart, Mira Suou, Natsu Ichijou, Neneko Isurugi, Rea Katagiri, Rena Kitayama, Shunka Hiiragi, and Yuzuki Hanyuu We returned to The World Tree Estate and told everyone what happened, and they were shocked to find out the villain we went after was our old enemy, the dark sorcerer, Anubis, who's returned from the dead in search of vengeance.

But, when Lincoln showed what we did in beating down that dark sorcerer and Lincoln using his tails and sucked out all of his powers and lifeforce that turned him to dust and sent him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Delilah Midnight have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I can't believe that dark sorcerer, Anubis, came back from the dead!

Lincoln: We were shocked as well, but not surprised though. We've dealt with old enemies coming back from the dead before.

Me: True, you're right on that.

Nico: And this was one old enemy who deserved to get The Black Gates for everything he's done over 5000 years ago.

Eli: That's for sure.

---

After finally getting rid of the dark sorcerer, Anubis, once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Delilah Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Delilah Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Delilah, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Delilah Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Delilah Midnight: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was clones of Vrak, Admiral Malkor, Creepox, Bigs, Bluefur, Metal Alice, Prince Vekar, The Messenger, Damaras, Argus, Levira, Emperor Mavro, Redker, Professor Cog, Scaraba, Yuffo, Virox, Dragonflay, Beezara, Dizchord, Hisser, Psychotick, Shadow Serpent, Distractor, Mummy, Kesaran, Gremlin, Skyfish, Nojoke, Dream Snatcher, Glytcher, Rotox, Rotox DX, Rico the Robot, Water Rotox Army, Headridge, Tentacus, Cybax, Skatana, General Peluso, Matacore, Pacha Chamak, Gorgax, Osogain, Skeltox, Sirjinkor, Invidious, Desolar, Turtlelini, Tranceferer, Tresnag, Drill Horn, and Yellzor.

Troy Burrows: What the? Clones of our old enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Emma Goodall: What a sore loser, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of Vrak, Admiral Malkor, Creepox, Bigs, Bluefur, Metal Alice, Prince Vekar, The Messenger, Damaras, Argus, Levira, Emperor Mavro, Redker, Professor Cog, Scaraba, Yuffo, Virox, Dragonflay, Beezara, Dizchord, Hisser, Psychotick, Shadow Serpent, Distractor, Mummy, Kesaran, Gremlin, Skyfish, Nojoke, Dream Snatcher, Glytcher, Rotox, Rotox DX, Rico the Robot, Water Rotox Army, Headridge, Tentacus, Cybax, Skatana, General Peluso, Matacore, Pacha Chamak, Gorgax, Osogain, Skeltox, Sirjinkor, Invidious, Desolar, Turtlelini, Tranceferer, Tresnag, Drill Horn, and Yellzor and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Vrak, Admiral Malkor, Creepox, Bigs, Bluefur, Metal Alice, Prince Vekar, The Messenger, Damaras, Argus, Levira, Emperor Mavro, Redker, Professor Cog, Scaraba, Yuffo, Virox, Dragonflay, Beezara, Dizchord, Hisser, Psychotick, Shadow Serpent, Distractor, Mummy, Kesaran, Gremlin, Skyfish, Nojoke, Dream Snatcher, Glytcher, Rotox, Rotox DX, Rico the Robot, Water Rotox Army, Headridge, Tentacus, Cybax, Skatana, General Peluso, Matacore, Pacha Chamak, Gorgax, Osogain, Skeltox, Sirjinkor, Invidious, Desolar, Turtlelini, Tranceferer, Tresnag, Drill Horn, and Yellzor and he began absorbing them into him as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: I can't believe that sore loser created clones of your old enemies, Troy, yeesh.

Me: Yeah, he really is a sore loser.

Lincoln: You said it. But, let him keep sending more clones of the Power Rangers' enemies, he knows I'll absorb them and I'll destroy him. But, of course, I know this isn't the end of those remnants of that lunatic.

Nico: Yeah, he's never going to quit until we're destroyed, he's even worse than that fucked-up dark asshole, Damian Alaister and The Church of Necrom.

We got a shower afterwards, and then, Lincoln, Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose are heading to Bubblaine.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Baccarat: Wow, so, this is Bubblaine it sure is beautiful.

Lincoln: It sure is, Baccarat, and it's perfect for our first date. Shall we?

Lincoln, Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to

Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose and they hugged the girls in their abnormally massive and powerful muscular arms, and Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose are in your harem, Linky.

Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Baccarat, Kalifa, Lily Enstomach, Nojiko, Carina, Headless Headmistress Bloodgood, Simulator Wendy Corduroy, and Habuko Mongoose, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Fleet Glide Galaxy.

Me: Ooh that is a good one.

SpongeBob: Me and Ariel will go.

Eli: I'll go too.

Lily: Me too.

Nico: All right then. And Eli and Ariel going is understandable because of your sibling bond.

Eli: All right!

They went into the simulator and it activated and they were at FLEET GLIDE GALAXY!

Eli: Wow! This is amazing!

Nico: Any tips Nicole?

Nicole: (On the radio) Well just like in the previous galaxy that had this, you have to glide all the way to the end to get the star.

Nico: Easy.

Nicole: But there are flying Koopas in your way.

Nico: Bring em on!

?: And we'll gladly help!

2 figures came. 1 was a girl with yellow hair and yellow eyes and had yellow clothes and had yellow angel wings and she had a tiara with the symbol of the Mayakashi monsters on it and the same symbol on her skirt and she had a yellow sword. The 2nd girl had orange hair and blue eyes and had orange clothes and orange angel

wings and she had a tiara with the symbol of Top Man on it.

Miyuki Mayakashi: Miyuki Mayakashi, Embodiment of the Mayakashi monsters.

Tanya Top: Tanya Top, Embodiment of Top Man.

SpongeBob: (LAUGHS) Tanya!

Ariel: Awesome to see you.

Tanya Top: SpongeBob and Ariel. Its been a while.

Nico: Lets fly!

They flew down.

NUMEROUS FLYING KOOPAS CAME!

Nico: Looks like we got company!

Miyuki Mayakashi: Bring on!

Miyuki and Tanya fired waves of energy and blasted the Koopas.

Nico: (Gets out Grundy and Bizarro's Ridewatches) Nico smash!

Nico activated them and grew more muscular and bashed the Flying Koopas.

SpongeBob and Ariel fired waves of water and drenched the Koopas.

Then they saw the star and went for it.

Nico: There it is!

They got it!

YOU GOT A STAR!

Nico: YEAH! That was cool!

Tanya Top: Yeah it was!

They high five.

Nico: How did you meet SpongeBob and Ariel?

Tanya Top: I met SpongeBob when I was having lunch at the Krusty Krab. I helped him and Lily stop Plankton from stealing the Krabby Patty secret formula with a robot lookalike of Mr. Krabs.

Lily: That was the Imitation Krabs fiasco as I call it.

SpongeBob: That was awesome.

Tanya Top: And I met Ariel when she, Flounder and Sebastian were out trying to find that sorcerer fish that cursed Ariel with that Laughing Sea Quake spell.

Eli: That fish is going to get a nasty pounding from me when I see him!

Nico: Yeah! But that is cool!

Miyuki Mayakashi: It sure is.

Nico: Would you two like to join the team?

Miyuki Mayakashi: We would be honored.

They left and we cheered wildly for them.

---

Later we were watching TV.

Then We just saw Poromon on the monitor of some weird thing.

Medusa: What is this?

Poromon: Hello, everybody!

Lynn: Hello, whatever the fuck you are!

Me: Wait is this an artificial intelligence system?

Poromon: That's right.

We saw Poromon with us on the sofa.

Poromon: What do you guys think?

Qin: This is amazing!

Poromon: This is my POROMON AVATAR SYSTEM!

Poromon then flew into Nico room.

Crystal: Poromon, why did you invent this?

Poromon: For this to take my place on missions until I become immortal and invincible like you guys.

Me: It's really cool! So this is why you needed all that technological stuff?

Poromon: Yep.

Cyborg: Boy this reminds me of what I did to make the tower better than ever. And it ended up sending me 5,000 years into the past.

Me: Did that happen because of that Cyborg?

Cyborg: Crazy huh. But it sure did happen.

Lori: This is ridiculous. I'm coming to talk to you.

Poromon: (on the monitor) You don't know where I am. My physical body is safely ensconced in a secure, undisclosed location.

Lori: You're in Nico's bedroom.

Poromon: No, I'm not.

Lori: I literally can hear your voice coming from Nico's bedroom.

Poromon: (on the monitor) No, you can't. (Lori goes to my room)

Wait. Come back. Halt. Authorized personnel only! (the robot goes after her)

Lori went into Nico's room where Poromon was

Lori: Poromon, this is ridiculous.

Poromon: (on the monitor) I'm behind you. Please look at me when you're talking to me.

Lori: I am literally looking at you.

Poromon: (on the monitor) No, you're not. Pay no attention to that Digimon in the bed.

Lori: You can't exist as a virtual presence. Not here and certainly not on missions.

Poromon: (on the monitor): At my age, do you know how I'm statistically most likely to die?

Lori: At the hands of your teammate?

Poromon: (on the monitor) An accident.

Lori: That's how I'm literally going to make it look.

I went in.

Me: Lori! Stop.

I grabbed Poromon.

Poromon: Hey! How are you doing that?

Me: Poromon lighten up. You are actually speaking to us from here through those monitors. But that is a really awesome technological system.

Cutthroat: Poromon, you can still use this. But you still should go to places with us.

Nico: Besides you are strong and powerful enough already for that.

Qin: Yeah. After all who is the most awesome beer drinking mascot we know?

Poromon: Me.

Me: And who smashes beer bottles on bad guys heads and blasts them with MegaSeadramon's Lightning Javelin?

Poromon: Me.

Me: And who has the most awesome girlfriend that is Manaphy?

Poromon: Me.

Lola: Besides, you can use your powers. This robot can't.

Tracks: And it's a bit slow, don't you think.

Poromon: Oh you're right. Sorry guys.

Lynn: Besides Poromon you don't want to do what I did like how I used the Mask of the Beast on myself to make myself good.

Poromon: That was different. But yeah you're right.

Dreamcatcher: Nico, who's going to shine today?

Nico: Sonic, TJ Johnson, Turbo, Maggie Peyton, Ratchet and Clank, and Church,

Me: Awesome!

Sonic: Awesome is right! We'll make this fun and fast!

Me: For the Freedom Fighters everywhere.

Sunset Shimmer: You got that right!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO versions of

Maximus and Supreme Intelligence, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the LEGO versions of Maximus and Supreme Intelligence, and they're causing havoc.

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: They're in the levels Inhuman Nature and Hala, is it Kree You're Looking For.

Me: Sounds like it.

Nico: Okay, then, let's head down there and take care of the LEGO versions of Maximus and Supreme Intelligence.

Lincoln: This is going to be so awesome.

Me: It sure is! Looks like we're going up to the Inhuman City of Attilan next.

Nico: Yep.

Poromon pressed a button as the robot went to a safe place.

Me: Storage room right?

Poromon: Yep.

Qin: Oh.

The previous group came.

10,000 Volt Ghost: Can me, Pterodactyl Ghost, Amora the

Enchantress, Ben Ravencroft, Goro, Crimson Dynamo, Turtle, Skalamander, Spot and Dr. Polaris go with you guys?

Nico: Yes you all can go with us.

Qin: We're going to the floating city of Attilan naext.

Medusa: My old home.

Camie: This will be cool.

Thunder: Nico, which gene-slammer do you think you'll meet next?

Nico: Chill Man next.

Me: Ooh cold.

Qin: Nice.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Gaara, the last of the Universe 666 Jinchuriki who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Gaara, the last of the Universe 666 Jinchuriki who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

Me: So, now we're back on destroying the other Universe 666 Jinchuriki.

Nico: Looks like it.

Universe 666 Eli: I no longer associate with them, they're dishonorable bastards.

Siri Shukaku: Which means, I'm up.

Lincoln: Yep, and always, we're taking the fight to Glaren.

Gaara: They may not be as strong as us, but they're still as tough.

Nico: And it was all the fault of that lunatic, that guy is such a Class S psychopath. Alright, gang, let's go, we're off to Chronopolis and we're taking down the LEGO versions of Maximus and Supreme Intelligence.

Lincoln: LEGO versions of Maximus and Supreme Intelligence, you better be ready, we're coming for you, and once we get done with them, you're next, Universe 666 Gaara.

Siri Shukaku: I can't believe he set this whole contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy the last of the Universe 666 Jinchuriki. I already know of how strong Gaara and Shukaku are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the LEGO versions of Maximus and Supreme Intelligence, and once we got done with him, Siri Shukaku and Lincoln are going to destroy Universe 666 Gaara, the last of the Universe 666 Jinchuriki brought back by the contingency plan of Universe 666 Sebastian.

We were off to Chronopolis.

We arrived at the city of Attilan floating in the sky and We saw the Lego versions of Black Bolt, Medusa, Triton, Crystal, Lockjaw, Rocket Raccoon, Star Lord, and Groot.

Me: Whoa! This is incredible!

Crystal: Wow! Home.

Medusa: It's amazing here.

Nico: Ye

We landed.

Lego Medusa: Wow you all made it.

Lego Crystal: Yeah you sure did.

Rocket Raccoon: It sure is gonna be fun.

Deadpool: Also please don't ask Black Bolt to speak. He has a good reason for it.

Me: Noted.

Qin: Okay.

Lola: But this will still be fun

Nico: I think you know who we're after.

Lego Medusa: Yeah Maximus.

Me: And the Supreme Intelligence.

Qin: Yep.

Lego Medusa: Good you can smash his face in. He is so egotistical and vain.

Me: I remember that. What a jerk.

Pterodactyl Ghost: I'll go fly and look for him.

Sonic: I'll help you there.

ZOOM!

TJ Johnson: Might as well get my game face on. Shift Into Turbo!

He transformed and was ready!

Me: Oh yeah!

They went to find him.

They came back.

Nico: Sonic, have you and Pterodactyl Ghost found him yet?

Sonic: Yes we have. He's behind that door.

We saw the door.

Me: That was fast.

Nico: Yeah.

Lola: Nice.

Nico: Lets blow this open!

Me: Gladly!

Nico: Mini-entrance time.

I fired a massive blast of energy and it hit the door.

Maximus was looking at himself in a mirror. Then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion that blasted the door down!

Then a Phoenix Cry was heard and we came and were ready!

Lego Maximus: What!? Who are all of you!?

Me: Your worst nightmare!

Groot: I am Groot!

Lego Maximus: Wait Team Loud Phoenix Storm!?

Qin: That's right!

I teleported and punched him square in the face and knocked his teeth out!

Lego Maximus: (SCREAMS) MY FACE! MY BEAUTIFUL FACE!

Starlight Glimmer: Let's do this!

Sonic curled up into a ball and Spiderman shot a web at him before throwing him at Maximus.

Sonic smashed Maximus into the wall and Starlight Glimmer bashed him all over with skulls.

Thorax turned into Medusa and used his hair and grabbed Lego Maximus and smashed him into the floor.

I fired waves of fire and blasted him all over.

Goro: Time to test your might!

TJ: Against ours!

Nico: YEAH!

I fired a wave of energy and blasted Maximus!

Laney and Lola and Lily fired waves of energy and blasted him.

Me: Had enough?

Lego Maximus growled!

Cynder: My turn!

She fired a blast of lightning and electrocuted him all over!

Lincoln, Linka, Elec Man and Fuse Man fired waves of lightning and electrocuted him all over.

Nico: Take this! DRAGON THUNDERCLAP!

He fired a blast of lightning and electrocuted him more!

Turtle: You're up Turbo!

Turbo: Right!

ZOOM!

He zoomed and bashed Maximus all over.

Laney: YEAH!

Me: Had enough?

Lego Maximus: This isn't over!

He teleported away.

Nico: That's it. Run. We know where you're headed.

Qin: He'll lead us right to the Supreme Intelligence.

Nico: He may be vain but he is not very smart.

Maria: I think he might be headed to the Kree Temple.

Me: Perfect.

Qin: Yep.

Captain Marvel: This is gonna be good.

Me: I also remember in the game that the Supreme Intelligence used his psychic power and controlled Lego Star Lord and turned him against us. Luckily I came prepared for that.

I used my magic and put an anti-mind control headband around him and all of us.

Lego Medusa: With Maximus on his side, controlling young Quill might not be necessary for him now.

Me: It was just a precaution. I wanted to make sure I was one step ahead of the intelligence.

Lola: Good thinking.

Qin: Yeah.

Me: Thanks.

Nadira: Weren't we just at that temple yesterday?

Me: Yes we were.

Lola: Yeah.

Nico: Yeah we sure were.

Camie: This will be interesting.

Me: It sure will be.

Eli: And I sense a powerful psychic energy there.

Spot: We might as well get a move on.

Maggie Peyton: Took the words out of my mouth.

Spot: Here we go.

He opened his portal and we went through it and got to the Kree temple.

Nico: We're here.

Jessie (Pokemon): Here we are!

Me: Wow.

Nico: Yep.

Eli: The psychic energy is coming from here.

Dr. Polaris: It's not the only one!

Kree Soldiers ran at us.

Ratchet: (Ratchet and Clank) These guys make nefarious look good!

I fired a wave of energy and blasted the soldiers apart.

Me: But we've handled worse than this.

Camie: Yep.

Sunny Tennyson: I'm sensing a lot of Psychic Energy too.

Eli: Same here.

We saw where the soldiers were coming from and it was from a hidden staircase that went under the stadium.

Me: That must be it.

Nico: Lets go.

Skalamander: You know it's a trap, right?

Church: We know. And we don't care either.

Nico: Lets go then.

We went into the temple and stayed alert.

We then saw a huge door up ahead.

Me: That's it. That's the door that leads to the Supreme Intelligence.

Scrapper: He's waiting in there for us.

Me: Yep.

Eli: I sense him in there. And Maximus too.

Me: He's waiting for us to slip up to get in there. Then trap us.

Camie: Just what I was thinking.

Crimson Dynamo: (Russian Accent) Entrance Time?

Nico: Entrance time.

We went at the door.

Lego Maximus: Team Loud Phoenix Storm did this to me! Look at me!

Lego Supreme Intelligence: Get ahold of yourself fool!

Then the spirits of the world came and they swirled around them and converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

A massive fiery explosion blasted through the door and fiery pieces of shrapnel rained down and blasted the Kree soldiers all over and then a phoenix cry was heard and we came out.

Me: Nowhere to run and nowhere to hide Maximus.

Nico: And Supreme Intelligence.

We saw that it looked like the computer from I Robot but with a huge disembodied head in it.

Me: Wow! I was expecting the Supreme Intelligence to be a giant disembodied brain.

Discord: Does it really matter?

Me: Not really.

Lego Supreme Intelligence: Oh just because I'm a floating disembodied head means that I'm a huge brain. But you are going to pay for hurting Maximus.

Me: Oh boo hoo. Let me play a sad song for you on the worlds smallest violin.

I rubbed my fingers together and played a song.

Lego Supreme Intelligence: I don't see anything.

Me: I know. This really is the worlds smallest violin. See?

I showed that I had the smallest ever violin in my fingers.

Lego Supreme Intelligence: Wow.

Ben Ravencroft: And now, here's the world's biggest sea bear!

He used his magic and made a HUGE SEA BEAR!

I dressed up Lego Maximus in all the things that SEA BEARS HATE!

The Sea Bear growled ferociously!

Lego Maximus: Uh oh.

It ROARED AND MAULED LEGO MAXIMUS BRUTALLY!

The Supreme Intelligence mind controlled the Sea Bear

Armada Cyclonis: Well, fuck.

It roared and charged at Poromon.

SpongeBob then gave the Sea Bear a tummy tickle.

SpongeBob: Sea Bears love a good tummy tickle.

He was laughing and smiling.

Nico: How about this then!

He summoned a SEA RHINOCEROS and it changed and smashed the Supreme Intelligence.

I used my magic and made us all Anti-Mind Controlled Protected.

Amora: Someone use some elemental manipulation!

Me: Gladly!

I fired a wave of earth, wind, water and fire and blasted Maximus and the Supreme Intelligence all over with them.

Nico: YEAH!

Sonic: Now I'll show you!

He used the power of the Chaos Emeralds and went Super Sonic and ran fast and bashed the Supreme Intelligence with incredible force and speed and bashed him with intense power!

Nico: OH YEAH!

Nicole: Take that!

TJ and Turbo charged and bashed Lego Maximus all over.

TJ and Maggie Peyton charged at him and rammed Lego Maximus down and kicked the Supreme Intelligence and bashed them down.

Qin: Take that!

Camie: Yeah!

Lego Maximus was knocked out. But the Supreme Intelligence mind controlled him so he would keep fighting us.

Me: Oh so that's how you want it to go down huh?

We went at him and I kicked and punched him all over and blasted him.

I punched Maximus and Nico kicked him.

Poromon got drunk and smashed beer bottles on Maximus' head and fired a lightning blast and electrocuted him.

Then Brain Freezer, Man Boy, Diabolico, Zexion, Riddler, Toiletnator, Chalmers, Iron Lung, Harry Potter and Pete came.

Nico: Brain Freezer, Man Boy, Diabolico, Zexion, Riddler, Toiletnator, Chalmers, Iron Lung, Harry Potter and Pete.

Aylene Carter: Hey B.F.

Brain Freezer: Hey babe. Boy awesome temple.

Qin: Yeah.

Brain Freezer: Didn't see Supreme Intelligence mind controlling Maximus coming.

Man Boy: Neither did I.

Diabolico: But I'm not complaining.

Me: No kidding.

Zexion: (to Nico) We heard you fought an old enemy of Sheila's at the mall.

Nico: We sure did.

Riddler: Riddle me this: What was her name?

Nico: Her name was Tina Tiberius Turner.

Me: No relation to Tina Turner herself but yeah.

?: That is good she got what was coming to her.

A figure came and it was LANTERRA from episode 9 of Mighty Morphin 3!

Rita overhears Adam's friend Ko tell the Black Ranger that his lantern heirloom is magical, so Rita decides to make it into a monster and use it to destroy the Power Rangers. She sends down Rito, Squatt, and Baboo with the Tenga Warriors to steal it but they fail so Lanterra is created from a lantern that Rita guesses is the magic lantern.

Lanterra is first seen sneaking around behind Bulk and Skull (who have the real lantern after Rito discarded it) before scaring them and running around in horror. The Power Rangers soon arrive but Adam is reluctant to fight Lanterra since he thinks that he is made from his family heirloom. Seeing his chance, Lanterra blasts them all down with fireballs but an enraged Adam puts aside his feelings and insults Lanterra who attacks. Although he makes short work of the other Rangers, Adam is able to kick out Lanterra's legs and defeat the monster with an energy punch.

Rita and Lord Zedd then enlarge Lanterra so the Rangers form the Ninja Megazord whilst Ninjor arrives to help after sensing Lanterra's presence. Lanterra blasts them but the two are not affected and Ninjor charges only to be defeated by Lanterra's katana. However, Ninjor turns into Ninjor Battle Mode and blasts the monster with a fireball. The Rangers then form the Ninja MegaFalconzord and destroy Lanterra with the Power Punch. Sent flying, Lanterra rolls and explodes before he can recover.

Adam Park: Lanterra!

Lanterra: Been a while rangers.

Me: I remember you! You were made from what she thought was a family heirloom from Adam's friend Ko.

Lanterra: That's right. Good memory.

Me: Yep.

Lanterra: It wasn't the magic lantern. But here I am anyway.

Me: I remember that. But that's still okay though.

Qin: Was awesome.

Nico: Yep. Lets get this on!

Me: COME ON YOU APES! YOU WANT TO LIVE FOREVER!?

Lincoln: It's over, Maximus and Supreme Intelligence.

Suddenly, Lincoln's eleven massive and long white wolf tails stretched out, and then, they lashed out at the LEGO versions of Maximus and Supreme Intelligence, and they were being bashed and beaten all over the place, and he even bashed them on the heads with two of his tails.

Nico: Ooh, now that's gonna leave a mark.

We then saw the LEGO versions of Maximus and Supreme Intelligence get a lump on their heads! OUCH! Then, we saw two white flag go up on the lumps.

Me: Looks like they surrender.

Lincoln threw two energy cards which hit the LEGO versions of Maximus and Supreme Intelligence and imprisoned them inside two cards and he put them inside a box he made and it vanished.

Nico: Now, that was awesome! We took down the LEGO versions of Maximus and Supreme Intelligence, and they're going to be in a lot of trouble.

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Universe 666 Gaara.

?: I WILL KILL YOU ALL AND PROVE MY EXISTENCE!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of sand blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Gaara, or I will blast you out!

Suddenly, we saw a figure come out, it was Universe 666 Gaara, the last of the resurrected Universe 666 Jinchuriki because of Universe 666 Sebastian.

Universe 666 Me: Gaara.

Universe 666 Gaara: J.D.?! Impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back. But, there's no way I can ever forgive you, you were J.D.'s brother, but you betrayed him and sided with that filthy snake.

Universe 666 Gaara: He was weak! He needed to die!

Universe 666 Me grabbed him by the neck and kicked him hard into a wall of diamond Lincoln made and I snapped my fingers and we were on Planet Glaren.

Siri Shukaku: He wasn't weak, but you, what you did was an act of betrayal that can never ever be forgiven!

Universe 666 Gaara looked at me and screamed.

Universe 666 Gaara: We're so alike J.D. I have no friends like you. But they are not what makes you strong. It's your purpose that does it. YOU! But mine is the stronger purpose. For only by destroying you and all that you represent can I truly prove that I exist. Only by killing you can I know what life is!

Me: Then come and prove it motherfucker!

Universe 666 Gaara: (SCREAMING IN PAIN!) YOU! YOU ARE MINE! YOU ARE MY PREY! YOU ARE MY PREY! YOU ARE MY PREY!

Temari was shaking like a leaf in fear!

He was in his Initial Jinchuriki form!

I teleported and kicked him in the back of the head and smashed him down.

Me: You are pathetic!

Universe 666 Gaara: (LAUGHS LIKE A FUCKED UP LUNATIC) AS LONG AS YOU FIGHT FOR YOUR FRIENDS YOU WILL ALWAYS BE WEAK! YOU MUST ABANDON YOUR FRIENDS AND FIGHT FOR YOUR PURPOSE!

Me: You're fucking insane!

Nico: Like we will ever do that!

I fired a wave of fire and incinerated his arm off and revealed his human arm.

Me: Pathetic.

Suddenly, Siri Shukaku's blue eyes turned neon blue and she was surrounded by a red energy aura with stars, sand, raccoon dogs, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Gaara, she left red energy, stars, sand, raccoon dogs, phoenixes, and angels with every step.

Siri Shukaku: I can never forgive you, Universe 666 Gaara, what you did in Evil Nico's name was nothing more than dishonorable and atrocious. And killing innocent people just to prove that you are alive? You are a fucked up monster! You along with the other Universe 666 Jinchuriki have caused so much pain and suffering that it isn't funny, we thought we wouldn't have to deal with you or the other Universe 666 Jinchuriki and Universe 666 Tailed Beasts, but because of what that violent deranged psycho did in bringing you all back, that crossed a serious line, and for that, I'm going to end you once and for all!

Suddenly, Siri Shukaku was surrounded by a massive vortex of red energy with stars and sand surrounding the vortex, there are raccoon dogs, phoenixes, angels, and Shukaku The One-Tailed Tanuki flying and running around the vortex, and in the vortex is a sand-colored phoenix with Shukaku's eyes in its wings and red eyes glaring at Universe 666 Gaara: the red eyes of death. Then, as the vortex faded, Siri Shukaku emerged, but she was changed forever.

Siri Shukaku grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large crimson red orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long crimson red hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a red energy aura with stars, sand, raccoon dogs, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has Shukaku The One-Tailed Tanuki emblazoned on her forehead along with the Love Kanji on her forehead and Third Eye with blue iris, she has on tanuki earrings on her ears with blue gems for eyes and holding the Star, Sand, One, and Eternity Kanjis in its paws, she also has Shukaku The One-Tailed Tanuki with blue gems for eyes and holding the Star, Sand, One, and Eternity Kanjis in its tails for the second pendant on the bottom of her red tanuki-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Siri Shukaku has on a sleeveless red crop top, red pants with the symbol of Sunagakure and the One Kanji on it, red legwarmers, red shoes, and long sleeveless white trenchcoat with stars, sand, raccoon dogs, phoenixes, and angels on the coattails, and on the back is Shukaku the One-Tailed Tanuki with sand surrounding it. Suddenly, Siri Shukaku felt a sharp pain on her back, and then, her massive red angel wings with brown tips on the large red feathers grew much bigger for her new body and Shukaku's massive tail also grew much bigger and longer for her new body, Siri Shukaku has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Siri Shukaku's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of red energy, stars, sand, raccoon dogs, phoenixes, and angels, and when it emerged, it was transformed into Siri Shukaku's Eternal Red Sandstorm Avatar One-Tailed Tanuki Phoenix Angel Greatsword of Eternal Red Sandstorm Avatar One-Tailed Tanuki Phoenix Angel Justice, it's a brand-new massive greatsword with embedded brown gems and Shukaku The One-Tailed Tanuki etched on the 7'6" massive, wide, double-edged red blade, large brown tanuki heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in their foreheads, longer midnight black handle, four large brown tanuki heads with yellow gems for eyes and on the bottom of the large brown tanuki heads is a large brown tanuki head with yellow gems for eyes and red gem in its mouth for the pommel, Siri Shukaku has on her large gold Bracers of The Champions of The Universe with large red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Shukaku's head with yellow gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal

Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Shukaku the One-Tailed Tanuki with nine red magatama in between the kanji that said, "Siri Shukaku, Avatar of Shukaku The One-Tailed Tanuki, Member of The Tailed Beast Avatar Guardian Angels, True Immortal and Powerful Warrior of The Universe, Dear Friend of Gaara and Shukaku the One-Tailed Tanuki, Master of Sand, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Despiser of The Mean Loud Sisters, Archenemy of Kaileena, Destroyer of Universe 666 Gaara, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Sand, Tanuki, Phoenixes, and Angels"

Siri Shukaku has transformed into SUPER ANGEL-ONE TAIL AVATAR-TANUKI-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL RED SAND STORM TAILED BEAST ONE-TAIL TANUKI PHOENIX ANGEL OF DIVINE COSMIC ETERNAL RED SAND STORM TAILED BEAST ONE-TAIL TANUKI PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ETERNAL RED SAND STORM TAILED BEAST ONE-TAIL TANUKI PHOENIX ANGEL LOVE!

We were amazed by Siri Shukaku's Super Angel-One Tail Avatar-Tanuki-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Gaara saw it, he fell into a rage and we saw his eyes change into that of the beast inside him and he fired sand at her in order to put her in a Sand Coffin and he can use Sand Burial on her, but Siri Shukaku's sand control is far more powerful than his, and she fired a massive barrage of red energy, stars, sand, raccoon dogs, phoenixes, and angels which hit Universe 666 Gaara and sent him flying into a rock formation, he got back up, but boy was he pissed off majorly and he suddenly underwent a partial transformation into Universe 666 Shukaku.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on him!

Gaara: It's not over yet, Nico. In fact, the show's about to begin.

Siri Shukaku: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Red Sandstorm Tanuki Phoenix Angel and Divine Cosmic Eternal Red Sandstorm Tanuki Phoenix Angel Love) But, it'll end all the same, Gaara. Shall we, Lincoln?

Lincoln: Let's do it, Siri.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal

Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Siri Shukaku.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Siri Shukaku went after Universe 666 Gaara, and they fired extremely powerful blasts of rainbow energy, red energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Gaara, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Siri Shukaku also left many more by firing blue energy slashes with her claws, and he and Siri Shukaku attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Gaara even more insane with rage than ever.

Universe 666 Gaara: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Gaara went at them now completely blind with insane rage and fury, but Lincoln and Siri Shukaku kicked him hard in the stomach and Lincoln fired blasts of sand at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Gaara even farther into the edges of rage and madness.

Suddenly, Universe 666 Gaara started transforming as his tail manifested and he transformed into his Tailed Beast. But, before she could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Gaara who was literally on his last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth,

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Gaara, and then, Lincoln began forcibly absorbing all of Universe 666 Gaara's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Gaara and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Gaara was dead. Then, Lincoln absorbed her body by stabbing her with one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back as soon as he was done and he sent Universe 666 Gaara's soul to The Black Gates. We all cheered wildly for what Siri Shukaku and Lincoln did as they holstered their massive greatswords and powered down and Siri Shukaku's new body, clothes, weapons, jewelry, Third Eye, massive and longer Shukaku's tail, large gold halo with four orbiting gold rings on each corner behind her head, and massive red angel wings are permanent.

Siri Shukaku: See you never, you monster. Thanks for helping me get rid of Universe 666 Gaara for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Siri.

Suddenly, Siri Shukaku wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Siri Shukaku's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Shukaku the One-Tailed Tanuki flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and sand dunes behind them and we cheered wildly. Then, Lincoln and Siri Shukaku sucked in and absorbed the elemental forces and sand dunes and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Siri did it, they defeated my bloodthirsty former comrade and Lincoln killed her using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Shukaku, and without it, he died painfully.

Lincoln: Yeah, and now, we've finally taken care of Universe 666 Sebastian's contingency plan.

Nico: That lunatic really enjoyed pissing us off, but with every one of his revenge schemes taken down one by one, we're pissing him off from beyond The Black Gates.

Eli: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Edana Midnight.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Edana Midnight is Lincoln's Guardian Angel from Michigan and the third younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Flip with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that stupid mutant showed up and tried to attack, but Delilah used her dark powers and made Flip's nightmares come to life, and he got so scared, he ran away and went back to prison and holed himself back in his cell and he refused to come out for the rest of the night.

Nico: Whoa, now what was that mutant's nightmare?

Lincoln: That was an easy one: loosing all the money he swindled from everyone in Royal Woods and his crimes exposed by us and forever labelled as a hated pariah and disgusting mutant.

We gasped.

Me: Yeah, that fear is extremely powerful, and it remained as a permanent scar on that stinking diaper he calls a brain.

Toiletnator: Maximus liked his looks.

Chalmers: Too bad it didn't help him.

Iron Lung: Or the Supreme Intelligence.

Tala: Another job well done.

Pete: What do we do with them now?

Me: Add them to your ranks for later on.

Qin: Good idea.

Nico: This was awesome though. Great job everyone.

Me: Yeah.

Applejack: YEEHAW! (To the viewers) Boy howdy this was a fun adventure for y'all.

Me: It sure was Applejack.

We went back home and enjoyed the rest of the day and went to sleep.

So, we got to destroy the clones of Dai Shi, Mele, Carnisoar, Jellica, Grizzaka, Scorch, Snapper, Whiger, Mantor, Buffalord, Rantipede, Gakko, Toady, Stingerella, Naja, Pangolin, Slickagon, Bai Lai, Carden, Crustaceo, Mog, Shadow Guard Black, Shadow Guard White, Hamhock, Porcupongo, Monkeywi, Red Shadow Guard I, Red Shadow Guard II, Barakouzza, Crocovile, Whirnado, Whiricane, Sonimax, Dynamir, Unidoom, Rammer, Badrat, Grinder, Osiris, Lepus, Fox Rinshi, Hummerzoom, and Anglerfish, and once that's done, it'll lure out the manifestation of Universe 666 Sebastian's residual darkness and we'll destroy him. And we're going to meet Edana Midnight, she's Lincoln's Guardian Angel from Michigan and the third younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Flip with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that dumb mutant showed up and tried to attack, but Edana used her dark powers and made Flip's nightmares come to life, and he got so scared, he ran away and went back to prison and holed himself back in his cell and he refused to come out for the rest of the night.

Me: I wonder what this island is?

Nico: We'll find out soon. I have a feeling it's cool.

Xenia: Me too. This will be so cool.

Laney: Yeah it sure will be.

Varie: I'm really looking forward to this.

Camie: Same here.

Zarya: It sure will be cool.

Nico: Yeah I agree.

Palutena: It's always going to be fun.

Nico: Palutena, I want to thank you, David and your teams for coming.

Palutena: It's no problem Nico. This is gonna be so fun and cool.

Xenia: Yeah.

Elemental Woman: Yeah no kidding.

Nico: Elemental Woman, what do you like to do in your free time?

Elemental Woman: I like to teach meditation and yoga classes at the Buddhist temple across the way. To help people become one with their elemental spiritual center.

Me: Ooh that is amazing.

Qin: It sure is.

Elemental Woman: It sure is.

Nico: Not gonna lie. That's a very good job.

Me: It sure is.

Elemental Woman: It sure is. I love it.

Qin: That is awesome.

Nico: Yep.

Eli: I agree. Boy yesterday was really awesome.

Lola: It sure was. We beat the Supreme Intelligence and smashed Maximus' pretty face in.

Nico: It wasn't THAT pretty.

Me: Nope. Now Maximus has a REALLY NASTY lump on his face and head.

Xenia: And the previous group did a great job.

Nico: They sure did. T.J. And his group did great.

Eli: They sure did.

Me: But the brain power coming off the Supreme Intelligence was intense.

Lola: It sure was.

Nico: It mind-controlled Maximus AND that sea bear.

Lily: But thank goodness SpongeBob knew what to do to calm that Sea Bear down. And that was with a tummy tickle.

Qin: Yeah. So awesome.

Lola: That was cute.

Nico: Yeah.

Lola: Yeah.

Nico: To give the authorities more time to help us with Chronopolis, we're gonna have to help them with Scumbags here.

Me: Good idea.

Lola: Yeah.

Xenia: Dirtclods like them are going back to Hell.

Camie: Yeah that is for sure.

We arrived at the lake and we saw the island.

Me: There's the island.

Nico: Now, what's with that island?

Me: Lets go find out.

We flew over and landed on it.

Me: This island is not manmade. I think it was naturally made.

Nico: But by what?

We went into the heart of the island.

Me: Wow amazing.

Then we smelled a really familiar and delicious smelling aroma.

Me: (Sniffs) (DROOLS) That smells awesome.

Nico: (Sniffs) (Drools) Oh boy!

We then came into the middle of the island and we saw a HUGE MEADOW AND IT WAS FULL OF CHICKEN WINGS!

Me: WHOA! A chicken wing meadow island! And in the middle of an island in the middle of Gotham Royal York Park lake!

Nico: CHICKEN WINGS!

Nico laughed crazily and dove into a bush and ate a bunch of them!

May: Save some for us!

We got to eating them.

Me: (Eating) Mmm! Delicious!

May: (Eating) Yummy.

Georgina approached us.

Georgina: Hey guys. Wow! An island of chicken wings!? This is cool!

Me: It sure is!

Lola: Yeah we were amazed ourselves.

Xenia: Yeah it sure is.

Nico: Want some?

Georgina: No thanks. I had a big sub sandwich for lunch.

Nico: Oh no worries.

Palutena: Boy this is really cool though that this is here.

Me: Yeah it sure is.

Palutena: I'm sorry we haven't had some quality time together J.D.

Me: It's alright Palutena. But I'm glad we're having some Quality time now.

Nico: Outside of missions, right?

Me: Yeah. We haven't had much time to have some bonding.

Nico: That's understandable. But you're having that now.

Me: True.

Qin: Still awesome though. Man what's next a river of soda?

Camie: That would be awesome.

Nico: We'll have to wait and see.

Me: Yep.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Georgina, are you familiar with someone by the name of Cathleen Terrance?

Georgina: (GASPS) CATHLEEN TERRANCE?!

Nico: You know her?

Georgina: I wish I hadn't, but you guys deserve to know the truth about her. Cathleen Terrance is one absolutely criminally insane and homicidally crazed lunatic whom I've had a problem with.

FLASHBACK TO GEORGINA'S DAYS IN HIGH SCHOOL

Georgina: School was meant to provide everyone with an education, but not Cathleen Terrance, she believes that the school is hers and hers only and no one else's. She was just like Lumpus in ever way except for one: she suffered a massive Schizophrenic Meltdown and tried to kill 20 kids.

We gasped.

Eli: Oh shit!

Nico: That's literally not good.

Georgina: It wasn't. That lunatic tried to kill 20 kids by filling the school with poison gas.

Past Georgina: Cathleen, you better stop this right now!

Past Cathleen Terrance: NEVER! NEVER! THE SCHOOL IS MINE AND MINE ONLY! ALL OF YOU CAN JUST FUCKING DIE! (LAUGHING LIKE A SUPER NTH DEGREE FUCKED-UP MADWOMAN TO THE INFINITE POWER)

Georgina: Eventually, I'd had enough of that crazy bitch, so I went at her and we got into a super nasty fight with each other, but in the end, I knocked that crazy monster out and tied her up and stopped her from trying to flood the school with poison gas. The students were traumatized by what Cathleen tried to do to them, and the teachers and the principal were furious with her. In the end, she was expelled by the principal and permanently blacklisted from ever attending a school ever again and he called the cops and they took her away. She was found guilty of attempted capital murder in court, but because she was declared Criminally Insane by the doctors, the judge decided to send her to Atascadero State Hospital for the Criminally Insane with a sentence of Life with No Possibility of Parole for attempted capital murder.

Me: I remembered that incident long ago, and that bitch is one seriously fucked-up monster.

Nico: She is a whacko!

Georgina: And as she was taken away, Cathleen vowed to escape from the hospital and swore terrible revenge on me. Looks like she's done just that.

Lincoln: We're not going to stand by and let her go on her rampage any longer.

Selene Emperyous: That's right, she's already proven to be a completely incurable monster and she's an infinite-times fucked-up worse monster than Lumpus. There's only one fitting punishment for that psycho: death.

Georgina: You're right. Cathleen is too much of a dangerous and completely insane threat to every last person in her path, she needs to be stopped for good.

Georgina then heard a Pokemon cry.

Georgina: Hear that?

Me: Yeah look!

We saw a Zapdos that was crying and it had hurt its wing.

Me: Whoa a Zapdos.

Nico: Cool!

Zapdos: Oh hey there. I hurt my wing and can't fly.

Georgina: Oh it will be all better.

Georgina healed it up.

Zapdos: Oh wow that feels great. Thank you.

Georgina: You're welcome.

Nico: Boy that was awesome.

Qin: Yeah.

Georgina: I can't wait to smash Cathleen's face in.

Lola: Yeah!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it

looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical

strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity.

Qin: Yep.

Lola: Good riddance.

Lincoln: (Sensed for Cathleen Terrance) AHA! Got you! I just spotted Cathleen Terrance, she's 20 yards away and she's heading right for Georgina.

Georgina: Figures. She's going to get it big time!

Lincoln: As it stands, she doesn't deserve to be running loose any further. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of

hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Cathleen Terrance.

Nico: And Sonic? You, TJ, Turbo, Maggie Peyton, Ratchet and Church did good yesterday.

Me: They sure did.

Sonic: Yeah that was so awesome and fun.

TJ: It sure was.

Ratchet: Yeah.

Nico: Yep.

Georgina got dressed in a jumpsuit. Her jumpsuit was red and had flames and crystal on it.

Xenia: Nice one!

Qin: Yeah!

We heard a loud scream of rage

?: YOU FUCKING BITCH! YOU'LL PAY FOR THROWING ME IN THE NUTHOUSE!

Georgina: Yeah, fuck you too, crazy!

We then saw a girl with crazy black hair in a white patient's uniform and crazy eyes heading right for Georgina, it was Cathleen Terrance, and she was absolutely fucked-up and crazy. She was about to stab Georgina with a knife, but Lincoln formed a massive indestructible diamond barrier protecting all of us and when the knife hit the barrier, it broke and she tried to hit it with her fists, but that didn't work, but it did make her fists bloody: SHE WAS SCREAMING AND WAILING IN RAGE AS SHE TRIED TO BREAK THE BARRIER AND KILL GEORGINA!

Georgina: Looks like that time in the Atascadero State Hospital for the Criminally Insane has really made her even more insane than ever.

Nico: She sure is even more insane than ever. But, she's still getting put down for good.

Lincoln: That's for sure.

Lincoln fired a diamond ball that hit Cathleen Terrance in the face and sent her flying into a tree, but Lincoln didn't deactivate the barrier as we stood ready.

Cathleen Terrance: GET OUT HERE, YOU BITCH, SO I CAN KILL YOU AND YOUR FRIENDS!

Georgina: (Flips Cathleen the finger) Go to Hell, you piece of shit!

Eli: I'm taking down the barrier, so we can end this piece of crap.

Nico: Eli, you know only Lincoln can do that, but after what happened with Hikaru, and even worse, his future wife, Jessica Shannon, that's not going to happen.

Georgina: He's right. Besides, I'd rather have everyone ready for the fight.

Sarah Gunnerson tried punching her. The result? A punch to the face that knocked her out!

Tom Major: SARAH! YOU PUTRID ROTTEN BRAINED BIMBO!

Tom bashed her in her face and kicked her in the stomach.

Nico kicked her in her stomach and bashed the wind out of her and then he punched Cathleen in the face and smashed her teeth out.

Bloom: GO! GALACTIC!

Flora, Musa, Tecna, Stella, Layla, Roxy, Liam, Harry Potter and Penny: GO! GALACTIC!

They transformed and were ready!

Nico: WOW!

Bloom: GALAXY RANGER DRAGON!

Flora: GALAXY RANGER FAIRY!

Tecna: GALAXY RANGER AUTOMATON!

Stella: GALAXY RANGER ANGEL!

Layla: GALAXY RANGER MERMAID!

Roxy: GALAXY RANGER DRYAD!

Liam: GALAXY RANGER THUNDERHORSE!

Harry Potter: (British Accent) GALAXY RANGER GRYPHON!

Penny: GALAXY RANGER WYVERN!

They were ready for action!

Nico: Awesome!

Me: COOL!

Lola: YEAH!

Leo: Wow! Awesome!

Zapdos charged at her and flew up and then fired a powerful blast of lightning and electrocuted her all over.

She screamed in pain as she was electrocuted!

Ed: Zappity zap zap!

Eddy: You said it, Lumpy!

Georgina: You have been asking for this!

Georgina then shoved Cathleen's face in her butt and then..

LOUD SUPER WET FART!

SHE FARTED IN HER FACE WITH EXPLOSIVE FORCE!

Nico: HOW'D YOU LIKE THAT!?

Cathleen vomited and hurled!

Cathleen Terence: I WILL KILL YOU! (LAUGHS)

Georgina bashed her in the face with a rock fisted punch and broke her nose and teeth.

Nico: Take that!

Peyton: Nice job babe!

Georgina: Twernt nothing.

Cathleen: YOU BITCH! I WILL KILL YOU AND THEN YOUR WRETCHED BOYFRIEND! I'LL EAT HIS HEART RIGHT IN FRONT OF YOU!

Nico: Shouldn't have said that!

Georgina then PUNCHED AND PULVERIZED HER!

SMASH WHAM BLAM! SMASH! KRABLAM!

Edzilla: Save some for Ed!

He bashed and pulverized Cathleen all over!

Georgina: Now you made me mad!

Her eyes turned black and her skin turned into rock!

Her jumpsuit ripped off and she turned into STONEBITER!

Stonebiter was ready to smash!

Lola: OH YEAH!

Xenia: NOw she's in for it!

Cody Burns: I'm getting in on this too!

He blasted Cathleen with a laser blaster.

Qin and Lola fired waves of energy.

Nico bashed her with a club.

Aligned Heat Wave: You know what? Save some for me!

He fired a wave of water and blasted her all over.

Nico: Take that!

She reverted back and her clothes were back on.

Georgina bashed her.

Suddenly, Georgina's dark blue eyes turned neon dark blue, and she was surrounded by a brown and orange energy aura with stars, rocks, lava, golems, phoenixes, and angels surrounding her, she unholstered her massive Georgina Montgomery's Stonebiter Underground Earth Golem Greatsword of Underground Lava Earth Golem Justice from her back, and as she approached Cathleen Terrance, she left brown and orange energy, stars, rocks, lava, golems, phoenixes, and angels with every step.

Georgina: You've got some goddamn nerve showing your ugly face again, Cathleen, I can't ever forget what I've had to go through because of you. You have and always be an insane monstrous demon who has shown no compassion towards me at all, all you ever cared about was yourself and wanting to claim the school only for yourself. I don't regret what I did stopping you. You were always nothing more than an insane bitch who tried to kill all the kids and teacher and claim the school for yourself. I've absolutely had it up to hear with you, Cathleen, you're nothing more than a pathetic bitch and forget about heading back to the Atascadero State Hospital for the Criminally Insane, what you've done in coming after me for revenge is about to get you a one-way trip to the grave.

Suddenly, Georgina was surrounded by a massive vortex of brown and orange energy, stars, rocks, and lava surrounding the vortex, there are golems, phoenixes, angels, and Stonebiter running and flying around the vortex, and in the vortex is a grey phoenix with red eyes glaring at Cathleen Terrance: the red eyes of eternal death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears him apart piece

by piece!

Cathleen Terrance: (NTH DEGREE FUCKED UP ENRAGED SCREAM) YOU FUCKING BITCH! WHY CAN'T YOU JUST FUCKING DIE?!

Cathleen Terrance charged at the vortex still intending to kill Georgina, but the barrier still kept her from trying to get at us, and if that's not bad enough, that bitch got hit with lava and she screamed in agony as it damaged her face and left a really nasty scar on her face.

Eli: Ooh, now that's going to leave a scar on her! Serves her right!

Lincoln: And it's one she'll take with her to the grave.

Then, as the vortex faded, Georgina emerged, but she was changed forever.

Georgina remained tall at 7'9" in height, she has gold bracers on her biceps and thighs and she now has eleven large brown orbs orbiting around her legs, she has the body of a goddess, she has brown and orange highlights in the bangs of her long flowing black hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon dark blue eyes and a brown and orange energy aura with stars, rocks, stones, lava, golems, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Stonebiter holding the Earth Kanji in its hands emblazoned on her forehead and Third Eye with orange iris, she has on golem earrings with orange crystals for the eyes and holding the Lava, Earth, and Eternity Kanjis in its hands, she has on her Crystal Necklace of The Buddha with orange gems on the gold star links and orange crystal links and an orange golem-shaped Element of Harmony and on the bottom of The Element of Harmony is Stonebiter with orange crystals for eyes and holding the Lava, Earth, and Eternity Kanjis in his hands for the pendant and white and gold accented choker on her neck. Georgina has on a sleeveless dark blue crop top, dark blue pants, dark blue heeled sneakers, and long white sleeveless trenchcoat with stars, rocks, stones, lava, golems, phoenixes, and angels on the coattails and on the back is Stonebiter surrounded by rocks and lava. We were really amazed by Georgina's Super Angel-Underground

Girl-Stonebiter-Golem-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Peyton saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Cathleen Terrance saw it, she went absolutely fucked-up ballistic and ran at her to kill her again, but Lincoln put down the barrier and Georgina fired a massive barrage of orange and brown energy, stars, rocks, lava, golems, phoenixes, and angels which hits Cathleen Terrance and she got hit hard and burned again and sent flying into another tree, she got back up, but now, she was really really REALLY PISSED OFF BEYOND IMAGINATION!

Georgina: (Divine Echoing Godly Voice of The Star Lava Earth Underground Golem Phoenix Angel and Divine Star Cosmic Earth Lava Underground Golem Phoenix Angel Avarice) You've had this coming for a very long time, Cathleen, now I'm going to put you down like the mad dog that you are!

Suddenly, Cathleen Terrance was hit by a wave of lava and got burned again. She screamed in rage and pain, but boy was she madder than Lori, Lynn, and Lola at the absolute worst of their wraths due to their Dark Sides.

Lincoln: Lynn, did you…?

Lynn: Wasn't me, bro, and I know it wasn't you or Tara or any other lava user.

Me: No, it wasn't, but I know someone who has the knack for burning assholes with lava.

Suddenly, we saw a very beautiful and super sexy girl with long orange hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in an orange short-sleeved frilly shirt, necklace with pearls and gem for the pendant, orange skirt, white bridal gloves, orange knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow

Lincoln: (GASPS) Selene Knudson.

Me: I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Sumner, and Patti: Selene?!

Selene Knudson: Yep, Selene Knudson, God Sibling of Lava and Volcanoes reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Selene Knudson: Oh, and I also called your parents who are on their way, and they are so pissed off at you!

Lincoln, Georgina, Peyton, and I went after Cathleen Terrance, and we fired extremely powerful blasts of rainbow energy, brown and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Cathleen Terrance, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Georgina, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Cathleen Terrance even more insane and straight to the brink of insanity.

Cathleen Terrance: YOU! YOU! (ENRANGED SCREAM)

Cathleen Terrance charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at him and she got hit hard and he slashed at her with his massive black greatsword, and Peyton blasted her with blue energy and water blasts. Then, Lincoln grabbed her by the waist with one of his eleven massive and long white wolf tails and he smashed her into the ground, and she was really getting messed up, and then, he threw her and sent her into a nearby tree.

Cathleen Terrance: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU BITCH! I'LL KILL YOU!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut it already.

Lincoln went at Cathleen Terrance and he proceeded to give that rampaging animal the beatdown of her miserable life. LINCOLN SLASHED CATHLEEN TERRANCE ON THE STOMACH WITH HIS GOLD-PLATED CLAWS, HE SLASHED OFF HER HAIR WITH HIS MASSIVE GREATSWORD, HE ALSO BROKE HER ARMS AND LEGS EVERY LAST BONE IN HER BODY, SMASHED HER TEETH OUT OF HER MOUTH, AND ALSO GAVE HER TWO BLACK EYES ALONG WITH A BROKEN BLOODY NOSE!

Me: OH DAMN! NICE ONE, LINCOLN, AND FUCK YOU, BITCH!

Nico: YEAH, GO TO HELL, YOU RAMPAGING SHE-BEAST!

That made Cathleen Terrance so mad, she eventually lost all traces of reason and started acting like the rampaging she-beast she really is. She went at us, but we kicked her hard into the air and Lincoln and Selene Knudson fired blasts of lava and Cathleen Terrance was hit by the lava, and when she came crashing down, she was literally a mess and she had more burns on her body.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Okay, time to tie you up.

Lincoln tied Cathleen Terrance in an indestructible rainbow energy straitjacket and we holstered our weapons and powered down, and Georgina's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large brown orbs orbiting around her legs, and massive black angel wings are permanent. Then, we heard a limo coming to us, and then, out came Mr. and Mrs. Terrance, and boy were they pissed off at Cathleen Terrance.

Mr. Terrance: I am so absolutely disgusted by your behavior, Cathleen! So, everything we'd heard from Georgina was true! You've absolutely tarnished our family's reputation with your despicable actions!

Mrs. Terrance: I can't believe that you're even our daughter! What kind of person could do those evil acts to so many innocent people?!

Georgina: Everything I told you long ago is all true, Mr. and Mrs. Terrance. Your daughter is a totally insane homicidal monster with a complete disregard for the lives of those around her, she's been a nightmare to everyone for years! She's gotten away with everything by using your reputations, and no one's been able to stop her, and let's not forget what she had done in maiming everyone who's crossed her path, many of them had to spend two months in the hospital, and what she tried to do in killing 20 kids, thinking that the school is hers and hers only!

Me: Your daughter's completely insane just like Lumpus with Camp Kidney which was never his in the first place!

Mr. Terrance: We've done our best to raise you right, but instead, you went downhill and you started causing trouble, God knows how many times that we'd been called to the school involving yet another of your stunts. You've used our reputations to get away with doing horrible things to innocent people, and what you tried to do in killing 20 kids thinking the school is yours and yours only and no one else's, you will never ever be forgiven for this!

Mrs. Terrance: Agreed, honey. Cathleen, you are hereby disinherited from our family fortune and both the fortune and the estate will be passed on to Maureen, and you are also disowned from our family forever.

Cathleen Terrance: WHAT THE FUCK?! YOU CAN'T DO THIS TO ME! YOU WEAK, SPINELESS, SENILE OLD FOOLS! WHEN I GET OUT OF THIS, I'LL FUCKING KILL YOU ALL!

Georgina slashed at her face with claws made of lava, and it was right there that Cathleen seriously lost it.

Cathleen Terrance: (ENRAGED NTH-DEGREE FUCKED-UP SCREAM) GEORGINA, GEORGINA, GEORGINA, EVERY SINGLE FUCKING TIME I'VE HEARD OF YOUR ACHIEVEMENTS AND YOUR NAME, IT DRIVES ME ABSOLUTELY INSANE TO NO FUCKING END! YOU CONSTANTLY RUINED ALL OF EVIL'S PLANS TO ENSLAVE AND RULE THIS PATHETIC PLANET AND YOU RUINED MY LIFE AT EVERY SINGLE FUCKING TURN, IF YOU HADN'T STUCK YOUR STUPID NOSE INTO MY FUCKING BUSINESS, THEN, THE SCHOOL WOULD BE MINE AND EVIL WOULD FINALLY BE RULING THE WORLD AND THE ENTIRE UNIVERSE AND EVERY LAST MAGGOT ON IT WOULD BE FINALLY DESTROYED AND EVERY LAST MAGGOT WOULD BE BOWING AT THEIR FEET, AND THEY WOULD'VE FINALLY DESTROYED ALL LIFE ON THIS PATHETIC PLANET! I HATE YOU, GEORGINA, I HATE YOU, HATE, HATE, HATE, HATE,

HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE! HHHHHHHHHAAAAAAAAAAAAAAAAAATTTTTTTTTTTTEEEEEEEEE!

CATHLEEN TERRANCE HAD A REALLY MASSIVE KURATA STYLE BREAKDOWN, AND THEN… !

AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF GEORGINA WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE GOLEM! IT ROARED INTENSELY WITH AMAZING POWER, AND THEN, THE FIRE GOLEM WENT BACK TO EARTH AND GEORGINA GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

AND SHE EMERGED WITH A RAINBOW VERSION OF HER OUTFIT AND EVEN MORE POWERFUL THAN EVER!

Georgina: Wow, thanks for the supercharged astronomical power boost, you crazy psycho bitch. Lincoln, mind killing her for good?

Lincoln: On it, Georgina.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and the 7'9" massive, wide, double-edged gold blade was covered in rainbow energy.

Lincoln: Never show your face in public ever again.

Lincoln held his massive greatsword above his head, and then… !

SLASH!

Lincoln brought his massive greatsword down on Cathleen Terrance's head decapitating her and both her head and body burst into rainbow flames and he sent her soul to The Black Gates forever. Lincoln holstered his massive greatsword on his back and came back to us.

Nico: Good riddance to that crazy bitch.

Lincoln: What she tried to do just proves she was beyond redemption or rehabilitation, and needed to be stopped for good. (To Selena Knudson) And it's so good to see you again, Selena.

Selena Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, Helena, Sophia, Emily, Abigail, Avery, Grace, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Selena Knudson and he hugged her, and Selena Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selena Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Selena Knudson, God Sibling of Volcanoes and Lava, she's Lincoln's Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful lava powers and immense control over lava and volcanoes and a volcanically hot body core temperature and volcanically hot body heat. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D, Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Lava, but also Fire, Water, Ice, Wind, Lightning, Earth, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she's one volcanically and infernal hot God Sibling and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT! YOU'LL SUFFER THE VOLCANIC WRATH OF THE GOD SIBLING OF VOLCANOES AND LAVA!

We gasped.

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to be melted in a pool of lava.

Lincoln: Yeah, no one wants that, and now that you're here, Selena.

Lincoln went up to and hugged Selena Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Selena Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selena Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Selena Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selena Knudson.

Selena Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: This is what I'm talking about. Defeating Scumbags so the authorities will be able to help us with Chronopolis.

Me: Yeah it's fun!

Sheila: And that's very thoughtful of you Nico. We have been getting numerous reports of scumbags running loose.

Lola: Yeah.

Nico: Well good.

Nico: Cathleen was one of them, right?

Sheila: That's right. She had a kill on sight order because she was deemed to be extremely dangerous.

Me: Well she definitely deserved it.

Lola: Yep.

Varie: Good riddance.

Qin: Yep.

Nico: You did good too, Zapdos.

Zapdos: Thanks Nico. It was awesome.

Poromon: It sure was.

Zapdos: And yes I do like beer. But also I only drink Romulan Ale. I have a powerful immunity to it.

Poromon: YAY Super beer partner!

Rhonda Romulus: Welcome to the party.

Poliwag:… The puppy eyes isn't going to work on you, isn't it?

Zapdos: Nope. But I like drinking Romulan Ale.

Xenia: Yeah. But it's awesome.

Varie: Yeah.

Nico: Yeah.

Qin: Awesome.

Nico: Who do you want to stay with?

Zapdos: Georgina. She made me better and I'm indebted to her.

Xenia: Awesome.

Nico: Cool.

Sarah woke up and she had a REALLY NASTY lump on her head.

Sarah Gunnerson: (Groans) What happened?

Me: You got hit hard and knocked out.

Sarah Gunnerson: I got suckerpunched! Stupid Cathleen. Where is she?

Me: We gave her the black gates.

Lincoln told her everything and she was shocked.

Sarah Gunnerson: Nice job!

Lincoln: Thanks.

Nico: That was awesome.

Qin: Yeah Cathleen deserved it.

Laney: I agree.

Zapdos nuzzled Georgina.

Nico: Aww.

Qin: Awesome and fun.

Lola: Yeah.

Varie: Yeah that was awesome and fun.

Lola: Georgina is more at peace.

Nico: What do you mean by that?

Me: That one of her enemies is gone.

Nico: Oh. Right.

Me: Cathleen was a heartless monster.

Lisa Loud: But it's because of this. Look at the brain scans I took.

She showed us brain scans of Cathleen and we were shocked! Her brain was 100 times more messed up than Arron Hernandez. The Schizophrenia damaged her mind completely beyond repair.

Nico: Well, fuck!

Me: I know. I thnk she was going to die no matter what. I did some research and found out that Schizophrenia shortens your lifespan.

Nico: So it was going to kill her no matter what.

Me: Yeah. I'm no neurologist or psychologist but it looks like she only had about less than a year left to live.

Lisa Loud: Correct. She also had the worst case of Chronic Traumatic Encephalopathy ever imagined. Her brain was so badly beaten up because of it and it made her Schizophrenia dangerously destructive.

Nico: Well, she's out of her misery now.

Me: Yep.

Xenia: Yeah.

Me: Good. And now she is in hell.

Nico: People like her don't deserve to go to Heaven.

Maria: Exactly.

Me: Yeah.

Nico: I'm glad she is dead. Lets face the Anothers.

Qin: I agree.

Eli: Lets see who we have. (Concentrates) Whoa! We have Another Gunkandori Phantom Brigada, Tweaky, Dr. Eggman & the Deadly

Six, Lego Poison Ivy and David Cain.

WE GASPED!

Qin: Whoa!

Me: This will be interesting!

David Cain: Yeah and Dr. Eggman and the Deadly Six formed their own team and they agreed to have Sunny Starscout, Izzy, Zipp, Pipp, Hitch, Misty and Sprout as their archenemies.

Me: Wow! The Legacy of Twilight Sparkle VS The Deadly 7 of Mobius.

Nico: Nice!

Qin: Yeah.

Nico: So, who's up again?

Me: Sunny Starscout and friends, Dayna Dominion and Marlene Woodpecker.

Nico: Cool!

Marlene Woodpecker: Boy this will be fun. (WOODY WOODPECKER LAUGH)

We laughed!

Nico: (LAUGHS) Yeah!

Eli: And I sense that the Anothers minus David Cain are 1 person.

Me: Nice.

Xenia: Cool.

LOUD SCREAM!

Me: GEEZ! Wait I know that scream.

Nico: You do?

Me: You'll see. Here they are!

The Anothers minus David Cain came!

Lola: Whoa!

Me: And I have a feeling it's you Sari Scream.

They merged and she reverted back and was a girl with blue hair, blue eyes and blue clothes and she had black angel wings and she had a tiara with the symbol of the Scream Dopant on it and it was on her skirt too and she had a sonic sword too like that freak Lemongrab.

Sari nodded.

Me: Sari was born mute but she has a terrible curse.

Nico: What kind of curse.

Sari then let out a loud EARSHATTERING SCREAM!

It was loud enough to make Venom scream in pain.

Me: She has a loud scream that is messured over at 500 decibels.

Nico: WHOA! That is loud!

Me: Yeah. She is also the Embodiment of the Scream Dopant and has a deadly sonic scream. Loud as 1,000 Air Horns being blown into a megaphone.

Qin: That is loud!

Nico: (Telepathically) Can you hear me?

Sari Scream: (Through her tiara) Yes I hear her. I have the power to talk through my tiara.

Nico: Wow! That is really cool!

Me: If people are born mute their tiaras act as voice boxes. So cool.

Lola: Yeah. I never knew that.

Nico: Yeah.

Me: By the way is the Another David Cain friendly or hostile?

Sari Scream: Friendly and she is really powerful but scary.

Qin: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated.

Me: Action time!

We fired waves of energy and the blasted the Anothers and we caught the Wonder Ride Books.

Nico: Awesome!

Qin: That was awesome though.

Nico: Yeah.

Maria: Time for backup! (TURNS DIAL) UNDEAD BUTTKICKING 6!

She summoned Grundy, Greg, Alien Guts, Evil Silver Banshee, Repteel and Midaredouji.

Nico: Now we wait.

Lola: Yeah.

Me: We don't have to wait long!

We saw ANOTHER DAVID CAIN!

Me: Whoa!

Lola: This will be awesome.

Another David Cain: (In a girls voice) It sure will.

Me: (GASP) That voice!

She reverted back and in a vortex of fire, ghosts and darkness arose a girl with black hair, red eyes, black bat wings, a black dress and she had a tiara with the symbol of Death on it and on her skirt was the same symbol and she had a terrifying scythe of death.

Me: Dana Death!

Nico: Wait you mean the Lady Death? The Female Grim Reaper?

Dana Death: That's right. I am called that because I have all of the powers of the Grim Reaper and I can do it all.

Nico: WHOA!

Dana Death: I killed an entire prison full of inmates that were infected with the Hanta Virus.

Grim: (Jamaican Accent) That made my day mon.

Me: Yep. And she is the Embodiment of the Death Dopant and she is also a deadly assassin like David Cain.

Nico: WHOA! That is lethal.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Dana Death: No he didn't. Because he was in a hurry.

Me: Let me guess because you would kill him with just a slash of your scythe.

Dana Death: Bingo.

Me: See she is not called Lady Death for show. She LITERALLY is a female Grim Reaper. Minus the skeleton part. No offense Grim.

Grim: None taken mon. But that is really amazing.

Me: It sure is.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Lincoln: Lets separate you first.

He fired a wave of light and separate her.

Dana Death: Awesome. Now for this! (DEMONIC VOICE) I AM LADY DEATH! (EVIL LAUGHTER) ARE YOU READY TO MEET YOUR DOOM?

She had fire in her eyes and her aura of fire was ready!

Grim: Galloping Gravestones! She is like me!

Me: No doubt there.

She scared Another David Cain shitless!

Nico: (Gets out David Cain's Ridewatch) Time for Assassin Power!

May: (Gets out Dr. Sun's Ridewatch) And some Sun Power!

Maria: (Gets out Tactimon's ridewatch) And some Strategy power!

Elemental Woman: (Gets out Lego Poison Ivy's ridewatch) And some plant power!

They activated the ridewatches of David Cain, Lego Poison Ivy, Dr. Sun, Incentas, Tactimon and the Wu Sisters! They fired waves of energy and elements and blasted the Another.

Then Kerbero Gangan, Bond Man, Hekatoid, Devidramon, Jean Jacket and Howling Hairfish came.

Nico: Nice team Kerbero!

Kerbero Gangan: Thanks Nico.

?: That is awesome!

Chill Man came.

Me: Chill Man! Whoa!

Nico: Cold!

Chill Man: (In a girls voice) (Russian Accent) It's perfect to stay cool.

Nico: Cillia Chill!? Whoa!

Chill: (Russian Accent) She sounds like me.

Cillia Chill: That's because I'm also the gene-slammer of you Chill.

She reverted back and was a girl with blue hair and had blue eyes with blue sclera and she had blue angel wings and blue clothes and had a kanji for Chill in the middle of her forehead and on her arm was the symbol for the water Skylanders. And she also had a water staff in her hand.

Cillia Chill: Stay Cool. NARWHAL!

She summoned a Narwhal and bashed the Another Down and I caught the Ridewatch and purified it!

Chill: That was amazing! We both are alike and sound alike and have the same powers.

Me: That is awesome Chill! She is from Russia, you both have Russian Accents and have the same powers and skills. And she is a gene-slammer for Chill Man and you Chill.

Nico: Boy what are the odds of that?

Me: Really high.

May: And I didn't get hit!

Nico: Nope.

Elemental Woman: Do you have any favorite memories of Nico?

Cillia Chill: When me and Nico had an apple cider drinking contest and Nico got drunk from it and it was so funny. We made out because of it when we were in Siberia.

Me: That is funny.

Nico: It was good Apple Cider. I couldn't pass up on that.

Me: In subzero freezing temperatures who wouldn't.

Nico: Yeah.

Nico and Cillia hugged.

Nico: (Speaking in Russian) Я так скучал по тебе, Силия (I've missed you so much Cillia)

Cillia Chill: (Speaking in Russian) Я тоже, Нико. Я тоже. (Me too Nico. Me too.

We later went back home.

Lincoln: Ah, we're here in Ireland, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got bad news: a clone of Dai Shi along with clones of Mele, Carnisoar, Jellica, Grizzaka, Scorch, Snapper, Whiger, Mantor, Buffalord, Rantipede, Gakko, Toady, Stingerella, Naja, Pangolin, Slickagon, Bai Lai, Carden, Crustaceo, Mog, Shadow Guard Black, Shadow Guard White, Hamhock, Porcupongo, Monkeywi, Red Shadow

We gasped.

Me: Why, that little… !

Nico: That mad lunatic, now he's gone and made clones of the Jungle Fury Rangers' enemies.

Casey Rhodes: Now, he's really getting serious.

Zarya: Serious or not, he's still a sore loser with destruction and madness on his mind.

Lincoln: Still, we can't underestimate him, being the Universe 666 counterpart of Sebastian before his Dark Side was removed, he's done tons of low things in the past that've crossed many lines.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the six girls.

Lincoln: (GASPS) Edana Midnight of The Midnight Society.

Edana Midnight: That's right, and I got the girls away from the clone of Dai Shi, but the clones of Mele, Carnisoar, Jellica, Grizzaka,

Scorch, Snapper, Whiger, Mantor, Buffalord, Rantipede, Gakko, Toady, Stingerella, Naja, Pangolin, Slickagon, Bai Lai, Carden, Crustaceo, Mog, Shadow Guard Black, Shadow Guard White, Hamhock, Porcupongo, Monkeywi, Red Shadow Guard I, Red Shadow Guard II, Barakouzza, Crocovile, Whirnado, Whiricane, Sonimax, Dynamir, Unidoom, Rammer, Badrat, Grinder, Osiris, Lepus, Fox Rinshi, Hummerzoom, and Anglerfish Rinshi are heading here to attack us.

Suddenly, we saw the clones of Mele, Carnisoar, Jellica, Grizzaka, Scorch, Snapper, Whiger, Mantor, Buffalord, Rantipede, Gakko, Toady, Stingerella, Naja, Pangolin, Slickagon, Bai Lai, Carden, Crustaceo, Mog, Shadow Guard Black, Shadow Guard White, Hamhock, Porcupongo, Monkeywi, Red Shadow Guard I, Red Shadow Guard II, Barakouzza, Crocovile, Whirnado, Whiricane, Sonimax, Dynamir, Unidoom, Rammer, Badrat, Grinder, Osiris, Lepus, Fox Rinshi, Hummerzoom, and Anglerfish Rinshi as they went at us, but we stood ready and we fired powerful energy blasts at them and knocked them all down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Mele, Carnisoar, Jellica, Grizzaka, Scorch, Snapper, Whiger, Mantor, Buffalord, Rantipede, Gakko, Toady, Stingerella, Naja, Pangolin, Slickagon, Bai Lai, Carden, Crustaceo, Mog, Shadow Guard Black, Shadow Guard White, Hamhock, Porcupongo, Monkeywi, Red Shadow Guard I, Red Shadow Guard II, Barakouzza, Crocovile, Whirnado, Whiricane, Sonimax, Dynamir, Unidoom, Rammer, Badrat, Grinder, Osiris, Lepus, Fox Rinshi, Hummerzoom, and Anglerfish Rinshi and he began absorbing them into him as he assimilated all of their powers and animal spirits even though he'd gained the Buffalo Spirit from Buffalord years ago, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and all that's left is the clone of Dai Shi.

We then saw our target, the clone of Dai Shi, and he was out to destroy us.

Sylvester: Ugh, he's just as monstrous and ferocious as the original one.

Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed the Dai Shi clone and he began absorbing him as he assimilated all of his powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, when Lincoln was done and the stingers changed back, nothing was left of him, and he sent the clones' spirits to The Black Gates. We cheered as we holstered our weapons and powered down.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants. (To Edana Midnight) And it's so good to see you again, Edana Midnight.

Edana Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Edana.

Lincoln went up to Edana Midnight and he hugged her, and Edana Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Edana Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Edana Midnight, she's my Guardian Angel from Michigan and the third younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with me who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Flip with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that dumb mutant showed up and tried to attack, but Edana used her dark powers and made Flip's nightmares come to life, and he got so scared, he ran away and went back to prison and holed himself back in his cell and he refused to come out for the rest of the night.

Nico: Serves him right! Stupid mutant!

Me: Yeah, I remembered that night all too well, and Edana really did awesome in scaring that mutant cheapskate senseless.

Lincoln: He made a huge mistake coming after us again, and now that you're here, Edana.

Lincoln went up to and hugged Edana Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Edana Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Edana Midnight's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Edana Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Edana Midnight.

Edana Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them.

The six girls are Kanae Hokari, Miyako Andou, Natsuki Aoi, Nemu Manaka, Rika Makiba, and Rinne Byakuya from Euphoria.

Lincoln: Oh wow, it's Kanae Hokari, Miyako Andou, Natsuki Aoi, Nemu Manaka, Rika Makiba, and Rinne Byakuya from Euphoria.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nao Kusuda: Yes, we're okay, thanks to you.

Then, when Kanae Hokari and the other five girls saw who it was that saved them from the clones of Dai Shi and his minions, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and

Kanae Hokari: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kanae Hokari: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kanae Hokari, Miyako Andou, Natsuki Aoi, Nemu Manaka, Rika Makiba, and Rinne Byakuya with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Dai Shi and his minions created by another manifestation of Universe 666 Sebastian's residual darkness.

But, when Lincoln showed what we all did in beating them down and Lincoln stabbing them with his Cell Stinger tips on his tails and he absorbed them into him and assimilated all their powers which forced out the manifestation of Universe 666 Sebastian's residual darkness and he was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Edana Midnight have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so another manifestation of Universe 666 Sebastian's residual darkness was here and it created clones of Dai Shi and his former minions?!

Lincoln: Yep, but just like what happened, I absorbed them and assimilated all their powers.

Nico: And he acquired their animal spirits along with banishing their souls to The Black Gates and it also forced out the manifestation once more and he too got destroyed and sent to The Black Gates.

Me: He really refused to give up and just die? What a sore loser.

---

After Lincoln absorbed the clones of Dai Shi and his minions and destroyed another manifestation of Universe 666 Sebastian's residual darkness, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Edana Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Edana Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Edana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Edana Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Edana Midnight: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Rita Repulsa, Goldar, Squatt, Baboo, Finster, Scorpina, Lokar, Lord Zedd, Rito Revolto, Master Vile, Hydro Hog, Count Dregon, Nefaria, Cyclopter, Doubleface, Gork, Fact, Plague Sentry, Plague Patrol, Cogwarts, Commandoids, Bones, Skeleton Warriors, Giant, Mighty Minotaur, King Sphinx, Gnarly Gnome, Pudgy Pig, Chunky Chicken, Eye Guy, Mr. Ticklesneezer, Knasty Knight, Pineoctopus, Terror Toad, Madame Woe, Snizzard, Dark Warrior, Genie, Shellshock, Spidertron, Spit Flower, Frankenstein Monster, Wheel of Misfortune, Mutitus, Rockstar, Samurai Fan Man, Weaveworm, Babe Ruthless, Fang, Cyclops, Hatchasaurus & Cardiatron, Polluticorn, Twin Man, Cyclopsis, Octoplant, Goo Fish, Goatan, Fighting Flea, Jellyfish Warrior, Mantis, Dramole, Grumble Bee, Two-Headed Parrot, Peckster, Pumpkin Rapper, Soccadillo, Slippery Shark, Lizzinator, Rhinoblaster, Commander Crayfish, Oysterizer, Pirantishead, Primator, Saliguana, Bloom of Doom, Robogoat, Octophantom, Stag Beetle, Invenusable Flytrap, Guitardo, TurbanShell, Pipebrain, Trumpet Top, Mirror Maniac, Nimrod the Scarlet Sentinel, AC & DC, Lipsyncher, Pursehead, Magnet Brain, Key Monster, Doomstone, Terror Blossom, Four Head, Beamcaster, Silver Horns, Skelerena, Scatterbrain, Pachinko Head, Showbiz Monster, Flame Head, Cannontop, Weldo, Evil Bookala, Jaws of Destruction, Tube Monster, Photomare, Wizard of Deception, Rat Monsters, Snow Monster, Turkey Jerk, Mondo the Magician, Needlenose, Vase Face, Party Crasher Monster, Repellator, Vampirus, Artistmole, Lanterra, Marvo the Meanie, Centiback, Hate Master, Face Stealer, Miss Chief, Katastrophe, See Monster, Crabby Cabbie, Inciserator, Garbage Mouth, Ravenator, Brick Bully, Sinister Simian, Blue Globbor, Dischordia, Professor Longnose, Parrot Top, Smudgey Swirl, Yetiki, Piecemeal, Barkzo, Slotsky, Barbaric Brothers, Bratboy, Witchblade, and Arachnofiend.

Tommy Oliver: What the? Clones of our old enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Jason Lee Scott: What a sore loser, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of the Rita Repulsa, Goldar, Squatt, Baboo, Finster, Scorpina, Lokar, Lord Zedd, Rito Revolto, Master Vile, Hydro Hog, Count Dregon, Nefaria, Cyclopter, Doubleface, Gork, Fact, Plague Sentry, Plague Patrol, Cogwarts, Commandoids, Bones, Skeleton Warriors, Giant, Mighty Minotaur, King Sphinx, Gnarly Gnome, Pudgy Pig, Chunky Chicken, Eye Guy, Mr. Ticklesneezer, Knasty Knight, Pineoctopus, Terror Toad, Madame Woe, Snizzard, Dark Warrior, Genie, Shellshock, Spidertron, Spit Flower, Frankenstein Monster, Wheel of Misfortune, Mutitus, Rockstar, Samurai Fan Man, Weaveworm, Babe Ruthless, Fang, Cyclops, Hatchasaurus & Cardiatron, Polluticorn, Twin Man, Cyclopsis, Octoplant, Goo Fish, Goatan, Fighting Flea, Jellyfish Warrior, Mantis, Dramole, Grumble Bee, Two-Headed Parrot, Peckster, Pumpkin Rapper, Soccadillo, Slippery Shark, Lizzinator, Rhinoblaster, Commander Crayfish, Oysterizer, Pirantishead, Primator, Saliguana, Bloom of Doom, Robogoat, Octophantom, Stag Beetle, Invenusable Flytrap, Guitardo, TurbanShell, Pipebrain, Trumpet Top, Mirror Maniac, Nimrod the Scarlet Sentinel, AC & DC, Lipsyncher, Pursehead, Magnet Brain, Key Monster, Doomstone, Terror Blossom, Four Head, Beamcaster, Silver Horns, Skelerena, Scatterbrain, Pachinko Head, Showbiz Monster, Flame Head, Cannontop, Weldo, Evil Bookala, Jaws of Destruction, Tube Monster, Photomare, Wizard of Deception, Rat Monsters, Snow Monster, Turkey Jerk, Mondo the Magician, Needlenose, Vase Face, Party Crasher Monster, Repellator, Vampirus, Artistmole, Lanterra, Marvo the Meanie, Centiback, Hate Master, Face Stealer, Miss Chief, Katastrophe, See Monster, Crabby Cabbie, Inciserator, Garbage Mouth, Ravenator, Brick Bully, Sinister Simian, Blue Globbor, Dischordia, Professor Longnose, Parrot Top, Smudgey Swirl, Yetiki, Piecemeal, Barkzo, Slotsky, Barbaric Brothers, Bratboy, Witchblade, and Arachnofiend and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Rita Repulsa, Goldar, Squatt, Baboo, Finster, Scorpina, Lokar, Lord Zedd, Rito Revolto, Master Vile, Hydro Hog, Count Dregon, Nefaria, Cyclopter, Doubleface, Gork, Fact, Plague Sentry, Plague Patrol, Cogwarts, Commandoids, Bones, Skeleton Warriors, Giant, Mighty Minotaur, King Sphinx, Gnarly Gnome, Pudgy Pig, Chunky Chicken, Eye Guy, Mr. Ticklesneezer, Knasty Knight, Pineoctopus, Terror Toad, Madame Woe, Snizzard, Dark Warrior, Genie, Shellshock, Spidertron, Spit Flower, Frankenstein Monster, Wheel of Misfortune, Mutitus, Rockstar, Samurai Fan Man, Weaveworm, Babe Ruthless, Fang, Cyclops, Hatchasaurus & Cardiatron, Polluticorn, Twin Man, Cyclopsis, Octoplant, Goo Fish, Goatan, Fighting Flea, Jellyfish Warrior, Mantis, Dramole, Grumble Bee, Two-Headed Parrot, Peckster, Pumpkin Rapper, Soccadillo, Slippery Shark, Lizzinator, Rhinoblaster, Commander Crayfish, Oysterizer, Pirantishead, Primator, Saliguana, Bloom of Doom, Robogoat, Octophantom, Stag Beetle, Invenusable Flytrap, Guitardo, TurbanShell, Pipebrain, Trumpet Top, Mirror Maniac, Nimrod the Scarlet Sentinel, AC & DC, Lipsyncher, Pursehead, Magnet Brain, Key Monster, Doomstone, Terror Blossom, Four Head, Beamcaster, Silver Horns, Skelerena, Scatterbrain, Pachinko Head, Showbiz Monster, Flame Head, Cannontop, Weldo, Evil Bookala, Jaws of Destruction, Tube Monster, Photomare, Wizard of Deception, Rat Monsters, Snow Monster, Turkey Jerk, Mondo the Magician, Needlenose, Vase Face, Party Crasher Monster, Repellator, Vampirus, Artistmole, Lanterra, Marvo the Meanie, Centiback, Hate Master, Face Stealer, Miss Chief, Katastrophe, See Monster, Crabby Cabbie, Inciserator, Garbage Mouth, Ravenator, Brick Bully, Sinister Simian, Blue Globbor, Dischordia, Professor Longnose, Parrot Top, Smudgey Swirl, Yetiki, Piecemeal, Barkzo, Slotsky, Barbaric Brothers, Bratboy, Witchblade, and Arachnofiend and he began absorbing them into him as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: I can't believe that sore loser created clones of your old enemies, guys, yeesh.

Me: Yeah, he really is a sore loser.

Tommy Oliver: He just never gives up.

Lincoln: You said it. But, let him keep sending more clones of the Power Rangers' enemies, he knows I'll absorb them and I'll destroy him. But, of course, I know this isn't the end of those remnants of that lunatic.

Nico: Yeah, he's never going to quit until we're destroyed, he's even worse than that fucked-up dark asshole, Damian Alaister and The Church of Necrom.

Nicholette Torrington: You said a mouthful.

We got a shower afterwards, and then, Lincoln, Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Aim Mistress, Corina Coldbreeze a.k.a. Miss Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder are heading to Everbay Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Aim Mistress, Corina Coldbreeze a.k.a. Miss Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Aim Mistress, Corina Coldbreeze a.k.a. Miss Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Amy Holograph: Wow, so, this is Everbay Coast it sure is beautiful.

Lincoln: It sure is, Amy, and it's perfect for our first date. Shall we?

Lincoln, Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Aim Mistress, Corina Coldbreeze a.k.a. Miss Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair

Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Miss Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Aim Mistress, Corina Coldbreeze a.k.a. Miss

Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Aim Mistress, Corina Coldbreeze a.k.a. Miss Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder are in your harem, Linky.

Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Aim Mistress, Corina Coldbreeze a.k.a. Miss Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder showed the marks Lincoln made on the right sides of their necks.

Izuku: Wow, I knew they had feelings for him, and I knew he'd mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Amy Holograph a.k.a. Holovision, Delia Hairmeister a.k.a. Hair Mistress, Sheena Armwiggle a.k.a. Miss Octopus, Rosa Spikethorn a.k.a. Miss Thorns, Katie Armcrusher a.k.a. Hammersmash, Bethany Slashblade a.k.a. Slash Lady, Zoey Quickaim a.k.a. Aim Mistress, Corina Coldbreeze a.k.a. Miss Blizzard, and Kikki İnfernoweld a.k.a. Miss Welder, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-

bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

Girl Jordan was walking through the beautiful forests and she was enjoying the beauty and splendor of nature.

Girl Jordan: Boy it's such a beautiful and gorgeous day. Listen to all the animals and smell the flowers.

Girl Jordan then Stepped on a rock and she then saw a tunnel open up.

Girl Jordan: What's that? Looks like a tunnel. Wonder where it leads.

She then stands a little bit too close to the tunnel, until it had a bit of sloping feature to it. Girl Jordan eventually slipped and was sliding down the hall, screaming all the way here.

Girl Jordan: "AAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHHHH!"

She eventually made it towards the end of the tunnel, which lead her intothe middle of the Everfree Forest and the Castle of the Two Sisters.

Girl Jordan: "Wh-Wh-Where am I?"

She lit a ball of light.

She was worried at the moment as she looked around for some safer way back to the estate, until she saw some crystals and rocks forming a small Stonehenge, and some vines covered with a bunch of baby blue and purple flowers, which started to bloom and in the dark underneath the light of the full moon.

Girl Jordan: Oh wow. Those flowers are beautiful.

She eventually took a look at the Stonehenge in front of her and walked over to it carefully. She then took a look at the flowers around her, smiled at the flowers that are blooming. She walked over towards it, wondering what that special flower was. She slowly walked towards it, reached the pedestal, and took a sniff at the flower. But then, the flower sprayed some pollen in her face. It causes Girl Jordan to cough and step back.

Girl Jordan: (Cough) I should probably head home.

As she was walking, she wasn't paying attention to her stomach that's slowly swelling up. She did however, feel her stomach was growling.

Girl Jordan: (In her head) 'Huh. I'm feeling really hungry. Maybe I should go pick up something for me and Linky before heading home.'

Then, she suddenly noticed something when her eyes were widen, and slightly furrowed with confusion and her eyes upwards.

Girl Jordan: 'Wait a minute! I already ate chicken wings earlier! So why am I so hungry all of a sudden? Maybe it's not hunger…'

She then noticed her stomach was now bigger, as she went her eyes widen in concerning fright.

Girl Jordan: "What in the name of all things great and small is happening to me?!

She then felt pain coming from her stomach and she broke down crying and she teleported back to the estate!

Later we were watching TV and then Girl Jordan came in crying and holding her stomach in pain!

Poromon: Hey, Girl Jordan!

WE GASPED!

Me: Girl Jordan are you all right!?

Nico: What's wrong!?

Girl Jordan: (Crying) Help me!

We saw that she had a Baby Bump!

Me: (GASP) YOU'RE PREGNANT!? BUT HOW!

Rarity: Oh, my stars, darling!

Applejack: Are you alright, sugarcube?

Rainbow Dash: What happened to you?

Nico: More importantly? How did this happen?

Girl Jordan: It's sort of a funny story.

She gave us an explanation of how her belly got big and swollen.

When she finished her explanation, Brittney gasped in shock when she knows what Girl Jordan is talking about.

Brittney: Girl Jordan, did that flower have purple and blue petals?

Girl Jordan nodded!

Brittney: Girl Jordan, that flower you saw is called the Maternity Flower of Feminora!

All of us: THE WHAT!?

Brittney: I'll explain later! We got to get her to the hospital fast!

Nico: Right! LETS GO! DOUBLE TIME!

We were off!

We teleported and got Girl Jordan into the hospital and into the delivery room!

Nico: How did this happen so fast!?

Me: Yeah!

Brittney: Because of this.

She pulled out her book of Supernatural Artifacts and Otherworldly Wonders and we saw the flower.

Brittney: A Maternity Flower of Feminora. It's a magical flower that make any mares of Equestria or any female creatures pregnant in an instant! Girl Jordan got sprayed by those flowers, and instead of getting pregnant for 9 to ten months, she got pregnant in an instant!

WE GASPED!

Lisa Loud: But that's impossible! How can that be?

Brittney: I'm sorry Lisa, but there's no lie about that flower and Girl Jordan is about to deliver a baby. However, there's a huge catch. It can only take effect for someone that has a dying wish of someone at the age of 7 or under.

Rainbow Dash: And you're telling us that a creature of a different species will come as a baby? Like a dragon or a gryphon? Or anything out of Earth?

Brittney: Yep.

Nico: This was the last thing I expected to happen!

Me: Me too! I had no idea flowers like that even existed!

Qin: Crazy!

We heard Girl Jordan scream and then the baby was born.

Me: It must be done.

Qin: That is fast.

Me: Yeah.

Later Girl Jordan and Lincoln came out.

But they had a 5 year old girl with them and she had purple clothes and had brown hair and had green eyes with green sclera.

Girl Jordan: (Weakly) Guys we have a surprise.

Girl: (Speaking Tamaranean)

Starfire: She's from Tamaran!

Blackfire: The eyes and language are a dead giveaway.

Poliwag: What should we name her?

Me: Wait lets hear her story first.

Starfire: Wait I know that voice. G'allitaia?

Blackfire: Little G'allitaia? Wow! It's great to see you again.

G'allitaia: (In English) You too Princess Komand'r and you as well Princess Koriand'r.

Starfire: We haven't seen you since Beast Boy and Tara's wedding on Tamaran.

G'allitaia: It has been a while.

Me: I thought you looked familiar. You were amongst the crowd when we had their wedding there.

G'allitaia: It has been a while.

Nico: What happened to you that lead to this?

G'allitaia: I was mortally wounded in a terrible Gordanian Raid on one of Tamaran's sister planets and made a wish to be reborn.

WE GASPED!

Beast Boy: Say What!?

Nico: Those Gordanians are nothing but trouble!

Qin: Yeah!

Me: But you were brought back to life because of a magical flower.

Nico: Long story.

Me: You're actually on the planet Earth.

Starfire: This is the planet me, Blackfire and Wildfire live on now.

G'allitaia: That is amazing. I still have so much to learn here. But I'm more than excited to help out. By the way in your language I am known as Goldfire.

Nico: Awesome name.

Tara: That flower is really amazing.

Girl Jordan: It sure is.

Me: Girl Jordan can you show us exactly where you found this kind of flower?

Girl Jordan: I sure can.

I gave her a senzu bean and we were off to find it.

We arrived at the spot and it was a hidden grove and it was amazing.

Nico: Wow! Look at this place.

We saw the flowers.

Me: Wow! There they are.

Nico: Don't get too close.

Me: So that's the Maternity Flower of Feminora. That is amazing.

Twilight Sparkle: Amazing.

Me: I didn't know flowers like that even existed. This is the first time we ever saw one.

Lola: It's beautiful.

Girl Jordan: I thought it was a harmless flower when I saw it.

Princess Celestia: And it's right in between our old castle and the Everfree Forest. Wow that is amazing.

Me: It sure is.

Qin: Wow.

We later went back home. And Girl Jordan's mom and dad were shocked to find out that a flower like that got her pregnant which is amazing. But they gladly accepted Goldfire as part of the family. And we did too and so did Lincoln.

The mascots were in the kitchen making something.

Cayenne: What are you guys making?

Poromon: A special cake for all of you.

Cayenne: Ooh this will be interesting.

Poliwag: You guys will love it.

Later as we were watching TV we saw the mascots bringing out their cake and it was amazing!

Me: Wow! What a cake!

It looked like a wedding cake.

Me: Is someone getting married?

They laughed.

Poromon: No we made this cake for you all to have.

Pepperdance: (Cajun accent) Is it made of beer?

Poromon: (LAUGHS) No. It's a cake made of four flavors. Chocolate, vanilla, strawberry and cookies & Cream.

Nico drooled!

We tried some and it was all 4 of those flavors each stacked on top of each other in layers.

Me: Wow!

I took a bite and it was DELICIOUS!

Me: (Eating) MMM! Delicious!

Nico: What a delicious cake!

Nico was eating.

Me: Boy Neapolitan Cookies and Cream Flavored. That is awesome.

Goldfire: (Eating) Mmm! Delicious.

Lola: It sure is.

Girl Jordan: Boy this is the best cake ever. (Eating) Yummy!

Norbert: (Eating) Delicious!

Daggett: (Eating) Boy you said it Norbie.

Dirtbag: This is tasty.

Poliwag: Thank you guys!

Manaphy: We worked on this for a long time.

Me: You sure did. It was really worth it.

Xenia: Yep.

Camie: Boy no kidding.

Girl Jordan: It is just as good as all the awesome cakes mom makes.

?: Boy that cake looks delicious.

We saw a girl with black hair and purple eyes and she had black angel wings and had black clothes and she had a tiara with the symbol of shadow on it and around her waist was a headband for the Hidden Darkness Village and she had a black blade katana on her back.

Serena Shadow: Serena Shadow, Embodiment of Shadow Man and Elite Genin of the village of Yamigakure.

Me: The Hidden Darkness Village!? I haven't seen that village in over 150,000 years.

Sakura Haruno: Wow! Serena it's awesome to see you again.

Hinata: You are looking awesome.

Ino: Boy you sure are.

Serena Shadow: It sure has been a while Sakura, Hinata and Ino. How have things been with you girls?

Sakura Haruno: Been really busy as ninjas and as members of Team Loud Phoenix Storm.

Ino Yamanaka: Yeah but it's awesome.

Nico: Wow! Why is it called the Hidden Darkness village?

Me: Well for obvious reasons it's called that because it's a village that is totally covered in the shadow of darkness. Pitch Black Darkness. It has a special chakra field around it that completely blocks out the sun and makes it completely enshrouded in total darkness.

Nico: Whoa! That is scary.

Fu: It's really cool. And the Hidden Darkness Village is one of the Leaf's allies and trade partners and some of our friends there.

Me: It's true.

Grapple: How did you meet Sakura and Ino?

Serena Shadow: I met them during the Chunin Exams being held at the leaf and I helped them battle Orochimaru's forces that were about to bust into the village during the invasion.

Me: I remember that. Serena has the power of a Z-Rank level shinobi. Her power is so strong that not even the strongest of the S-Rank Rogue shinobi can match her.

Serena Shadow: It's true.

Nico: Wow! That is amazing. What power level do you think you have from that?

Serena Shadow: I would have to say that my power level would have to be that of about 1.95 billion.

WE GASPED!

Lola: That is amazing!

Qin: Wow! That is as powerful as Omega Shenron.

Serena Shadow: Yep.

Me: Would you like to join us?

Serena Shadow: I would be honored.

Rage Mage: Nico, who gets to shine today?

Nico: Tyler Nevarro, Dante Vale, Dino Tyranno, Max (Dino Squad), Haruto, and Ty Rux.

Qin: Sweet!

Lola: Awesome!

Ty Rux: Looking forward to this!

Camie: This will be fun.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO versions of Red King and Attuma, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the LEGO versions of Red King and Attuma, and they're causing havoc.

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: They're in the levels Red King Revelation and Torg-Nado.

King Kai: (Telepathically) And if that's not worse, I got bad news: Attuma has come back from the dead seeking revenge on you all.

We gasped.

Nico: Oh shit, so not only do we got to beat down the LEGO versions of Red King and Attuma, but now, we got word that Attuma has come back from the dead for Round 2.

Me: Sounds like it.

Nico: Okay, then, let's head down there and take care of the LEGO versions of Red King and Attuma and send Attuma to The Black Gates forever.

Lincoln: This is going to be so awesome.

Me: I think Lincoln means the Prime universe version of Attuma. Also we never faced the Prime universe version of Red King.

Nico: Yeah.

May: And don't you find it odd that Lego Hulk hasn't been seen yet?

Me: Yes and I know why too. Red King is controlling him in that stadium in Chronopolis just like in the game.

Nicole: I remember that!

Nico: Oh boy.

The previous group came.

Diabolico: Can me, Brain Freezer, Man Boy, Zexion, Riddler, Toiletnator, Chalmers, Iron Lung, Tala, and Pete go with you guys?

Nico: Yes you all can. We had a really eventful last couple of hours.

Brain Freezer: What happened?

We told them everything.

THEY GASPED!

Tala: Oh wow! The Maternity Flower is real!?

Nico: It sure is.

Varie: Yeah crazy story.

Stickybeard: Nico, which Gene Slammer you be meeting next?

Nico: Sheep Man next.

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed seven dark energy signals with their eyes and the Force, and they saw who the figures are in the vision: the figures are none other than Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka, old enemies of Laura Baránková, Dana Voráčová, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková and the Czech Republic's seven most infamous serial killers and dark warlocks who've used black magic to murder innocent people and got away with it for years.

But, they were defeated by Laura Baránková, Dana Voráčová, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková long before they moved to Royal Woods and sent straight to Hell. Now, they've come back from Hell and are after one thing: revenge on the Mythical Beast Gene-Slammers. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way.

Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Laura Baránková, Dana Voráčová, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková, you're not going to like them one bit: the dark figures we sensed belong to Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka.

Laura Baránková, Dana Voráčová, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková gasped in horror.

Laura Baránková: (Czech Accent) WHAT?! Those seven serial killers and dark warlocks have come back?!

Radana Růžičková: (Czech Accent) That's impossible, I thought we banished them to Hell!

Nico: Laura, who are they? They really sound like bad news.

Laura Baránková: (Czech Accent) They are, and you're not going to like those seven one bit. Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are the Czech Republic's seven most infamous serial killers, who murdered a lot of innocent people for years.

Dana Voráčová: And to make things worse, they also sold their souls to The Devil in exchange for dark powers and black magic, and they'd also transformed into dark warlocks and they used their black magic to murder even more innocent people and got away with it for years.

Me: Oh man!

Lincoln: I remembered you telling me this story, and this was before you all moved to Royal Woods.

Erika Dědinová: (Czech Accent) That's right, Lincoln. Before we moved to Royal Woods seven years ago, we had to stop Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka before they could kill again. We stopped them before they could claim another victim's life and we not only defeated them with our skills in magic, but we performed a binding and banishing spell that sent Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka straight to Hell for good.

Helena Zelenková: (Czech Accent) But, right before they were sent to Hell for good, Tobias swore that he and the others would return to Earth and seek vengeance on us. Then, as they were sent straight to Hell for good, the binding circle transformed into a pentagram.

Andrea Nezbedová: (Czech Accent) It was supposed to keep those seven trapped in Hell forever, so that they don't escape ever.

Radana Růžičková: (Czech Accent) That was what we intended, but the binding's began to weaken.

Marie Nováková: (Czech Accent) And the weakening of the binding allowed Tobias Svoboda, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka to return from Hell. Now, the world is in huge trouble.

Lincoln: It is, Marie. We need to stop them, and I came up with who's going to face them.

Lincoln got out a list and he showed who's going to be facing those seven black magic-using Satanic serial killers.

Laura Baránková, Gene-Slammer of Mythical Beast Bashilisk and Lincoln VS. Tobias Svoboda

Dana Voráčová, Gene-Slammer of Mythical Beast Jackal and Lincoln VS. Dominik Kucera

Erika Dědinová, Gene-Slammer of Mythical Beast Cerberus and Lincoln VS. Daniel Kadlec

Helena Zelenková, Gene-Slammer of Mythical Beast Jackal King and Lincoln VS. Adam Hornik

Andrea Nezbedová, Gene-Slammer of Mythical Beast Master Cerberus and Lincoln VS. Marek Hruska

Radana Růžičková, Gene-Slammer of Mythical Beast Medusa and Lincoln VS. Josef Sedlacek

And Marie Nováková, Gene-Slammer of Mythical Beast Garuda and Lincoln VS. Antonin Ruzicka

Laura Baránková: (Czech Accent) Well, it looks like we're facing Tobias Svoboda, Lincoln.

Lincoln: Yep.

Nico: So, we got seven Satanic serial killers from the Czech Republic to deal with, we'll make them wish they were still in Hell by the time we get through with them. Alright, gang, let's go, we're off to Chronopolis and we're taking down the LEGO versions of Red King and Attuma.

Lincoln: And also, give the Attuma we know and hate The Black Gates, and once we get through with them, you're next, Tobias Svoboda.

Laura Baránková: (Czech Accent) You and the others made a very huge mistake escaping from Hell, Tobias. I would've thought we were finally rid of you after we banished you and your allies seven years ago to Hell, but not even Hell will keep you seven trapped for good. Very well, we will send you all to a place far worse than Hell, and we'll make sure you never rise again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the LEGO versions of Red King and Attuma, and also, give the Attuma we know and hate The Black Gates, and once we get through with them, Lincoln and Laura Baránková are going to destroy Tobias Svoboda, the first of the Czech Republic's seven infamous Satanic serial killers.

We were off to Chronopolis.

---

We arrived and We saw Lego Captain America, Lego Doctor Strange, Lego Thor, Lego Stingray, and Lego Captain Marvel.

Nico: Guys!

Lego Captain America: Thank goodness you all made it!

Me: We know. Hulk is not with you. And Lincoln told us why. Red King.

Lego Thor: You sure he's not taking vacation time?

Lincoln: No he's not. Red King has him.

Me: He's over at the stadium.

Qin: And he is under his control.

Lola: Yeah.

Brain Freezer: He won't be easy to free.

Tyler Nevarro: But it's better then him being a puppet. It's Morphin Time! Dino Charger Ready! Energize! Unleash The Power!

Haruto: Henshin!

RRRRROOOOOOOOOOOOOOOOOOOOAAAAAAARRRRRR! CHOMP!

They transformed!

Tyler Nevarro: TYRANNOSAURUS POWER! DINO CHARGE RED!

Haruto: FIRE MAGIC! KAMEN RIDER WIZARD!

Me: Awesome! Better get ready too. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

We went at the stadium and then we heard a roar!

Qin: That's him!

Lola: Hulk is there.

Nico: Mini entrance time.

We went at the stadium.

Lego Hulk was dressed in gladiator gear and was roaring. Red King laughed.

But then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above the arena and then a phoenix cry was heard and we landed.

Me: Angmo Asan A.K.A. Red King.

Red King: J.D. Knudson, I've heard so many big things about you,

Me: Nice to know I've made an impression.

Metal Man: Come down here and face us!

Lego Red King: Will you face me? Or Hulk?

Edzilla: ED SMASH HULK!

Edzilla and Lego Hulk ran at each other.

Then they collided!

KRASMASH!

Edzilla sent Lego Hulk flying and he crashed into the wall!

Edzilla: ED STRONGEST EVER!

Qin: YEAH!

Me: Red King they are playing our song. Time to dance.

I fired waves of blue fire and blasted the Red King Down.

Lego Hulk grabbed Edzilla by the tail and smashed him to the ground.

Lego Hulk: HULK SMASH LIZARD!

But before he could throw him I teleported and kicked Lego Hulk in his face and sent him crashing into Lego Red King.

Edzilla: Thanks J.D.

Me: No problem Ed.

Edzilla pulverized Lego Hulk and then I teleported and slashed Lego Red King.

Lego Hulk punched Edzilla in the face.

But Edzilla ducked and grabbed the helmet of Lego Hulk and crushed it! Freeing him from Lego Red King's control!

Qin: WHOA!

Lego Hulk: Huh? What? What happened? Where is Hulk?

Edzilla: ED IS STRONGEST THERE IS! (roars to the heavens)

Nico: YEAH!

Eddy: YOU GO LUMPY!

Lego Red King: NO!

Me: Yes!

I fired blades of energy and blue fire and blasted Lego Red King all over.

Chalmers: (to Lego Hulk) Wanna know what happened?

Dante Vale: One of the strongest heroes there is beat the crap out of you.

Me: Because you were under HIS control!

I pointed to Red King.

Lego Hulk was infuriated!

Lego Hulk: HULK MAKE PUNY KING PAY!

Edzilla: (To Lego Hulk) Smash with Ed?

Lego Hulk: Hulk gladly help!

They went at Lego Red King and punched him in his face!

KRABLAM!

I bashed Lego Red King in his face.

Lego Red King: STOP THESE FOOLS!

Then out came NUMEROUS SOLDIERS!

Hulk: HULK SMASH TOO!

He punched and smashed Lego Red King and Nico fired waves of energy and blasted the Soldiers all over.

Laney: Take this!

She fired waves of leaves and slashed them.

Lola fired waves of fire and incinerated them.

Lola: Take that!

Dirge: Time to take to the sky!

Dirge transformed into his jet mode.

He flew and fired missiles and blasted the soldiers and Eli fired waves of Force Lightning and electrocuted them.

Lana fired waves of ice and froze them.

Qin and Lola fired waves of fire and blasted Lego Red King and I slashed numerous Soldiers.

The soldiers were just coming one after another!

Zexion: They keep on coming!

Dino Tyranno: Then we'll keep on fighting!

Qin: Yeah!

We fired waves of energy and elements and blasted the soldiers all over.

Qin: Yeah take that!

Lego Red King Teleported away.

Nico: We already know where he's going!

Me: He's going underwater.

Camie: Yep.

Lincoln: He's meeting up with Attuma.

Camie: Yeah and we're going to be ready for him.

Maria: I think he's in Lemuria.

Lola: Wow.

Camie: Interesting.

Shadow Man: (to Serena) When we run into more goons, how about you and I take them out together?

Serena Shadow: Gladly.

Me: Awesome.

Qin: Yeah.

Tala: Well, if we want to get that chance, we better get a move on.

Max: (Dino Squad) You heard the lady.

Qin: Yep.

Nico: Lets head underwater then.

Varie: Awesome.

Misfire: Looks like the Aquatic Mascots are getting a head start.

Nico: Yep. Lets go!

We were off.

We went underwater to Lemuria and I used my magic to give the non-water mascots the power to fight and live underwater.

As well as breathe underwater.

We saw Lemuria and it was amazing!

Haruto: Reminds me of Atlantica.

Pete: You know I never actually went to Atlantica when I was still serving Maleficent, right?

Sora: We remember that.

Kairi: Yeah.

Qin: Wow.

Lola: Yep.

We were amazed seeing it.

Me: Awesome.

Tengu Man: Don't get too distracted. We still got a job to do.

Me: Yep.

Qin: Lets do it.

Eli: I sense that Attuma's in that building there.

We saw an underwater temple.

Iron Lung: There will probably be some guards in the way.

Ty Rux: Then we take them out.

Nico: Lets go.

We went at the temple and saw a bunch of guards and blasted them.

Varie: Gotcha!

Eli: He's in that room there.

We saw a big room.

Clown Man: Lets give him a surprise!

Nico: Entrance time.

We went at the room.

Attuma and Red King were really steamed. But then the spirits of the water appeared and swirled around them and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

A massive fiery explosion blasted through the door and a bunch of explosive pies hit them in their faces and they were badly burned. Then a phoenix cry was heard and we came out.

Me: Thought you could hide from us!

Attuma: YOU!

Me: Yes us!

Riddler: Riddle me this: Where's your third buddy?

TORG THEN CAME!

Me: Torg!

Qin: Awesome!

I fired waves of energy and blasted Torg all over.

Nico: That it?

I fired waves of energy and blasted Lego Red King and Lego Attuma all over.

Gyro Man: Riddler was referring to Prime Attuma.

Me: He's right here!

And I grabbed Attuma the Prime Universe version and bashed him in his face.

I threw him onto the ground.

Me: Weird how there's 2 of you huh Attuma?

Green Arrow fired an arrow through Prime Attuma's face.

Green Arrow: (to Batman) And you said I'm not dangerous.

Batman: I never said that.

Green Arrow: Then why don't you have a contingency plan for me?

Batman: Sorry.

We fired waves of energy and elements and blasted them.

Me: Yeah!

Lego Attuma: That was quick.

Toiletnator: Hey, we still have you two and your pet to deal with.

Nico: Yep.

Fluttershy: (Uses stare on Torg)

Torg was scared of Fluttershy.

Nico: Nice one.

Thrust: (To Serena and Shadow Man) You two are up.

She fired a ball of darkness and it hit Lego Red King and exploded.

Qin: That's what you get for controlling Lego Hulk!

Dante Vale and Haruto charged at Lego Attuma.

They blasted him with magic and energy.

Me: Yeah.

Eddy: That's right Lumpy!

Electrocutioner: (To Nico) We heard you faced an old enemy of Georgina's.

Nico: We sure did.

Pyro: What's her name?

Nico: Cathleen Torrence. She was an insane nutjob.

Qin: Yeah.

?: Whoa! No kidding.

A figure came out and it was LOUIE KABOOM from episodes 36 to 40 of Zeo!

---

When the Zeo Rangers destroyed King Mondo, Rita and Zedd jumped on the chance to get rid of the Machine Empire. They created Louie Kaboom, a mechanical rocket monster, to infiltrate the Royal House of Gadgetry when it was at its most vulnerable. Goldar and Rito were sent to launch Louie from Earth (allegedly to prevent Queen Machina from discovering them on the moon), only for Rito to lose the remote.

Upon his arrival at the Machine Empire's palace, Louie took a liking to Machina, despite her rebukes. Taking advice from Klank, Louie decided to destroy the rangers to impress her. At this point, she let him remain on the moon under the pretense that he would dispose of them, in spite of his obnoxious personality. The rangers found Louie's remote and tried to shut him down, but he had himself rewired so it no longer affected him. Rita and Zedd would also try to reclaim Louie a few times, but their plans were less than successful.

Though Machina often argued with Louie, it was often playful and she allowed him to remain at the palace. Even Sprocket seemed to be on decent terms with him despite Louie's efforts to woo his mother. Louie spent a short amount of time trying to defeat the rangers and even made some of his own monsters, but met with failure each time.

Quickly growing tired of Sprocket and Machina, who would not become his queen, Louie somehow wrested control of the Machine Empire away from the two, declaring himself the new emperor.

When Prince Gasket and Archerina arrived on the moon, they set out to dispose of Louie. Archerina took control of him with one of her love arrows. She had him unfortunately attack Angel Grove and battle the Zeo Rangers. After a long and difficult battle for the rangers, Louie Kaboom was finally destroyed by the Super Zeo Ultrazord

---

Tommy Oliver: Louie Kaboom!

Louie Kaboom: Been a while rangers.

Me: I remember you! You were trying to destroy the rangers to impress Machina!

Louie Kaboom: Yep. Good memory. I have an explosive touch.

Me: You sure do.

Louie Kaboom: I knew I made the right choice ditching Rita and Zedd! They're nothing but trouble!

Me: All that and more. That's why we're going to make sure they die in November. This time they get the black gates after 30 years!

Laney: You got that right!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANT TO LIVE FOREVER!?

We got the battles underway!

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Tobias Svoboda.

?: (Czech Accent) LAURA BARANKOVA, YOU AND YOUR FRIENDS WILL DIE FOR BANISHING US ALL TO HELL SEVEN YEARS AGO!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of brimstone and Hellfire from anywhere, come on out right now, Tobias Svoboda, or we will force you out.

A figure came out: he was a male with long black hair, pale skin, dark clothes, he has black demonic wings, and blood red eyes full of hatred, it was Tobias Svoboda, one of the seven infamous Satanic serial killers from the Czech Republic.

Laura Baránková: (Czech Accent) You Hellfire-dwelling rotten black hearted piece of fucking shit!

Nicholette Torrington: I should've known you'd show up here once again, you fucking asskisser of The Devil!

Nico: So, that's Tobias Svoboda, one of the seven infamous Satanic serial killers from the Czech Republic.

Laura Baránková: (Czech Accent) And the ringleader of their whole group.

Tobias Svoboda: (Czech Accent) DIE!

Tobias Svoboda fired a blast of Hellfire at Nico, but the diamond barrier that was still up absorbed the Hellfire blast and that majorly pissed off Tobias Svoboda.

Laura Baránková: (Czech Accent) Okay, now you're going to get it.

Suddenly, Laura Baránková's blue eyes turned neon blue and she was surrounded by a purple energy aura with stars, magic, reptiles, snakes, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Tobias Svoboda, she left purple energy, stars, magic, reptiles, snakes, phoenixes, and angels with every step.

Laura Baránková: (Czech Accent) I'm not surprised to know that your thirst for blood is still as bad as ever, Tobias Svoboda. But, what also angers me is that after seven years of being imprisoned in Hell, you and your minions haven't learned a single thing and that you're still out to kill and slaughter any who get in your way of appeasing your dark master, The Devil. We made the big mistake using that binding spell to banish you seven to Hell seven years ago, but now, we're going to fix that, and this time, you're going to die here and now, and we'll make sure you never rise again!

Suddenly, Laura Baránková was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there are reptiles, snakes, phoenixes, angels, and Mythical Beast Bashilisk flying around the vortex, and in the vortex is a light purple phoenix with red eyes glaring at Tobias Svoboda: the red eyes of eternal death. Then, as the vortex faded, Laura Baránková emerged, but she was changed forever.

Laura Baránková grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has light purple highlights in the bangs of her long now dark purple hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a purple energy aura with stars, magic, basilisks, reptiles, snakes, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed, and it's now an immense protective neon rainbow aura with all of the elements swirling around it, she has Mythical Beast Bashilisk emblazoned on her forehead and Third Eye with blue iris, she has on snake earrings with blue gems for eyes and holding the Star, Light, Magic, and Eternity Kanjis in its tails, she also has Mythical Beast Bashilisk with blue gems for eyes and holding the the Star, Light, Magic, and Eternity Kanjis in his hands for the second pendant on the bottom of her purple snake-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Laura Baránková has on a short-sleeved purple midriff shirt, purple skirt, purple pants, purple anklewarmers, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, magic, basilisks, reptiles, snakes, phoenixes, and angels on the coattails, and on the back is Mythical Beast Bashilisk surrounded by stars and magic. Suddenly, Laura Baránková felt a sharp pain on her back, and then, her massive dark purple angel wings with pink tips on the large white feathers grew much bigger for her new body and she also now has eleven massive and long purple wolf tails with light purple tips and light purple markings, Laura Baránková has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Laura Baránková's massive angelic greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, magic, basilisks, reptiles, snakes, phoenixes, and angels, and when it emerged, it was transformed into Laura Baránková's Cosmic Eternal Magic Starstorm Solar Mythical Beast Bashilisk Snake Phoenix Angel Greatsword of Cosmic Eternal Magic Starstorm Solar Mythical Beast Bashilisk Snake Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Mythical Beast Bashilisk etched on the 7'6" massive, wide, double-edged gold blade, large purple snake heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple snake heads with blue gems for eyes and on the bottom of the large purple snake heads is a large purple snake head with blue gems for eyes and blue gem in its mouth for the pommel, Laura Báránková has on her large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Mythical Beast Bashilisk's head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large angel spellbook, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji with purple crescent moons in between the kanji below Mythical Beast Bashilisk that said, "Laura Báránková, Gene-Slammer of Mythical Beast Bashilisk, Powerful Master of Magic, Summoner of Reptiles and Snakes, Representor of The Mythical Basilisk, True Immortal and Powerful Warrior of The Universe, Leader of The Guardian Angels of Lincoln Loud, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Pablo and Anderson, Destroyer of Satanic Serial Killer of The Czech Republic Tobias Svoboda, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stars, Magic, Basilisks, Snakes, Reptiles, Phoenixes, Angels, and Mythical Beast Bashilisk"

We were amazed by Laura Báránková's Super Angel-Mythical Beast Bashilisk-Snake-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Tobias Svoboda saw it, he went mad with rage and fired a blast of darkness to kill her, but Laura Báránková fired a massive barrage of purple energy, stars, magic, basilisks, reptiles, snakes, phoenixes, and angels which hit Tobias Svoboda and was sent flying into a tree, he got back up, but now he was pissed off.

Selene Arcangela: Incredible, Laura's transformed, and by the looks of it, Tobias is in huge trouble.

Lincoln: He deserves it, after what Laura told me of what he's done, he deserves nothing but death for his crimes.

Laura Baránková: (Divine Echoing Godly Voice of The Eternal Cosmic Magicstorm Snake Summoner Mythical Beast Bashilisk Phoenix Angel and Divine Cosmic Eternal Cosmic Magicstorm Snake Summoner Mythical Beast Bashilisk Phoenix Angel Love) (Czech Accent) There's no other punishment for someone like him. Shall we, Lincoln?

Lincoln: Let's do it, Laura.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Laura Baránková.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and your friends have got some nerve escaping from Hell, Tobias. What you all did in senselessly murdering innocent people in the Czech Republic seven years ago and selling your souls to The Devil for dark powers proves that you are truly irredeemable, and the only thing you deserve is death.

Lincoln and Laura Baránková went after Tobias Svoboda who continued firing darkness blasts at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, purple energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Tobias Svoboda, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Laura Baránková also left many more by firing blue energy slashes with her claws, and he and Laura Baránková attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Tobias Svoboda even more insane with rage than ever.

Tobias Svoboda: (Czech Accent) YOU! YOU! (ENRAGED DEMONIC SCREAM)

Tobias Svoboda went at them now completely blind with insane rage and fury, but Lincoln and Laura Baránková kicked him hard in the stomach and Lincoln fired blasts of magic at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Tobias Svoboda even farther into the edges of rage and madness.

But before Tobias Svoboda could attack them, Lincoln's large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head glowed and the four large orbiting golden rings fired red energy beams which hit Tobias Svoboda and they sucked out his dark magic and darkness powers and Lincoln made them his own, and that left Tobias Svoboda powerless, and then, Laura Baránková slashed off Tobias' demonic wings and she'd sliced off a demonic looking pendant and she threw it into the ground and stomped on it hard and her boot destroyed it.

Tobias Svoboda: (Czech Accent) NO! NO! MY PENDANT!

Suddenly, Tobias Svoboda's eyes glowed with purple light and dark smoke was coming off him, and then, he let out an unearthly scream as he was consumed by black flames and sent to The Black Gates forever. We all cheered wildly for what Laura Baránková and Lincoln did as they holstered their massive greatswords and powered down and Laura Baránková's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tail, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple angel wings are permanent.

Laura Baránková: (Czech Accent) Rot forever in The Black Gates, bastard. Thank you for helping me destroy Tobias Svoboda for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Laura.

Suddenly, Laura Baránková wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Laura Baránková's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Mythical Beast Bashilisk flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and magic behind them and we cheered wildly. Then, Lincoln and Laura Bаránková sucked in and absorbed the elemental forces and magic and they came back to us as the display vanished.

Me: That was one awesome battle, and that demonic pendant that you destroyed, it's almost like the talisman Chandler had when he made that deal with The Devil.

Laura Baránková: (Czech Accent) You are correct, J.D., that talisman Tobias had was the symbol of his deal with The Devil and it helped us track him and his minions down.

Nico: And when you destroyed it, it destroyed him for good, but why didn't he get sent back to Hell for good like with Chandler? (Realizes what Laura did) Wait a second, you channeled Black Gate energy into your feet, didn't you?

Lincoln: She did, and when that happened, it sent Tobias straight to The Black Gates for good.

Eli: Good riddance, but Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are still running loose.

Nico: They won't be able to do anything except get revenge on us since they lost their leader. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Felicia Midnight.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Felicia Midnight is Lincoln's Guardian Angel from Michigan and the fourth younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Lewis Travolta with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that jerk showed up and tried to attack, but Felicia used her dark powers and made Lewis Travolta's nightmares come to life, and he got so scared, he ran away and went back to prison and holed himself back in his cell and he refused to come out for the rest of the night.

Nico: Whoa, now what was that mutant's nightmare?

Lincoln: That was an easy one: cut off from all restaurants and his scams to destroy their reputations ruined for good.

We gasped.

Me: Yeah, that fear is extremely powerful, and it remained as a permanent scar on that lugnut he calls a brain.

Chemistro: More Lego Villains down for the count.

Goliath: And we got a new pet too.

KGBeast: He'll come in handy.

Titanium Titan: What now?

Dirty Bubble: Let's celebrate here! I feel right at home right now!

Me: Good idea. But only at the Krusty Krab.

Qin: Yeah.

Nico: Great job today everyone.

Aquaman: Yep this was fun.

Applejack: (To the viewers) We had a lot of fun on this one.

Qin: We sure did.

We went back home and enjoyed the rest of the day and went to sleep.

Fat Albert: Fat Albert is READY to kick some butt!

Me: You got that right!

Nico: Albert, do you have any enemies yourself?

Fat Albert: Well there's Reggie, Arthur, the Three River Blockbusters, Scrap Iron, A Dark version of me and Slash and a few others but that's it.

Nico: Wow. Some of them will be perfect for the M.O.E.

Me: Yeah I agree there. Man those guys were nasty.

Nico: Yeah no kidding. I remember those guys.

Danica Metrois: I know! That was crazy.

Zuria: I know. I love Fat Albert and the Cosby Kids. And those guys are nasty to you all.

Carol Pusateri: Yeah they sure are.

Fat Albert: I know. But me and my friends always had fun and made it great.

Nico: We should fight them in the future.

Me: Good idea.

Qin: I agree.

Zuria: Awesome!

Nico: Yep.

Me: Yeah. Man that was awesome. Yesterday was just as awesome too.

Qin: It sure was. Man we battled Red King and Attuma and Trog too.

Nico: We sure did.

Lana: In the colosseum and in Lemuria.

Eddy: (LAUGHS) Lumpy fought Lego Hulk!

Me: He sure did!

Qin: And prooved that he was the strongest of them all.

Xenia: Yeah he sure did.

Varie: Yeah!

Carol Pusateri: That was so much fun though.

Lola: It sure was.

Nico: I hope he had fun. Because that's the last time he fights ANY version of the Green Goliath,

Qin: Yeah that's right.

Lola: Yep.

Eddy: Yeah next time Lumpy does that it will be with me and my fist going through his bug-sized brain.

Me: Yep.

Maria: But even with Chronopolis, we shouldn't forget about the little things.

Nico: I agree.

Qin: We still have Kang to deal with. But there are also still scumbags and other villains there still at large.

Camie: Yeah.

Me: And we have the fun stuff there to do too.

Maria: I was referring to the fun stuff.

Me: I know.

Qin: Yeah.

Xenia: Yeah.

Nico: We're here.

We came out of the forest and then we saw an amazing and beautiful oasis! And it had a waterfall, flowers, butterflies and a beautiful lagoon that had crystal clear blue water.

We were amzed!

Me: WOW!

Qin: Awesome!

Lola: It's beautiful!

Maria: Look at this! It's so beautiful!

Camie: It sure is!

Laney: Amazing!

Varie: And in a secluded part of the forest.

Carol: It's amazing!

Fu: Boy it sure is!

Girl Jordan: Boy it sure is magnificent.

All of us: WOW!

She splashed into the water and came up and saw us.

Shotaro: It's the original Mermaid Dopant.

Me: The original Embodiment of her. That is awesome. Her name is Madison Mermaid.

Lana: Sounds like the one from the movie Splash.

Sakura Knudson: Boy I remember that movie.

Me: That was a fun movie from 1984.

Nico: Awesome.

She came up to us.

Madison Mermaid: J.D. it's awesome to see you again.

Me: Same here Madison. Wow you are looking awesome.

Madison Mermaid: Thanks J.D.

Qin: Boy this is awesome that you can turn into a mermaid when you go into the water.

Madison Mermaid: It sure is. It's my awesome power. I come here every day to have fun.

Me: Is this your own oasis?

Madison Mermaid: It sure is. I've been living in this magical oasis for over 5 years.

Me: Wow.

Madison Mermaid: Yeah I discovered that I have all the powers of the H2O mermaids and many mermaids from over the years.

Nico: Incredible.

Shotaro: Is that why me and Phillip haven't fought you before?

Madison Mermaid: I guess so.

Qin: That is still cool though.

Madison Mermaid: It's awesome being here in this oasis though.

Me: It sure is. We actually found this place so we're new to it. But this is awesome that this is here in the middle of the Gotham Royal York Forest.

Xenia: I agree there.

Madison Mermaid: It sure is. And when I come here in the cold of the winter and fall it's always perfect and warm for all of us.

Me: Like a hot spring in subzero freezing cold. That is awesome.

Kendra approached us.

Kendra: Hey guys.

Me: Hey Kendra.

Kendra: Wow what an awesome oasis.

Nico: It sure is awesome.

Madison Mermaid: I think it's an awesome place myself.

Camie: It sure is beautiful.

Kendra: Nice to meet you, Madison.

Madison Mermaid: Likewise.

Kendra: Boy your name reminds me of Madison from the 1984 movie Splash. That was one of my favorite movies back when I was a little girl.

Madison Mermaid: That is actually my namesake.

Nico: Awesome.

Kendra: Wow.

Nico: This is fitting considering our last mission.

Me: It sure is.

Qin: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Kendra, are you familiar with someone by the name of Lola Dishwater Vegas?

Kendra: (GASPS) OH GOD, NOT HER!

Nico: You know her?

Kendra: I wish I hadn't, but you guys deserve to know the truth about her. But, you should also get out some 22nd Century Exopacks to shield our noses, this is a stinky one. Lola Vegas is a REALLY STINKY AND PUTRID SMELLING GIRL! She stinks so bad that she makes everyone that comes near her throw up.

Me: Whoa man!

---

Kendra: If you thought some of the scumbags we'd dealt with in the past few days were bad, wait til you hear the story of Lola Vegas. She was the worst person I'd ever met, she was a flat-out bully who had caused us tons of trouble in the past, and no one was able to stop her. But, one day, Lola tried to attack me out in the open, but I kicked her hard and sent her flying towards a wall, but just as she's about to come after me, I saw that she was under a barrel of Toxic Waste. I tried to warn her, but her hatred towards me caused her not to listen, and then, the barrel tipped over, and Toxic Waste fell on Lola's head and she was covered from head to toe in that stuff, and she stunk so bad that she makes everyone that comes near her throw up.

We gasped, and soon, the rest of the team arrived and we got out 22nd Century Expoacks and we put them on.

Nico: OH MAN, THAT'S DISGUSTING!

Eli: Man! She is gonna be a STINKY ONE!

Me: UGH! THANK GOD WE GOT ON OUR 22ND CENTURY EXOPACKS! THIS IS GOING TO BE ONE VERY STINKY BATTLE!

Lincoln: I got plenty of soap and water to spray her down, but we're also going to need to scrub her down hard.

Kendra: She really needs a bath.

Me: Maybe a 4 hour scalding hot bath!

Kendra then heard a Pokemon cry.

We saw that it was an Articuno.

Me: Cool an Articuno.

Nico: Ooh a cold one.

We went over and saw that it hurt its wing too.

Nico: Oh the poor thing hurt its wing.

Kendra: Oh are you okay?

Articuno: I think so but my wing hurts.

Kendra: Oh here let me heal it up for you.

She went and did so.

Articuno: Thank you.

Kendra: You're welcome.

Lola: Now we have all three of the Kanto regions Legendary Birds.

Nanette: We sure do.

Camie: So cool.

Me: The Galar versions should be next too.

Qin: That would be awesome to see.

Nico: Hey, lets not get too hasty. They might not be next.

Me: I know but that would be so cool if they were though.

Qin: Yeah.

Nico: You're right. But still.

Me: I know. Never know though.

Laney: Yeah.

Dino Tyranno: But right now we got a lunatic stinky girl to take care of.

Kendra put on her jumpsuit and it was green.

Qin: Awesome.

Lola: This will be awesome.

Me: Squidward can you use your clarinet to make Lola Vegas scream in agony?

Squidward: I like it.

Nico: This will be funny.

Lana: It sure will be.

Squidward played his clarinet.

SOUR TUNE.

Me: Yeah like that.

Squidward: Great!

Nico: Tyler, you, Dante Vale, Dino Tyranno, Max (Dino Squad), Haruto, and Ty Rux did good yesterday

Tyler: Thanks. It was really fun.

Ty Rux: Yeah everyone did great on that one.

Haruto: We sure did.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Lola Vegas) AHA! Got you! I just spotted Lola Vargas, she's 20 yards away and she's heading right for Kendra.

Kendra: Figures. She's going to get it big time!

Lincoln: Along with getting a much needed bath. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of

hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Lola Vegas.

Me: She is coming. I sense it.

Kaz held Kendra's hand.

Kaz: We're ready for this.

Charlie Brown: We sure are.

Laney: Yep.

Then, we heard a loud scream of rage.

?: YOU FUCKING BITCH! YOU'LL PAY FOR MAKING ME LIKE THIS!

Kendra: Yeah, fuck you too, bitch!

We then saw a girl with crazy black hair in stained clothes with stink lines really coming off her and an aura of stink surrounding her and crazy eyes heading right for Kendra, it was Lola Dishwasher Vegas, and she was absolutely fucked-up and crazy. She was about to stab Kendra with a knife, but Lincoln formed a massive indestructible diamond barrier protecting all of us and when the knife hit the barrier, it broke and she tried to hit it with her fists, but that didn't work, but it did make her fists bloody: SHE WAS SCREAMING AND WAILING IN RAGE AS SHE TRIED TO BREAK THE BARRIER AND KILL KENDRA!

Kendra: Damn, she's really lost it big time!

Nico: No fooling, man, she really despises you for what happened which wasn't your fault but hers!

Lincoln: That's for sure.

Lincoln fired a diamond ball that hit Lola Vegas in the face and sent her flying into a tree, but Lincoln didn't deactivate the barrier as we stood ready.

Lola Vegas: GET OUT HERE, YOU BITCH, SO I CAN KILL YOU AND YOUR FRIENDS!

Kendra: (Flips Lola Vegas the finger) Go to Hell, you piece of shit!

Nico: Lincoln, even though we have on 22nd Century Exopacks on, do not deactivate the barrier, the stink lines and stink aura coming off her are really really strong! YUCK!

Lincoln: Getting covered in Toxic Waste gave her a stink aura! GROSS!

Kendra: Yeah, that's why everyone ran away from her.

Qin: Yep.

Tara then smelled how bad her stench was.

Tara: (SNIFFS) (THROWS UP ALL OVER LANA)

She threw up 50 times and drenched her in a pile of slop!

Tom tried to punch her but got knocked out with a punch to the face

Kendra: I told you she smelled that horrible!

Tom tried to punch her but got knocked out with a punch to the face

KRABLAM!

He was knocked out with a NASTY LUMP oon his head!

Sarah Gunnerson: NO ONE DOES THAT TO TOM!

Sarah kicked her in the face and knocked her down!

Double D got out soap!

Double D: Time for you to get the scrubbing of your life!

Lola Vegas: I can't get clean!

Me: Well you NEED A REALLY good bath!

Camie: Big time!

Squidward played Row Row Row Your Boat and Lola Vegas screamed in pain from the sour notes.

Double D scrubbed her all over with his loofa too.

Xenia: SCRUB A DUB DUB!

Double kept on scrubbing!

He even used his loofa!

Eddy: (LAUGHS) Get her sockhead!

Double D: The one time I'm not Iron Boy!

Laney: Yeah!

Linka: Go Double D!

Qin: Yeah!

Double D: Just need to scrub the back!

He scrubbed hard.

Verliya Queshington: Time for you to see why I'm called the Embodiment of Vertigo.

She glared at Lola and made her go nuts!

A massive fiery explosion went off behind them and they were ready for some buttkicking!

Madison Mermaid: SO AWESOME!

Laney: YEAH!

Lola: That was awesome!

Nico: OH YEAH!

Articuno charged at her and flew into the air and then she fired an ice beam and froze her feet to the ground!

Me: Cold enough for you?

Lola: Yeah!

Poromon smashed beer bottles on her head1

SMASH SMASH SMASH SMASH!

Lola Vegas: WHY YOU LITTLE!?

Madison Mermaid: Take this!

She fired a blast of lightning and electrocuted her!

Kaz: Save some for me babe!

He fired waves of fire and blasted her all over!

Kendra: I've had enough of your revolting stench to last an eternity!

Kaz: SAME HERE! (LOUD FART) OOPS!

Charlie Brown: I'm helping too, sis!

Nico: GO GET HER!

They went and smashed and bashed her.

Tom woke up and saw the fight.

Tom Major: WHOA! Thank goodness I woke up now!

He went and joined in.

Tom then punched Lola Vegas in the face!

Kaz: Tom! You regained consciousness early!

Tom Major: I know! OUCH!

Varie: Oh boy let me take a look.

She went and did.

Varie: WHOA! Nasty bruise on your head.

Nico: Ouch.

Varie: I'll get you healed up.

She did so.

Sarah: Now you know how I felt yesterday.

Tom Major: Tell me about it.

Misty Brightdawn: Boy thank goodness everyone is all right.

Me: No kidding.

Qin: Yeah.

Kendra punched Lola.

Kendra: Time for some pain Armorsight style!

She then had her eyes turn red and they merged and her skin turned into rock and her suit ripped!

She turned into ARMORSIGHT!

Lola Vegas: YOU'RE A FREAK!

Horsea: Look who's talking Ms. Stinky!

Me: Yeah! TAKE A BATH FLEABAG!

Nico: YEAH! Even though that didn't make sense it works.

Armorsight bashed her all over.

May and Manaphy fired energy waves and blasted Lola Vegas all over!

Double D kept scrubbing her.

Me: Boy those are REALLY STUBBORN toxic waste stains.

Gwen T.: That is nothing! Remember how I had to help that alien who was a frog alien and went in it in my underwear and I came out the other end. I COULDN'T GET THOSE STAINS OFF ME FOR A MONTH!

All of us: EW!

Me: Okay I DID NOT NEED TO KNOW THAT!

Kevin Levin: It's true.

Me: GEEZ! Okay okay.

Ben: Especially because that frog was me.

Me: Really!?

Nico: Really!?

Ben: Yeah sorry.

I fired waves of energy and blasted Lola.

Me: Okay I'm never going to get that thought out of my head.

Ben: Don't ask the name because I never turned into him ever since.

Me: Done and noted.

Lola: Yikes.

Me: Yeah.

Ben: But you know who I CAN turn into?

He turned into Swampfire!

Swampfire: SWAMPFIRE!

Me: Now you're talking! Show her some Methanosian wrath!

Swampfire: With pleasure!

He went over to Lola.

Lola Vegas: What are you?

Swampfire: Someone that smells just as bad as you!

Swampfire fired methane gas from his armpit.

Me: Whatever you do, DON'T LIGHT A MATCH!

Swampfire: Only if we back away!

He then farted in her face!

LOUD FART!

Me: What died in here!?

WE LAUGHED!

Norbert: Oh guys I need to show you something.

Norbert showed his toe and it was big and IT SMELLED REALLY HORRIBLE!

Me: OH GOOD GOD! What the fuck is wrong with your toe!?

Daggett: IT'S STINKY TOE! The rare and incurable disease that afflicts only beavers!

Me: I remember we cured that! But lets see how it is compared to her.

Double D hurled his guts out and was puking like crazy!

Double D: SO STINKY!

Ed: Smell this!

Ed pulled out his wedge of stinky cheese!

Double D: ED YOUR STINKY CHEESE TOO!?

Me: OH GOOD GOD!

Qin: ED!

Lana: COOL!

Double D donned his Iron Boy suit so his helmet covered his nose

Me: JEEZ!

Lola Vega hurled her guts out!

Horsea squirted ink.

Armorsight punched Lola and then the ink got on Lola's eyes.

Armorsight reverted back and her clothes were back on her.

Suddenly, Kendra's purple eyes turned neon purple, and she was surrounded by a red energy aura with stars, earth, fire, cyclopes, phoenixes, and angels, she unholstered her massive Kendra Armstrong's Armorsight Firestorm Cyclops Broadsword of Fire Justice from her back, and as she approached Lola Vegas, she left red energy, stars, earth, fire, cyclopes, phoenixes, and angels with every step.

Kendra: You've got some goddamn nerve showing your face again, Lola Vegas, I can't ever forget what I've had to go through because of you. You have and always be a monstrous bully who's shown no compassion towards me at all, all you ever cared about was yourself and making everyone around you miserable. I don't regret what I did stopping you, and the toxic waste getting dumped on you, don't blame me for that, you did this to yourself. I've absolutely had it up to hear with you, you've always been such a bitch and forget about heading back to prison, what you've done in coming after me for revenge is getting you a one-way trip to Vypra who's going to more than enjoy straightening you out!

Suddenly, Kendra was surrounded by a massive vortex of red energy with stars, earth, and fire surrounding the vortex, there are cyclopes, phoenixes, angels, and Armorsight flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Lola Vegas: the red eyes of eternal death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears that stinkpot apart piece by piece!

Lola Vegas: (NTH DEGREE FUCKED UP ENRAGED SCREAM) YOU FUCKING BITCH! WHY CAN'T YOU JUST FUCKING DIE?!

Lola Vegas charged at the vortex still intending to kill Georgina, but the barrier still kept her from trying to get at us, and if that's not bad enough, that bitch got hit with fire and she screamed in agony as it damaged her face and left a really nasty scar on her face.

Eli: Ooh, now that's going to leave a scar on her! Serves her right!

Lincoln: And it's one she'll take with her to Vypra.

Then, as the vortex faded, Kendra emerged, but she was changed forever.

Kendra remained tall at 7'9" in height, she has gold bracers on her biceps and thighs and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long braded dark purple hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon purple eyes, and a red energy aura with stars, earth, fire, cyclopes, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the image of Stonebiter holding the Fire and Earth Kanjis in its hands emblazoned on her forehead and Third Eye with red iris, she has on cyclops earrings with red crystals for eyes and holding the Fire, Earth, and Eternity Kanjis in its hands, she has on her Crystal Necklace of The Buddha with red gems in the gold fire links and brown crystal links and a red cyclops-shaped Element of Harmony and on the bottom of the Element of Harmony is Stonebiter with a red crystal for its eye and holding the Fire, Stone, and Eternity Kanjis in its hands for the pendant and white and gold accented choker on her neck. We were really amazed by Kendra's Super Angel-Underground Girl-Stonebiter-Cyclops-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Lola Vegas saw it, she went absolutely fucked-up ballistic and ran at her to kill her again, but Lincoln put down the barrier and Kendra fired a massive barrage of red energy, stars, earth, fire, cyclopes, phoenixes, and angels which hits Lola Vegas and she got hit hard and burned again and sent flying into another tree, she got back up, but now, she was really really REALLY PISSED OFF BEYOND IMAGINATION!

Kendra: (Divine Echoing Godly Voice of The Star Fire Earth Underground Cyclops Phoenix Angel and Divine Star Cosmic Fire Earth Underground Cyclops Phoenix Angel Hope) You've had this coming for a very long time, Lola!

Nico: You sure have!

Me: You're screwed now!

Kaz blushed at this.

Nico: Yeah!

Suddenly, Lola Vegas was hit by a blast of light and got burned again. She screamed in rage and pain, but boy was she madder than Lori, Lynn, and Lola at the absolute worst of their wraths due to their Dark Sides.

Lincoln: Luan, was that…?

Luan: Wasn't me.

Me: No, it wasn't, but I know someone who has the knack for blasting assholes with light blasts and energy.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a white short-sleeved frilly shirt, necklace with pearls and red gem for the pendant, yellow skirt, white bridal gloves, yellow stockings, white knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Maria Knudson.

Me: I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Selena Knudson, Sumner, and Patti: Maria?!

Maria Knudson: Yep, Maria Knudson, God Sibling of Light and The Sun, reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and giving you a really massive scrub-down before we hand you over to Vypra.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You may have pulled off your escape from prison using your unbearable stink to knock out the guards, but that's not going to save you from us.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yeah, you've already pissed us off after Kendra told us, and now, you're about to get a long well-deserved bath, and after that, we're handing you over to Vypra, who's going to enjoy straightening you out!

Lincoln, Kendra, and I went after Lola Vegas, and we fired extremely powerful blasts of rainbow energy, red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Lola Vegas, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Kendra, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Lola Vegas even more insane and straight to the brink of insanity.

Lola Vegas: YOU! YOU! (ENRAGED SCREAM)

Lola Vegas charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at him and she got hit hard and he slashed at her with his massive black greatsword. Then, Lincoln grabbed her by the waist with one of his eleven massive and long white wolf tails and he smashed her into the ground, and she was really getting messed up, and then, he threw her and sent her into a nearby tree.

Lola Vegas: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU BITCH! I'LL KILL YOU!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut it already.

Nico put soap in her mouth!

Lincoln summoned a massive tank full of hot water and grabbed Lola Vegas and threw her inside the tank of water, then, Lincoln fired blasts of liquid soap into the tank of hot water, closed the lid, and he pressed a button the remote control and it activated. Then, it proceeded to give her a well-deserved scrub down as Lola Vegas was being scrubbed head to toe by the machine, and we saw the water turn a sickening green color.

Qin: Ew!

Me: YUCK!

Nico: Damn, that sure is a lot of toxic waste she was covered in!

Me: OH GOOD GOD! And I thought Stankfoot was REALLY Rank!

Then, when the machine buzzed, all of the green water was drained and pumped into a separate tank and Lola Vegas was now cleaned up and soaking wet!

Me: There you're all clean now.

Maria: You're welcome!

Lincoln snapped his fingers and she was sent to The Masters of Evil through a portal he made below her feet. Everyone cheered as we holstered our weapons and powered down, and Kendra's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large purple orbs orbiting around her legs, and massive purple angel wings are permanent and the machine vanished.

Nico: That was an awesome beatdown and scrub down we gave Lola Vegas.

Lincoln: She needed it, and the attitude adjustment will be left to Vypra. (To Maria Knudson) And it's so good to see you again, Maria.

Maria Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Maria Knudson and he hugged her, and Maria Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maria Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Maria Knudson, God Sibling of Light and The Sun, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful light and sun powers and immense control over light, energy, and life nourishment, and she also has the power to bring life to dead planets and places and even bring the dead back to life. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Light, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black

Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT! YOU'RE GOING TO BE BLINDED BY JUSTICE'S LIGHT AND FURY!

We gasped.

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to be hit by blinding light.

Lincoln: Yeah, no one wants that, and now that you're here, Maria.

Lincoln went up to and hugged Maria Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maria Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Knudson.

Maria Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Me: That was awesome.

Qin: Yeah it was!

Laney: Boy that was funny too.

Poromon: Want some beer?

Articuno: Oh I only drink champagne.

Me: Champagne is good.

Poromon: Good enough for me.

Poliwag did the puppy eyes.

Nico: Poliwag that's enough and also Champagne is a beverage with alcohol in it.

Poliwag: Oh right I forgot about that.

Articuno: And besides the Puppy eyes doesn't work on me.

Camie: Still cute though.

Poromon: I'll take what I can get.

Nico: Good.

Me: Nico can we use these air fresheners now?

Nico: Oh right.

I sprayed the area and it smelled better.

Me: Ahh. Much better.

Manaphy smelled the air and it was full of pine trees.

Manaphy: Ahh. Much better and awesome.

I put a drop of liquid garbage on Norbert's stinky toe and it was cured.

Norbert: Thanks J.D.

Me: You're welcome Norbert.

Camie: Wow. So all it takes is one drop of garbage?

Me: Yep. Weird huh? But it works.

Laney: Yeah.

Horsea sniffed the air.

Horsea: Ahh awesome.

Qin: Yeah.

Madison Mermaid: That was so fun.

Lola: It sure was.

Varie: Maybe Lola will behave better in the M.O.E.

Kendra: One can only hope.

Camie: Yeah.

Me: Yep.

Poliwag sniffed the air.

Poliwag: Ahh much better.

Poromon sniffed the air too.

Poromon: Smells great.

Xenia: Yeah.

Nico: You did good too Double D.

Edd: Thank you Nico.

Eddy: Yeah you did great sockhead.

Me: Sorry about all the stinky stuff.

Edd: Aw that's okay ladies and gentlemen. But it was fun.

Me: Yep. Now comes another fun part of our rescues. The Anothers.

Eli: (Concentrates) Whoa! J.D. you are going to be in for another awesome swear off. We have Another Ghostly Trio, Bond Man and Kerbero Gangan.

Me: WHOA! Just three of them this time.

Nico: Yeah!

Me: Yep.

Nico: Technically it's five.

Me: True but one person is the archenemy of three.

Nico: Oh right.

Eli: Yep and the Ghostly Trio and Bond Man are one person.

Nico: Nice.

Me: Coraline Coral! Awesome!

Coraline Coral: (Australian Accent) Great to see you again J.D. mate.

Me: You too. Coraline is the embodiment of the Coral Dopant and she was born from a great family of Great Barrier Reef and Coral Reef Conservationalist and Environmental Protection Workers.

Nico: That is cool!

Coraline Coral: Yeah I've been protecting the environment and the coral reefs since I was a wee nipper and it's fun doing all that too mates.

Nicole: That is awesome. And the coral reefs are happy for that.

Coraline Coral: They sure are mate.

Nico: Sorry we have to do this.

Me: By the way is the Another Kerbero Gangan friendly or hostile?

Coraline Coral: Friendly mate and she is a really awesome one for Homer and Lily.

Me: Really? Wow.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Zocks: Okay.

Kaito and Chloe got LupinRanger and PatRanger swords and Zocks and a Kyuranger sword.

Dahlia Donut: No he didn't. I left a plate of donuts for him and left as he ate them.

Nico: Swartz sure has an awesome sweet tooth.

Sakura Knudson: (LAUGHS) He sure does.

Sougo: (gets out Patranger Ridewatch) I hope you give donuts to Homer

Dahlia Donut: Oh don't worry.

She fired a wave of energy and a huge box of many kinds of donuts appeared in front of Lily and Homer.

Dahlia Donut: With my powers I got an infinite supply of them.

Nico: Awesome.

Lincoln: Lets separate you first.

Lincoln fired a wave of energy and did so and we were ready for him.

Lincoln: Whoa, we're here in Nagashino, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news: a clone of Master Xandred, along with clones of Octoroo, Serrator, General Gut, Deker, Dayu, Tooya, Scorpionic, Rofer,Doubletone, Dreadhead, Negatron, Yamiror, Madimot, Desperaino, Robtish, Vulpes, Steeleto, Antberry, Splitface, Arachnitor, Rhinosnorus, Sharkjaw, Sergeant Tread, Armadeevil, Switchbeast, Eyescar, Crustor, Skarf, Duplicator, Grinataur, Epoxar, Maldan, Trickster, Pestilox, Fiera, Gigertox, and Gred were sighted and bad news, they were created by another manifestation of Universe 666 Sebastian's residual darkness, and he went into hiding again.

We gasped.

Me: Why, that little… !

Jayden: Now, he's gone and made clones of our old enemies? Boy, he really doesn't know when to quit.

Nicole: He sure doesn't, Jayden, and he was sighted here in Nagashino.

Mitsuhide Akechi: That's correct, Nicole, and he and his army of clones overwhelmed some of the forces of The Takeda and Oda.

Persephone: We need to lure them out.

Lincoln: And we will. We're stationed in The Oda main camp, which means, we'll use the rifle unit on the Moogers.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the five girls.

Lincoln: (GASPS) Felicia Midnight of The Midnight Society.

Felicia Midnight: That's right, and I got the girls away from the clone of Master Xandred, but I've set him off big time and he's already sending his minions after us!

Nobunaga Oda: Perfect.

The rifle unit got into position, and then, we saw Mooger foot soldiers coming right at us, and then… !

Lincoln: Fire!

The rifle unit commenced fire, and the bullets hit the Mooger foot soldiers and they fell one by one.

Eli: Unbelievable.

Nicole: This was how Nobunaga brought down the Takeda at Nagashino by decimating the Calvary with his rifle unit.

Suddenly, we heard unearthly and really loud yells of anger!

Lincoln: Yep, we've pissed off Master Xandred!

Suddenly, we saw the clones of Octoroo, Serrator, General Gut, Deker, Dayu, Tooya, Scorpionic, Rofer,Doubletone, Dreadhead, Negatron, Yamiror, Madimot, Desperaino, Robtish, Vulpes, Steeleto, Antberry, Splitface, Arachnitor, Rhinosnorus, Sharkjaw, Sergeant Tread, Armadeevil, Switchbeast, Eyescar, Crustor, Skarf, Duplicator, Grinataur, Epoxar, Maldan, Trickster, Pestilox, Fiera, Gigertox, and Gred as they went at us, but we stood ready and we fired powerful energy blasts at them and knocked them all down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Octoroo, Serrator, General Gut, Deker, Dayu, Tooya, Scorpionic, Rofer,Doubletone, Dreadhead, Negatron, Yamiror, Madimot, Desperaino, Robtish, Vulpes, Steeleto, Antberry, Splitface, Arachnitor, Rhinosnorus, Sharkjaw, Sergeant Tread, Armadeevil, Switchbeast, Eyescar, Crustor, Skarf, Duplicator, Grinataur, Epoxar, Maldan, Trickster, Pestilox, Fiera, Gigertox, and Gred and he began absorbing them into him as he assimilated all of their powers, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and all that's left is the clone of Master Xandred.

?: (ENRAGED LOUD ROAR) RANGERS! TEAM LOUD PHOENIX STORM! I WILL DESTROY YOU ALL!

We then saw our target, the clone of Master Xandred, and he was out to destroy us, and boy was he really really really angry and mad now!

Sylvester: Ugh, he's just as monstrous and ferocious as the original one.

Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed the Master Xandred clone and he began absorbing him as he assimilated all of his powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, when Lincoln was done and the stingers changed back, nothing was left of him, and he sent the clones' spirits to The Black Gates. We cheered as we holstered our weapons and powered down.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants. (To Felicia Midnight) And it's so good to see you again, Felicia Midnight.

Felicia Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Felicia.

Lincoln went up to Felicia Midnight and he hugged her, and Felicia Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Felicia Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Felicia Midnight, she's my Guardian Angel from Michigan and the fourth younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with me at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Lewis Travolta with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that jerk showed up and tried to attack, but Felicia used her dark powers and made Lewis Travolta's nightmares come to life, and he got so scared, he ran away and went back to prison and holed himself back in his cell and he refused to come out for the rest of the night.

Nico: Serves him right! Stupid lardass!

Me: Yeah, I remembered that night all too well, and Felicia really did awesome in scaring that jerk senseless.

Lincoln: He made a huge mistake coming after us again, and now that you're here, Felicia.

Lincoln went up to and hugged Felicia Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Felicia Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Felicia Midnight's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Felicia Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Felicia Midnight.

Felicia Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Yuruko, Bitchko, Bakako, Kuroko, and Yariko from JK Bitch ni Shiboraretai.

Lincoln: Oh wow, it's Yuruko, Bitchko, Bakako, Kuroko, and Yariko from JK Bitch ni Shiboraretai.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Yuruko: Yes, we're okay, thanks to you.

Then, when Yuruko and the other four girls saw who it was that saved them from the clones of Master Xandred and his minions, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Yuruko: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yuruko: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yuruko, Bitchko, Bakako, Kuroko, and Yariko with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Master Xandred and his minions created by another manifestation of Universe 666 Sebastian's residual darkness.

But, when Lincoln showed what we all did in beating them down and Lincoln stabbing them with his Cell Stinger tips on his tails and he absorbed them into him and assimilated all their powers which forced out the manifestation of Universe 666 Sebastian's residual darkness and he was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Felicia Midnight have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so another manifestation of Universe 666 Sebastian's residual darkness was here and it created clones of Master Xandred and his former minions?!

Lincoln: Yep, but just like what happened, I absorbed them and assimilated all their powers.

Nico: Along with banishing their souls to The Black Gates and it also forced out the manifestation once more and he too got destroyed and sent to The Black Gates.

Me: He really refused to give up and just die, what a sore loser.

* * *

After Lincoln absorbed the clones of Master Xandred and his minions and destroyed another manifestation of Universe 666 Sebastian's residual darkness, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Felicia Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Felicia Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the

powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Felicia, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Felicia Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Felicia Midnight: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of King Mondo, Queen Machina, Prince Sprocket, Prince Gasket, Princess Archerina, Klank & Orbus, Staroid, Silo, Boohoo the Clown, People Pitcher, Digster, Puppetman, Video Vulture, Leaky Faucet, Pumpkin Sorcerer, Steambot, Traffic Kitty, Bucket of Bolts, Adrian, Pollenator, Fortissimodo, Mean Screen, Mechanizer, Robocupid, Defoliator, Main Drain, Punch-A-Bunch, Mace Face, Defector, Drill Master, Googleheimer the Toy Robot, Wrecking Ball, Admiral Abominator, Wolfbane, Tarantabot, Somnibot, Borax, Hosehead, Tough Tusks, Stenchy, Midas Hound, Cruel Chrome, Altor, Protectron, Nuklifier, Mechaterpillar, and Cog Changer.

Tommy Oliver: What the? Now, we got clones of King Mondo and The Machine Empire?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Jason Lee Scott: What a sore loser, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of King Mondo, Queen Machina, Prince Sprocket, Prince Gasket, Princess Archerina, Klank & Orbus, Staroid, Silo, Boohoo the Clown, People Pitcher, Digster, Puppetman, Video Vulture, Leaky Faucet, Pumpkin Sorcerer, Steambot, Traffic Kitty, Bucket of Bolts, Adrian, Pollenator, Fortissimodo, Mean Screen, Mechanizer, Robocupid, Defoliator, Main Drain, Punch-A-Bunch, Mace Face, Defector, Drill Master, Googleheimer the Toy Robot, Wrecking Ball, Admiral Abominator, Wolfbane, Tarantabot, Somnibot, Borax, Hosehead, Tough Tusks, Stenchy, Midas Hound, Cruel Chrome, Altor, Protectron, Nuklifier, Mechaterpillar, and Cog Changer and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers which opened into massive suckers, and one by one, he latched them onto the heads of the clones of King Mondo, Queen Machina, Prince Sprocket, Prince Gasket, Princess Archerina, Klank & Orbus, Staroid, Silo, Boohoo the Clown, People Pitcher, Digster, Puppetman, Video Vulture, Leaky Faucet, Pumpkin Sorcerer, Steambot, Traffic Kitty, Bucket of Bolts, Adrian, Pollenator, Fortissimodo, Mean Screen, Mechanizer, Robocupid, Defoliator, Main Drain, Punch-A-Bunch, Mace Face, Defector, Drill Master, Googleheimer the Toy Robot, Wrecking Ball, Admiral Abominator, Wolfbane, Tarantabot, Somnibot, Borax, Hosehead, Tough Tusks, Stenchy, Midas Hound, Cruel Chrome, Altor, Protectron, Nuklifier, Mechaterpillar, and Cog Changer, and they tried to fight back, but couldn't. Then, Lincoln sucked them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: I can't believe that sore loser created clones of King Mondo and The Machine Empire.

Me: Yeah, he really is a sore loser.

Tommy Oliver: He just never gives up.

Lincoln: You said it. But, let him keep sending more clones of the Power Rangers' enemies, he knows I'll absorb them and I'll destroy him. But, of course, I know this isn't the end of those remnants of that lunatic.

Nico: Yeah, he's never going to quit until we're destroyed, he's even worse than that fucked-up dark asshole, Damian Alaister and The Church of Necrom.

Nicholette Torrington: You said a mouthful.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Mindy, Simulator Cherry Hunter, Simulator Yoko, Simulator Mimi Kitagami, Simulator Alice, Mayumi Madoka aka Wicken, Mari Jorōgumo aka Silkereen, Kuroko Moya aka Black Swan, Hizuki Yaju aka Untamed, Homura Shōbō-shi aka Amber, Akiko Pinto aka Ms. Quills, Ichigo Sumūjī aka Strawberry Milkmaid, Banira Sumūjī aka Vanilla Milkmaid, Shokoa Sumūjī aka Chocolate Milkmaid, Sakura Sumūjī aka Cherry Milkmaid, Ierō Sumūjī aka Banana Milkmaid, Mentha Sumūjī aka Shamrock Milkmaid, Murasaki Suraimu aka Grimace Milkmaid, Chiharu Kōhī aka Cappuccino Milkmaid, Kuroko Gashado aka Phobius, Majo Mizu aka Sea Hag, Universe 666 Sunny Tennyson, Universe 666 Hasebe, Universe 666 Mami, and Universe 666 Sabuko, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Bowser Jr's Boom Bunker.

Qin: Cool!

Me: I rememher that one. I'll go with on that one.

Kole: And me and Earth will go with too.

Nico: All right then.

We went into the simulator and it activated and we were in BOWSER JR.'S BOOM BUNKER!

Nico: Here we are.

Me: This is gonna be good.

Nico: Any tips Nicole?

Nicole: (On the radio) Well I'll tell you more when you get to the end.

Nico: Okay.

Me: I'll show you what we're up against.

Nico: Okay.

Kole: This is gonna be good.

?: Let us help too.

2 figures came. 1 was a girl with red hair, orange eyes, red and and orange clothes, fire angel wings and had a tiara with the symbol of the Laval Monsters on and she had the same symbol on her skirt and she had a fire sword.

The 2nd girl had aqua blue hair and blue eyes and had silver clothes and had blue angel wings and had a tiara with the symbol of Skull Man on it.

Lina Laval: Lina Laval, Embodiment of the Laval monsters.

Skyla Skull: And Skyla Skull, Embodiment of the Skull Man.

Gaz: Skyla!? Whoa!

Persephone: Wow! Awesome to see you again.

Skyla Skull: Gaz and Persephone it's awesome to hear your voices again. Its been a while.

Nico: We can talk more later. Lets go.

We were off.

Nico: We're probably facing Bowser Jr.

Me: Yep.

We landed at the end and we saw BOWSER JR. and he was in an awesome TANK! It was his BOOM BUNKER!

Nico: WHOA!

Nicole: Okay here is the tough part. You got to smash that top dome 3 times.

Nico: Easy.

Bowser Jr.: Hey guys!

Me: Awesome tank B.J.!

Bowser Jr.: Just so you know, there are several extra galaxies that you guys might want to check out before going after the last set. And after you defeat Papa, you should check out the final galaxy.

Me: Good idea!

Nico: I agree there.

Lina Laval: That will be awesome to see.

Nico: It sure will.

Skyla Skull: I think so too.

Bowser Jr: But you have to defeat me first. It's the last time you fight me in a galaxy. And this one's gonna be a blast!

Nico: Bring it on!

Me: Yeah!

Lina Laval: Yeah!

Nico: (Gets out Kerbero Gangan and David Cain's ridewatches) I brought so many weapons!

He activated them and fired rocket launchers and energy blasters and blasted the glass dome on top.

Me: Oh yeah!

I fired an energy blast and blasted the dome on top too!

Kole: Time for some Earth Power!

Earth: Yeah!

They fired waves of lava and crystal and blasted the dome.

Lina and Skyla fired waves of skulls and fire and the blasts hit the glass dome and the tank exploded and sent Bowser Jr. flying and out came the Grand Star!

Nico: There's the Grand Star!

We went and got it!

YOU GOT A GRAND STAR!

Me: Oh yeah!

Lina Laval: That was fun!

We all high five!

Bowser Jr. Fainted.

FWOMP!

Me: Boy that tired him out.

Skyla Skull: I hope we didn't hit him too hard.

Lina Laval: Yeah.

Nico: How did you meet Gaz and Persephone?

Skyla Skull: I met Gaz when she was trying to think of ways to kill her brother and I used an even worse punishment for her.

Nico: (GULPS)

Skyla Skull: Trust me you don't want to know what it is. She hated her brother and wanted nothing more than to kill him. Long story. But I helped make her a better person and I met Persephone when I was helping her get an awesome new coffin for her bedroom. It was an awesome one.

Nico: Awesome.

Me: That is awesome.

Nico: Would you two like to join the team?

Skyla Skull: We would be honored.

We left and everyone cheered wildly.

Poromon was in the city and he found a gang of cats.

Poromon: (to a gang of cats) Hello there.

The cats saw him and they went up to him and nuzzled him.

Poromon: Aww you guys are so cute. Oh you poor kitties. I think you need love.

He decided to bring them home.

We saw Poromon with the cats.

Mokunai XI: Poromon why did you bring these cats home?

Poromon: They were hungry and homeless.

Fluttershy: Aww we'll gladly take care of them. They need love and a good home.

Fluttershy went and got them some cream and fish. They were really hungry.

Fluttershy: Oh they were really hungry.

Qin: Aww. They are so cute.

Yugi: What are their names?

Fluttershy: Aww their names are Veliya, Elliya and Roviya and they are Russian Blue cats.

Me: Aww.

Fluttershy: They are girl cats and they only wanted a good home.

Nico: Poor kitties.

Poromon: They were just left there to starve. I couldn't just leave them there.

Nico: Aww you did a good thing Poromon.

Wildrider: Do they have rabies?

Fluttershy felt for that.

Fluttershy: Oh no they don't.

Poromon: That's a relief.

Camie: Thank goodness.

Varie: Yeah.

Smokescreen: Who's gonna keep them?

Poromon: I will but they will be in the care of Fluttershy.

Fluttershy: Hooray!

Laney: Yay more pets!

Nico: Awesome.

Qin: Yep.

Roxas: Nico, who gets to shine today?

Nico: Mack Hartford, Akira, Axel Manning, Mike Chilton, Soji, Takumi

Qin: All right!

Me: Awesome!

Nokama: This will be cool!

Cassidy: It sure will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO version of The Living Mummy, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the LEGO version of The Living Mummy, and he's causing havoc.

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: He's in the level I Sphinx We Have a Problem!

Me: Ooh boy.

Nico: Yep. Alright, let's head down to Chronopolis and take down the LEGO version of The Living Mummy.

Lincoln: This is going to be so awesome.

Me: Yep. And also we're going after Lego Loki too. He is not that much of a threat but he is just as bad. Funny but dangerous.

Maria: He's not the main villain of this level though.

Me: Maybe so but he still appeared in that level nonetheless.

Nico: Yep. So he is a bad guy there though.

Lola: Yep.

Loki (Marvel): (British Accent) It'll be interesting to face him.

Me: Yep.

The previous group came.

Chemistro: Can me, Mumbo Jumbo, Knightbrace, Fixer, Electrocutioner, Pyro, Dirty Bubble, Goliath, KGBeast and Titanium Titan go with you guys?

Nico: Yes you all can come with us.

Eli: This is gonna be awesome too. And in my element.

Me: Because you were born in Egypt bro.

Eli: Yep.

Nico: This will be cool.

Bright Man: Nico, which Gene Slammer of me and my Fellow Robot Masters do you think you'll meet next?

Nico: Pump Man next.

Me: Ooh that one will be interesting.

Camie: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Dominik Kucera, the second of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda yesterday. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, the next person coming after us is Dominik Kucera, the second of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda yesterday.

Dana Voráčová: (Czech Accent) That loser, I knew he'd be the next one we'd go after.

Lincoln: And it's just like I said yesterday, now that Tobias Svoboda is dead, Dominik Kucera, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are basically running around like headless chickens, and they're only wanting one thing: revenge. Unfortunately for them, their skills in black magic are nothing compared to ours, and we've dealt with those who've sold their souls to The Devil for dark powers before.

Me: It always ends with you stripping them of their powers and getting destroyed and sent to The Black Gates.

Eli: He never did that with The Order of The Black Cross nor The

Chernabog Sisters, J.D., he flat-out killed them.

Lincoln: That's right.

Nico: Eh, either way, those six are going to follow Tobias straight to The Black Gates later on today. Alright, gang, let's go, we're heading to Chronopolis to take down the LEGO version of The Living Mummy.

Lincoln: LEGO version of The Living Mummy, you better be ready, and once we get done with him, you're next, Dominik Kucera.

Dana Voráčová: (Czech Accent) You and the others made a very huge mistake escaping from Hell, Dominik. I would've thought we were finally rid of you after we banished you, Tobias, and your allies seven years ago to Hell, but not even Hell will keep you seven trapped for good. Very well, you'll suffer the same fate as Tobias, and we'll make sure you never rise again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the LEGO version of The Living Mummy, and once we get through with him, Lincoln and Dana Voráčová are going to destroy Dominik Kucera, the second of the Czech Republic's seven infamous Satanic serial killers.

We were off to Chronopolis.

---

We arrived at Chronopolis and at the pyramid, We saw Lego Thor, Lego Hulk, Lego Horus, Lego Captain America, Lego Dr. Strange, and Lego Captain Marvel and they were in front of an ancient Egyptian pyramid.

Me: Wow what a pyramid.

Lego Horus: It sure is amazing isn't it.

Lego Hulk: Hulk think it cool.

Lego Captain America: It sure is awesome.

Nico: I'll say.

A pharaoh then came.

Lego Pharaoh: Thank goodness you all are here.

Me: Oh no problem and you can take off that disguise LOKI!

I fired a wave of energy and blasted the Pharaoh!

Then he revealed himself and it was LEGO LOKI!

Lego Loki: Damn! I was hoping to fool you for at least 10 minutes!

Mumbo: It's funny how thing work out, isn't it?

Me: I've known all your tricks for years Loki and it takes more than your disguises to fool me. And I sensed that it was you because of the evil energy that was in you.

Lego Loki: DAMN!

Mack Hartford: Overdrive Accelerate!

Soji: Henshin!

Takumi: Henshin!

They transformed!

Mack: KICK INTO OVERDRIVE! OPERATION OVERDRIVE RED!

Soji: CAST OFF!

CAST OFF! CHANGE BEETLE!

Soji: KAMEN RIDER KABUTO!

Takumi: KAMEN RIDER FAIZ!

Lego Hulk: HULK SMASH PUNY GOD!

Thundercracker: Hey, don't hog all the fun!

I punched Lego Loki in his face and kicked him and grabbed him by his leg and smashed him into the ground.

Me: Puny god.

Akira: Me and my team helped to beat one version of you!

Fixer: Twice, actually.

Akira: Okay TWICE then.

Me: That's right.

Lego Loki: Oh really?

Me: We're not shitting you

Lego Hulk then threw him into the Pyramid.

Me: Nice one!

Qin: Yeah!

Hulk: Puny god.

Lego Hulk: Puny god right!

Stalker: We should go inside after him.

Me: Good idea.

Nico: Agreed. Lets go.

We went into the pyramid.

We saw that it was an amazing pyramid.

Me: Wow what a pyramid.

Qin: Amazing.

We then saw Lego Loki!

Pyro: There he is!

Axel Manning tried punching him but he disappeared!

Axel Manning: Dammit! He must be further inside the Pyramid!

Me: He can run but he can't hide.

Qin: That's for sure.

Me: I'll be able to find his evil like a bird seeks its prey.

Elena Validus: We know what he's after here.

Me: N'Kantu the Living Mummy.

Lego Thor: I know it! So like my brother.

Xenia: Yeah no kidding.

Loki: I can't believe that Lego version of me is out to do all that.

Goliath: We're bound to fight him anyway.

Mike Chilton: But we'll still beat them.

Mack: Defender Vest!

Mack donned the Defender Vest!

Qin: Awesome!

Me: But be wary guys. This pyramid is FULL of traps.

Camille: We'll be careful.

Poromon stepped on a tile.

Poromon: Uh oh!

SPEARS WERE HURLED AT US!

Me: Watch it!

I grabbed all the spears.

Me: YEAH!

Nico: Nice one!

Me: These will be useful.

KGBeast: (Russian Accent) Comrades, we must be careful!

Soji: Who knows what else might be here?

Manaphy stepped on a tile.

Then boulders were hurled at us!

Me: WHOA!

I punched the boulders and smashed them into dust!

Me: Yeah!

Nico: Nice one!

Bowser: What did we just say?!

Poliwag stepped on a tile!

Then poison needles flew at us!

Eli used the force and stopped them and we picked them up.

Me: Deadly poison spines!

Eli: That was close.

Nico: Guys stop it!

Horsea: Sorry the traps are everywhere!

Horsea stepped on a tile.

Takumi: Oh great! More traps!

Titanium Titan: (Spanish Accent) What's it gonna be this time?!

The coffins opened up and then MUMMIES CAME ALIVE!

Qin: Oh you had to ask!

King Stefan: (Scottish Accent) We need to get rid of them!

I fired waves of energy and blasted the mummies and killed them all.

Qin: Take that!

Nico: Now to find the main mummy.

Eli: He's this way.

We followed Eli and got to a big door.

Dirty Bubble: I think Loki woke him up by now.

Nico: I'm sure he did.

Eli: I sense it. He did.

Lola: Oh boy.

Qin: Not good.

RD Lola: We'll still beat him!

Nico: Entrance time!

We went at the door.

Lego Loki laughed as the coffin of N'Kantu opened up.

But then the spirits of the sands came and swirled around him and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out the door and a phoenix cry was heard and then we came out and I fired a wave of energy and blasted Lego Loki.

Nico: Okay you buttface, it's time for some payback!

Electrocutioner: Stop what you're doing right now!

Lego Loki: It's not what I'm doing. It's what I've done!

Me: We already see it!

N'KANTU THE LIVING MUMMY CAME OUT!

Nico: Uh oh.

I teleported and kicked Lego Loki and bashed him into Lego N'Kanto!

Lego N'Kantu: I am awake!

Laxus: Just in time for an ass kicking!

Me: And Lego Loki you smell like a rotten beef carcass!

Lego Loki: WHY YOU LITTLE!

He fired a wave of energy and I fired a wave of energy and the blasts collided and my blast overtook his and it hit him and exploded!

MASSIVE EXPLOSION!

Knightbrace: Does anyone have a sand blade?!

Gaara: Perhaps this will do! SAND BLADE!

He formed a sword made of sand!

Siri Shukaku formed a Spear of Shukaku!

They slashed and stabbed Lego Loki.

Qin: Nice one!

Mack Hartford: Red Sentinel Ranger. Activate!

Hyper Cast Off! Change Hyper Beetle!

Soji went into his Hyper Form Clock Up Mode.

Awakening!

Takumi went into his Blaster form.

They were ready!

Nico: Now you're screwed!

Xenia: Big time!

We fired waves of energy and blasted them both.

Mack and Akira charged at Lego Loki and blasted him all over.

Akira: D-SMASH!

He summoned DISK WARS IRON MAN!

Nico: Yeah!

Disk Wars Iron Man blasted them!

Axel Manning and Mike Chilton charged at both of them and kicked them both into the ground.

Qin and me fired waves of energy and blasted them.

Lola and Nico and Eli fired waves of fire and blasted them.

Soji and Takumi charged at Lego N'Kantu

They bashed him down with incredible speed.

Me: Take that!

Qin: Yeah!

Camie: Oh yeah!

Lego Hulk: HULK SMASH PUNY GOD!

He punched and smashed and pulverized Lego Loki!

Nico: Yeah take that!

Qin: YEAH!

Varie: Yeah!

Then Waffle Woman, Roquefort, Katnappe, Common Cold, Technus, Xaldin, Salami Swami, Xigbar, Mortal Kombat Scorpion and Count Spankulot came.

Nico: Waffle Woman, Roquefort, Katnappe, Common Cold, Technus, Xaldin, Salami Swami, Xigbar, Mortal Kombat Scorpion and Count Spankulot.

Waffle Woman: Dud you guys really set off traps?

Poromon: It wasn't our fault!

Roquefort: We know.

Katnappe: They were just everywhere.

Me: Yeah!

Common Cold: (to Nico) We heard you fought an enemy of Kendra's.

Nico: We sure did.

Technus: Did she really stink?

Me: Oh good god! She smelled like a thousand buckets of shit!

?: That is disgusting!

A figure came out and it was SPACE COCKROACH GOKI-CHAN from episode 5 of Carrangers!

Originally an ordinary space cockroach, it was made large during Grotch's experiments with Imo-youkan, where it became large enough to threaten Beauty Zonnette before she could subdue it and turned it into her servant. After another experiment where it was enhanced by another of Grotch's machines, it became Bowzock's most powerful dancer, able to create earthquakes with his dancing as long as its tape deck continued to play. Zonnette brings it with to Earth in hoping to use it to cause enough chaos to bring Red Racer to her to confess her feelings. In the midst of a battle with both RV Robo and Sirender, its tape ended up getting tangled and warped, making it finally shrink back down into a normal roach again which is saved by Zonnette before driving away. Eventually restoring its giant size, Goki-chan remained a background member of the Bowzock (alongside the four "Zoku" of the Boso Sentai Zokuranger) to the end of the series.

Eli: Space Cockroach Goki-Chan! I remember you! You were made large enough to threaten Beauty Zonnette and become Bowzock's dancer! Also you were featured in that show Zokuranger.

Nico: I remember seeing them! That was a Sentai Series Within A Sentai Series.

Me: That is cool! They would be perfect for the M.O.E

Goki Chan: They sure would.

Qin: Yeah!

Goku Chan: Too bad I wasn't featured in America.

Me: Yeah what a ripoff!

TJ: I would've loved to see the counterparts of the Zokurangers.

Qin: Me too! That would have been cool!

Xenia: Yeah!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANT TO LIVE FOREVER!?

We got the battles underway.

Tara: UCH! IT WAS TERRIBLE! She smelled so horrible that I hurled my guts out all over Lana!

Chiro: Lana didn't mind it but that was gross!

Terraria: That was awful! But yeah she smelled REALLY bad. The reason is because she was drenched in toxic waste. They had to put her in a really special modified cell to make it totally odor proof.

Applejack: HOOOWEE! She smelled worse than a bunch of pigs in a sludge pit!

Apple Bloom: Yeah that was gross!

Flashwing: Yeah it was awful! It smelled horrible!

Katnappe: Thanks Maria. Wow! That was a lot to say.

Maria: It sure was. Wow!

Katnappe gulped it down.

Starfire: It was a great battle there. But it was awesome.

Larry Loud: Boy it sure was cool!

Aki: We were amazed that Lincoln faced all those Nighloks all at once and absorbed them. That was awesome.

Sunset Shimmer: Lincoln is absorbing all of the Power Rangers most dangerous enemies all in one sitting and that is awesome.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of brimstone and Hellfire from anywhere, come on out right now, Dominik Kucera, or we will force you out.

A figure came out: he was a male with long black hair, pale skin, dark clothes, he has black demonic wings, and blood red eyes full of hatred, it was Dominik Kucera, one of the seven infamous Satanic serial killers from the Czech Republic.

Dana Voráčová: (Czech Accent) You Hellfire-dwelling rotten black hearted piece of fucking shit!

Nicholette Torrington: I should've known you'd show up here once again, you fucking asskisser of The Devil!

Nico: So, that's Dominik Kucera, one of the seven infamous Satanic serial killers from the Czech Republic.

Dana Voráčová: (Czech Accent) And the second-in-command of their whole group.

Dominik Kucera: (Czech Accent) DIE!

Dominik Kucera fired a blast of Hellfire at Nico, but the diamond barrier that was still up absorbed the Hellfire blast and that majorly pissed off Dominik Kucera.

Dana Voráčová: (Czech Accent) Okay, now you're going to get it.

Suddenly, Dana Voráčová's blue eyes turned neon blue and she was surrounded by a purple energy aura with stars, magic, jackals, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Dominik Kucera, she left purple energy, stars, magic, jackals, phoenixes, and angels with every step.

Dana Voráčová: (Czech Accent) I'm not surprised to know that your thirst for blood is still as bad as ever, Dominik Kucera. But, what also angers me is that after seven years of being imprisoned in Hell, you and your minions haven't learned a single thing and that you're still out to kill and slaughter any who get in your way of appeasing your dark master, The Devil. We made the big mistake using that binding spell to banish you seven to Hell seven years ago, but now, we're going to fix that, and this time, you're going to die here and now, and we'll make sure you never rise again!

Suddenly, Dana Voráčová was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there are jackals, phoenixes, angels, and Mythical Beast Jackal flying around the vortex, and in the vortex is a light purple phoenix with red eyes glaring at Dominik Kucera: the red eyes of eternal death. Then, as the vortex faded, Dana Voráčová emerged, but she was changed forever.

Dana Voráčová grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has light purple highlights in the bangs of her long now dark purple hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a purple energy aura with stars, magic, basilisks, jackals, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed, and it's now an immense protective neon rainbow aura with all of the elements swirling around it, she has Mythical Beast Jackal emblazoned on her forehead and Third Eye with blue iris, she has on snake earrings with blue gems for eyes and holding the Star, Light, Magic, and Eternity Kanjis in its tails, she also has Mythical Beast Jackal with blue gems for eyes and holding the the Star, Light, Magic, and Eternity Kanjis in his hands for the second pendant on the bottom of her purple jackal-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Dana Voráčová has on a short-sleeved purple midriff shirt, purple skirt, purple pants, purple anklewarmers, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, magic, basilisks, jackals, phoenixes, and angels on the coattails, and on the back is Mythical Beast Jackal surrounded by stars and magic. Suddenly, Dana Voráčová felt a sharp pain on her back, and then, her massive dark purple angel wings with pink tips on the large dark purple feathers grew much bigger for her new body and she also now has eleven massive and long purple wolf tails with light purple tips and light purple markings, Dana Voráčová has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of

Gelel embedded in her left hand.

Suddenly, Dana Voráčová's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, magic, basilisks, jackals, phoenixes, and angels, and when it emerged, it was transformed into Dana Voráčová's Cosmic Eternal Magic Starstorm Solar Mythical Beast Jackal Phoenix Angel Greatsword of Cosmic Eternal Magic Starstorm Solar Mythical Beast Jackal Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Mythical Beast Jackal etched on the 7'6" massive, wide, double-edged gold blade, large purple jackal heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple jackal heads with blue gems for eyes and on the bottom of the large purple jackal heads is a large purple jackal head with blue gems for eyes and blue gem in its mouth for the pommel, Dana Voráčová has on her large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Mythical Beast Jackal's head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large angel spellbook, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and your friends have got some nerve escaping from Hell, Dominik. What you all did in senselessly murdering innocent people in the Czech Republic seven years ago and selling your souls to The Devil for dark powers proves that you are truly irredeemable, and the only thing you deserve is death.

Lincoln and Dana Voráčová went after Dominik Kucera who continued firing darkness blasts at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, purple energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Dominik Kucera, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Dana Voráčová also left many more by firing blue energy slashes with her claws, and he and Dana Voráčová attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Dominik Kucera even more insane with rage than ever.

Dominik Kucera: (Czech Accent) YOU! YOU! (ENRAGED DEMONIC SCREAM)

Dominik Kucera went at them now completely blind with insane rage and fury, but Lincoln and Dana Voráčová kicked him hard in the stomach and Lincoln fired blasts of magic at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Dominik Kucera even farther into the edges of rage and madness.

But before Dominik Kucera could attack them, Lincoln's large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head glowed and the four large orbiting golden rings fired red energy beams which hit Dominik Kucera and they sucked out his dark magic and darkness powers and Lincoln made them his own, and that left Dominik Kucera powerless, and then, Dana Voráčová slashed off Tobias' demonic wings and she'd sliced off a demonic looking pendant from his neck and she threw it into the ground and stomped on it hard and her boot destroyed it.

Dominik Kucera: (Czech Accent) NO! NO! MY PENDANT!

Suddenly, Dominik Kucera's eyes glowed with purple light and dark smoke was coming off him, and then, he let out an unearthly scream as he was consumed by black flames and sent to The Black Gates forever. We all cheered wildly for what Dana Voráčová and Lincoln did as they holstered their massive greatswords and powered down and Dana Voráčová's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tail, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple angel wings are permanent.

Dana Voráčová: (Czech Accent) Rot forever in The Black Gates, bastard. Thank you for helping me destroy Dominik Kucera for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Dana.

Suddenly, Dana Voráčová wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Dana Voráčová's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Mythical Beast Jackal flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and magic behind them and we cheered wildly. Then, Lincoln and Dana Voráčová sucked in and absorbed the elemental forces and magic and they came back to us as the display vanished.

Me: That was one awesome battle, and that demonic pendant that you destroyed, it's almost like the talisman Chandler had when he made that deal with The Devil.

Dana Voráčová: (Czech Accent) You are correct, J.D., that talisman Dominik had was the symbol of his deal with The Devil and it helped us track him and his minions down.

Nico: And when you destroyed it, it destroyed him for good, but why didn't he get sent back to Hell for good like with Chandler? (Realizes what Laura did) Wait a second, you channeled Black Gate energy into your feet, didn't you?

Lincoln: She did, and when that happened, it sent Dominik straight to The Black Gates for good.

Eli: Good riddance, but Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are still running loose.

Nico: Without a doubt, Daniel Kadlec will no doubt come after Laura and her friends next. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The last member of The Midnight Society that we're meeting tomorrow is Hecate Midnight.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Hecate Midnight is Lincoln's Guardian Angel from Michigan and the fifth younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Killjoy Huggins with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that jerk showed up and tried to attack, but Hecate used her dark powers and made Killjoy Huggins' nightmares come to life, and he got so scared, he ran away and went back home and holed himself back in his room and he refused to come out for the rest of the night.

Nico: Whoa, now what was that killjoy's nightmare?

Lincoln: That was an easy one: me achieving success and exposing him for the miserable killjoy and abusive scumbag he really is.

We gasped.

Nico: WHOA! That's more like an act of justice and retribution.

Me: Yeah, that fear is extremely powerful, and it left a scar on Killjoy Huggins' mind and that fear became a reality and it ended with him getting killed for good.

Xaldin: That's it for them.

Salami Swami: N'Kantu isn't going to rest.

Xigbar: He's going into our ranks.

Mortal Kombat Scorpion: Of course he is.

Count Spankulot: Let us celebrate this victory!

Nico: Yeah! Great job everyone.

Rainbow Dash: (To the viewers) This was AWESOME!

Laney: Yeah it was!

We had a great pizza dinner at Lynn's Table and went back home and then enjoyed the rest of the day and went to sleep.

Me: Wow! (ECHOING)

Eli: What a cave. It's so beautiful.

Lola: It sure is.

Qin: It must've taken a long time to make a cave like this.

Nico: It sure is magnificent.

Lincoln: I agree there. It's really amazing.

Varie: It sure is.

Fiona: Boy this is an amazing cave to see.

Leni: It totes is Fiona.

Nico: Fiona, I want to thank you, Snake, and your teams for coming

Fiona: No problem Nico. This is gonna be so fun.

Octavia Melody: (British accent) It is most going to be fun and amazing everyone. I'm really looking forward to this.

Lola: We all are Octavia.

Nico: Octavia, what do you like to do in your free time?

Octavia: I like to play the cello at parties and liven the place up for those that need it.

Vinyl Scratch: It's true. Before I joined the team, me and Octavia lived together. I am a rave DJ and Octavia is a Cello player.

Me: Like how my grandmother on my dads side liked to play. She played the cello long ago herself.

Nico: Wow that is neat.

Laney: Yep and J.D. played the cello well himself before.

Nico: Really?

Me: Yep. And I never even had lesson in my life.

Nico: Funny. But that is cool.

Vinyl Scratch: It sure is.

Octavia: It most certainly is.

Nico: I actually didn't know that.

Me: It's a hidden talent. Laney dances amazingly well when I play the cello.

Laney: Yep.

Nico: Nice.

Octavia: J.D. does play the cello magnificently. He played the Arabian Dance from The Nutcracker Suite absolutely perfectly from it.

Nico: Cool! You'll have to show us when we get back from the galaxy adventure.

Me: Sure.

Nico: All right. Man yesterday was an awesome Egypt adventure.

Eli: It sure was. But in Chronopolis. And it was awesome taking down Lego Loki and N'Kanto.

Qin: Yeah.

Nico: Loki tried to fool us. But man J.D. you saw right through his disguise no problem.

Me: I was able to see right through him because I was able to see the evil he had in him.

Nico: Really?

Me: Yep. I felt his aura and knew it was him right off the bat.

Camie: Wow that is amazing.

Eli: It sure was.

Nico: Well done though J.D.

Me: Thanks.

Nico: He still woke N'Kanto up.

Me: We've faced mummies many times before and he was no different.

Xenia: Yep and now both Lego Loki and N'Kanto are in the M.O.E.

Laney: They sure are.

Qin: Yeah.

Nico: And the mascots triggered those traps. But man they were no match for us.

Laney: I know.

Varie: That was awesome that we conquered those traps.

Daring Do: It sure was awesome.

Nico: We always seem to be triggering those kinds of traps, huh?

Me: No kidding. But like we always have known. You can't expect it to always be easy without there being SOME FORM of danger in everything.

Nico: That is true. 100% too true. But man that still was fun.

Camie: It sure was.

Me: It sure is (THUD) OOF!

I hit a wall.

Me: Ow.

Nico: You okay?

Me: Yeah just hit a wall.

I tapped it and it had a hollow thud coming from it.

Me: A hollow thud?

Nico: That's suspicious. There must be something behind here.

Qin: Yeah.

I punched the wall and broke down the wall and then it revealed an amazing and breathtakingly beautiful sight! WE SAW A MAGNIFICENT CRYSTAL GROTTO! It had beautiful rainbow crystal clusters all over, beautiful light giving life from a crystal on the ceiling and grass, flowers and plants grew and there was even a waterfall and spring in it.

Me: Oh wow!

Xenia: It's beautiful!

Camie: Oh wow!

Lola: This is amazing!

Varie: And in a cave at the edge of the forest near the city.

Twilight Sparkle: Wow this is absolutely breathtaking.

Pinkie Pie: Reminds me of Maud's grotto. This is amazing!

Nico: It sure is!

Laney: Wow!

Me: Wow this is incredible. I've never seen a Crystal oasis this breathtaking.

Rarity: Oh and the gems here are amazing darlings!

Fluttershy: And the flowers here amazing!

Nicole: And it's amazing that this grotto formed here.

Lily: Boy this is amazing.

Lola: Yeah!

Pipp Petals: Oh my glitter this is so amazing!

Izzy Moonbow: It sure is!

Misty Brightdawn: Boy no kidding!

Octavia Melody: Hey look there on that cliff there there.

We saw a little cottage there and it was made of solid crystal? That's unusual.

Me: Is that a cottage here?

Nico: It's made of crystal too. Wow. That is amazing.

Eli: Someone lives here? Wow that is amazing.

Qin: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Maxxine, are you familiar with someone by the name of Trina Edmunton?

Maxxine: (GASPS) OH GOD, NOT HER!

Nico: You know her?

Maxxine: I wish I hadn't, but you guys deserve to know the truth about her. Trina Edmunton is a very dangerous serial killer and one of my most hated enemies.

We gasped in horror.

Me: My God!

Maxxine: It gets worse, she's responsible for killing over 300 people in 20 states and stealing all their money and using it to buy REALLY expensive stuff for me which I didn't want! She is absolutely crazy and insane!

Eli: Jeez.

Nico: Damn, she's a fucking fruit cake!

Maxxine: That she is. In the end, I busted her for her crimes and got her sent to Death Row. But, I got word from Sheila that fruit cake has escaped!

Then, the rest of the team arrived.

Sheila: She sure has, and she'd killed two guards who tried to restrain her before she bolted out of there.

Nico: Oh man. Looks like we've got to administer that fruit basket's death sentence before she dares to hurt another person or go after Maxxine herself.

Lincoln: Let's hunt her down immediately.

Me: She must be here in this crystal grotto.

Qin: We'll find out who lives in that cottage soon enough.

Maxxine: Yeah.

Sheila: Lets do it. But wow this is an amazing crystal grotto.

Irma: It's breathtaking.

Nico: It sure is.

Maxxine heard a Pokemon cry.

Maxxine: Hey look.

We saw a Diancie.

Me: Hey a Diancie.

Qin: Cool.

We saw that it was lonely and sad.

Maxxine: Oh are you lonely?

Diancie: I sure am.

Maxxine: Oh you poor thing. I'll gladly be your friend.

Diancie: You will?

Maxxine: I sure will.

Maxxine put on her jumpsuit. It was red.

Qin: Nice one.

Maxxine: Thanks.

Me: Better transform too Sougo.

Sougo: Right.

He got ready.

Sougo: HENSHIN!

He transformed!

Sougo: KAMEN RIDER ZI-O!

Qin: Yeah!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings

orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Trina Edmunton) AHA! Got you! I just spotted Trina Edmunton, she's 20 yards away and she's heading right for Maxxine in a fit of homicidal fury.

Maxxine: Figures. She's going to get it big time!

Lincoln: She's about to be put down for good. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs

arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes.

Then, we set our sights on Trina Edmunton.

Nico: Mack, you, Akira, Axel, Mike, Soji, and Takumi did good yesterday

Qin: They sure did.

Mack: Yep we sure did.

Akira: Yeah that was fun.

Lola: Yep.

Nico: Also, for those of you who expected the Galarian Birds, I warned you not to get your hopes up

Me: I know there is plenty of time for that. We aren't giving up on that.

Qin: Yeah.

We then started looking around, and then, we heard a loud scream of rage.

?: YOU FUCKING BITCH! YOU'LL PAY FOR THROWING ME IN DEATH ROW!

Maxxine: Yeah, fuck you too, you insane psycho killer bitch!

We then saw a girl with crazy black hair in a red prison jumpsuit and crazy eyes heading right for Maxxine, it was Trina Edmunton, and she was absolutely fucked-up and crazy. She was about to stab Maxxine with a knife, but Lincoln formed a massive indestructible diamond barrier protecting all of us and when the knife hit the barrier, it broke and she tried to hit it with her fists, but that didn't work, but it did make her fists bloody: SHE WAS SCREAMING AND WAILING IN RAGE AS SHE TRIED TO BREAK THE BARRIER AND KILL MAXXINE!

Maxxine: Damn, she's really lost it big time! That time in prison really ruined her mind and brain!

Nico: No fooling, man, she really despises you!

Lincoln: Someone needs to put that lunatic down.

Lincoln fired a diamond ball that hit Trina Edmunton in the face and sent her flying into a tree, but Lincoln didn't deactivate the barrier as we stood ready.

Trina Edmunton: GET OUT HERE, YOU BITCH, SO I CAN KILL YOU AND YOUR FRIENDS!

Maxxine: (Flips Trina Edmunton the finger) Go to Hell, you piece of shit!

Me: She really is insane!

Maxxine: That's exactly why she needs to be stopped and put down for good.

Me: Yep.

I teleported and punched her in the face!

Sheila kicked Trina in the face and knocked her down!

Qin: You are so disgusting Trina!

Trina Edmunton: I GAVE YOU EVERYTHING MAXXINE! I WANTED TO GIVE YOU THE WORLD! I KILLED ALL THOSE PEOPLE FOR YOU! AND BOUGHT YOU EVERYTHING FOR YOU!

Maxxine: Explain to me how killing those people were for me!

Trina Edmunton: BECAUSE THOSE PEOPLE WERE WORTHLESS! YOU WERE THE ONLY ONE FOR ME! I LOVE YOU MAXXINE!

Maxxine: (SHOCKED) WHAT!? You loved me!?

Nico: SAY WHAT NOW!?

Me: You're a crazy bitch! How can you be so evil!?

Qin: YEAH! You killed all those people just to get their money for Maxxine! It's not right! You destroyed COUNTLESS Lives just for your own selfish reasons!

Maxxine: You can't buy love and happiness just by killing people! There's no love in it! What you did is nothing but cold-blooded murder!

She then pulled out a ring box from her pocket and in it was a magnificent rainbow diamond class ring style ring that had diamonds of each color of the rainbow in a sun formation and it was surrounded by white diamonds on it. It looked like a Superbowl Championship ring.

Maxxine: But I will keep this.

Trina Edmunton: (GASP) You kept that ring I gave you!

Maxxine: Yes! (Looks at Hassleberry) To propose to someone who's earned my love!

Tyranno Hassleberry: You will marry me!?

Maxxine: Yes! Who says that women can't propose?

I looked at it.

Me: (WHISTLES) That is a nice ring.

Maxxine: It sure is. And I love it. Turns out this ring is the one thing that I always wanted out of everything you gave me Trina.

Maxxine put it on.

Maxxine: It fits perfectly. Trina, I want you to know this. What you did was wrong on so many levels. You killed all those people just for their money and all for me. But it's wrong. I'm sorry Trina. But you have to pay for all those crimes. You tried to make me the happiest ever and I will always be grateful to that. But what you did is wrong! And you have to pay for it.

Nico: It has to end that way for you Trina. It's wrong for you to do what you did.

Maxxine: And I still have this too.

She showed a beautiful RAINBOW DIAMOND NECKLACE she had on.

Me: Wow! That necklace is beautiful.

Maxxine: I decided to keep all the gifts.

Me: Wow! How much WAS All that?

Trina Edmunton: It was all worth over $40,000,000.00.

Me: HOLY CRAP!

Geiz: I know you did it out of love. But you still killed people. You have to pay for that somehow!

Me: That's right! MURDER is STILL MURDER!

Maxxine: That's right! You brought all this on yourself.

Maxxine gave the jewelry to Tyranno to hold on to.

We went at her!

Atticus Rhodes tried punching her but got knocked out when he hit a crystal column.

KRABLAM!

He hit it head on.

Atticus: (dazed) Hey, if you find any teeth lying around, they're mine. (Falls unconscious)

SPLASH!

He landed in the lagoon. Luckily it was a shallow water lagoon.

Me: Wow this water is shallow. Goes only up to my lower ankles.

Alexis Rhodes: Thank goodness.

Hassleberry: Save some for me, babe! No one does that to my fellow officer!

Maxxine: Gladly!

We went at her and I punched her in her face and kicked her in her stomach and smashed her in the face.

Maxxine then grew her scorpion tail.

Maxxine: Time to go Queen Nail!

She groaned in pain and then she ripped out of her jumpsuit and turned into QUEEN NAIL!

Trina gasped!

Trina Edmunton: (GASP!) Maxxine!? What happened to you!?

Queen Nail: Ugly story I do not want to talk about!

She fired waves of energy and blasted her all over.

Camie: And this too!

She fired a wave of aurora energy and blasted Trina all over.

Sougo: Save some for me!

He slashed and blasted her.

Lucy Heartfilia: Time for Time Force!

Robin, Cyborg, Beast Boy, Raven, Starfire, Tara, Kole, Flare Corona and Erza Scarlet: TIME FOR TIME FORCE!

They transformed!

Robin: TIME FORCE ALPHA RED!

Cyborg: TIME FORCE BETA BLUE!

Beast Boy: TIME FORCE SIGMA GREEN!

Raven: TIME FORCE ZETA BLACK!

Starfire: TIME FORCE THETA YELLOW!

Tara: TIME FOR VEGA PINK!

Kole: TIME FORCE KAPPA PURPLE!

Flare Corona: TIME FORCE PSI ORANGE!

Erza Scarlett: TIME FORCE XI AQUA

Lucy Loud: TIME FORCE DELTA WHITE!

They were ready for action!

Me: Wow! Greek Letters with the morph! That is clever!

Wes: Wow that is cool!

Eric Myers: That sure is awesome.

Diancie charged at her and fired a jewel blast and smashed her all over.

Poromon got drunk and threw a bottle and it hit Trina on her head!

SMASH!

Maxxine reverted back and she had her clothes on again.

Suddenly, Maxxine's purple eyes turned neon purple, and she was surrounded by a red energy aura with stars, earth, fire, scorpions, phoenixes, and angels, she unholstered her massive Maxxine Stenson's King Nail Earth Firestorm Scorpion Greatsword of Underground Earth Firestorm Scorpion Justice from her back, and as she approached Trina Edmunton, she left red energy, stars, earth, fire, scorpions, phoenixes, and angels with every step.

Maxxine: Trina what you did was nothing short of wrong! I know you did it out of love but you still killed people! You have and always be a sadistic serial killer who's shown no compassion towards anyone at all, all you ever cared about was yourself and killing everyone around you. I don't regret what I did in stopping you and getting you sent to Death Row, you murdered 300 people in 20 states and stealing all their money and using it to buy REALLY expensive stuff for me, you are absolutely insane. I've absolutely had it up to hear with you, you've always been such a bitch and now, you can consider getting your death sentence a bit earlier than expected. If you're lucky!

Suddenly, Maxxine was surrounded by a massive vortex of red energy with stars, earth, and fire surrounding the vortex, there are scorpions, phoenixes, angels, and King Nail flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Trina Edmunton: the red eyes of eternal death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears that stinkpot apart piece by piece!

Qin: YEAH!

Trina Edmunton charged at the vortex still intending to kill Maxxine, but the barrier still kept her from trying to get at us, and if that's not bad enough, that bitch got hit with fire and she screamed in agony as it damaged her face and left a really nasty scar on her face.

Eli: Ooh, now that's going to leave a scar on her! Serves her right!

Lincoln: And it's one she'll take with her to the grave.

Then, as the vortex faded, Maxxine emerged, but she was changed forever.

Trina Edmunton charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at him and she got hit hard and he slashed at her with his massive black greatsword. Then, Lincoln grabbed her by the waist with one of his eleven massive and long white wolf tails and he smashed her into the ground, and she was really getting messed up, and then, he threw her and sent her into a nearby tree.

Nico: Nice one.

Nico: Nice one.

Snake fired his gun at her and she danced as the bullets hit the floor.

Trina Edmunton was extremely enraged big time, but before she could attack again, she was impaled on a crystal through her back that grew out of nowhere and the crystal went through her stomach and out through her gut.

Me: Okay, that wasn't me, Vince, Rarity, or any other master of crystals.

Lincoln: It wasn't, J.D. In fact, there's only one person who'd do that to scum like Trina.

Suddenly, we saw a very beautiful and super sexy girl with long pink hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a pink short-sleeved frilly shirt, necklace with pearls and red gem for the pendant, pink skirt, white bridal gloves, pink knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Caitlin Knudson.

Me: Oh, I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Maria Knudson, Selena Knudson, Sumner, and Patti: Caitlin?!

Caitlin Knudson: Yep, Caitlin Knudson, God Sibling of Crystals, reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis.

Me: Awesome!

Maxxine went over to Trina.

Maxxine: Trina I'm sorry but you need help. Instead of killing you we're going to have you put into our Estate prison and help you. You have a serious mental problem.

Trina Edmunton: (In pain) Oh you're right. Maxxine, I should have told you. I have dissociative identity disorder.

Me: You mean like a split personality?

Trina Edmunton: Yes. It's a crazy story. I'm sorry for everything I did and no amount of words will fix what I did. But I deserve to be punished or cursed or anything for what I did.

Me: Well we are going to lock you up in our prison for your crimes in the estate.

Maxxine: But Trina. I want you to know that I forgive you.

We got her down and healed her up and she was cuffed.

Everyone cheered as we holstered our weapons and powered down, and Maxxine's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large red orbs orbiting around her legs, and massive brown angel wings are permanent and the machine vanished.

Lincoln: At least she has remorse and more. (To Caitlin Knudson)

And it's so good to see you again, Caitlin.

Caitlin Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, and Sakura again, J.D.

Me: Same here sis.

Lincoln went up to Caitlin Knudson and he hugged her, and Caitlin Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Caitlin Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Caitlin Knudson, God Sibling of Crystals, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful crystal powers and immense control over crystals and crystal clusters, and she also has the power to bring life to dead planets and places and even bring the dead back to life. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Crystals, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she also knows how to make awesome jewelry and even jewel-encrusted dresses with the crystals and crystal clusters she creates, and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR YOU WILL SUFFER THE FURY OF THE GOD SIBLING OF CRYSTALS!

We gasped.

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to be put in a crystal prison or impaled on crystal spikes.

Lincoln: Yeah, no one wants that.

Nico: Nope.

Lincoln: And now that you're here, Caitlin.

Lincoln went up to and hugged Caitlin Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Caitlin Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Caitlin Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Caitlin Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Caitlin Knudson.

Caitlin Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Hassleberry: (to Jaden) Sarge, wanna be the best man at my wedding?

Jaden: You got it Tyranno.

Camie: How come he called him that?

Bastion: Oh Tyranno always calls his friends ranks in soldiers like they are part of the military. Its always been like that for him.

Jaden: It's cool. I like it.

Qin: Nice.

Me: Wow. Caitlin so is this your grotto?

Caitlin Knudson: It sure is. What do you guys think?

Qin: This is amazing that you live here.

Nico: It sure is.

Caitlin Knudson: Yep. I built that cottage here because this whole place is in my element. I like it.

Me: That is so awesome sis.

Maxxine: The rest of the Underground Girls will be my bridesmaids.

Sydney: That will be awesome.

Trina Edmunton: Yeah it sure will.

Maxxine: Trina can attend the wedding.

Me: As long as she can watch in protection.

Nico: Good idea.

Qin: Yeah.

Caitlin Knudson: That is for sure. Nico how did you guys find out where I live?

Nico: Um… Lucky Guess?

Me: We actually found it by accidental discovery. We heard rumors about this and it was amazing.

Caitlin Knudson: Oh. That makes sense.

Atticus woke up.

Atticus: (GROANS) That hurt. What hit me?

Laney: Oh you're up. You hit a Crystal column head on and knocked yourself out.

Atticus: Oops.

Diancie: But it was cool helping you all out. Maxxine I'm sorry about your friend Trina. I can't believe she would do all that for you.

Maxxine: I know. I'm sorry she did all that too. But I had no idea she had mental problems.

Nico: No one did.

Qin: Yeah.

Nico: Yeah.

Poromon: (To Diancie) Beer?

Diancie: Oh I drink fancy wines myself.

Caitlin Knudson: Yeah I have been giving her this.

She pulled out a bottle of Cristal Wine.

Me: Ooh! She likes the REALLY fancy stuff.

Poliwag: Wow! That is good taste right there.

Horsea: It sure is.

Qin: Yeah.

Nico: How are you able to afford that? That stuff costs $350.00 to $10,000.00 per bottle?

Caitlin Knudson: I'm the God Sibling of Crystal and I can grow diamonds. I use those to get some money for it.

Nico: That is clever.

Me: Nice. And diamonds are worth more than their weight in gold.

Nico: Yep.

Poliwag did the puppy eyes.

Diancie: Poliwag that doesn't work on me.

Me: You know Diancie is a Legendary Pokemon and that won't work on her.

Poliwag: Tartarsauce. Worth a shot though.

Nico: I knew Trina wasn't fully gone since she didn't call Maxxine a freak.

Me: Good.

Trina Edmunton: Yeah I still view Maxxine as a friend.

Nico: Good.

Trina Edmunton: But I'm willing to accept any punishment you give me.

Me: We'll commute your sentence to life without parole in our estate prison and you'll get Kitten's old prison cell.

Kitten: It's a presidential suite full of my luxurious stuff.

Nico: She left it after she joined our ranks.

Me: Yep.

Trina Edmunton: Thanks guys.

Me: You're welcome.

Caitlin Knudson: That's cool that you guys are trying to help her.

Me: Yep it sure is.

Sougo: I'm so happy for you sis.

Maxxine: Me too Sougo. And J.D, since you helped out so much on my big day missions, can you and Sougo be my best men?

Me: We would be honored.

Sougo: You got it.

Camie: Aww. So cool.

Poromon: Can I be Best Mascot?

Maxxine: Of course you can.

Poromon: Yay!

Nico: Awesome.

Me: Yeah.

Eli: Now comes our fun part.

Me: The Anothers.

Nico: Which are?

Eli: (CONCENTRATES) WHOA! We got Another Dark Sailor Venus, Universe 666 Master Org, Waffle Nyan, Roman Torchwick and Snake.

WE GASPED!

Sailor Venus: Wait a Dark version of me!? That will be scary!

Lola: Whoa no kidding!

Lynn: Wow!

Me: So we have Lina Laval, Galatea Gojira and Francesca Frenchtoast for them.

Nico: Yep.

Eli: And I sense that the Anothers minus Snake are one person.

Me: Nice.

Nico: There they are!

We saw Another Dark Sailor Venus, Universe 666 Master Org, Waffle Nyan and Roman Torchwick!

WE GASPED!

Me: Dark Sailor Venus is dangerous.

Qin: YEah!

Another Waffle Nyan: (In a girls voice) No kidding huh?

Me: (GASP) (DROOLS) I know that voice.

They merged and she reverted back and it was a girl with yellow hair and red eyes and had green and red clothes on and had red angel wings and a tiara with the symbol of the Burger dopant on it and had the same symbol on her skirt and she had a burger sword.

Me: Bonnie Burger! Wow!

Bonnie Burger: Awesome to see you again J.D.

Me: Same here. Bonnie is the Embodiment of the Burger Dopant and a great fry cook and a legend amongst the Fry Cook World. She makes awesome burgers of massive numbers of flavors.

SpongeBob: (LAUGHS) She would make a great member of the Krusty Krew.

Lola: Or Lynn's Table.

Bonnie Burger: That is true.

Nico: BURGERS!

Me: Nico goes CRAZY for burgers.

Bonnie Burger: (LAUGHS) That is too true.

Bonnie used her powers and gave Nico, May and Maria a MASSIVE PILE of them.

Nico: Oh boy!

May: Lets eat!

Maria: Yeah!

Me: By the way is the Another Snake friendly or hostile?

Bonnie Burger: Friendly and she is a powerful one.

Me: Ooh. Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

She glowed and was separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books!

Qin: Yeah!

Maria: Time for backup! (TURNS DIAL) KANGAROO BUTTKICKING BRIGADE!

She summoned Kerbero Gangan, Bond Man, Hekatoid, Devidramon, Jean Jacket and Howling Hairfish, Captain Kidd (Felix the Cat), The Stray Dogs (Rocko's Modern Life), Howling Aces (Cuphead) and Barnyard Dawg (Looney Tunes)

SpongeBob: Well, then, I guess it's time to take it up a notch. [spins his legs, then his hands, and then cracks his fingers, but they are snapped in half.]

CRUNCH!

[The scene cuts out to SpongeBob's broken fingers.]

YICHIHUAHUAS! THAT IS GONNA HURT!

He starts to cry!

SpongeBob: (WAILING)

Me: OUCH!

Poromon: BURGERS!

He had some with Nico, May and Maria!

Lily: Geez! SpongeBob that must've hurt!

Varie was healing him up.

Poliwag: BURGERS!

Poliwag had some.

Me: Okay you guys can eat.

Later they were finished.

Me: Look sharp!

We saw ANOTHER SNAKE JAILBIRD!

Me: Another Snake!

Qin: Uh oh.

Fiona: Cool.

Another Snake: (In a girls voice) (Cajun Accent) Ooowee! Love a good battle.

Me: That voice!

She reverted back and was a girl with orange hair and red eyes and had red clothes and had fire angel wings and had a tiara with the symbol of the Pepper Dopant on it and the same symbol on her skirt and she had a Cayenne Pepper Magisword in her hand.

Me: Cayenne Cajun Pepper! Awesome!

Cayenne Cajun Pepper: Ooowee! Great to see y'all again J.D.

Me: You too Cayenne. Cayenne is the Embodiment of the Pepper Dopant and she makes some of the most hottest and deadliest hotsauces in the world and the galaxy! She also is a deadly robber and robs from the evil.

Snake: Boy the dudette is gifted like me.

Cayenne Cajun Pepper: Ooowee! I sure am.

Nico: Wow! That is cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Cayenne Cajun Pepper: Nah he didn't. Cause I poured my hottest ever sauce down his throat. It's this'n.

She showed a jug of it and it was called ZEPHOS CAJUN ARMAGEDDON DOOMSAUCE!

We GASPED IN SHOCK AND HORROR!

Nico: (GULPS) He must've had his head explode from that!

Sakura Knudson: I found Swartz with his head blown clear off his shoulders and fire was blasting out of his headless body and out his butt from something!

Cayenne Cajun Pepper: Yeap! That was my sauce here.

Nico: Nice!

Me: Too bad that didn't kill him back then.

Maxxine: (LAUGHS) Yeah that is for sure. But that was awesome.

Nico: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

He fired a wave of energy and separated her.

Nico: Okay you jailbird! Time for you to go back to prison!

Me: Yeah but he probably regenerated his head from that.

Lola: Yeah.

Cayenne Cajun Pepper: Ooowee. You're probably right.

Nico: (Gets out Snake's Ridewatch) Time for you to go dude!

May: (Gets out Two-Bad's Ridewatch) Two heads are always better than one!

Maria: (Gets out Lefrog's ridewatch) I'll flush you away! (LOUD

FART) (Blushes in embarrassment)

Octavia Melody: (Gets out Roman Torchwick's Ridewatch) And the power of White Fang will be one to remember!

They used the Ridewatches of Snake, Roman Torchwick, Two Bad, Army Dillo, Lefrog and Froot Loops Queen and fired waves of energy and elements and blasted the Another.

Then INSTIGATOR, Thursday Man, Brinebeast, Whispy Woods, Nine and VrilDaiBouken came.

Nico: Nice team INSTIGATOR!

INSTIGATOR: Thanks Nico!

Pump Man then came!

Me: Cool Pump Man!

Pump Man: (In a girls voice) It sure is awesome.

Nico: Alice Pump!? Whoa!

Alice Pump: Yep.

She reverted back and was a girl with blue hair, blue eyes, blue clothes and had blue angel wings and a water sword and she had an old fashioned water pump symbol in the middle of her forehead.

Alice Pump: I got this.

She fired a blast of water and smashed the another down and I caught the ridewatch and purified it.

Me: Yeah!

Maria: Nice water powers!

Alice Pump: Thanks!

May: And I didn't get hit!

Me: Nope.

Octavia Melody: Do you have a favorite memory of Nico?

Alice Pump: When me and Nico pumped the water of a drought ravaged land in Sudan and gave water to everyone there.

Me: Wow! Sudan is really wartorn there but that is cool.

Xenia: Yeah.

Nico and Alice hugged.

Nice: I've missed you.

Alice Pump: Same here.

We later went back home and we made a replica of Caitlin's grotto home and cave in the park at the estate. We got Trina settled into her cell.

Lincoln: Ah, we're here in Rome, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news: clones of Dark Specter, Astronema, Ecliptor, Elgar, Darkonda, Psycho Red, Psycho Black, Psycho Blue, Psycho Yellow, Psycho Pink, and Psycho Silver, Manta Menace, Electrotramp, Clawhammer, Voltage Hog, Elephantitan, Sting King, Crocovile, Destructipede, Power Driller, Fearog, Behemoth, Mamamite, Termitus, Barillian Bug, Swarmthing, Mutantrus, Lionizer, Body Switcher, Lunatick, Crocotoxes, Praying Mantis, Destructoid, Horror Bulls, Coralizer, Lizwizard, Batarax, Spikey, Frightwing, Hoothead, Datascammer, Jakarak, Vacsacker, Tankenstein, Bonker, Chef Swinegang Pork, and Magic Mushroom were sighted and bad news, they were created by another manifestation of Universe 666 Sebastian's residual darkness, and he went into hiding again.

We gasped.

Me: Why, that little… !

Andros: Now, he's gone and made clones of our old enemies? Boy, he really doesn't know when to quit.

Nicole: He sure doesn't, Andros. He's just making things a whole lot worse for himself, even though he's already dead.

Whitney: He's that insane in death as he was in life.

Anko: Someone like him who refuses to give up, he's even worse than many of our old enemies.

Nico: You said a mouthful.

Suddenly, we saw a very beautiful and super sexy girl with long

midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the five girls.

Lincoln: (GASPS) Hecate Midnight of The Midnight Society.

Hecate Midnight: That's right, and I got the girls away from the clone of Dark Specter, but I've set him off big time and he's already sending his minions after us!

Suddenly, we saw the clones of Astronema, Ecliptor, Elgar, Darkonda, Psycho Red, Psycho Black, Psycho Blue, Psycho Yellow, Psycho Pink, and Psycho Silver, Manta Menace, Electrotramp, Clawhammer, Voltage Hog, Elephantitan, Sting King, Crocovile, Destructipede, Power Driller, Fearog, Behemoth, Mamamite, Termitus, Barillian Bug, Swarmthing, Mutantrus, Lionizer, Body Switcher, Lunatick, Crocotoxes, Praying Mantis, Destructoid, Horror Bulls, Coralizer, Lizwizard, Batarax, Spikey, Frightwing, Hoothead, Datascammer, Jakarak, Vacsacker, Tankenstein, Bonker, Chef Swinegang Pork, and Magic Mushroom as they went at us, but we stood ready and we fired powerful energy blasts at them and knocked them all down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Astronema, Ecliptor, Elgar, Darkonda, Psycho Red, Psycho Black, Psycho Blue, Psycho Yellow, Psycho Pink, and Psycho Silver, Manta Menace, Electrotramp, Clawhammer, Voltage Hog, Elephantitan, Sting King, Crocovile, Destructipede, Power Driller, Fearog, Behemoth, Mamamite, Termitus, Barillian Bug, Swarmthing, Mutantrus, Lionizer, Body Switcher, Lunatick, Crocotoxes, Praying Mantis, Destructoid, Horror Bulls, Coralizer, Lizwizard, Batarax, Spikey,

Frightwing, Hoothead, Datascammer, Jakarak, Vacsacker, Tankenstein, Bonker, Chef Swinegang Pork, and Magic Mushroom and he began absorbing them into him as he assimilated all of their powers, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and all that's left is the clone of Dark Specter.

?: (ENRAGED LOUD ROAR) RANGERS! TEAM LOUD PHOENIX STORM! I WILL DESTROY YOU ALL!

We then saw our target, the clone of Dark Specter, and he was out to destroy us, and boy was he really really really angry and mad now!

Sylvester: Ugh, he's just as monstrous and ferocious as the original one.

Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed the Dark Specter clone and he began absorbing him as he assimilated all of his powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, when Lincoln was done and the stingers changed back, nothing was left of him, and he sent the clones' spirits to The Black Gates. We cheered as we holstered our weapons and powered down.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants. (To Felicia Midnight) And it's so good to see you again, Hecate Midnight.

Hecate Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Hecate.

Lincoln went up to Hecate Midnight and he hugged her, and Hecate Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Hecate Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Hecate Midnight, she's my Guardian Angel from Michigan and the fifth younger sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and the rest of The Midnight Society meet up with me at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Killjoy Huggins with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, that jerk showed up and tried to attack, but Hecate used her dark powers and made Killjoy Huggins' nightmares come to life, and he got so scared, he ran away and went back home and holed himself back in his room and he refused to come out for the rest of the night.

Nico: Serves him right! Stupid killjoy!

Me: Yeah, I remembered that night all too well, and Hecate really did awesome in scaring that jerk senseless.

Lincoln: He made a huge mistake coming after us again, and now that you're here, Hecate.

Lincoln went up to and hugged Hecate Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Hecate Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Hecate Midnight's neck with red gems on the gold

lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Hecate Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Hecate Midnight.

Hecate Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Akari Himezawa, Alicia Costa, Mami Asahina, Miki Kawabata, and Emiri Natsukawa from Bangable Girl.

Lincoln: Oh wow, it's Akari Himezawa, Alicia Costa, Mami Asahina, Miki Kawabata, and Emiri Natsukawa from Bangable Girl.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Akari Himezawa: Yes, we're okay, thanks to you.

Then, when Akari Himezawa and the other four girls saw who it was that saved them from the clones of Dark Specter and his minions, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akari Himezawa, Alicia Costa, Mami Asahina, Miki Kawabata, and Emiri Natsukawa with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Dark Specter and his minions created by another manifestation of Universe 666 Sebastian's residual darkness.

But, when Lincoln showed what we all did in beating them down and Lincoln stabbing them with his Cell Stinger tips on his tails and he absorbed them into him and assimilated all their powers which forced out the manifestation of Universe 666 Sebastian's residual darkness and he was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Hecate Midnight have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so another manifestation of Universe 666 Sebastian's residual darkness was here and it created clones of Dark Specter and his former minions?!

Lincoln: Yep, but just like what happened, I absorbed them and assimilated all their powers.

Nico: Along with banishing their souls to The Black Gates and it also forced out the manifestation once more and he too got destroyed and sent to The Black Gates.

Me: He really refused to give up and just die, what a sore loser.

---

After Lincoln absorbed the clones of Dark Specter and his minions and destroyed another manifestation of Universe 666 Sebastian's residual darkness, we were training intensely in the gym, doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Hecate Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Hecate Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Hecate, and I can still defend

myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Hecate Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Hecate Midnight: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Divatox, Elgar, Rygog, Porto, Maligore, General Havoc, Amphibitor, Shadow Chromite, Shadow Rangers (Turbo), Visceron, The Demon Racers, Big Burpa, Mouthpiece, Pharaoh, Numbor, Blazinator, Terror Tooth, Electrovolt, Wolfgang Amadeus Griller, Shrinkasect, Flamite, Delisha Ennivel, Dreadfeather, Mad Mike the Pizza Chef, Translucitor, Clockster, Metal Mangler, Crosspatch, Flashhead, Voltmeister, Wicked Wisher, Wild Weeder, Mutant Bees, Torch Tiger, Debloom, Blue Grouperhead, Fleeing Flea, Vitrified Virus, Mosquito Man, Silver Streaker, Hardhairball, Hate Mistress, Maniac Mechanic, Lord Litter, Crash & the Creeps, Mr. Goorific, Strikeout, Count Nocturne, and Goldgoyle.

Tommy Oliver: What the? Now, we got clones of Divatox and her minions?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Tommy Oliver: What a sore loser, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of Divatox, Elgar, Rygog, Porto, Maligore, General Havoc, Amphibitor, Shadow Chromite, Shadow Rangers (Turbo), Visceron, The Demon Racers, Big Burpa, Mouthpiece, Pharaoh, Numbor, Blazinator, Terror Tooth, Electrovolt, Wolfgang Amadeus Griller, Shrinkasect, Flamite, Delisha Ennivel, Dreadfeather, Mad Mike the Pizza Chef, Translucitor, Clockster, Metal Mangler, Crosspatch, Flashhead, Voltmeister, Wicked Wisher, Wild Weeder, Mutant Bees, Torch Tiger, Debloom, Blue Grouperhead, Fleeing Flea, Vitrified Virus, Mosquito Man, Silver Streaker, Hardhairball, Hate Mistress, Maniac Mechanic, Lord Litter, Crash & the Creeps, Mr. Goorific, Strikeout, Count Nocturne, and Goldgoyle and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Divatox, Elgar, Rygog, Porto, Maligore, General Havoc, Amphibitor, Shadow Chromite, Shadow Rangers (Turbo), Visceron, The Demon Racers, Big Burpa, Mouthpiece, Pharaoh, Numbor, Blazinator, Terror Tooth, Electrovolt, Wolfgang Amadeus Griller, Shrinkasect, Flamite, Delisha Ennivel, Dreadfeather, Mad Mike the Pizza Chef, Translucitor, Clockster, Metal Mangler, Crosspatch, Flashhead, Voltmeister, Wicked Wisher, Wild Weeder, Mutant Bees, Torch Tiger, Debloom, Blue Grouperhead, Fleeing Flea, Vitrified Virus, Mosquito Man, Silver Streaker, Hardhairball, Hate Mistress, Maniac Mechanic, Lord Litter, Crash & the Creeps, Mr. Goorific, Strikeout, Count Nocturne, and Goldgoyle, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: I can't believe that sore loser created clones of Divatox and her minions.

Me: Yeah, he really is a sore loser.

Tommy Oliver: He just never gives up.

Lincoln: You said it. But, let him keep sending more clones of the Power Rangers' enemies, he knows I'll absorb them and I'll destroy him. But, of course, I know this isn't the end of those remnants of that lunatic.

Nico: Yeah, he's never going to quit until we're destroyed, he's even worse than that fucked-up dark asshole, Damian Alaister and The

Church of Necrom.

Nicholette Torrington: You said a mouthful, and Katnappe's right, Lincoln's preparing us for the day we finally battle Lord Zedd and Rita Repulsa in November by going after and absorbing the clones of The Rangers' most dangerous enemies and why he and all of us have been getting all of their powers, strengths, and abilities.

Nico: Whoa!

Me: That's so awesome! Lincoln, you really are The Man With A Plan!

Lincoln: Thanks.

We got a shower afterwards, and then, Lincoln, Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle are heading to Yoshi's Tropical Island.

But, they're not the only ones, Yuma Tsukumo, Tori Meadows, Cathy Katherine, Anna Kaboom, and Rio Kastle are also joining Lincoln as well.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Catelyn: Wow, so this is Yoshi's Tropical Island, it sure is beautiful.

Lincoln: It sure is, Catelyn, and it's perfect for our first date.

Yuma Tsukumo: You said it, Lincoln. This is going to be so awesome.

Lincoln, Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle along with Yuma Tsukumo, Tori Meadows, Cathy Katherine, Anna Kaboom, and Rio Kastle dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and Yuma fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Yuma Tsukumo: Honestly, Flip just doesn't know when to give up!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle and they hugged the girls in their abnormally massive and powerful muscular arms and Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle placed their hands on the massive pecs of Lincoln and his clones.

And Yuma Tsukumo made clones of himself and they went up to Tori Meadows, Cathy Katherine, Anna Kaboom, and Rio Kastle and they hugged, and then, they all shared a passionate and romantic kiss and Lincoln also marked Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs and Eli saw Yuma covered in kisses on his face and body.

Me: (Whistles) Wow, it looks like you and Yuma really had a good time at Yoshi's Tropical Island, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Yuma Tsukumo: (In Heaven) Best… date… ever!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle are in your harem, Linky.

Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle showed the marks Lincoln made on the right sides of their necks.

Sheena: Wow, I knew Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle had feelings for him, and I knew he'd mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Catelyn, Ariana, Dhanusha, Hummingbird, Jewel, Wave the Swallow, Universe 666 Vypra, Universe 666 Mommy Long Legs, Simulator Tori Meadows, Simulator Cathy Katherine, Simulator Anna Kaboom, and Simulator Rio Kastle, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and Yuma killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another Super Mario Galaxy 2 adventure.

Nico: Next is Mario Squared Galaxy.

Me: Cool!

Nicole: That one was pretty cool.

Nico: Yep.

Gaz: Me and Persephone will go next.

Nico: Okay.

They went into the Simulator and it activated and they were at MARIO SQUARED GALAXY!

It looked like a giant version of when Mario first came out back in 1981.

Gaz: This looks like… Mario!

Nico: It sure does!

Persephone: Back in 1981.

Nico: Yep.

Gaz: Yeah.

Nico: Any tips Nicole?

Nicole: (On the radio) Well this one is a really simple one. All you got to do is press all the tiles and make a picture of Mario and the star will appear.

Nico: Very simple.

Gaz: Goombas will be in our way though.

?: And we'll help stop them.

2 figures came. 1 was a girl with green hair, green eyes and had

green angel wings and green clothes and she had a tiara with the symbol for Gusto on it and the same symbol on her skirt and she had a wind sword.

The 2nd girl had blue hair, blue eyes, blue angel wings, blue clothes and had a tiara with the symbol of Dive Man on it.

Gia Gusto: Gia Gusto, Embodiment of Gusto is here.

Dina Dive: And Dina Dive, Embodiment of Dive Man.

Earth Chan: Dina Dive! Wow!

Kole: So awesome to see you.

Dina Dive: Earth and Kole! Wow! Awesome to hear your voices. Its been a while.

Nico: We can talk more later. Lets get a move on.

Persephone: Right!

They were off!

They got to the big Mario and Goombas came!

Nico: Here we go!

They stood ready!

Nico: (gets out Snake and Abis Mal's Ridewatches) You're about to get robbed!

He activated them and fired waves of energy and blasted the Goombas.

Gia and Dina fired wind blasts and torpedoes and blasted them.

Gaz and Persephone fired darkness blasts and they tore them apart.

Nico: Yeah!

They activated each tile and formed Mario from 1981 and then out came the star!

Nico: There it is!

They went and got it.

YOU GOT A STAR!

Nico: AWESOME!

Dina Dive: That was fun!

They high five!

Gaz: How did you meet Earth and Kole?

Dina Dive: I met them both underwater when they were exploring and we ended up finding an amazing jewel treasure in a sunken ship. It was fun.

Persephone: That is cool.

Gia Gusto: I'll say.

Nico: Would you like to join the team?

Gia Gusto: We would be honored.

They left and we cheered wildly for them

I was playing the Cello like I said and I was playing the Arabian Dance.

Nico: Wow that is amazing.

Qin: Very talented.

I was playing it beautifully.

Jean Grey: Has anyone seen the mascots?

Laney: Kameo and Nicole are with them on patrol.

Jean Grey: Okay.

In the city, the mascots, Kameo and Nicole were out on patrol.

Poromon: Thanks for coming with us.

Nicole: No problem guys.

Kameo: This will be really fun.

Poliwag: It sure will.

But then NUMEROUS TROLLS from the world of Kameo came out of a portal 100 yards ahead of them!

Nicole: Trolls!

Kameo: Thorn's troll minions! Lets get them!

Mantis: I hope they're having fun.

In the city they were blasting and obliterating Trolls by the hundreds!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a massive blast of lightning and electrocuted and incinerated them.

Nicole fired a powerful energy blast and obliterated the trolls.

Kameo turned into Pummelweed and bashed them into pulp.

Poliwag and Manaphy and Horsea blasted them with energy.

Nico: MASCOT SENSES TINGLING!

Me: Uh oh! Lets go then!

Nico: Right!

We were off.

Poromon leaped to avoid a Fire Troll!

Nicole punched it and blasted it.

They blasted all the trolls into nothing.

We landed and saw that they were finished destroying all the trolls.

Me: WHOA! You guys destroyed many of Thorn's minions.

Luna: Wow! Rockin dudes!

Crankcase: More incoming!

Nicole: They sure keep coming!

She fired a wave of energy and blasted the trolls.

Manaphy: Take this!

She fired a wave of energy and blasted the trolls!

Kameo fired energy blasts and blasted them apart!

Horsea fired a Hyper Beam blast and blew the trolls apart.

One troll grabbed Horsea and tried to punch her belly. But Maria punched the troll down.

Horsea: Take that!

We obliterated the last of the trolls.

Nicole then sealed the portal.

Xenia: That's it for them.

Kameo: Good riddance.

Armada Hoist: Nice job gusy.

Manaphy: Thanks!

Kameo: That was awesome.

Me: Those trolls don't know when to quit.

Nico: Yep.

Poromon: Good think Thorn wasn't with them.

Nico: No kidding.

Eli: Yeah thank goodness.

Me: But he'll appear again. Someday.

Camie: Yep.

Ghuul: Nico, who gets to shine today?

Nico: Juniper Lee, Zick, Yamato, Yost Spiderman, Takeru, and Kylie Griffin

Qin: Sweet!

Hay Lin: Oh yeah!

Moondancer: This is gonna be awesome.

Lola: Yeah!.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO versions of 2099 Green Goblin and Armin Zola, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront

today, it's none other than the LEGO versions of 2099 Green Goblin and Armin Zola, and they're causing havoc.

We gasped.

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: They're in the level Road to Knowhere!

Me: I can't believe LEGO Zola has come back for more. Well, he's getting another beatdown and he's getting a lump on his head!

Nico: You said a mouthful. Alright, let's head down to Chronopolis and take down the LEGO versions of 2099 Green Goblin and Armin Zola, and they're causing havoc.

Lincoln: This is going to be so awesome.

Waffle Woman: Can me, Roquefort, Katnappe, Common Cold, Technus, Xaldin, Salami Swami, Xigbar, Mortal Kombat Scorpion and Count Spankulot go with you guys?

Nico: Yes you all can come with.

Qin: This is gonna be interesting.

Camie: We've never been to Knowhere before. This will be cool.

Valon: (Australian Accent) Nico mate, which gene-slammer do you think you'll meet next?

Nico: Blade Man next.

Qin: Sharp and deadly.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Daniel Kadlec, the third of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, the next person coming after us is Daniel Kadlec, the third of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda.

Erika Dědinová: (Czech Accent) That loser, I knew he'd be the next one we'd go after.

Lincoln: And it's just like I said, with Tobias Svoboda dead, Daniel Kadlec, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are basically running around like headless chickens, and they're only wanting one thing: revenge. Unfortunately for them, their skills in black magic are nothing compared to ours, and we've dealt with those who've sold their souls to The Devil for dark powers before.

Me: It always ends with you stripping them of their powers and getting destroyed and sent to The Black Gates.

Eli: He never did that with The Order of The Black Cross nor The Chernabog Sisters, J.D., he flat-out killed them.

Lincoln: That's right.

Nico: Eh, either way, those six are going to follow Tobias straight to The Black Gates later on today. Alright, gang, let's go, we're heading to Chronopolis to take down the LEGO versions of 2099 Green Goblin and Armin Zola.

Lincoln: LEGO versions of 2099 Green Goblin and Armin Zola, you better be ready, and once we get done with them, you're next, Daniel Kadlec.

Erika Dědinová: (Czech Accent) You and the others made a very huge mistake escaping from Hell, Daniel. I would've thought we were finally rid of you after we banished you, Tobias, and your allies seven years ago to Hell, but not even Hell will keep you seven trapped for good. Very well, you'll suffer the same fate as Tobias, and we'll make sure you never rise again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the LEGO versions of 2099 Green Goblin and Armin Zola, and once we get through with him, Lincoln and Erika Dědinová are going to destroy Daniel Kadlec, the third of the Czech Republic's seven infamous Satanic serial killers.

We were off to Chronopolis for Knowhere.

We were flying in space and we saw Knowhere. The Lego version of it.

Me: There it is guys. Knowhere.

Camie: WHOA!

We saw that it looked like a giant severed head!

Camie: It looks like a giant severed machine head.

Me: That's exactly what it is. It is the severed head of an ancient Celestial and it serves as the base and headquarters of the Guardians of the Galaxy.

We landed inside Knowhere and it was a REALLY ADVANCED city.

We saw the Lego versions of Wasp, Black Bolt, Spider-Man 2099, Captain America, Thor, White Tiger, Rocket Raccoon, She-Hulk, and Spider-Gwen.

Lego Wasp: Hey guys! You made it.

Me: Like we were going to miss this.

Lego Captain America: It's amazing here isn't it.

Me: It sure is.

Katnappe: This is our first time in Knowhere.

Me: The Lego Version but not the Prime Universe version.

Qin: Yeah.

Lego White Tiger: That is true.

Lego Rocket Raccoon: The prime universe version will be much bigger than this one.

Xenia: It sure will.

Laney: Yeah.

Juniper Lee: We should visit the Prime Version someday.

Me: Good idea June.

Xenia: Yeah.

Star Lord: You guys will love our base. It's amazing.

Rocket Raccoon: It's got so much to see and look at and do.

Camie: Wow!

Nico: Yep.

We then saw a dog.

Sour Sweet: Is that a dog?

Lego Cosmo: I am not just a dog.

Me: Cosmo. Awesome!

Sour Sweet: He talks!?

Me: Via telepathy. Cosmo is a superintelligent dog that is the chief operator of Knowhere.

Star Lord: That's right.

Me: Cosmo was the first ever dog to be launched into space. It was back during the Cold War and the Soviet Union became the very first country to launch a dog into space.

Nico: That's right.

Indigo Zap: Wow! I didn't think that was possible.

Me: Yep. I've heard of space monkeys but never a space dog.

Nico: That is cool.

Technus: I, Technus, am glad to meet you, Cosmo.

Zick: And so are the rest of us.

Cosmo: Pleasure to meet you all too and an honor to meet the famous Team Loud Phoenix Storm and the Masters of Evil.

Me: Same here Cosmo.

Cosmo: I heard so much about how you all destroyed the Prime Universe version of Thanos. Well done to you all.

Me: Thanks. That was awesome and brutal and cool.

Lola: It sure was.

Wendy Storious: That was an awesome battle from what I heard.

Xenia: Yep.

Pam: You get a cookie if you can guess what we're doing here.

Cosmo: You are here to stop Lego 2099 Green Goblin and Zola.

Me: Give the dog a treat.

Pam gave him a dog biscuit.

Salami Swami: (Hindu Accent) We better get started then.

Takeru: Henshin!

Yamato: Animal Instinct Awaken!

AAAAHHH AAAAHHH AHAH!

They transformed and were ready!

Takeru: GHOST OF THE EMPEROR! KAMEN RIDER GHOST!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

Nico: YEAH!

Qin: Awesome!

Itachi: Lets get going then.

Eli: I sense them in the bosses room.

Cosmo: That's my office!

Qin: Uh oh.

Camie: A dog that needs an office?

Me: Well every boss has to have a place for them to work and manage the business.

Camie: True.

Me: And Cosmo is the boss of the Guardians of the Galaxy so he has to work somewhere.

Camie: You're right.

Lego 2099 Goblin appeared

Lego 2099 Goblin: Welcome to the party! Just in time for the fireworks! (flies off)

Mortal Kombat Scorpion: After him!

Yost Spidey: A future version of Gobby. Great.

Mortal Kombat Scorpion: GET OVER HERE!

He fired his snare and then grabbed Lego 2099 Goblin and pulled him and he came back to us and then…

KRABLAM!

I punched him in the face and knocked him right into a wall.

Xenia: YEAH!

Nico: Nice one!

Lego 2099 Goblin: OUCH!

Me: That was just for starters chump! For sending Carnom after us!

Girl Jordan: And I'm going to rip your head off and play dodgeball with it!

Lego 2099 Goblin: (Taunting) OOH I'm so scared!

Me: You should be BUTTFACE!

Lego 2099 Goblin: You COULD fight me here. Or you can chase me to where the party is! (flies off)

Magma: Invitations to a party. How nice of him.

Nico: AFTER HIM!

We flew after him!

Count Spankulot: (Transylvanian Accent) He has been very bad!

Takeru: No kidding!

Me: That is an understatement. Count I hope you give him the WORST SPANKING you can muster on him.

Count Spankulot: OOH! I know just what to do!

Nico: I'll even use Ol' Spankful on him!

WHAP! (PAINFUL SCREAM!)

Winter Soldier: If he's anything like the other 2 we fought, he's planning something.

Nico: I have a feeling it's bad.

Qin: Big time.

Eli: (Concentrates) Oh man! He's going to send this station right into a black hole in the center of the galaxy!

WE GASPED!

Me: Not on our watch!

Xigbar: Over our dead bodies!

Kylie: Not literally though!

Moondancer: Then we'll bash their heads in before that happens!

Qin: That is for sure!

I fired a wave of energy and blasted Lego 2099 Goblin in his back and he crashed into the ground.

Lego Goblin 2099: Keep chasing! You're almost to the party! (keeps flying off)

Luminous: I bet we are!

But his flying was sloppy because he got hit.

Me: He's getting sloppy.

Nico: He is really wounded.

Me: So he wants to play cat and mouse does he? Okay we're the cats and he's the mouse.

Xaldin: Lets keep following him.

Me: Right.

We were following him.

Goldfire: Boy this guy is really making me mad!

Starfire: He sure is!

Blackfire: All villains do!

Kitten: How is Trina liking my old cell?

Maxxine: She loves it. It has all the comforts of home for her.

Me: We also give her really awesome foods fit for a king for her.

Qin: Yep.

Me: And she has books, TV and video games and even an art studio.

Nico: Nice.

Lola: Lucky!

Nico: (LAUGHS) Yeah.

Maxxine: Yep. She loves it.

Deadpool (to the viewers): Yeah, I know 2099 Gobby and Zola weren't in this level. But the actual one only had goons. We had to find SOME bosses.

Common Cold: I wonder why your version hasn't been seen yet.

Deadpool looked at Common Cold seriously.

Deadpool: Dude, at the time this game was released, there was a legal dispute over whether X Men and Fantastic Four should be owned by Marvel. I don't like talking about it.

Jamesdean5842: He's right on that. It was widely disputed.

Nico: Wow.

Common Cold: Oh I see. Sorry. (SNEEZES)

Me: Bless you.

Common Cold: Thank you.

We flew up there.

Lego 2099 Goblin and Zola were ranting.

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the floor and a phoenix cry was heard and we came out.

Me: Knowhere to run, Knowhere to hide!

Me: Actually YES I do!

I turned Lego 2099 Goblin into a burning mess, then changed him to have an enormous big nose, then to have no skin, then cut in half by a giant pair of scissors, then changed into more things off-screen while Lego Zola looks in fright.

He has a giant amp set behind him. In front of him is a microphone. Squidward inhales deeply as his lungs stretch, then he plays "Row Row Row Your Boat" with his clarinet again, but extremely loudly.

Jenna Jellyfish then summons numerous jellyfish and then they float out and landed on Lego Zola.

Lego Zola: Uh, wait, I can have him turn it down. Ow! Ow! Ow! [The jellyfish sting him all over with intense viciousness]

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Daniel Kadlec.

?: (Czech Accent) LAURA BARANKOVA, YOU AND YOUR FRIENDS WILL DIE FOR BANISHING US ALL TO HELL SEVEN YEARS AGO!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of brimstone and Hellfire from anywhere, come on out right now, Daniel Kadlec, or we will force you out.

A figure came out: he was a male with long black hair, pale skin, dark clothes, he has black demonic wings, and blood red eyes full of hatred, it was Daniel Kadlec, one of the seven infamous Satanic serial killers from the Czech Republic.

Erika Dědinová: (Czech Accent) You Hellfire-dwelling rotten black hearted piece of fucking shit!

Nicholette Torrington: I should've known you'd show up here once again, you fucking asskisser of The Devil!

Nico: So, that's Daniel Kadlec, one of the seven infamous Satanic serial killers from the Czech Republic.

Erika Dědinová: (Czech Accent) That's right, and he's still as dangerous as ever.

Daniel Kadlec: (Czech Accent) DIE!

Daniel Kadlec fired a blast of Hellfire at Nico, but the diamond barrier that was still up absorbed the Hellfire blast and that majorly pissed off Daniel Kadlec.

Erika Dědinová: (Czech Accent) Okay, now you're going to get it.

Suddenly, Erika Dědinová's blue eyes turned neon blue and she was surrounded by a purple energy aura with stars, magic, dogs, wolves, canines, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Daniel Kadlec, she left purple energy, stars, magic, dogs, wolves, canines, phoenixes, and angels with every step.

Erika Dědinová: (Czech Accent) I'm not surprised to know that your thirst for blood is still as bad as ever, Daniel Kadlec. But, what also angers me is that after seven years of being imprisoned in Hell, you and your minions haven't learned a single thing and that you're still out to kill and slaughter any who get in your way of appeasing your dark master, The Devil. We made the big mistake using that binding spell to banish you seven to Hell seven years ago, but now, we're going to fix that, and this time, you're going to die here and now, and we'll make sure you never rise again!

Suddenly, Erika Dědinová was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there are dogs, wolves, canines, phoenixes, angels, and Mythical Beast Cerberus flying around the vortex, and in the vortex is a light purple phoenix with red eyes glaring at Daniel Kadlec: the red eyes of eternal death. Then, as the vortex faded, Erika Dědinová emerged, but she was changed forever.

Erika Dědinová grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has light purple highlights in the bangs of her long now dark purple hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a purple energy aura with stars, magic, dogs, wolves, canines, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed, and it's now an immense protective neon rainbow aura with all of the elements swirling around it, she has Mythical Beast Cerberus emblazoned on her forehead and Third Eye with blue iris, she has on dog earrings with blue gems for eyes and holding the Star, Light, Magic, and Eternity Kanjis in its paws, she also has Mythical Beast Cerberus with blue gems for eyes and holding the the Star, Light, Magic, and Eternity Kanjis in his hands for the second pendant on the bottom of her purple dog-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Erika Dědinová has on a short-sleeved purple midriff shirt, purple skirt, purple pants, purple anklewarmers, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, magic, dogs, wolves, canines, phoenixes, and angels on the coattails, and on the back is Mythical Beast Cerberus surrounded by stars and magic. Suddenly, Erika Dědinová felt a sharp pain on her back, and then, her massive dark purple angel wings with pink tips on the large dark purple feathers grew much bigger for her new body and she also now has eleven massive and long purple wolf tails with light purple tips and light purple markings, Erika Dědinová has on her Ring of the Phoenix with large purple gem and heart-shaped gem

embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Erika Dědinová's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, magic, dogs, wolves, canines, phoenixes, and angels, and when it emerged, it was transformed into Erika Dědinová's Cosmic Eternal Magic Starstorm Solar Mythical Beast Cerberus Phoenix Angel Greatsword of Cosmic Eternal Magic Starstorm Solar Mythical Beast Cerberus Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Mythical Beast Cerberus etched on the 7'6" massive, wide, double-edged gold blade, large purple dog heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple dog heads with blue gems for eyes and on the bottom of the large purple jackal heads is a large purple dog head with blue gems for eyes and blue gem in its mouth for the pommel, Erika Dědinová has on her large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Mythical Beast Cerberus' head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large angel spellbook, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji with purple crescent moons in between the kanji below Mythical Beast Cerberus that said, "Erika Dědinová, Gene-Slammer of Mythical Beast Jackal, Powerful Master of Magic, Summoner of Dogs, Wolves, and Canines, Representor of The Mythical Cerberus, True Immortal and Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Lori, Destroyer of Satanic Serial Killer of The Czech Republic Daniel Kadlec, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of

We were amazed by Erika Dědinová's Super Angel-Mythical Beast Cerberus-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Daniel Kadlec saw it, he went mad with rage and fired a blast of darkness to kill her, but Erika Dědinová fired a massive barrage of purple energy, stars, magic, jackals, phoenixes, and angels which hit Daniel Kadlec and was sent flying into a tree, he got back up, but now he was pissed off.

Selene Arcangela: Incredible, Erika's transformed, and by the looks of it, Daniel is in huge trouble.

Lincoln: He deserves it, after what Erika told me of what he's done, he deserves nothing but death for his crimes.

Erika Dědinová: (Divine Echoing Godly Voice of The Eternal Cosmic Magicstorm Canine Summoner Mythical Beast Cerberus Phoenix Angel and Divine Cosmic Eternal Cosmic Magicstorm Canine Summoner Mythical Beast Cerberus Phoenix Angel Love) (Czech Accent) There's no other punishment for someone like him. Shall we, Lincoln?

Lincoln: Let's do it, Erika.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Erika Dědinová.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and your friends have got some nerve escaping from Hell, Daniel. What you all did in senselessly murdering innocent people in the Czech Republic seven years ago and selling your souls to The Devil for dark powers proves that you are truly irredeemable, and the only thing you deserve is death.

Lincoln and Erika Dědinová went after Daniel Kadlec who continued firing darkness blasts at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, purple energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Daniel Kadlec, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Erika Dědinová also left many more by firing blue energy slashes with her claws, and he and Erika Dědinová attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Daniel Kadlec even more insane with rage than ever.

Daniel Kadlec: (Czech Accent) YOU! YOU! (ENRAGED DEMONIC SCREAM)

Daniel Kadlec went at them now completely blind with insane rage and fury, but Lincoln and Erika Dědinová kicked him hard in the stomach and Lincoln fired blasts of magic at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Daniel Kadlec even farther into the edges of rage and madness.

But before Daniel Kadlec could attack them, Lincoln's large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head glowed and the four large orbiting golden rings fired red energy beams which hit Daniel Kadlec and they sucked out his dark magic and darkness powers and Lincoln made them his own, and that left Daniel Kadlec powerless, and then, Erika Dědinová slashed off Daniel's demonic wings and she'd sliced off a demonic looking pendant from his neck and she threw it into the ground and stomped on it hard and her boot destroyed it.

Daniel Kadlec: (Czech Accent) NO! NO! MY PENDANT!

Suddenly, Daniel Kadlec's eyes glowed with purple light and dark smoke was coming off him, and then, he let out an unearthly scream as he was consumed by black flames and sent to The Black Gates forever. We all cheered wildly for what Erika Dědinová and Lincoln did as they holstered their massive greatswords and powered down and Erika Dědinová's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple angel wings are permanent.

Erika Dědinová: (Czech Accent) Rot forever in The Black Gates, bastard. Thank you for helping me destroy Daniel Kadlec for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Erika.

Suddenly, Erika Dědinová wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Erika Dědinová's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Mythical Beast Cerberus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and magic behind them and we cheered wildly. Then, Lincoln and Erika Dědinová sucked in and absorbed the elemental forces and magic and they came back to us as the display vanished.

Me: That was one awesome battle, and that demonic pendant that you destroyed, it's almost like the talisman Chandler had when he made that deal with The Devil.

Erika Dědinová: (Czech Accent) You are correct, J.D., that talisman Daniel had was the symbol of his deal with The Devil and it helped us track him and his minions down.

Nico: And when you destroyed it, it destroyed him for good, but why didn't he get sent back to Hell for good like with Chandler? (Realizes what Laura did) Wait a second, you channeled Black Gate energy into your feet, didn't you?

Lincoln: She did, and when that happened, it sent Dominik straight to The Black Gates for good.

Eli: Good riddance, but Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are still running loose.

Nico: Without a doubt, Adam Hornik will no doubt come after Laura and her friends next.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Then, we saw who it was causing trouble: it was the clones of Scorpius, Trakeena, Furio, Treacheron, Deviot, Villamax, Kegler, Captain Mutiny, Barbarax, Hexuba, Titanisaur, Swabbies, Brunt, Radster, Horn, Gasser, Sledge, Mutantrum, Wise Wizard, Quakemaker, Starcog, Ruptor, Samuron, Fishface, Chillyfish, Destruxo, Impostra, Shark Brothers, Freaky Tiki, Skelekron, Crumummy, Hardtochoke, Kubak, Teksa, Rykon, Cannonbrawl, Icy Angel, Motor Mantis, Loyax, Maronda, Trencher, Chameliac, Spikaka, Ironite, Magnetox, Decibat, Buzz, Rocketron, Grunchor, Rojomon, Nightmare, Alien, Trencher, and Hunghorn heading right for us.

Leo Corbett: What the?! Clones of Scorpius, Trakeena, and our enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Kendrix Morgan: What a sore loser, let's get them!

Lincoln fired powerful rainbow energy blasts at the clones of Scorpius, Trakeena, Furio, Treacheron, Deviot, Villamax, Kegler, Captain Mutiny, Barbarax, Hexuba, Titanisaur, Swabbies, Brunt, Radster, Horn, Gasser, Sledge, Mutantrum, Wise Wizard, Quakemaker, Starcog, Ruptor, Samuron, Fishface, Chillyfish, Destruxo, Impostra, Shark Brothers, Freaky Tiki, Skelekron, Crumummy, Hardtochoke, Kubak, Teksa, Rykon, Cannonbrawl, Icy Angel, Motor Mantis, Loyax, Maronda, Trencher, Chameliac, Spikaka, Ironite, Magnetox, Decibat, Buzz, Rocketron, Grunchor, Rojomon, Nightmare, Alien, Trencher, and Hunghorn and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Scorpius, Trakeena, Furio, Treacheron, Deviot, Villamax, Kegler, Captain Mutiny, Barbarax, Hexuba, Titanisaur, Swabbies, Brunt, Radster, Horn, Gasser, Sledge, Mutantrum, Wise Wizard, Quakemaker, Starcog, Ruptor, Samuron, Fishface, Chillyfish, Destruxo, Impostra, Shark Brothers, Freaky Tiki, Skelekron, Crumummy, Hardtochoke, Kubak, Teksa, Rykon, Cannonbrawl, Icy Angel, Motor Mantis, Loyax, Maronda, Trencher, Chameliac, Spikaka, Ironite, Magnetox, Decibat, Buzz, Rocketron, Grunchor, Rojomon, Nightmare, Alien, Trencher, and Hunghorn, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

Leo Corbett: I can't believe that sore loser made clones of our old enemies and tried to attack us yet again after you and Erika got rid of Daniel Kadlec.

Lincoln: He's never going to learn his lesson, but it's been helping all of us in preparing for our huge confrontation with Rita Repulsa and Lord Zedd in November.

Me: Yeah, with you absorbing absorbing the clones of The Power Rangers' most dangerous enemies in the past few days and why he and all of you have been getting all of their powers, strengths, and abilities. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I think I've got an idea for a group of Gene-Slammers that'll catch Sonic's attention: Gene-Slammers for the Wisps.

Sonic: Whoa.

Selene Emperyous: And I think I know one group of girls who'd be Gene-Slammed into The Wisps: Angel Kawaii, Gene-Slammer of White Wisp, Belle Kawaii, Gene-Slammer of Cyan Wisp, Chibusa Kawaii, Gene-Slammer of Yellow Wisp, Daia Kawaii, Gene-Slammer of Orange Wisp, Erisa Kawaii, Gene-Slammer of Red Wisp, Fumiko Kawaii, Gene-Slammer of Violet Wisp, Gako Kawaii, Gene-Slammer of Blue Wisp, Honoka Kawaii, Gene-Slammer of Pink Wisp, Izumi Kawaii, Gene-Slammer of Green Wisp, Juki Kawaii, Gene-Slammer of Purple Wisp, Kyouka Kawaii, Gene-Slammer of Magenta Wisp, Lana Kawaii, Gene-Slammer of Ivory Wisp, Miyu Kawaii, Gene-Slammer of Indigo Wisp, Nagisa Kawaii, Gene-Slammer of Crimson Wisp, Pika Kawaii, Gene-Slammer of Gray Wisp, Rana Kawaii, Gene-Slammer of Black Wisp, and Sonnya Kawaii, Gene-Slammer of Jade Wisp.

Oishi Kawaii: (GASPS) My sisters?!

Me: Whoa!

Nico: Mind telling us about Oishi's sisters? We got to hear about them.

Michelle Emperyous: You got it. Angel Kawaii, Gene-Slammer of

White Wisp, Belle Kawaii, Gene-Slammer of Cyan Wisp, Chibusa Kawaii, Gene-Slammer of Yellow Wisp, Daia Kawaii, Gene-Slammer of Orange Wisp, Erisa Kawaii, Gene-Slammer of Red Wisp, Fumiko Kawaii, Gene-Slammer of Violet Wisp, Gako Kawaii, Gene-Slammer of Blue Wisp, Honoka Kawaii, Gene-Slammer of Pink Wisp, Izumi Kawaii, Gene-Slammer of Green Wisp, Juki Kawaii, Gene-Slammer of Purple Wisp, Kyouka Kawaii, Gene-Slammer of Magenta Wisp, Lana Kawaii, Gene-Slammer of Ivory Wisp, Miyu Kawaii, Gene-Slammer of Indigo Wisp, Nagisa Kawaii, Gene-Slammer of Crimson Wisp, Pika Kawaii, Gene-Slammer of Gray Wisp, Rana Kawaii, Gene-Slammer of Black Wisp, and Sonnya Kawaii, Gene-Slammer of Jade Wisp are Lincoln's Guardian Angels from Japan and classmates in English, and they are also beautiful but deadly demon slayers just like their sister, Oishi Kawaii. Surprisingly, not many knew this, but the Kawaii Clan and the Belmont Clan were related, hence Oishi and her sisters' skills in demon slaying.

Nicole: Oh man, The Kawaii Clan have relations with The Belmont Clan?! That's incredible!

Michelle Emperyous: That's right, and they trained Lincoln in the art of demon slaying when they were twelve, and the Kawaii Sisters with the exception of Oishi Kawaii have hair colors and matching outfits based on the wisps they were Gene-Slammed into. Oishi and her sisters are close friends with Lucy and The Goths of Darkness and they also made Lincoln an even more powerful version of the Vampire Killer dubbed The Dark Destroyer which has the power to kill evil monsters as well as those with evil hearts and depending on how evil the heart is can even be sent to The Black Gates instantly.

Lincoln: That's right, and I still have The Dark Destroyer with me.

Lincoln got out a black and purple version of The Vampire Killer, but we sensed its power: it made The Vampire Killer look tame.

Me: Whoa, the power coming off The Dark Destroyer is incredible! It makes The Vampire Killer look tame.

Laney Emperyous: You got that right, and to show thanks, Lincoln made Oishi Kawaii and her sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age he will marry, Oishi Kawaii and her sisters along with the rest of his harem. This took place before Ronnie Anne came into the picture, and they hate Lila Rossi with a very blazing passion, the reason why is because she once tried to resurrect an army of evil succubi to destroy Paris, but thankfully, Lincoln, Oishi Kawaii, her sisters, and The Goths of Darkness were able to stop her, destroyed the evil succubi army, beat the crap out of her, and threw her back in jail.

Marinette: I remembered hearing about that! I still couldn't believe Lila would do this: she resorted to using black magic to resurrect an army of evil succubi to destroy Paris. She's crossed many lines that would mean eternal damnation for her.

Nico: Yeah!

Brittney: But, her plan failed, and Lincoln used The Dark Destroyer to destroy the evil succubi army and send them all to The Black Gates.

Nicole: Brittney and the Goths of Darkness told us the evil succubi army Lincoln, Oishi Kawaii, her sisters, and The Goths of Darkness destroyed were the Succubi Army of Lilith. They pissed her off huge when they killed her army that Lila brought back.

Nico: Damn, you guys really earned the hatred of The Devil!

Lincoln: We swore that we would never allow The Devil's minions to destroy humanity or the world, and because of that, we always derailed his plans and we made him pay the ultimate price for the eons of pain and suffering he caused when we destroyed him two years ago in the world of Dante's Inferno and gave him The Black Gates off-screen.

Me: That was a victory none of us would ever forget.

Titanium Toenail: That's it for them.

Rojo: To tie up loose ends.

Angel: You said it.

Living Laser: Let's celebrate here.

Dark Laser: Cosmos can play with Flipsy!

Me: Good idea.

Nico: Great job today everyone.

Me: And I'm sure that Kang is pissed off big time!

Starlight Glimmer: (To the viewers) It'll be good to smash in his face later.

Me: Yep.

We had a great party.

Then we went back home and went to sleep.

At Kang's citadel, KANG WAS MASSIVELY PISSED AND INFURIATED! HE WAS BREAKING AND SMASHING EVERYTHING!

Lego Kang: YOU'RE ALL COMPLETELY USELESS! KILL TEAM LOUD PHOENIX STORM AND LEAVE NONE OF THEM ALIVE!

But Rice have had enough of her and she rallied a group of kids and teachers and they got her to expose her true colors after using a huge number of humiliating pranks and with the help of 8 of Amanda's sisters who were Lincoln's Guardian Angels and gene-slammers for Blackwing - Shura the Blue Flame, Simoon the Poison Wind, Sirocco the Dawn, Zonda the Dusk, Brisote the Tailwind, Elphin the Raven, Blizzard the Far North and Mistral the Silver Shield they gathered all the evidence they needed and got her expelled and sent to prison. Also we're going to battle Another Lehvak-Kal, Tahnok-Kal, Gahlok-Kal, Pahrak-Kal, Nuhvok-Kal, Kohrak-Kal, Thursday Man and INSTIGATOR. Also we're going to meet a gene-slammer for Blade Man. Her name is Bonnie Blade and she is a deadly swordsman.

For tomorrow, the next match-up is Helena Zelenková, Gene-Slammer of Mythical Beast Jackal King and Lincoln VS. Adam Hornik

For Lincoln's rescue tomorrow, Lincoln and his group are heading to The Amazon Jungle in Brazil, but we got bad news: clones of Master Org, Jindrax, Toxica, Zen-Aku, Artilla & Helicos, Onikage, Retinax, Nayzor, Mandilok, Takach, Kired, Rofang, Turbine Org, Plug Org, Barbed Wire Org, Camera Org, Bell Org, Tire Org, Ship Org, Cell Phone Org, Bulldozer Org, Freezer Org, Vacuum Cleaner Org, Bus Org, Scooter/Motorcycle Org, Lawnmower Org, Quadra Org, Karaoke Org, Signal Org, Bowling Org, Wedding Dress Org, Samurai Org, Tombstone Org, Flute Org, Juggelo, Lion Tamer Org, Monitor Org, Toy Org, Clock Org, and Locomotive Org were sighted and bad news, they were created by another manifestation of Universe 666 Sebastian's residual darkness, and he went into hiding again. So, we got to destroy the clones of Master Org, Jindrax, Toxica, Zen-Aku, Artilla & Helicos, Onikage, Retinax, Nayzor, Mandilok, Takach, Kired, Rofang, Turbine Org, Plug Org, Barbed Wire Org, Camera Org, Bell Org, Tire Org, Ship Org, Cell Phone Org, Bulldozer Org, Freezer Org, Vacuum Cleaner Org, Bus Org, Scooter/Motorcycle Org, Lawnmower Org, Quadra Org, Karaoke Org, Signal Org, Bowling Org, Wedding Dress Org, Samurai Org, Tombstone Org, Flute Org, Juggelo, Lion Tamer Org, Monitor Org, Toy Org, Clock Org, and Locomotive Org, and once that's done, it'll lure out the manifestation of Universe 666 Sebastian's residual darkness and we'll destroy him.

And we're going to meet Gene-Slammers of the Wisps from Sonic Colors, their names are Angel Kawaii, Gene-Slammer of White Wisp, Belle Kawaii, Gene-Slammer of Cyan Wisp, Chibusa Kawaii, Gene-Slammer of Yellow Wisp, Daia Kawaii, Gene-Slammer of Orange Wisp, Erisa Kawaii, Gene-Slammer of Red Wisp, Fumiko Kawaii, Gene-Slammer of Violet Wisp, Gako Kawaii, Gene-Slammer of Blue Wisp, Honoka Kawaii, Gene-Slammer of Pink Wisp, Izumi Kawaii, Gene-Slammer of Green Wisp, Juki Kawaii, Gene-Slammer of Purple Wisp, Kyouka Kawaii, Gene-Slammer of Magenta Wisp, Lana Kawaii, Gene-Slammer of Ivory Wisp, Miyu Kawaii, Gene-Slammer of Indigo Wisp, Nagisa Kawaii, Gene-Slammer of Crimson Wisp, Pika Kawaii, Gene-Slammer of Gray Wisp, Rana Kawaii, Gene-Slammer of Black Wisp, and Sonnya Kawaii, Gene-Slammer of Jade Wisp, these girls are Lincoln's Guardian Angels from Japan and classmates in English, and they are also beautiful but deadly demon slayers just like their sister, Oishi Kawaii. Surprisingly, not many knew this, but the Kawaii Clan and the Belmont Clan were related, hence Oishi and her sisters' skills in demon slaying. They trained Lincoln in the art of demon slaying when they were 12, and the Kawaii Sisters with the exception of Oishi Kawaii have hair colors and matching outfits based on the wisps they were gene-slammed into. Oishi and her sisters are close friends with Lucy and The Goths of Darkness and they made Lincoln an even more powerful version of the Vampire Killer dubbed the Dark Destroyer which has the power to kill evil monsters as well as those with evil hearts and depending on how evil the heart is can even be sent to The Black Gates instantly. To show thanks, Lincoln made Oishi Kawaii and her sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry Oishi Kawaii and her sisters along with the rest of his harem. This took place before Ronnie Anne came into the picture, and they hate Lila Rossi with a very blazing passion, the reason why is because she once tried to resurrect an army of evil succubi to destroy Paris, but thankfully, Lincoln, Oishi Kawaii, her sisters, and The Goths of Darkness were able to stop her, destroyed the evil succubi army, beat the crap out of her, and threw her back in jail

Part 11 is Boarding the Sword and we're going to battle Lego Korvac.

See you next time

We were walking up the hill to Canterlot.

Me: Boy so much has happened to this part of Equestria.

Sunny Starscout: I know. It's awful that Opaline can cause SO MUCH damage.

Xenia: No kidding. Either way when we killed her in our world we prevented TONS of crap from happening.

Camie: We sure did.

Varie: No kidding.

Pinkie Pie: But this will be amazing to be in this part of Equestria.

Me: Yeah.

Nico: Pinkie Pie, I want to thank you, INSTIGATOR, and your teams for coming.

Pinkie Pie: Ah no biggie wiggie. It's gonna be so much fun helping you guys out like always.

Nico: It sure is.

INSTIGATOR: We're looking forward to this.

Willow Emillston: It sure will be fun and awesome.

Lola: It sure will.

Nico: Willow, remember when you first met Lincoln?

Willow Emillston: I sure do. It was when he was at the zoo and it was in the bird sanctuary and it was fun.

Lincoln: She showed me how to feed the eagles and condors. It was really fun.

Varie: That is awesome.

Lana: I'll say. It sure was a fun field trip there.

Nico: That is awesome.

Qin: It sure is.

Nico: And now you're part of Lincoln's harem.

Willow Emillston: I sure am and it's awesome.

Xenia: Yeah.

Me: Man yesterday was cool. We went to the Lego version of Knowhere.

Nico: We sure did. And it was really amazing.

Camie: I had no idea it was a giant severed head.

Me: The severed head of a Celestial. It was cool.

Nico: We should visit our version of Knowhere sometime.

Me: That's a good idea Nico. The Prime Universe version of Knowhere is just as cool as the Lego version.

Camie: It sure is.

Varie: Yeah.

Lola: That will be awesome to see.

Tsuyu: It sure will.

Me: And it was awesome meeting Cosmo there.

Nico: It sure was. He was awesome for a dog and as the boss of the Guardians of the Galaxy.

Camie: I'm amazed that he was a dog that was launched into space during the Cold War.

Me: I know. And the cool part is that we took down Lego 2099 Goblin and Zola. Thank goodness they couldn't figure out how to launch the station.

Nico: They couldn't find the button.

Me: (LAUGHS) They sure were stupid.

Nico: Yep.

Qin: Yeah.

Camie: At least we stopped them from doing it either way.

Nico: Thank goodness.

Laney: But it was cool either way.

We got to a gate and I pushed it open and to our shock and horror we saw Canterlot!

We were seeing the legendary place and former capital of Equestria back in Ancient Equestrian times, back from the time Twilight and the rest of the Guardians of Friendship were still around. We are seeing Canterlot, what's left of it as it lays in ruins, buildings demolished while most were still standing, dead plants around the area, dark clouds covering up most of Canterlot, debris all around, and a really batterup flag sign that said 'Welcome to Canterlot.' as it hung on one side of what's left of a building while the other end is on the floor.

Nico: Oh fuck…

Me: Canterlot.

SOMBER VIOLIN MUSIC PLAYS

I had tears well up in my eyes as I saw the terrible thing that happened to the very capital of Equestria.

Twilight Sparkle: Canterlot. (Voice breaking) My home.

The capital kingdom of Equestria, the place Twilight took when she became Princess of Equestria, a place of what's left of Sunset Shimmer, Minuette, Twinkleshine, Lemon Hearts, Moondancer, Lyra Heartstrings, Sunset Shimmer and many of our friends home, in ruins.

Twilight Sparkle: It's all gone. (CRYING)

She broke down crying.

Nico: Look at this!

Rarity was crying too!

Sunny Starscout: This is awful.

Laney: Oh man. Opaline destroyed the very capital kingdom of Equestria. It's gone.

Me: Damn Opaline. Damn her.

I clenched my fist tight and blood poured from in between my knuckles. Blood dripped onto the floor and sizzled.

Applejack: This is horrible.

Apple Bloom hugged Applejack and cried hard.

Starlight Glimmer: Canterlot. I can't believe that Opaline did all this.

Xenia: It's horrible.

Camie: Oh man.

Samurai Jack: It's as bad as when we found my home destroyed by Aku.

Me: I remember that Jack. I remember when we as the Brave 12 saw it. It was awful.

Rarity: (BAWLING) WHY?! WHY?!

Nico: Opaline. That's why. She did all this.

Fluttershy cried hard.

So did Sunset Shimmer, then Rainbow Dash and Pinkie Pie.

Then Starlight Glimmer cried too.

I had tears stream down my face as I saw the terrible thing that happened to Canterlot.

Me: Opaline. You heartless evil monster. I can't believe you would do all this in your own selfish quest for power.

Nico: There's nothing we can do about it now.

Me: (SIGHS) Thank goodness we stopped Opaline in our universe or this is what would have happened to it.

Camie: Yeah.

Nico: We DODGED A HUGE BULLET by killing her.

Rice came up to us.

Rice: What happened here?

Me: This is Canterlot. What's left of it.

Rice: Who did this? Was it Opaline?

Me: Who the fuck else. When she tore apart everything that Twilight Sparkle worked so hard to do, she tore apart the very capital of Equestria itself.

Rice: What a monster.

Lola: Yeah.

She saw Twilight and friends crying hard.

Rice hugged Twilight as she cried hard in Rice.

Rice: I'm sorry Twilight. I'm sorry girls.

Vinyl Scratch: Opaline did all this. She deserved to be put down like a mad dog.

Camie: I agree there.

Misty Tredwell: What a ruthless monster.

Varie: Yeah. She was absolutely ruthless to the core.

Misty Brightdawn: Yeah she sure was.

Sunny Starscout: And now she got what she deserved.

Carly Atlas: That blackhearted devil.

Rice rubbed circles on Twilight's back.

Twilight Sparkle: (Crying) I failed everyone and everypony. Opaline took everything I did away from me. I failed them. Everything I did and worked so hard for. It's all gone.

Eli: Twilight.

Camie: Twilight you didn't fail in our universe. You still have our Canterlot and everything there.

Nico: You didn't know this would happen.

Me: Yeah Twilight. Opaline wanted to make you suffer and she did it by tearing apart everything you did.

Nico: Not helping J.D.

Me: Sorry. But Twilight think about everything that happened in our universe and in this one. You did so much good all over Equestria. You and your friends have made an amazing name for yourselves and you did so much not just for ponies but for MANY creatures.

Hippogriffs, Seaponies, Yaks, Dragons, Kirin, and even Humans. Us. You have touched and helped the lives of COUNTLESS creatures not just in Equestria but all over the universe too. You are more than just the Princess of Equestria, you are the TRUE Princess of Universal Friendship. You did all that because of everything out of the goodness in your heart. Just like all of us have.

Nico: That's right.

Me: And you didn't do it alone. You have ALL of us and your friends and Lincoln and his entire family to support you.

Nico: Don't forget Cybertronians and Mascots.

Me: Yeah.

Twilight Sparkle and friends knew we were right. We did so much and did it out of all the power of friendship and not even Opaline can EVER Destroy that.

Twilight Sparkle: You're right guys! You're right! Opaline may have done this but this is something we avoided completely. Thank you guys. Thank you everypony and everycreature. We did it all together.

I held my hand in and everyone put their on top of mine. And it made our bond stronger and all of us More powerful than ever. Because united we are strong as one and divided we are weak. But we are always going to be strong.

Nico: Pokemon and Digimon too.

Me: And animals too.

Laney: And aliens from many planets like Mevya.

Xenia: Yeah.

Twilight Sparkle: You're right.

Nico: Lets just see if there's anything we can find here worth saving.

Me: Good idea.

We walked around.

We looked around and we were shocked at how much of the place was in ruins.

Me: My god.

Xenia: This is awful

We saw the Canterlot Library.

Me: The Canterlot Library.

We went in and saw many of the books still intact.

Me: The books are all here.

We picked them up and they were still in good shape.

Nico: We can use these in our world.

Twilight Sparkle: Good idea.

Lola: Yeah.

We sealed all the books in a scroll to use later.

We then went to Rarity's old shop and it was boarded up.

Me: Rarity's Canterlot boutique.

Rarity: My shop.

Nico: Why is it boarded up?

Me: I guess it went out of business or something.

Qin: Yeah.

We went in and all the clothes were in tatters.

Me: My god. What a mess.

Lola: This is terrible.

We looked at the clothes and some of them were still salvageable.

Me: Some of the clothes can be saved however.

Leni: I can totes bring them back.

Varie: The fashion brigade is more than willing to fix them

Rarity: Thank you Leni. Thank you darlings.

Leni: You're totes welcome Rarity.

We got them sealed in another scroll.

We later came out and saw smoke coming from somewhere.

Me: What's that smoke?

Nico: Where's that coming from?

Me: Looks like it's coming from Restaurant Row.

We followed the smoke and to our amazement we were shocked to see that it was coming from Saffron Masala and Corriander Cumin's restaurant.

Me: Saffron Masala and Corriander Cumin's restaurant.

Nico: It's still running?

Me: I don't think so. I think someone set up a home here. Lets go see.

We went in and looked around. Most the restaurant part was in tatters but it was renovated into a house.

Nico: Hello?

Me: Is anyone home?

We looked around. Then an orange Earth Pony with purple hair came and she had a cutie mark in the shape of a heart with a horsehoe.

Me: Oh hello there.

Daylight Starscout: Oh pleasure to meet you. I'm Daylight Starshine.

Nico: Oh you too.

Sunny gasped.

Sunny Starscout: Mom? Is that you?

Daylight Starscout: (GASP) Sunny? Is that you?

Sunny Starscout: (GASP)

They went and hugged!

Sunny Starscout was reunited with her mom and meeting her for the very first time in her life!

Sunny Starscout: (Crying) Mom! I'm so happy to see you!

Daylight Starscout: Oh Sunny. My little Sunny. Look at you.

Qin: Aww.

Sunny Starscout: I have so much to tell you mom about dad and everything.

Nico: Hey Sunny's mom!

Me: Yep. We found her.

We got to telling her everything about what happened.

Daylight Starscout: So Sunny reunited all of Ponykind and became the Princess of Unity?

Me: She sure did. She's now an alicorn princess.

She showed her Ethereal Wings and Horn.

Daylight Starscout: (GASP) Oh wow. My Sunny is an Alicorn.

Me: Yeah. Sunny has been a MASSIVELY tremendous help to all of us ever since she joined us on Earth in our world.

Twilight Sparkle: Your daughter looks up to me like a mentor, hero and source of inspiration. I'm so proud to call her my legacy of friendship.

Rice: She met us while I was solving a case against a fake clown.

Me: Long story on that. But it was awesome.

Camie: And on one of Nico's rescues we met Sunny's friends.

Me: In Alcatraz prison.

Zipp Storm: It's true. It was awesome.

Me: Sunny and her friends are the Legacy of the Guardians of Harmony. They have so much in common with Twilight and her friends.

Daylight Starscout: That is amazing. Oh Argyle always talked so much about Reuniting Ponykind and had a lot of inspiration to give to Sunny about it.

Sunny Starscout: That is dad for you mom.

Nico: Where is he?

Sunny looked down in sadness.

Me: Nico remember? Her father is gone.

Nico: Oh right.

Maria: We forgot about that.

Eli: Yeah.

Daylight Starscout: Oh. Sunny I'm sorry I couldn't be there for you.

Sunny Starscout: It's okay mom. But I made lots of amazing friends and they helped me on many great adventures.

Me: You should be very proud of her Daylight.

We told her all about what happened on all her adventures and what she did to come so far and more.

She was absolutely amazed.

Daylight Starscout: Oh Sunny. I'm so proud of you. Your dad would be so proud of you too.

Sunny Starscout: I know he already is.

Lincoln: Yeah.

Daylight Starscout: And I know that you are in great hands with Lincoln, Sunny.

Sunny Starscout: I sure am.

Me: Yeah. Would you like to come with us and live with us?

Daylight Starscout: I would like that very much. I got a lot of catching up to do with Sunny.

Sunny Starscout: You are gonna be in for some awesome stories mom.

Nico: How did you get here anyway?

Me: I was about to ask the same thing.

Daylight Starscout: Oh I wanted to find a place to get away from the terrible persecution of the three tribes. I came here to the abandoned ruins of Canterlot to get some peace.

Me: Well you don't have to live in fear anymore. We reunited the 3 tribes and everything is back to normal. Maretime Bay, Zephyr Heights and Bridlewood are now part of our world where we're from.

Sunny Starscout: It's true mom. And it's awesome.

Daylight Starscout: I have so much to catch up on. Let me go get my stuffed packed.

Me: Okay.

Nico: Anywhere else we need to check out?

Twilight Sparkle: The castle. That's about it.

Nico: Okay.

Daylight got her stuff packed and we went to the castle. We saw what was left of the castle and it was really a mess.

Me: My god.

Nico: This is awful.

We looked around and saw a bunch of old documents.

Me: Old documents for something.

I blew on one and then it crumbled into dust.

Nico: Really old.

Laney: Yeah.

We later came out.

Me: Well that's that. Now we can head home. That's where the fun will begin.

Nico: Yep.

We went back home to the Maretime Bay sector. We were in front of the Crystal Brighthouse.

Daylight Starscout: Oh wow. The Crystal Brighthouse looks more amazing than ever.

Xenia: Yep it sure does.

Me: Sunny and her friends made the whole place better and amazing than ever.

Nico: They sure did.

Sunny Starscout: We'll show you around.

We did so and it was fun for her.

Nico: I was hoping to visit the other places.

Me: Well we don't want to put too much sadness on everyone else Nico.

Nico: Oh yeah.

Xenia: That was sad for Twilight and friends.

Me: Yeah. I can't imagine what would have happened if they saw Ponyville and their old homes there.

May: Maybe some other time. One at a time.

Me: Good idea. I'm just worried about how Twilight and friends would take it.

Nico: And you have every right to be worried about that.

Camie: Yeah.

Twilight Sparkle: But I'm happy for Sunny.

Me: Me too Twilight. Sorry you girls had to see your home like that in shambles.

Twilight Sparkle: That WASN'T our home.

Me: No it wasn't. It was turned into a total dystopian nightmare. Now THIS is your home.

Nico: Our world.

Twilight Sparkle: That's right. Gotham Royal York and all the parts of the city are now our home.

Xenia: That's for sure.

Sunset Shimmer: I agree there.

Fluttershy: Thank goodness.

Varie: Yeah.

Sunny and Daylight came back.

Daylight Starscout: Oh the lighthouse is amazing Sunny. I'm going to love being back home. And all of Gotham Royal York is amazing too.

Me: Yep.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Rice, are you familiar with someone by the name of Amanda Scavington?

Rice: (GASPS) OH GOD, NOT THAT HEARTLESS QUEEN BEE BITCH!

Nico: You know her?

Rice: I wish I hadn't, but you guys deserve to know the truth about her. She's my old enemy and one really mean and heartless queen bee bully that absolutely hated me with every fiber of her being!

We gasped.

Rice: If that wasn't enough, she humiliated and tortured numerous weaker kids and ruled the school with a nasty tyrannical iron fist, and because her family was rich, she used her family connections to get away with anything for years and she said stuff like "My father is a Senator and he WILL RUIN YOUR LIFE AND THROW YOU ONTO THE STREETS!"

Nico: What a bitch!

Qin: A big time nasty one!

Rice: Yep, but I'd had enough of her and I'd rallied a group of kids and teachers and we got her to expose her true colors after using a huge number of humiliating pranks, and with the additional help of Amanda's sisters, Melanie Scavington, Gene-Slammer of Blackwing - Shura the Blue Flame, Helen Scavington, Gene-Slammer of Simoon the Poison Wind, Caitlyn Scavington, Gene-Slammer of Sirocco the Dawn, Beverly Scavington, Gene-Slammer of Zonda the Dusk, Tracey Scavington, Gene-Slammer of Brisote the Tailwind, Kayla Scavington, Gene-Slammer of Elphin the Raven, Gina Scavington, Gene-Slammer of Blizzard the Far North, and Amber Scavington, Gene-Slammer of Mistral the Silver Shield who are also Lincoln's Guardian Angels, they gathered all the evidence they needed and they got her expelled, and sent her straight to prison.

We gasped.

Lincoln: I remember them all too well, and Melanie and her sisters also told me about what they did in bringing down Amanda and ending her reign of terror. Oh man, if they find out Amanda's escaped from prison, they along with Mr. and Mrs. Scavington will no doubt come here immediately.

Just then, the rest of the team arrived.

Lori: You might be a little late to say that, Linky. I got a text from Melanie and she, her sisters, and her parents are literally on their way now, and they are really really steamed after hearing of Amanda escaping from prison.

Nico: Uh oh. This is gonna get ugly.

Lincoln: Let's hunt her down immediately.

Me: Right.

Lori: Twilight, Sunset are you all okay?

Me: Long story on that Lori.

Rice put on her jumpsuit and it was red.

Me: Awesome. Maxxine how is Trina doing?

Maxxine: Doing good. Gave her an awesome Chicken Eggs Benedict for breakfast. She loves the Las Vegas one.

Nico: That is awesome.

Rice heard a Pokemon cry.

We saw that it was a Dragonair.

Me: Cool a Dragonair.

Qin: Wow.

Rice: Oh wow.

We saw that it hurt its tail.

Fluttershy: Oh the poor thing hurt its tail.

We went over and Rice helped it.

Dragonair: Oh thank you. I hurt my tail.

Me: You'll be okay.

Rice: Yeah you'll be fine.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak

were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and

sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Amanda Scavington) AHA! Got you! I just spotted Amanda Scavington, she's 20 yards away and she's heading right for Rice in a fit of homicidal fury.

Rice: Figures. She's going to get it big time!

Lincoln: She's about to be put down for good. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange

tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Amanda Scavington.

Sunny Starscout: Mom you're now going to see how we handle bad guys and it's going to be so fun.

Daylight Starscout: I have a feeling it will be.

We were off to find Amanda Scavington.

Nico: By the way, June, you, Zick, Yamato, Yost Spiderman, Takeru, and Kylie did good yesterday.

Juniper Lee: Thanks Nico. It was fun and cool.

Lola: It sure was.

We were flying in the air and looking around, and then, we heard a loud scream of rage.

?: YOU FUCKING BITCH! YOU'LL PAY FOR THROWING ME IN PRISON!

Rice: Yeah, fuck you too, you insane psycho killer bitch!

We then saw a girl with crazy black hair in a red prison jumpsuit and crazy eyes heading right for Maxxine, it was Amanda Scavington, and she was absolutely fucked-up and crazy. She was about to stab Rice with a knife, but Lincoln formed a massive indestructible diamond barrier protecting all of us and when the knife hit the barrier, it broke and she tried to hit it with her fists, but that didn't work, but it did make her fists bloody: SHE WAS SCREAMING AND WAILING IN RAGE AS SHE TRIED TO BREAK THE BARRIER AND KILL RICE!

Rice: Damn, she's really lost it big time! That time in prison really deteriorated her mind and brain!

Nico: No fooling, man, she really despises you!

Lincoln: Someone needs to put that lunatic down.

Lincoln fired a diamond ball that hit Amanda Scavington in the face and sent her flying into a tree, but Lincoln didn't deactivate the barrier as we stood ready.

Amanda Scavington: GET OUT HERE, YOU BITCH, SO I CAN KILL YOU AND YOUR FRIENDS!

Rice: (Flips Amanda Scavington the finger) Go to Hell, you piece of shit!

Me: She really is insane!

Rice: That's exactly why she needs to be stopped and put down for

good.

Qin: That's right!

Chloe Bolton tried to punch her but got knocked out.

KRABLAM!

She got knocked into Posey's Jewelry cart!

CRASH!

Chloe got up and she was a MESS!

Chloe Bolton: (Dazed) Oh look at the pretty unicorn. She will be perfect for being a friend.

She goes unconscious.

Posey Bloom: Oh man! Chloe! Are you okay?

Qin: She got hit hard.

Posey picked her up.

Posey Bloom: I'll bring you over to everyone.

Posey ran and then she smashed Amanda's face in with a powerful kick!

She kicked her and smashed her into a light post!

Rice punched Amanda in her face and kicked her in the stomach!

Sean Bolton: I'm helping too, Babe! No one does that to my sister!

Rice: Yeah!

Dragonair fired an Aurora Beam blast and it hit Amanda and blasted her down.

Rice fired a wave of lightning and electrocuted Amanda!

Twilight fired a laser blast and it hit Amanda and blasted her all over.

Sean punched Amanda!

POW!

He knocked out some of her teeth!

Sunny and Izzy and Misty blasted Amanda with magic blasts and blasted her all over.

INSTIGATOR: Take this!

KRABLAM!

She got socked in the face by him!

Squidward: How about this one!?

He has a giant amp set behind him. In front of him is a microphone. Squidward inhales deeply as his lungs stretch, then he plays "Row Row Row Your Boat" with his clarinet again, but extremely loudly.

Jenna Jellyfish then summons numerous jellyfish and then they float out and landed on Amanda.

Amanda Scavington: Uh, wait, I can have him turn it down. Ow! Ow! Ow! [The jellyfish sting her all over with intense viciousness]

ZAP ZAPZAPZAP ZAPZAPZAP! ZAP ZAP ZAP ZAPZAPZAPZAPZAP!

YELPS IN PAIN!

Me: OOH! She's going to be feeling that one!

Amanda was covered in REALLY NASTY STING BUMPS!

OUCH!

Marty: I'm helping out too!

He turned into Eon Kid and fired waves of energy and blasted

blasted Amanda all over.

Nico: NICE!

Yugi fired a wave of Egyptian Symbols and they hit Amanda and blasted her all over.

Dragonair fired an ice beam and froze her in a block of ice.

Qin: Nice!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a wave of lightning and it hit Amanda and electrocuted her and shattered the ice.

Patrick: Lets see how that jerk likes this! [rips his skin to show his jaw, trachea, heart, lungs, and intestines.]

Patrick tapped Squidward on his shoulder and he saw him and freaked out!

Patrick's intestine: May I borrow a cup of squid squeezings?

[Patrick's appearance scares Squidward out of his wits. As he screams, he sprays more ink from his nose]

HE SPRAYED INK ALL OVER AMANDA!

SPLAT SPLAT SPLAT SPLAT!

Nico: NICE!

Poromon got onto a slingshot!

Me: FIRE!

We fired him and he smashed her right on her head!

SMASH!

Amanda Scavington was dazed and dizzy.

Poliwag got onto the slingshot!

Nico: FIRE!

He fired Poliwag and smashed her on her head and he slapped her all over with his tail!

SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

Nico: Yeah!

Manaphy got onto the slingshot!

May: FIRE!

She fired Manaphy and bashed Amanda down.

SpongeBob: [sneaks up behind Squidward and screams through megaphone] ONE FIRE TRUCK LEMONADE!

[Squidward screams and sprays ink out from his nose and onto Amanda]

Some even got into her mouth and then she hurled her guts out!

Nico: Squid Ink is poisonous.

Horsea got onto the slingshot.

Maria: FIRE!

She fired Horsea and Horsea bashed Amanda in her face!

Horsea: EAT UP YOU BIMBO!

She shoved a bucket full of chum down Amanda's throat!

Nico: Where did you get the chum?

I whistled innocently.

Amanda then HURLED HER GUTS OUT LIKE A FIRE HYDRANT!

Amanda: (PROJECTILE VOMITVILLE!)

Luna: PUKEFEST! (FAINTS)

FWOMP!

Camie: Nice one!

Nico: Did you give it to her?

Me: Yes I did. We may not be able to eat chum, except for Lana, but we can however MAKE BAD people eat it.

Horsea: It's true.

Nico: That makes sense. But that is awesome.

Rice: I'm going to give her the nightmare of Razorfist!

She then had her eyes turn red!

Her jumpsuit got tight and then it ripped and she turned into RAZORFIST!

Amanda Scavington: WHAT THE!? YOU'RE A FREAK!

Me: The only freak here IS YOU!

Xenia: YEAH!

Razorfist roared!

LOUD ROAR!

She was ready for action!

She went and slashed and pulverized Amanda!

Sean punched her!

SMASH!

Sean Bolton: Take that!

Me: Hey top this one!

I used hypnosis and then she took off her shoes. Then I formed a bed of RED HOT FIERY COALS!

Me: Walk.

Nico: Fucking do it!

She then walked onto the coals.

SIZZLE!

She walked and then…

Amanda Scavington: (SCREAMS IN EXCRUCIATING PAIN!)

HER FEET WERE REALLY ON FIRE!

Me: Now you know what I had to do in the Syaolin arts.

Nico: You had to walk on red hot coals?

Me: Yep. That's where I discovered my fire absorption powers.

Qin: Wow.

Camie: Nice one.

Nico: That's gotta hurt!

Razorfist: SO WILL THIS!

She reverted back and she had her clothes on again.

Suddenly, Rice Fitzgerald's red eyes turned neon red, and she was surrounded by a crimson red energy aura with stars, water, ocean waves, crabs, phoenixes, and angels surrounding her, she unholstered her massive Rice Fitzgerald's Razorfist Raging Maelstrom Crab Greatsword of Underground Water Maelstrom Crab Justice from her back, and as she approached Amanda Scavington, she left crimson red energy, stars, water, ocean waves, crabs, phoenixes, and angels with every step.

Rice: You've got some goddamn nerve showing your face again, Amanda, I can't ever forget what I and everyone around you had to go through because of you. You have and always be a mean, sadistic, and heartless queen bee bully and a bitch who's shown no compassion towards anyone at all, all you ever cared about was yourself and killing everyone around you. I don't regret what I did in stopping you and getting you sent to prison, you've humiliated and tortured numerous kids and have gotten away with every last one of your goddamn antics for years, and you've used threats along with intimidation to silence anyone who got in your way. I've absolutely had it up to hear with you, you've always been such a bitch and now, you can consider your prison sentence upgraded to death!

Suddenly, Rice was surrounded by a massive vortex of red energy with stars, water, and ocean waves surrounding the vortex, there are crabs, phoenixes, angels, and Razorfist flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Amanda Scavington: the red eyes of eternal death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears that stinkpot apart piece by piece!

Amanda Scavington: (NTH DEGREE FUCKED UP ENRAGED SCREAM) YOU FUCKING BITCH! WHY CAN'T YOU JUST FUCKING DIE?!

Amanda Scavington charged at the vortex still intending to kill Rice, but the barrier still kept her from trying to get at us, and if that's not bad enough, that bitch got hit with ocean waves and she screamed as her makeup began running.

Eli: Ooh, man, she really looks like a monster! Serves her right!

Lincoln: And that's a look she'll take with her to the grave.

Then, as the vortex faded, Rice emerged, but she was changed forever.

Rice remained tall at 7'9" in height, she has gold bracers on her biceps and thighs and she now has eleven large crimson red orbs orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long braded brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon crimson red eyes and a crimson red energy aura with stars, water, ocean waves, crabs, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Razorfist holding the Water Kanjis in its hands emblazoned on her forehead and Third Eye with red iris, she has on crab earrings with red crystals for eyes and holding the Water and Eternity Kanjis in its claws, she has on her Crystal Necklace of The Buddha with red gems in the gold water drop links and red crystal links and a red crab-shaped Element of Harmony and on the bottom of the Element of Harmony is Razorfist with red crystals for eyes and holding the Water and Eternity Kanjis in its claws for the pendant and white and gold accented choker on her neck. Suddenly, Rice's massive Rice Fitzgerald's Razorfist Raging Maelstrom Crab Greatsword of Underground Water Maelstrom Crab Justice and all of the greatswords and swords she has began merging together, and they were surrounded by a kaleidoscope of crimson red energy, stars, water, ocean waves, crabs, phoenixes, and angels, and when it emerged, it was transformed into Rice Fitzgerald's Cosmic Eternal Underground Razorfist Raging Maelstrom Crab Phoenix Angel Greatsword of Cosmic Eternal Underground Razorfist Raging Maelstrom Crab Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Razorfist etched on the 7'6" massive, wide, double-edged, crimson red blade, large crimson red crab heads with yellow gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large crimson red gems embedded in the foreheads, longer midnight black handle, four crimson red crab heads with red gems for the eyes and on the bottom is Razorfist's head with yellow gem for the eyes and a large crimson red gem in its mouth for the pommel. We were amazed by Rice Fitzgerald's Super Angel-Underground Girl-Razorfist-Crab-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when when Amanda Scavington saw it, she went absolutely fucked-up ballistic and ran at her to kill her again, but Lincoln put down the barrier and Rice fired a massive barrage of crimson red energy, stars, water, ocean waves, crabs, phoenixes, and angels which hits Amanda Scavington and she got hit hard and burned again and sent flying into another tree, she got back up, but now, she was really really REALLY PISSED OFF BEYOND IMAGINATION!

Rice: (Divine Echoing Godly Voice of The Star Ocean Water Underground Crab Phoenix Angel and Divine Star Ocean Water Underground Crab Phoenix Angel Rage) You've had this coming for a very long time, Amanda!

Sean Blushed.

Me: Oh yeah!

Qin: She's really screwed now!

Lola: Yep.

Suddenly, a massive tree grew out of nowhere and the branches hit Amanda Scavington hard in her face and sent her flying into another tree.

Me: Okay, that one wasn't me nor any other masters of wood and trees.

Lincoln: But, I know someone who has a knack for making trees grow out of nowhere and do that sort of thing to monsters like Amanda.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a brown short-sleeved frilly shirt, necklace with pearls and red gem for the pendant, brown skirt, white bridal gloves, brown knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Morgana Knudson: Oh, and I already know your parents and your eight sisters are on their way, and they are so pissed off at you!

Lincoln, Rice, Sean Bolton, and I went after Amanda Scavington, and we fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Amanda Scavington, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Rice, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Amanda Scavington even more insane and straight to the brink of insanity.

Amanda Scavington: YOU! YOU! (ENRANGED SCREAM)

Amanda Scavington charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at him and she got hit hard and he slashed at her with his massive black greatsword, and Sean Bolton blasted her with blue energy and water blasts. Then, Lincoln grabbed her by the waist with one of his eleven massive and long white wolf tails and he smashed her into the ground, and she was really getting messed up, and then, he threw her and sent her into a nearby tree.

Amanda Scavington: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU BITCH! I'LL KILL YOU!

Dragonair Charged at her and bashed her down and blasted her with a powerful energy blast.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut it already.

Lincoln went at Amanda Scavington and he proceeded to give that rampaging animal the beatdown of her miserable life. LINCOLN SLASHED AMANDA SCAVINGTON ON THE STOMACH WITH HIS GOLD-PLATED CLAWS, HE SLASHED OFF HER HAIR WITH HIS MASSIVE GREATSWORD, HE ALSO BROKE HER ARMS AND LEGS EVERY LAST BONE IN HER BODY, SMASHED HER TEETH OUT OF HER MOUTH, AND ALSO GAVE HER TWO

BLACK EYES ALONG WITH A BROKEN BLOODY NOSE!

Me: OH DAMN! NICE ONE, LINCOLN, AND FUCK YOU, BITCH!

Nico: YEAH, GO TO HELL, YOU RAMPAGING SHE-BEAST!

That made Amanda Scavington so mad, she eventually lost all traces of reason and started acting like the rampaging she-beast she really is. She went at us, but we kicked her hard into the air and Lincoln and Morgana Knudson fired blasts of wood and Amanda Scavington was hit by the wood, and when she came crashing down, she was literally a mess and she had bruises on her body.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Okay, time to tie you up.

Lincoln tied Amanda Scavington in an indestructible rainbow energy straitjacket and we holstered our weapons and powered down, and Rice's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large crimson red orbs orbiting around her legs, and massive crimson red angel wings are permanent.

Then, we heard a limo coming to us.

Lincoln: (Smirks) And your doom has already arrived.

Then, we saw eight girls dressed in black and dark blue clothes with long black hair and black angel wings appear.

Lincoln: Melanie Scavington, Gene-Slammer of Blackwing - Shura the Blue Flame, Helen Scavington, Gene-Slammer of Simoon the Poison Wind, Caitlyn Scavington, Gene-Slammer of Sirocco the Dawn, Beverly Scavington, Gene-Slammer of Zonda the Dusk, Tracey Scavington, Gene-Slammer of Brisote the Tailwind, Kayla Scavington, Gene-Slammer of Elphin the Raven, Gina Scavington, Gene-Slammer of Blizzard the Far North, and Amber Scavington, Gene-Slammer of Mistral the Silver Shield.

Melanie Scavington: It's good to see you again, Lincoln. (To Amanda Scavington) And we knew you'd escape from prison again, you dumbass bitch!

Then, the limo doors opened and out came Mr. and Mrs. Scavington, and boy were they pissed off at Amanda Scavington.

Mr. Scavington: I am so absolutely disgusted by your behavior, Amanda! So, everything we'd heard from Rice and your sisters was true! You've absolutely tarnished our family's reputation with your despicable actions!

Mrs. Scavington: I can't believe that you're even our daughter! What kind of person could do those evil acts to so many innocent people?!

Qin: A monster of pure evil!

Rice: Everything your eight daughters and I told you long ago is all true, Mr. and Mrs. Scavington. Your daughter is a mean, sadistic, and heartless queen bee bully and a monstrous tyrant with a complete disregard for the lives of those around her, she's been a nightmare to everyone for years! She's gotten away with everything by using your reputations, and no one's been able to stop her, and let's not forget what she had done in humiliating and torturing numerous weaker kids and ruling the school with a nasty tyrannical iron fist.

Mr. Scavington: Indeed and Lincoln you have an amazing number of girls to look out for you. They have done so much good.

Lincoln: Thank you sir.

Melanie Scavington: And how she's also been an absolute nightmare to the rest of us for years, and she always find some way to lie her way out of trouble like the worm that she is!

Helen Scavington: We never forgave her for what she's done in the past! Prison hadn't deterred her nor her sick desire to humiliate and torture everyone around her, instead, it made her even more sick and twisted!

Mr. Scavington: We've done our best to raise you right, but instead, you went downhill and you started causing trouble, God knows how many times that we'd been called to the school involving yet another of your stunts. You've used our reputations to get away with doing horrible things to innocent people, and what you did in humiliating and torturing numerous kids and teachers and ruling the school with a nasty tyrannical iron fist, you will never ever be forgiven for this!

Mrs. Scavington: Agreed, honey. Amanda, you are hereby disinherited from our family fortune and both the fortune and the estate will be passed on to your eight sisters.

Amanda Scavington: (GASPS) WHAT?! MOM, DAD, YOU CAN'T BE SERIOUS!

Gina Scavington: They are serious! So, eat shit!

Melanie Scavington, Helen Scavington, Caitlyn Scavington, Beverly Scavington, Tracey Scavington, Kayla Scavington, Gina Scavington, and Amber Scavington: And you are also disowned from our family forever, and we'd since cut our ties with you years ago because of your heartlessness and monstrous way.

Amanda Scavington: WHAT THE FUCK?! YOU CAN'T DO THIS TO ME! WHEN I GET OUT OF THIS, I'LL FUCKING KILL YOU ALL! ALL OF YOU! YOU ARE ALL TRASH, YOU SHOULD BE BOWING BEFORE ME!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and the 7'9" massive, wide, double-edged gold blade was covered in rainbow energy, and then… !

SLASH!

Lincoln brought his massive greatsword down on Amanda Scavington's head decapitating her and both her head and body burst into rainbow flames and he sent her soul to The Black Gates forever. Lincoln holstered his massive greatsword on his back and came back to us.

Rice: Nice one, Lincoln. Honestly, I was so sick of hearing her big fat mouth!

Me: Me too.

Lincoln: Same here. And it's so awesome to see you and your sisters again, Melanie, along with you, Morgana.

Melanie Scavington: You too, Lincoln. And WHOA! You've really really really grown into quite the man!

Lincoln: Yeah, I know.

Nico: Gonna introduce us, Lincoln?

Lincoln: Sure, Nico. Everyone, meet Melanie Scavington, Gene-Slammer of Blackwing - Shura the Blue Flame, Helen Scavington, Gene-Slammer of Simoon the Poison Wind, Caitlyn Scavington, Gene-Slammer of Sirocco the Dawn, Beverly Scavington, Gene-Slammer of Zonda the Dusk, Tracey Scavington, Gene-Slammer of Brisote the Tailwind, Kayla Scavington, Gene-Slammer of Elphin the Raven, Gina Scavington, Gene-Slammer of Blizzard the Far North, and Amber Scavington, Gene-Slammer of Mistral the Silver Shield, these eight girls are my Guardian Angels from Michigan, and they are the daughters of a prominent state senator and are from a very rich family, but of course, there is one bad seed among the family, and that bad seed was their sister, Amanda Scavington and Rice Fitzgerald's old enemy, and like she said, she was a mean and heartless queen bee bully that HATED RICE FITZGERALD with EVERY SINGLE FIBER OF HER BEING! She humiliated and tortured NUMEROUS WEAKER kids and ruled the school with a

NASTY TYRANNICAL IRON FIST, because her family was rich and she used her family connections to get away with anything for years and she said the words, "My father is a Senator and he WILL RUIN YOUR LIFE AND THROW YOU ONTO THE STREETS!" But, one day, Rice had enough of her and she rallied together a group of kids and teachers and they got her to expose her true colors after using a huge number of humiliating pranks and with the help of Amanda's eight sisters, they gathered all the evidence they needed and they got Amanda expelled and sent to prison.

Me: Just like she told us.

Gina Scavington: And we heard you guys were dealing with scumbags returning for revenge these past few days. Well, we've done some digging around, and we found out something you're not going to like.

Nico: What is it?

Helen Scavington: We found out that the person responsible for letting out those scumbags that you guys have been dealing with in the past few days is Mindy, the cousin of Mandy.

We gasped.

Lincoln: That heartless, psychopathic queen bee's equally heartless psychopathic cousin?! She's the one responsible?!

Beverly Scavington: Yep, and the main reason for this is revenge against you guys for what you did in bringing down Mandy and turning her into humiliation fodder, but in the future when we go after her, she's going to suffer the same fate as her cousin: brought down and turned into humiliation fodder at Lynn's Table.

Nico: That bitch is going to pay for this big time!

Amber Scavington: And those knockout blows those scumbags were able to deliver and dodge any attacks, it turns out Mandy had a bug planted!

Lincoln went back to The World Tree Estate and found a microscopic camera that a thug of hers had planted in the training room which was hooked onto Mindy's cellphone and Mandy's computer, and he came back to us and when he showed the microscopic camera to us, we were pissed and Lincoln had crushed it in his hand, destroying it for good.

Nico: Why that fucked-up sadistic psychopathic bitch! Sebastian, head down to Lynn's Table and tear Mandy to shreds!

Sebastian Mendez: Got it.

Sebastian went down to Lynn's Table and he began violently tearing Mandy to shreds as we heard her scream with loud banshee screams of agony and pain. When Sebastian came back minutes later, his hands were covered in blood which peeled off and turned into blood rubies and he had huge sacks of gold coins, jewels, gems, and other currencies. We also saw what happened with Mandy: she had claw marks on her body and face and she also got burned with dark fire.

Qin: This is what happens when we wind up unleashing the monster on the sap!

Sean: Nice job babe!

Rice: Aw it was nothing.

Lincoln: Same here. And it's so awesome to see you and your sisters again, Melanie, along with you, Morgana.

Melanie Scavington: You too, Lincoln. And WHOA! You've really really really grown into quite the man!

We also saw what happened with Mandy: she had claw marks on her body and face and she also got burned with dark fire.

Qin: This is what happens when we wind up unleashing the monster on the sap!

Lincoln: Jeez. And this is Morgana Knudson, God Sibling of Wood and Trees, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful crystal powers and immense control over wood and trees, and she also has the power to bring life to dead and barren forests and influence the growth of trees. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Wood, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR YOU WILL SUFFER THE FURY OF THE GOD SIBLING OF WOOD!

We gasped.

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to be hit by a tree popping out of nowhere or trapped in a tree.

Lincoln: Yeah, no one wants that, and now that you're here, along with the Scavington Sisters, Morgana.

Lincoln first went up to and hugged Morgana Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, he went up to the Scavington Sisters, and one at a time, he hugged each sister in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Morgana Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Morgana Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

And eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of The Scavington Sisters with dark blue gems on the gold lightning bolts and dark blue crystal links from their merged Crystal Necklaces of The Buddha along with eight white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Morgana Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Morgana Knudson and Scavington Sisters.

Morgana Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Then, Lincoln got pounced on and kissed all over by the Scavington Sisters, and when they were done, Lincoln's face, massive pecs, arms, back, and eight-pack abs were covered in blue lipstick marks.

Lincoln: (In Heaven) So… awesome!

Nico: Nice job Dragonair.

Dragonair: Thanks. That was awesome and fun.

Rice: It sure was.

Me: Looks like Clair's Dragonair has an awesome fried.

Camie: Yep.

Dragonair nuzzled Rice.

Me: Aww.

Dragonair: And before you ask Poromon yes I love beer. But I'll only drink it on certain occasions.

Poromon: Yay! Here's your beer! (gets out beer bottle)

Dragonair: Thank you.

Dragonair drank it and belched.

BARNEY BELCH!

Dragonair: Ahh that hit the spot. Thanks.

Poromon: Anytime.

Sunny Starscout: So mom how did you like that?

Daylight Starscout: That was so awesome!

Qin: It sure was!

Lori: (GASP) Sunny is this your mother!?

Sunny Starscout: Yep and I'm sorry everyone. This is my mother Daylight Starscout.

Me: We found her in the ruins of Canterlot. Long story.

Poliwag: And I didn't need to do the puppy eyes.

Dragonair: It wouldn't work on my anyway.

Nico: You're right on that.

Chloe woke up.

Chloe Bolton: (Groans) What happened?

Posey Bloom: You got hit really hard and smashed into my cart.

Chloe Bolton: Oh man. Sorry Posey.

Qin: You're okay though.

Me: Now comes the fun part of the adventure.

Nico: The Anothers.

Me: Yep.

Eli: Lets see who we have. (Concentrates) Whoa! The Bohrok-Kal, Thursday Man and INSTIGATOR.

Me: The Bohrok-Kal!? Whoa!

Nico: Wow!

Lola: Yep.

Nico: Who's up?

Me: Amalia, Elemental HERO Burstinatrix, Callie Huntington, Olivia Huntington, Gina Huntington and Polly Huntington.

Qin: This will be cool.

Lola: Yeah!

Eli: And I sense that the Anothers minus INSTIGATOR are all one person.

Nico: Wow.

But then my Geiger Counter started clicking like mad!

Me: Uh oh! Gamma Radiation!

Qin: Uh oh!

Nico: Oh, don't tell me the next Embodiment is radioactive!

Me: I have a feeling it is!

We saw the Anothers! It was Another Bohrak-Kal! Another Another Lehvak-Kal, Tahnok-Kal, Gahlok-Kal, Pahrak-Kal, Nuhvok-Kal, Kohrak-Kal and Thursday Man.

Qin: WHOA!

Nico: Another Another Lehvak-Kal, Tahnok-Kal, Gahlok-Kal, Pahrak-Kal, Nuhvok-Kal, Kohrak-Kal and Thursday Man!

Qin: Whoa!

Another Tahnok-Kal: (In a girls voice) This is gonna be awesome.

Me: (GASP) That voice.

They merged and she reverted back and was a girl with orange hair and had orange eyes and had neon orange clothes and she had fire angel wings and had a tiara with the Nuclear Dopant symbol on it and the same symbol on her skirt and she had a fire sword.

Me: Nina Nuclear!? Whoa!

Nina Nuclear: Yep. Awesome to see you again J.D.

Me: Same here.

Nico: Wait, You're radioactive!?

Me: Nina is the Embodiment of the Nuclear Dopant and as you all know she is Intensely Radioactive. She has as much gamma radiation as 500,000 nuclear explosions.

Nico: WHOA! That is potent!

Me: And lethal! Think of P'andor times 500,000.

Nico: JEEZ!

Nina Nuclear: Yeah. I have the power to control it but when I got turned into this Another form it made my powers grow out of control. Hense why my radiation is off the scale.

Nico: Geez! That is intense.

Me: Yep.

Qin: Wow.

Me: Good thing we're immune to Gamma Radiation. By the way is the Another INSTIGATOR friendly or hostile?

Nina Nuclear: Friendly and she is a really interesting one.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Spring abundant holoél

She glowed and was separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books!

Qin: Yeah!

The Gamma Radiation levels were normal now.

Me: Whew.

Xenia: Close one.

Maria: (TURNS) DIAL) DESERT THIEF FORCE!

She summoned Abis Mal, IR Baboon, Victor & Charlotte DeShayes, Wiggy Jiggy Jed, Red Menace and Bert the bashful.

Nico: And now we wait.

Me: We don't have to wait long!

We saw ANOTHER INSTIGATOR!

Qin: WHOA!

Laney: Another INSTIGATOR!

Another INSTIGATOR: (In a girls voice) This is gonna be fun.

Me: (GASP) That voice.

She reverted back and it was a girl with black hair and purple eyes and she had 4 angel wings but they were each made of each of the 4 elements. One wing for earth, fire, wind and water. She had a black dress on and she had a tiara with the symbol of the Element Dopant on it and the same symbol on her skirt and she had the kanji for Earth, Fire, Wind, Water, Thunder, Wood, Metal, Ice, Crystal, Sun, Moon, Star, Time, Space, Sky, Light and Darkness along her arm and she had a rainbow sword.

Me: (GASP) Ella Element! Wow!

Ella Element: Awesome to see you again J.D.

Me: Same here. Ella is the Embodiment of the Element Dopant and as you can see she has the powers of all the Elemental Forces of Nature and she is as powerful as me.

Nico: WOW!

Me: Yep. And she is super strong like INSTIGATOR.

INSTIGATOR: That is awesome!

Ella Element: It sure is.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Ella Element: No he didn't. He was afraid of my power and sent me out.

Me: Ella's power is that strong and feared.

Nico: Wow.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

He fired a wave of energy and separated her.

Me: Yeah!

Ella Element: Lets dance!

She fired waves of ice and froze his arms and legs.

Nico: (gets out INSTIGATOR's Ridewatch) Let me get you unstuck. The hard way!

May: (Gets out Brinebeast's ridewatch) I'll stink you with brine!

Maria: (Get's out Nine's Ridewatch) Time to strike you with lightning!

Willow: (GETS OUT THURSDAY MAN'S RIDEWATCH) Time for you to get Ripped!

They activated the Ridewatches of INSTIGATOR, Thursday Man, Brinebeast, Whispy Woods, Nine and VrilDaiBouken and they fired waves of energy and elements and blasted Another INSTIGATOR all over.

Then Comic Book Guy, Secret Snake Club, Sumo Kong, Prometheus, Nightmare Fluttershy and EP-327 came.

Nico: Nice team Comic Book Guy!

Comic Book Guy: This is a great team too.

?: I'll say!

Blade Man came.

Me: Blade Man! Wow!

Blade Man: (In a girls voice) I'm ready to slice and dice!

Nico: Bonnie Blade? Whoa!

She reverted back and was a girl with purple hair, purple eyes and purple clothes and she had purple angel wings and had a sword in the middle of her forehead and she had a deadly sword in her hand.

Bonnie Blade: Yep. I got this.

She fired blades and slashed the Another into ribbons and I caught the ridewatch and purified it.

May: Yay! I didn't get hit!

Nico: You don't want to get cut by her.

Bonnie Blade: No you sure don't.

Willow: Do you have a favorite memory of Nico?

Bonnie Blade: Mine is when me and Nico were at a sushi making competition and we won the top prize.

Me: That is cool!

Bonnie Blade: Yep. I thought it was fun.

Nico: Me too.

Nico and Bonnie hugged.

Nico: I've missed you.

Bonnie Blade: Same here.

We later went back home.

We gasped.

Me: Why, that little… !

Cole: Now, he's gone and made clones of our old enemies? Boy, he really doesn't know when to quit.

Nicole: He sure doesn't, Cole. He's just making things a whole lot worse for himself, even though he's already dead.

Melanie Scavington: We heard of what Lincoln's been doing in absorbing clones of the enemies of The Power Rangers and he and all of you gaining their powers, strengths, and abilities.

Lincoln: Yep, it's to prepare us for a long-awaited showdown with Rita Repulsa and Lord Zedd that's going to happen in November, Melanie.

Gina Scavington: Awesome! Those two have had this coming for 30 years.

Lincoln: So far, I absorbed the enemies of Lightspeed Rescue, Jungle Fury, Samurai, Megaforce, Mighty Morphin, Space, Lost Galaxy, Zeo, and Mystic Force.

Nico: Now, all you got to do is absorb the enemies of Wild Force, Time Force, Ninja Storm, Dino Thunder, S.P.D., Operation Overdrive, RPM, Dino Charge, Beast Morpher, Ninja Steel, and Dino Fury.

Piper: This was something Lincoln planned and he's making sure all of us are ready for when we face Rita Repulsa and Lord Zedd in November, and we've also been getting rid of the residual darkness remnants of Sebastian's Universe 666 twin, and he's completely insane!

Me: 1,000,000 times fucked up than The Joker.

Suddenly, we saw fifteen very beautiful and super sexy girl with long hair matching the colors of The Wisps and pink hairband, purple eyes, they were tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, they have massive and beautiful angel wings matching the colors of The Wisps, they're dressed in clothes matching the colors of The Wisps, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoats with stars, elemental forces, phoenixes, and angels on the coattails and on the back are the Wisps, and holstered on their backs are massive gold greatswords, and with them are the nine girls.

Lincoln: (GASPS) Angel Kawaii, Belle Kawaii, Chibusa Kawaii, Daia Kawaii, Erisa Kawaii, Fumiko Kawaii, Gako Kawaii, Honoka Kawaii, Izumi Kawaii, Juki Kawaii, Kyouka Kawaii, Lana Kawaii, Miyu Kawaii, Nagisa Kawaii, Pika Kawaii, Rana Kawaii, and Sonnya Kawaii.

Angel Kawaii: That's right, and we got the girls away from the clone of Master Org, but Izumi set him off big time and he's already sending his minions after us!

Suddenly, we saw the clones of Jindrax, Toxica, Zen-Aku, Artilla & Helicos, Onikage, Retinax, Nayzor, Mandilok, Takach, Kired, Rofang, Turbine Org, Plug Org, Barbed Wire Org, Camera Org, Bell Org, Tire Org, Ship Org, Cell Phone Org, Bulldozer Org, Freezer Org, Vacuum Cleaner Org, Bus Org, Scooter/Motorcycle Org, Lawnmower Org, Quadra Org, Karaoke Org, Signal Org, Bowling Org, Wedding Dress Org, Samurai Org, Tombstone Org, Flute Org, Juggelo, Lion Tamer Org, Monitor Org, Toy Org, Clock Org, and Locomotive Org as they went at us, but we stood ready and we fired powerful energy blasts at them and knocked them all down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one

by one, he stabbed them into the clones of Jindrax, Toxica, Zen-Aku, Artilla & Helicos, Onikage, Retinax, Nayzor, Mandilok, Takach, Kired, Rofang, Turbine Org, Plug Org, Barbed Wire Org, Camera Org, Bell Org, Tire Org, Ship Org, Cell Phone Org, Bulldozer Org, Freezer Org, Vacuum Cleaner Org, Bus Org, Scooter/Motorcycle Org, Lawnmower Org, Quadra Org, Karaoke Org, Signal Org, Bowling Org, Wedding Dress Org, Samurai Org, Tombstone Org, Flute Org, Juggelo, Lion Tamer Org, Monitor Org, Toy Org, Clock Org, and Locomotive Org and he began absorbing them into him as he and all of us assimilated all of their powers, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and all that's left is the clone of Master Org.

?: (ENRAGED LOUD ROAR) RANGERS! TEAM LOUD PHOENIX STORM! I WILL DESTROY YOU ALL!

We then saw our target, the clone of Master Org, and he was out to destroy us, and boy was he really really really angry and mad now!

Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed the Master Org clone and he began absorbing him as he assimilated all of his powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, when Lincoln was done and the stingers changed back, nothing was left of him, and he sent the clones' spirits to The Black Gates. We cheered as we holstered our weapons and powered down.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants. (To The Kawaii Sisters) And it's so good to see you and your sisters again, Angel.

Angel Kawaii: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Oishi.

Oishi Kawaii: You too, Angel.

Lincoln went up to Angel Kawaii and her sisters and he hugged them, and Angel Kawaii and her sisters were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you fifteen since you were seventeen, and as you can see, I really grew a lot since then.

Chibusa Kawaii: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, meet Angel Kawaii, Gene-Slammer of White Wisp, Belle Kawaii, Gene-Slammer of Cyan Wisp, Chibusa

Kawaii, Gene-Slammer of Yellow Wisp, Daia Kawaii, Gene-Slammer of Orange Wisp, Erisa Kawaii, Gene-Slammer of Red Wisp, Fumiko Kawaii, Gene-Slammer of Violet Wisp, Gako Kawaii, Gene-Slammer of Blue Wisp, Honoka Kawaii, Gene-Slammer of Pink Wisp, Izumi Kawaii, Gene-Slammer of Green Wisp, Juki Kawaii, Gene-Slammer of Purple Wisp, Kyouka Kawaii, Gene-Slammer of Magenta Wisp, Lana Kawaii, Gene-Slammer of Ivory Wisp, Miyu Kawaii, Gene-Slammer of Indigo Wisp, Nagisa Kawaii, Gene-Slammer of Crimson Wisp, Pika Kawaii, Gene-Slammer of Gray Wisp, Rana Kawaii, Gene-Slammer of Black Wisp, and Sonnya Kawaii, Gene-Slammer of Jade Wisp, these girls are my Guardian Angels from Japan and classmates in English, and they are also beautiful but deadly demon slayers just like their sister, Oishi Kawaii. Surprisingly, not many knew this, but the Kawaii Clan and the Belmont Clan were related, hence Oishi and her sisters' skills in demon slaying. They trained me in the art of demon slaying when we were twelve, and the Kawaii Sisters with the exception of Oishi Kawaii have hair colors and matching outfits based on the wisps they were gene-slammed into. Oishi and her sisters are also close friends with Lucy and The Goths of Darkness and they made me an even more powerful version of the Vampire Killer dubbed the Dark Destroyer which has the power to kill evil monsters as well as those with evil hearts and depending on how evil the heart is can even be sent to The Black Gates instantly. To show thanks, I made Oishi Kawaii and her sisters beautiful necklaces, and to show thanks, they each kissed me on the lips. As a result, I promised that when I come of age, I will marry Oishi Kawaii and her sisters along with the rest of me harem.

Michelle Emperyous: This took place before Ronnie Anne came into the picture, and they hate Lila Rossi with a very blazing passion, the reason why is because she once tried to resurrect an army of evil succubi to destroy Paris, but thankfully, Lincoln, Oishi Kawaii, her sisters, and The Goths of Darkness were able to stop her, destroyed the evil succubi army, beat the crap out of her, and threw her back in jail.

Nico: It served that bitch right, and we finally put her down for good and sent her to The Black Gates forever.

Angel Kawaii: Good, she was nothing but scum.

Lincoln: All of Paris is glad to be rid of that heartless psychopathic monster, and now that you and your sisters are here, Angel.

Lincoln went up to the Kawaii Sisters, and one at a time, he hugged each sister in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Angel Kawaii: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Kawaii Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with fifteen white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Belle Kawaii: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kawaii Sisters.

The Kawaii Sisters had a smile on their faces and tears in her eyes as they pounced on Lincoln and they kissed him all over the place, and when they were done, Lincoln's face, massive pecs, arms, back, and eight-pack abs were covered in blue lipstick marks. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Tsubame

Jounouchi, Hina Jounouchi, Shizuru Jounouchi, Rei Jounouchi, Tsugumi Jounouchi, and Tomoe Kagami from Reijoku no Yakata ~Inroku 5shimai Jukanki~ and Shina Aquaswimmer, Saki, and Shiho from Watashi ga Toriko ni Natte Yaru.

Lincoln: Oh wow, it's Tsubame Jounouchi, Hina Jounouchi, Shizuru Jounouchi, Rei Jounouchi, Tsugumi Jounouchi, and Tomoe Kagami from Reijoku no Yakata ~Inroku 5shimai Jukanki~ and Shina Aquaswimmer, Saki, and Shiho from Watashi ga Toriko ni Natte Yaru.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Tsubame Jounouchi: Yes, we're okay, thanks to you.

Then, when Tsubame Jounouchi and the other eight girls saw who it was that saved them from the clones of Master Org and his minions, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a

Tsubame Jounouchi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Tsubame Jounouchi: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tsubame Jounouchi, Hina Jounouchi, Shizuru Jounouchi, Rei Jounouchi, Tsugumi Jounouchi, Tomoe Kagami, Shina Aquaswimmer, Saki, and Shiho with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Master Org and his minions created by another manifestation of Universe 666 Sebastian's residual darkness.

But, when Lincoln showed what we all did in beating them down and Lincoln stabbing them with his Cell Stinger tips on his tails and he absorbed them into him and assimilated all their powers which forced out the manifestation of Universe 666 Sebastian's residual darkness and he was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and The Kawaii Sisters have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so another manifestation of Universe 666 Sebastian's residual darkness was here and it created clones of Master Org and his former minions?!

Lincoln: Yep, but just like what happened, I absorbed them and assimilated all their powers.

Nico: Along with banishing their souls to The Black Gates and it also forced out the manifestation once more and he too got destroyed and sent to The Black Gates.

Me: He really refused to give up and just die, what a sore loser.

---

After Lincoln absorbed the clones of Master Org and his minions and destroyed another manifestation of Universe 666 Sebastian's residual darkness, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Kawaii Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Angel Kawaii: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Belle Kawaii: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Chibusa Kawaii: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Daia Kawaii: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Erisa Kawaii: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Ransik, Nadira, Frax, Gluto, Quarganon, Black Knight, Dragon, Flamecon, Jetara, Fearog, Mantamobile, Tentaclaw, Rabbitcon, Medicon, Fatcatfish, Izout, Vexicon, Redeye, Electropede, Univolt, Brickneck, Commandocon, Klawlox, Cruel Senturicon, Turtlecon, Notacon, Conwing, Contemptra, Dash, Ironspike, Artillicon, Cinecon, Steelix, Venomark, Severax, Mr. Mechanau, Miracon, Angelcon, Chameliacon, and Serpicon.

Wes Collins: What the?! Now, we got clones of Ransik, Nadira, and our old enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Nadira: What a sore loser, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of Ransik, Nadira, Frax, Gluto, Quarganon, Black Knight, Dragon, Flamecon, Jetara, Fearog, Mantamobile, Tentaclaw, Rabbitcon, Medicon, Fatcatfish, Izout, Vexicon, Redeye, Electropede, Univolt, Brickneck, Commandocon, Klawlox, Cruel Senturicon, Turtlecon, Notacon, Conwing, Contemptra, Dash, Ironspike, Artillicon, Cinecon, Steelix, Venomark, Severax, Mr. Mechanau, Miracon, Angelcon, Chameliacon, and Serpicon and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Ransik, Nadira, Frax, Gluto, Quarganon, Black Knight, Dragon, Flamecon, Jetara, Fearog, Mantamobile, Tentaclaw, Rabbitcon, Medicon, Fatcatfish, Izout, Vexicon, Redeye, Electropede, Univolt, Brickneck, Commandocon, Klawlox, Cruel Senturicon, Turtlecon, Notacon, Conwing, Contemptra, Dash, Ironspike, Artillicon, Cinecon, Steelix, Venomark, Severax, Mr. Mechanau, Miracon, Angelcon, Chameliacon, and Serpicon, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: I can't believe that sore loser created clones of the Time Force Rangers' enemies.

Me: Yeah, he really is a sore loser.

Eric Myers: He just never gives up.

Lincoln: You said it. But, let him keep sending more clones of the Power Rangers' enemies, he knows I'll absorb them and I'll destroy him. But, of course, I know this isn't the end of those remnants of that lunatic.

Nico: Yeah, he's never going to quit until we're destroyed, he's even worse than that fucked-up dark asshole, Damian Alaister and The Church of Necrom.

Nicholette Torrington: You said a mouthful, and Katnappe's right, Lincoln's preparing us for the day we finally battle Lord Zedd and Rita Repulsa in November by going after and absorbing the clones of The Rangers' most dangerous enemies and why he and all of us have been getting all of their powers, strengths, and abilities.

Nico: Whoa!

Me: That's so awesome! Lincoln, you really are The Man With A Plan!

Lincoln: Thanks.

We got a shower afterwards, and then, Lincoln, Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena are heading to Lanikai Beach, Hawaii.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Helena the Hellhound: Wow, so this is Lanikai Beach, Hawaii, it sure is beautiful.

Lincoln: It sure is, Helena, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you and Yuma really had a good time at Lanikai Beach, Hawaii, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena are in your harem, Linky.

Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire

Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena showed the marks Lincoln made on the right sides of their necks.

Yamiga: Wow, I knew Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena had feelings for him, and I knew he'd mark them.

Loona: It'll be awesome having another hellhound in his harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Oboro, Aira the Anubis, Cora the Cu Sith, Helena the Hellhound, Kara the Kikimora, Kendall the Kobold, Gia the Grizzly, Rana the Ren Xiongmao, Clara the Cait Sith, Chara the Cheshire Cat, Orie the Ocelomeh, Sara the Sphinx, and Zeena, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and Yuma killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant,

but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Rolling Coaster Galaxy.

Lola: Ooh! That one will be awesome.

Jeri Katou: Me and Penny will go with this time.

Nico: All right.

They went into the simulator and it activated and they were at ROLLING COASTER GALAXY!

Nico: Wow!

Jeri Katou: Wow! Amazing!

Nicole: (On the radio) This one is a really cool one. You just have to roll that ball with the star in it to the end like you did before.

Nico: I hope I don't vomit!

Jeri Katou: Goombas will come for us too.

Penny: Yeah.

Nico got on the ball and was ready.

Nico: You know I'm still using ridewatches right?

Penny: We sure do.

Jeri Katou: But we'll be ready for them.

?: We'll help too.

2 figures came. One was a girl with yellow hair and had blue eyes and a beautiful star dress on and had purple star angel wings and had a tiara with the symbol for the Constellar on it and the same symbol on her arm and she had a star sword. The 2nd was a girl with olive green hair and had red eyes and had olive green clothes and had a tiara with the symbol of Ring Man on it.

Celica Constellar: Celica Constellar, Embodiment of the Constellar monsters.

Rhonda Ring: And Rhonda Ring, Embodiment of Ring Man.

Jeri Katou: Wow! Rhonda!

Penny: You're looking awesome.

Rhonda Ring: Jeri and Penny! Wow! Its been a while. Awesome to see you girls again.

Jeri Katou: You too.

Rhonda Ring: I heard you and Takato married Jeri. Congratulations to you both.

Jeri Katou: Thanks.

Rhonda Ring: We'll catch up later.

Nico: Lets go.

They got to rolling!

ROLLING ROLLING ROLLING! ROLLING ROLLING ROLLING! ROLLING ROLLING ROLLING! ROLLING ROLLING ROLLING! RAWHIDE!

Penny: I see Goombas!

Jeri Katou: Lets get them!

Nico: Yeah!

He rolled down the path!

Nico: (Gets out INSTIGATOR and Skulker's Ridewatches) Time for Armor Power!

He activated them and got awesome armor on.

He fired waves of energy and missiles and blasted the Goombas.

Jeri and Penny fired waves of energy and blasted the Goombas.

Rhonda and Celica blasted them with energy and stars and blasted the Goombas all over.

Nico: Oh boy! (VOMITS)

He threw up all over!

He got to the end and the ball shattered and the star was free!

Nico: YEAH!

They went and got the star!

YOU GOT A STAR!

Nico: ALL RIGHT!

Jeri Katou: That was fun!

They high five!

Nico: How did you meet Penny and Jeri?

Rhonda Ring: I met Penny when she was still in the orphanage and I gave her some jewelry and toys to make her happy and I would even read her stories from time to time.

Nico: Aww.

Rhonda Ring: Yeah and I met Jeri after her terrible ordeal with the

D-Reaper and I would always tell her that her mother will always love her and be with her in spirit. Also I gave her an amazing lion bracelet.

Jeri showed it.

Jeri: It's really beautiful.

Nico: So awesome.

Celica Constellar: I agree there.

Nico: Would you two like to join the team?

Celica Constella: We would be honored.

They left the simulator and we cheered wildly for them.

Later we were watching TV and there was nothing of interest on the news.

Sheila's girls were crying.

Poromon: Are you girls okay?

Lillian Vale: We don't feel so good!

Nikita: IT HURTS SO MUCH!

They were sweating and their stomachs were growling loudly.

Then they saw extra legs pop out of their backs.

Misty Brightdawn: Sheila what was that noise?

Sheila: My daughters gene-slammer powers have kicked in.

We gasped!

Nico: Whoa!

Nikita: Mom! What's going on?!

Sheila: Your gene-slammer powers are kicking in.

Me: You're going to turn into what your mom can turn into.

Sunny Starscout: Sheila you better transform with them.

Sheila: Good idea.

Sheila did so.

Their shoes ripped.

RIP!

Their eyes spit and they got 8 eyes.

They lost their boobs.

Then their hair.

Then their bodies turned spider like.

Their teeth turned into sharp teeth.

Their clothes ripped and they became MINI-SHREDLEGS!

Nico: WHOA!

Qin: Wow!

Runamuck: How do you girls feel?

Nikita: To be honest, amazing.

Xenia: Awesome.

Laney: Cool.

Red Alert: We'll have to give you three your own Gene-slammer names. Shredlegs is taken.

Nikita: Biteshred?

Lillian Vale: Venombite?

Nico: What about you Celeste?

Celeste: Flameshred.

Nico: Nice.

Shredlegs: Honey, we're about to revert back. Get the towels ready.

Eric Loud: Okay.

Me: Oh excuse us.

We turned our backs to them.

They got to reverting back.

They started shrinking and went through their changes in reverse.

They were back to normal but they were naked.

Celeste Loud: WHOA!

Eric gave them towels and they put them on.

Nico: Now we need to give you your jumpsuits.

Me: Good idea.

We went and got them.

Lillian's was pink, Celeste's was orange and Nikita's was black.

And Sheila's was olive green

Needle Man: Nico, who gets to shine today?

Nico: Cole Evans, Chiro, Dudley Puppy, Charlie Brown, Andy Johnson, and Valiant,

Qin: Awesome!

Applejack: YEEHAW! This will be as fun as a rodeo!

Nico: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO version of Korvac, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the LEGO version of Korvac, and he's causing havoc.

We gasped.

Nicole: From Marvel Lego Superheroes?! Where's he at, Lincoln?

Lincoln: He's in the level On Board the Sword!

Me: Oh man, he's gonna be a tough one.

Nico: I know. But, we knew what he's capable of, and on Lincoln's rescue last year, we saw him absorb Korvac of our prime universe and he assimilated all his powers and abilities.

Lincoln: Along with all the data he downloaded from Galactus' ship and absorbing his energy, along with acquiring the Power Cosmic, that's right. But, he's going straight to The Masters of Evil, but not before we give him a thrashing and I give him a lump on his head.

Nico: You said a mouthful. Alright, let's head down to Chronopolis and take down the LEGO version of Korvac.

Lincoln: This is going to be so awesome.

Me: The Lego Version of Korvac is gonna be tough.

Qin: Yep.

Needle Man: (To Sheila's kids) You girls wanna come with us?

Lillian Vale: We would like that.

Nikita Loud: Yeah! Count us in!

Celeste Loud: Yeah!

Xenia: This will be fun.

The previous group came.

Heckyl: Nico, which gene-slammer do you think you'll meet next?

Nico: Nitro Man next.

Rainbow Dash: Aw yeah a motorcycle master!

Qin: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Adam Hornik, the fourth of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, the next person coming after us is Adam Hornik, the third of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda.

Helena Zelenková: (Czech Accent) That loser, I knew he'd be the next one we'd go after.

Lincoln: And it's just like I said, with Tobias Svoboda dead, Adam Hornik, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are basically running around like headless chickens, and they're only wanting one thing: revenge. Unfortunately for them, their skills in black magic are nothing compared to ours, and we've dealt with those who've sold their souls to The Devil for dark powers before.

Me: It always ends with you stripping them of their powers and getting destroyed and sent to The Black Gates.

Eli: He never did that with The Order of The Black Cross nor The Chernabog Sisters, J.D., he flat-out killed them.

Lincoln: That's right.

Nico: Eh, either way, those six are going to follow Tobias straight to The Black Gates later on today. Alright, gang, let's go, we're heading to Chronopolis to take down the LEGO version of Korvac.

Lincoln: LEGO version of Korvac, you better be ready, and once we get done with him, you're next, Adam Hornik.

Helena Zelenková: (Czech Accent) You and the others made a very huge mistake escaping from Hell, Adam. I would've thought we were finally rid of you after we banished you, Tobias, and your allies seven years ago to Hell, but not even Hell will keep you seven trapped for good. Very well, you'll suffer the same fate as Tobias, and we'll make sure you never rise again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the

LEGO version of Korvac, and once we get through with him, Lincoln and Helena Zelenková are going to destroy Adam Hornik, the fourth of the Czech Republic's seven infamous Satanic serial killers.

We were off to Chronopolis.

---

Heckyl: Nico, which gene-slammer do you think you'll meet next?

Nico: Nitro Man next.

Rainbow Dash: Aw yeah a motorcycle master!

Qin: Yeah!

Eli: He never did that with The Order of The Black Cross nor The Chernabog Sisters, J.D., he flat-out killed them.

Lincoln: That's right.

Nico: Eh, either way, those six are going to follow Tobias straight to The Black Gates later on today. Alright, gang, let's go, we're heading to Chronopolis to take down the LEGO version of Korvac.

Lincoln: LEGO version of Korvac, you better be ready, and once we get done with him, you're next, Adam Hornik.

Helena Zelenková: (Czech Accent) You and the others made a very huge mistake escaping from Hell, Adam. I would've thought we were finally rid of you after we banished you, Tobias, and your allies seven years ago to Hell, but not even Hell will keep you seven trapped for good. Very well, you'll suffer the same fate as Tobias, and we'll make sure you never rise again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the LEGO version of Korvac, and once we get through with him, Lincoln and Helena Zelenková are going to destroy Adam Hornik, the fourth of the Czech Republic's seven infamous Satanic serial killers.

We were off to Chronopolis.

We arrived and saw the Lego versions of Iron Man, Star Lord, and Spider Man.

Lego Star Lord: Hey guys!

We landed.

Me: Looks like we got here just in time. You going to raid the ship?

Lego Iron Man: Yep the Sword Ship.

Camie: Awesome.

Femme Fatale: Count us in too.

Nico: Awesome.

Lola: Yeah!

Varie: This is gonna be good.

Lincoln: And we're going after Lego Korvac.

Snapdragon: Lets keep an eye out for any enemies.

Me: Right.

We went to the ship and it was a HUGE SWORD ship.

Camie: Wow! Kang's ship.

Varie: Wow amazing.

Cole Evans: Let me get my game face on. WILD ACCESS!

He transformed and was ready!

Cole Evans: BLAZING LION! WILD FORCE RED!

He was ready!

Me: Yeah!

Chiro: Now, we're ready!

Titanium Toenail: We sure are!

We went into the ship.

Nico: Here we go.

The alarms sounded and then numerous soldiers came!

Me: Here they come!

We fired waves of energy and blasted them!

Weirdwolf: Have some of this!

He fired waves of energy and blasted the soldiers.

I slashed the soldiers and blasted them all over.

Qin: Yeah!

Qin fired waves of fire and blasted them.

Angel: I'll hit them high!

Dudley Puppy: You hit them low!

They did so and punched them in their faces and crotches and blasted them.

Camie and Laney and Lola fired waves of fire, leaves and aurora energy and blasted them.

Qin: They just keep coming!

Junk Man: Lets keep going while taking them out!

Nico: Lets do it!

We went at them and slashed and blasted and destroyed them all over!

The body count was rising fast because we were killing Kang's men left and right.

Charlie Brown: There has to be something we can use to stop the henchmen from coming in.

After a while, we arrived next to a door. Living Laser tried to open it, but it didn't work.

Living Laser: It's locked.

Poromon: Oh, it sucks!

Suddenly, he noticed a weapon on the wall behind him. It was an axe.

Poromon: Poromon, you're such a genius!

Poromon picked the axe before going next to the door. With all his might, he hit the door with the axe, making a hole in it.

Poromon looked into the hole and did a face similar to what Jack Nicholson did in one of his famous films.

Poromon: Heeeeeere's Johnny! (realizes that the room was empty) Fuck!

Poromon smashed a room door open.

Poromon: DAVID LETTERMAN!

He saw a Lego version of Abraham in it.

Lego Simpsons Grandpa: Hi David, I'm grandpa.

Poromon: FUCK!

Poromon busted opened another door and he had a watch in his wing.

Poromon: I'm Mike Wallace, I'm Maury Schaffer, I'm Ed Bradley, Join us all and Andy Rooney tonight ON 60 MINUTES!

NUMEROUS KANG SOLDIERS SCREAMED IN FRIGHT!

We blasted them.

Poromon busted open another door and saw Grandpa Poromon there.

Rumble: Is that Grandpa Poromon?

It was actually a pile of fruit.

Poromon: No it's just fruit

Nico: Darn.

Poromon busted open another door.

Dark Laser: There's Grandpa Poromon.

Andy Johnson: For real this time.

Grandpa Poromon: Oh god! I thought I was gonna be trapped in here!

Poromon: Come with us grandpa!

He went over to us.

Xenia: Lets go.

Rojo: Maybe you were reborn as data but still elderly.

Valiant: That could be it.

Nico: He's right. They never die. Just get reconfigured.

Qin: Yep.

Rojo: Ah.

Slugslinger: You'll still need to go into a retirement home.

Homer: Not gonna happen! I don't want Poromon to go through what I went through with my dad.

Xenia: Yeah!

Nico: Less talk more blasting!

We fired waves of energy and elements and blasted the men all

over!

Brass Knuckles: Well, he still can't fight!

Grandpa Poromon: Oh, please!

Grandpa Poromon hit several men with his cane.

BONK BONK BONK BONK BONK BONK BONK!

Eli fired waves of Force Lightning and electrocuted numerous men.

Nico: Nice one.

Crash Man: We must be getting close.

Eli: There! I sense our target through there.

We saw a big door.

Me: WHOA! I'm sensing a massive energy signal through that door.

Poromon heard more men coming near the door behind us.

Poromon: Stand back, I've got a chainsaw! RIM-MIM MIM MIM! *Breaths in* (People quickly withdraw their arms) RIM MIM MIM MIM MIM MIM MIM MIM MIM MIM MIM MIM! *Another breath* Mim mim mim, mim mim mim mim… (People look through holes in door) mim… mim… Uh-oh.

Nico: That was funny.

Qin: Yeah.

Speed Demon: (Sighs) I'll take care of them.

ZOOM!

He ran fast and bashed them down.

Me: Sniff on this buttchewers!

LOUD EXPLOSIVE SUPER FART!

I released a massive SUPER STEAMBOAT FART and the fart melted all the men!

Yondu: Entrance time!

Me: Like this?

I drank a massive bottle of hot sauce.

Me: FIRE IN THE HOLE!

LOUD FIERY FART!

I FIRED A POWERFUL STREAM OF FIRE AT THE DOOR FROM MY BUTT! I BURNED THE DOOR!

Lego Korvac was relaxing. But then the door turned white hot and melted and then the spirits of rainbows flew in and then swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off through the door and a phoenix cry was heard and then we came out!

Me: YEAH!

Nico: Now that was a funny entrance!

Mysterio: Which heartless robots can I use?

Yusei: Powerwild.

Mysterio: Awesome choice.

He summoned said robots.

Lego Korvac: Nice of you all to show up! To your demise!

Nico: Anyone got a rainbow sword?

Ella Element: Right here!

She had her sword ready.

Nico: Nice!

Ella fired waves of rainbow energy and elemental blasts and smashed Lego Korvac all over.

I teleported and blasted Lego Korvac all over.

I fired waves of lightning and blasted him.

Cole Evans: Animarium Armor!

He donned his awesome Animarium Armor!

He then flew and fired a massive laser blast and blasted Lego Korvac!

I fired a massive shower of fireballs and blasted Lego Korvac!

Qin fired waves of fire and blasted him.

Cole and Chiro charged at him and blasted Lego Korvac all over.

Xenia fired waves of energy arrows and blasted Lego Korvac.

Qin, Lego Wasp, Spiderman, Varie, Lola and Lana fired waves of energy and elements and blasted him all over.

Dudley Puppy and Valiant charged at him and bashed him all over.

Qin: Take that you walking glowstick!

Xenia: YEAH!

Varie: And this!

She fired waves of water and blasted him all over.

Charlie Brown and Andy Johnson charged at him and bashed and chewed him all over.

Laney: Take that!

Applejack: YEEHAW!

Camie: Oh yeah!

We fired energy blasts and smashed Lego Korvac all over.

Grandpa Poromon hit him with his cane.

BOP BOP BOP BOP BOP BOP BOP BOP!

Lego Korvac: OUCH OUCH OUCH OUCH OUCH!

Me: How about this?

I took out a bubble wand and put it in a jar of hot sauce and blew a bubble of hot sauce and it went into Lego Korvac's eyes and it popped on them and burned them into ashes!

Grandpa slammed his cane into his foot!

CRUNCH!

Lego Korvac: OUCH! WHY YOU!

But because his eyes were burned he didn't know what he picked up and it was a barrel full of nitroglycerin and smashed it onto the ground and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was burned by the explosion!

Nico: Whoa! Stupid!

Lola: Nice one!

Grandpa Poromon hit him with his cane again!

BONK BONK BONK BONK BONK!

Lego Korvac was in a lot of pain!

Poromon smashed him on his head with beer bottles!

SMASH SMASH SMASH SMASH!

Nico: Take that!

Me: SNIFF ON THIS!

I farted a stench from my armpit and Lego Korvac got slapped on his face from it and poked in his nose and then punched in his face!

Chrysalis and Light Skylanders: SUN LIGHT BLAST STORM!

They fired waves of energy and elements.

Princess Celestia, me, Nico, Eli, Lola and Lana: SUNLIGHT ELEMENT BLAST!

We fired waves of energy and elements.

Lincoln: SWORD ELEMENT STYLE: RAINBOW SWORD!

Mai Shiranui: SWORD FIRE STYLE: FLAME SWORD!

Nanami: SWORD WATER STYLE: AQUA BLADE!

Julie Makimoto: SWORD EARTH STYLE: STONE SWORD!

Sari Sumdac: SWORD LIGHTNING STYLE: THUNDER BLADE!

Tatsumaki: SWORD WIND STYLE: CYCLONE BLADE!

They formed blades of elements.

Lincoln and his harem: SWORD FINAL SMASH: ELEMENT SLASH BARRAGE!

They wielded elemental swords and slashed Lego Korvac all over

Lincoln: Don't think you're getting out of this easily.

Suddenly, Lincoln's eleven massive and long white wolf tails stretched out, and then, they lashed out at the LEGO version of

Korvac, and he was being bashed and beaten all over the place, and Lincoln even bashed him on the head with one of his tails.

Nico: Ooh, now that's gonna leave a mark.

We then saw the LEGO version of Korvac get a lump on his head! OUCH! Then, we saw a white flag go up on the lump.

Me: Looks like he surrenders.

Lincoln threw an energy card which hit the LEGO version of Korvac and imprisoned him inside a card and he put him inside a box he made and it vanished.

Nico: Now, that was awesome! We took down the LEGO version of Korvac, and he's going to be in a lot of trouble.

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Adam Hornik.

?: (Czech Accent) LAURA BARANKOVA, YOU AND YOUR FRIENDS WILL DIE FOR BANISHING US ALL TO HELL SEVEN YEARS AGO!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of brimstone and Hellfire from anywhere, come on out right now, Adam

Hornik, or we will force you out.

A figure came out: he was a male with long black hair, pale skin, dark clothes, he has black demonic wings, and blood red eyes full of hatred, it was Adam Hornik, one of the seven infamous Satanic serial killers from the Czech Republic.

Helena Zelenková: (Czech Accent) You Hellfire-dwelling rotten black hearted piece of fucking shit!

Nicholette Torrington: I should've known you'd show up here once again, you fucking asskisser of The Devil!

Nico: So, that's Adam Hornik, one of the seven infamous Satanic serial killers from the Czech Republic.

Helena Zelenková: (Czech Accent) That's right, and he's still as dangerous as ever.

Adam Hornik: (Czech Accent) DIE!

Adam Hornik fired a blast of Hellfire at Nico, but the diamond barrier that was still up absorbed the Hellfire blast and that majorly pissed off Adam Hornik.

Helena Zelenková: (Czech Accent) Okay, now you're going to get it.

Suddenly, Helena Zelenková blue eyes turned neon blue and she was surrounded by a purple energy aura with stars, magic, jackals, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Adam Hornik, she left purple energy, stars, magic, jackals, phoenixes, and angels with every step.

Helena Zelenková: (Czech Accent) I'm not surprised to know that your thirst for blood is still as bad as ever, Adam Hornik. But, what also angers me is that after seven years of being imprisoned in Hell, you and your minions haven't learned a single thing and that you're still out to kill and slaughter any who get in your way of appeasing your dark master, The Devil. We made the big mistake using that binding spell to banish you seven to Hell seven years ago, but now, we're going to fix that, and this time, you're going to die here and now, and we'll make sure you never rise again!

Suddenly, Helena Zelenková was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there are jackals, phoenixes, angels, and Mythical Beast Jackal King flying around the vortex, and in the vortex is a light purple phoenix with red eyes glaring at Adam Hornik: the red eyes of eternal death. Then, as the vortex faded, Helena Zelenková emerged, but she was changed forever.

Helena Zelenková grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has light purple highlights in the bangs of her long now dark purple hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a purple energy aura with stars, magic, jackals, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed, and it's now an immense protective neon rainbow aura with all of the elements swirling around it, she has Mythical Beast Jackal King emblazoned on her forehead and Third Eye with blue iris, she has on jackal earrings with blue gems for eyes and holding the Star, Light, Magic, and Eternity Kanjis in its paws, she also has Mythical Beast Jackal King with blue gems for eyes and holding the the Star, Light, Magic, and Eternity Kanjis in his hands for the second pendant on the bottom of her purple jackal-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Helena Zelenková has on a short-sleeved purple midriff shirt, purple skirt, purple pants, purple anklewarmers, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, magic, jackals, phoenixes, and angels on the coattails, and on the back is Mythical Beast Jackal King surrounded by stars and magic. Suddenly, Helena Zelenková felt a sharp pain on her back, and then, her massive dark purple angel wings with pink tips on the large dark purple feathers grew much bigger for her new body and she also now has eleven massive and long purple wolf tails with light purple tips and light purple markings, Helena Zelenková has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Helena Zelenková's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, magic, jackals, phoenixes, and angels, and when it emerged, it was transformed into Helena Zelenková's Cosmic Eternal Magic Starstorm Solar Mythical Beast Jackal King Phoenix Angel Greatsword of Cosmic Eternal Magic Starstorm Solar Mythical Beast Jackal King Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Mythical Beast Jackal King etched on the 7'6" massive, wide, double-edged gold blade, large purple jackal heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple jackal heads with blue gems for eyes and on the bottom of the large purple jackal heads is a large purple jackal head with blue gems for eyes and blue gem in its mouth for the pommel, Helena Zelenková has on her large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Mythical Beast Jackal King's head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large angel spellbook, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji with purple crescent moons in between the kanji below Mythical Beast Jackal King that said, "Helena Zelenková, Gene-Slammer of Mythical Beast Jackal King, Powerful Master of Magic, Summoner of Jackals, Representor of The Mythical Jackal, True Immortal and Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Lisa, Destroyer of Satanic Serial Killer of The Czech Republic Adam

We were amazed by Helena Zelenková's Super Angel-Mythical Beast Jackal King-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Adam Hornik saw it, he went mad with rage and fired a blast of darkness to kill her, but Helena Zelenková fired a massive barrage of purple energy, stars, magic, jackals, phoenixes, and angels which hit Adam Hornik and was sent flying into a tree, he got back up, but now he was pissed off.

Selene Arcangela: Incredible, Helena's transformed, and by the looks of it, Adam is in huge trouble.

Lincoln: He deserves it, after what Helena told me of what he's done, he deserves nothing but death for his crimes.

Helena Zelenková: (Divine Echoing Godly Voice of The Eternal Cosmic Magicstorm Jackal Summoner Mythical Beast Jackal King Phoenix Angel and Divine Cosmic Eternal Cosmic Magicstorm Jackal Summoner Mythical Beast Jackal King Phoenix Angel Love) (Czech Accent) There's no other punishment for someone like him. Shall we, Lincoln?

Lincoln: Let's do it, Helena.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Helena Zelenková.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and your friends have got some nerve escaping from Hell, Adam. What you all did in senselessly murdering innocent people in the Czech Republic seven years ago and selling your souls to The Devil for dark powers proves that you are truly irredeemable, and the only thing you deserve is death.

Lincoln and Helena Zelenková went after Adam Hornik who continued firing darkness blasts at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, purple energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Adam Hornik, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Helena Zelenková also left many more by firing blue energy slashes with her claws, and he and Helena Zelenková attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Adam Hornik even more insane with rage than ever.

Adam Hornik: (Czech Accent) YOU! YOU! (ENRAGED DEMONIC SCREAM)

Adam Hornik went at them now completely blind with insane rage and fury, but Lincoln and Helena Zelenková kicked him hard in the stomach and Lincoln fired blasts of magic at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Adam Hornik even farther into the edges of rage and madness.

But before Adam Hornik could attack them, Lincoln's large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head glowed and the four large orbiting golden rings fired red energy beams which hit Adam Hornik and they sucked out his dark magic and darkness powers and Lincoln made them his own, and that left Adam Hornik powerless, and then, Helena Zelenková slashed off Adam's demonic wings and she'd sliced off a demonic looking pendant from his neck and she threw it into the ground and stomped on it hard and her boot destroyed it.

Adam Hornik: (Czech Accent) NO! NO! MY PENDANT!

Suddenly, Adam Hornik's eyes glowed with purple light and dark smoke was coming off him, and then, he let out an unearthly scream as he was consumed by black flames and sent to The Black Gates forever. We all cheered wildly for what Helena Zelenková and Lincoln did as they holstered their massive greatswords and powered down and Helena Zelenková's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple angel wings are permanent.

Helena Zelenková: (Czech Accent) Rot forever in The Black Gates, bastard. Thank you for helping me destroy Adam Hornik for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Helena.

Suddenly, Helena Zelenková wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Erika Dědinová's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Mythical Beast Jackal King flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and magic behind them and we cheered wildly. Then, Lincoln and Helena Zelenková sucked in and absorbed the elemental forces and magic and they came back to us as the display vanished.

Me: That was one awesome battle, and that demonic pendant that you destroyed, it's almost like the talisman Chandler had when he made that deal with The Devil.

Helena Zelenková: (Czech Accent) You are correct, J.D., that talisman Adam had was the symbol of his deal with The Devil and it helped us track him and his minions down.

Nico: And when you destroyed it, it destroyed him for good, but why didn't he get sent back to Hell for good like with Chandler? (Realizes what Laura did) Wait a second, you channeled Black Gate energy into your feet, didn't you?

Lincoln: She did, and when that happened, it sent Adam straight to The Black Gates for good.

Eli: Good riddance, but Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are still running loose.

Nico: Without a doubt, Marek Hruska will no doubt come after Laura and her friends next.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Then, we saw who it was causing trouble: it was the clones of Lothor, Marah, Kapri, Zurgane, Choobo, Motodrone, Vexacus, Shimazu, Blue Face, Mad Magnet, Copybot, Terramole, Amphibidor, Florabundacus, Snipster, Toxipod, Super Toxipod, Bopp-A-Roo, General Trayf, Madtropolis, Hiphopper, Sky Scrapper, Sucker, Starvark, Tentacreep, Magic Moustache, Fragra, Mr. Ratwell, DJ Drummond, Beevil, Footzilla, Slob Goblin, Morty Board, Wolfblades, Goldwinger, Bald Loser, Inflatron, Eyezak, Condortron, Catonia, and Loong Ago heading right for us.

Shane Clarke: What the?! Clones of Lothor and our enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Tori Hanson: Why that sore loser, let's get them!

Lincoln fired powerful rainbow energy blasts at the clones of Lothor, Marah, Kapri, Zurgane, Choobo, Motodrone, Vexacus, Shimazu, Blue Face, Mad Magnet, Copybot, Terramole, Amphibidor, Florabundacus, Snipster, Toxipod, Super Toxipod, Bopp-A-Roo, General Trayf, Madtropolis, Hiphopper, Sky Scrapper, Sucker, Starvark, Tentacreep, Magic Moustache, Fragra, Mr. Ratwell, DJ Drummond, Beevil, Footzilla, Slob Goblin, Morty Board, Wolfblades, Goldwinger, Bald Loser, Inflatron, Eyezak, Condortron, Catonia, and Loong Ago and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Lothor, Marah, Kapri, Zurgane, Choobo, Motodrone, Vexacus, Shimazu, Blue Face, Mad Magnet, Copybot, Terramole, Amphibidor, Florabundacus, Snipster, Toxipod, Super Toxipod, Bopp-A-Roo, General Trayf, Madtropolis, Hiphopper, Sky Scrapper, Sucker, Starvark, Tentacreep, Magic Moustache, Fragra, Mr. Ratwell, DJ Drummond, Beevil, Footzilla, Slob Goblin, Morty Board, Wolfblades, Goldwinger, Bald Loser, Inflatron, Eyezak, Condortron, Catonia, and Loong Ago, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

Shane: I can't believe that sore loser made clones of our old enemies and tried to attack us yet again after you and Helena got rid of Adam Hornik.

Lincoln: He's never going to learn his lesson, but it's been helping all of us in preparing for our huge confrontation with Rita Repulsa and Lord Zedd in November.

Me: Yeah, with you absorbing the clones of The Power Rangers' most dangerous enemies in the past few days and why he and all of you have been getting all of their powers, strengths, and abilities. So, Lincoln, who are we meeting on your rescue tomorrow?

Suddenly, we saw the wings of Bloom, Stella, Musa, Tecna, Roxy, Flora, and Layla glowing.

Lincoln: I think I've already got an idea.

Selene Arcangela: (GASPS) The Avatars of Domino, Solaria, Melody, Zenith, Earth, Linphea, and Andros?!

Bloom: And the previous Guardians of Domino, Solaria, Melody, Zenith, Earth, Linphea, and Andros.

We gasped.

Nico: So, you girls weren't…

Musa: We weren't the first of the Fairy Guardians, there were others before us, like with the older sisters of Will and her friends.

Me: Whoa.

Lincoln: But, unlike what happened to Phoebe and her friends getting trapped in Purgatory by Phobos' dirty trick, The Fairy Guardians of The Magic Dimension wound up on Earth to keep them safe from the dark forces.

Eli: Clever.

Bloom: But, they still had to deal with the wrath of Lincoln's mean sisters and enemies.

Nico: Compared to your old enemies, Bloom, Lincoln's mean sisters and enemies always wind up getting creamed and pulverized.

Lincoln: You got that right.

Me: So, who's the first one we're meeting tomorrow.

Lincoln: Here's one that's familiar to Bloom, her name is Diana Domino, Fairy Guardian and Avatar of Domino.

Bloom: I knew you'd choose her, and this is something that all of you should also hear as well, Diana Domino is Lincoln's Guardian Angel from Domino and and she's an extremely powerful master of fire and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's my older sister, and like me she's also the wielder of The Dragon Flame.

Me: WOW!

Nico: That's really awesome!

Bloom: It sure is, and she never forgave Valtor for what he did in destroying Domino all those years ago, nor would she ever forgive The Ancestral Witches for creating him, and she made it her mission to destroy Valtor, The Ancestral Witches, and the evil Lord Darkar and wipe them out of existence. She's the leader of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Diana Domino came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using fire and magic, and over time, Lincoln became a powerful master of fire and magic. She hates Lori with a blazing passion, because one time, when Diana and Lincoln were walking home from Gus' Games and Grub, that control freak witch came out of nowhere and stabbed Lincoln multiple times in the stomach and she was cackling like the insane monster she was, and that got Diana so furious, she fired a massively powerful fire blast that hit Lori in the face and it burned off her eyebrows and burned off part of her hair, that made Lori extremely furious and she tried to kill Diana, but Lincoln who made a swift recovery and his wounds sealed up charged at Lori and he used his martial arts and he kicked Lori's behind and took her down, and he and Diana literally kicked Lori in her butt and sent her flying back to The Loud House and when the family all found out from Lincoln and Diana of what Lori did, they really tore her apart and they didn't ground her: they did something much worse, they called the cops and had Lori sent to jail for five months. When Lori came back, she was really horrified by what she'd seen in jail and ran up to her room in fright. Eventually, Lori worked hard and she earned everyone's forgiveness, but the only thing she earned from Diana was nothing but hatred for she knew Lori would easily go back to the insane control freak monster witch that she is, and she swore if Lori ever went after her brother again, Diana would make sure that Lori would burn for all eternity in the flames of Hell.

We gasped.

Nico: Lori did what to Lincoln?! AND IN FULL VIEW OF THE PUBLIC?!

Luna: Yeah, it trumped all of the other horrible things Lori's done to our bro in the past, but she's done a lot of horrible things to him before that still hadn't come close to that!

Laney: We were almost that close to trying to kill Lori, but Mom and Dad made sure she'd learn her lesson the hard way in jail.

Luan: Lori worked hard to earn our forgiveness, but the only thing that she earned from Diana was nothing but hatred.

Leni: She really went too far that day, and even Lincoln wouldn't forgive her that easily either.

Me: I didn't blame him though, we both know that Killjoy Huggins and Chase Young's Dark Side were to blame for Lori easily changing back into the insane control freak Alpha Bitch everyone despised.

Luna: Eventually, she did earn his forgiveness, but none of his Guardian Angels would forgive her for any of her wrongdoings against him in the past, so she was still on thin ice with them.

Kyd Wykkyd: Now, only Lego Kang is left.

Piledriver: And he's gonna be a challenge.

Bulldozer: He sure will be.

Tar Pit: But more on him tomorrow.

Hank Scorpio: Let's celebrate!

Whiger: After we discuss what to do with Grandpa Poromon.

Nico: Yeah. Great job today everyone.

Qin: Yeah!

Nico: (To the viewers) Kang is going down.

Me: Yep.

We later went back home and enjoyed the rest of the day and went to sleep.

And we're going to meet the Nitro Man gene-slammer named Nadia Nitro and she is a motorcycle rider of amazing skill.

For tomorrow, the next match-up is Andrea Nezbedová, Gene-Slammer of Mythical Beast Master Cerberus and Lincoln VS. Marek Hruska

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Oregon, but we got bad news: clones of Mesogog, Zeltrax, Elsa, White Ranger Clone, Birdbrain, Pollinator, Donkeyvac, Demagnetron, Dysotron, Goldenrod, Scorpex, Megalador, Creature, Angor, Rojobot, Insectolite, Fossilador, Termitetron, Ka-Ching, Mad Mackerel, Copyotter, Other World Monster, White Terrorsaurus, Jupitor, Tutenhawken, Thornox, Deadwood, Horn-Rimmed Monster, Jade Gladiator, Skortch, Squidrose, Croco D'Vile, Rumba Monkey, Rude Elf, Fridgia, Ruby Dragon, and Ugly Monster were sighted, and bad news, they were created by another manifestation of Universe 666 Sebastian's residual darkness, and he went into hiding again. So, we got to destroy the clones of Mesogog, Zeltrax, Elsa, White Ranger Clone, Birdbrain, Pollinator, Donkeyvac, Demagnetron, Dysotron, Goldenrod, Scorpex, Megalador, Creature, Angor, Rojobot, Insectolite, Fossilador, Termitetron, Ka-Ching, Mad Mackerel, Copyotter, Other World Monster, White Terrorsaurus, Jupitor, Tutenhawken, Thornox, Deadwood, Horn-Rimmed Monster, Jade Gladiator, Skortch, Squidrose, Croco D'Vile, Rumba Monkey, Rude Elf, Fridgia, Ruby Dragon, and Ugly Monster, and once that's done, it'll lure out the manifestation of Universe 666 Sebastian's residual darkness and we'll destroy him.

And we're going to meet Diana Domino, Fairy Guardian and Avatar of Domino, she's Lincoln's Guardian Angel from Domino and she's an extremely powerful master of fire and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's the older sister of Bloom, and like her younger sister, she's also the wielder of The Dragon Flame. She never forgave Valtor for what he did in destroying Domino all those years ago, nor would she ever forgive The Ancestral Witches for creating him, and she made it her mission to destroy Valtor, The Ancestral Witches, and the evil Lord Darkar and wipe them out of existence. She's the leader of The Fairy Guardians of The Magic Dimension and she and the others have defended the realms and planets of the Magic

Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years. Diana Domino came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using fire and magic, and over time, Lincoln became a powerful master of fire and magic. She hates Lori with a blazing passion, because one time, when Diana and Lincoln were walking home from Gus' Games and Grub, that control freak witch came out of nowhere and she stabbed Lincoln multiple times in the stomach and she was cackling like the insane monster she was, and that got Diana so furious, she fired a massively powerful fire blast that hit Lori in the face and it burned off her eyebrows and burned off part of her hair, that made Lori extremely furious and she tried to kill Diana, but Lincoln who made a swift recovery and his wounds sealed up charged at Lori and he used his martial arts and he kicked Lori's behind and took her down, and he and Diana literally kicked Lori in her butt and sent her flying back to The Loud House and when the family all found out from Lincoln and Diana of what Lori did, they really tore her apart and they didn't ground her: they did something much worse, they called the cops and had Lori sent to jail for five months. When Lori came back, she was really horrified by what she'd seen in jail and ran up to her room in fright. Eventually, Lori worked hard and she earned everyone's forgiveness, but the only thing she earned from Diana was nothing but hatred for she knew Lori would easily go back to the insane control freak monster witch that she is, and she swore if Lori ever went after her brother again, Diana would make sure that Lori would burn for all eternity in the flames of Hell.

Part 12 the finale is up next and we're going to battle Kang himself. And there's going to be a surprise.

See you next time

Me: This is the first time we're going to the prime universe version of Knowhere.

Star Lord: You guys are going to love it and it will be fun.

Lola: We can't wait to see what it's like.

Camie: If it's anything like the Lego Version, I have a feeling it will be awesome.

Me: Yep.

Nico: I am looking forward to this one.

Whitney: Like me too Nico. It's going to be so much fun.

Nico: Whitney, I want to thank you, Comic Book Guy, and your teams for coming

Whitney: No problem Nico. This is gonna be like so much fun.

Anko: It sure is and it will be awesome.

Samara Slaughter: You got that right torture buddy.

They high five.

Nico: Anko what's your favorite torture session?

Anko: Oh gosh that's a tough one. But it's all fun for me. I would say I love to torture the jerks at Lynn's Table.

Samara Slaughter: Yeah those are fun.

Me: (LAUGHS) Yeah.

Camie: Torture for Anko is awesome.

Me: When you have known her for 150,000 years it tends to be fun for her.

Laney: Yeah.

Nico: I can tell.

Me: (LAUGHS) Yeah.

Naruto: (LAUGHS) Yeah. She was also one of the proctors for the Chunin Exams.

Me: Yep. That's right bro. She was for the Forest of Death as the 2nd test.

Xenia: Wow.

Me: Yeah that was fun. We got through that one in less than 3 hours.

Nico: Wow that is record time.

Lola: It sure is.

Me: Yep.

Nico: Yeah. Man yesterday was a powerful one. Lego Korvac put up a good fight.

Xenia: He sure did.

Laney: Yeah no kidding!

Nico: Poromon reunited with his grandfather.

Me: Yeah. He sure did.

Zarya: I remember us meeting him on my Ambassador missions and that was awesome to see.

Maria: Yeah no kidding. I didn't know about that till then.

Zocks: That was cool though and Maria was reunited with her dad back then.

Me: And I met my caveman ancestor. Wow!

Nico: (LAUGHS) Yeah. But getting back on topic that was awesome.

Poromon: It sure was. We gave Grandpa Poromon a room and bed next door to mine.

Me: And he is not like Abe Simpson thank goodness.

Homer: (LAUGHS) That is the last thing we would want.

Bart Simpson: Yeah no kidding Home Boy. (LAUGHS)

Homer: WHY YOU LITTLE!?

He strangled Bart!

Lily tazed Homer.

Nico: And he hit some men with his cane.

Me: (LAUGHS) Yeah that was funny! And we inadvertently met a Lego version of Abraham Simpson there.

WE LAUGHED!

Qin: (LAUGHS) That was funny!

Poromon: (LAUGHS) Yeah.

Lola: That was hilarious!

Nicole: Must have been from the world of Lego Dimensions with The Simpsons.

Nico: Maybe.

Me: Yeah.

Poromon: I still have a painful reminder of that cane.

SpongeBob: Well it's not as bad as Old Man Jenkins hitting one of us.

Lily: Yeah Old Man Jenkins in Bikini Bottom hits much harder than Grandpa Poromon.

She showed a nasty lump on her head.

Me: Ouch.

Nico: Yikes.

SpongeBob: Yeah he hits people that don't respect their elders.

Nico: Ouch. I don't blame him.

Lily: But Old Man Jenkins is not so bad when you get to know him.

Mr. Krabs: (LAUGHS) That is true lass.

Poromon: Yeah. But it still hurts though.

Nico: I know. But I will tell Grandpa Poromon to be kind to his grandson.

Poromon: Thanks Nico.

Nico: Anytime.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Prime Universe Knowhere.

Maria: We're here.

Nico: Wow!

Star Lord: Home sweet home.

Gamora: It feels great to be back.

Groot: I am Groot.

Mantis: I wonder how The Collector has been since his place accidentally blew up.

Me: We'll find out.

Camie: How did his place blow up?

Me: One of his servants grabbed the Power Infinity Stone and she exploded and the whole place was blown to smithereens.

Camie: Whoa!

Qin: Yikes!

Rocket Raccoon: Good times.

Nico: I remember seeing that. That was intense.

Me: Carina did that.

Qin: Yeah.

Rocket Raccoon: Yeah that was stupid of her.

Me: Shows what happens when you use an object that has immeasurable power.

We docked and went into Knowhere and we saw the city it was and it was amazing!

Me: Wow!

Star Lord: Team Loud Phoenix Storm welcome to the Prime Universe version of Knowhere.

Lincoln: (Imitating Cookie) SWEET MOTHER of Jefferson Davis!

Nico: This is awesome!

Valerian: Wow! It reminds me of my world from the 28th Century.

Qin: It's amazing!

Me: This is incredible!

Lisa Loud: This is absolutely amazing!

Nico: Wow! Boy Peter this is amazing that you and the Guardians live here.

Star Lord: I know.

Yondu: It feels good to be back here though.

Me: Good times for you huh Yondu.

Yondu: Yeah.

Horsea: So beautiful!

Star Lord: We'll show you guys around.

We walked around and we saw that the entire place was home to a vast storage of knowledge of everything from all over the universe and it had awesome living quarters and houses and more. We saw countless kinds of creatures from all over the universe and the galaxy and it was amazing seeing them. It was also home to a library that houses all the infinitely vast and enigmatic secrets of the entire universe. It was amazing.

Me: Wow! Peter this is absolutely amazing!

Qin: It sure is! It's amazing.

Star Lord: I know.

Draxx: It's a fun place for us.

Mantis: It sure is.

Me: Look there.

We saw the blown up building of Tivan the Collector.

Nico: WHOA!

Qin: Wow! That explosion really caused a massive amount of damage to it.

Lana: No kidding!

Me: That's the power of the Power Infinity Stone for you. It's that strong.

Xenia: Powerful.

Camie: Yeah.

Nico: Damn!

Me: Yeah.

We went into the building and we saw the WHOLE PLACE in shambles.

Me: WHOA!

Nico: What a mess!

Eli: Wow this is terrible.

Nico: No kidding.

Me: Hello? Anyone here?

We then saw Tivan.

Tivan: Team Loud Phoenix Storm!

Me: Thank goodness you're all right Tivan.

Star Lord: No kidding.

Nico: You okay?

Tivan: I went through worse.

Me: Sorry this happened to you.

Tivan: I'll be all right. But thank you. And J.D. you have the eternal debt and gratitude of the Guardians of the Galaxy and the entire universe for destroying Thanos.

Me: News about that sure spread like wildfire didn't it. But I'm not the one that destroyed Thanos.

Bowser: That was actually me. I sacrificed my life to make sure he was destroyed forever.

Tivan: You all still saved us all from him.

Camie: That was a really epic battle.

Tivan: Indeed. Carina betrayed me.

Me: She was fed up with the bondage of you. But man I can't believe that this happened.

Nico: Yeah.

Qin: Yeah.

Nico: Even with Thanos dead, this is still a mess!

Tivan: Indeed.

Me: Luckily I can fix all this.

I snapped my fingers and then…

FLASH!

It was fixed up instantly.

Tivan: Wow! Very amazing my friends!

Eli: That's my brother for you.

Nico: Yeah.

And we saw Carina back to life too!

Me: Carina.

Carina: (British Accent) I'm back.

Me: Yes you are. But Carina you had no idea what it was you were messing with! The Infinity Stone's power was IMMEASURABLY STRONG and powerful! What the hell were you even thinking messing with that kind of power!?

Carina: Um… Sorry?

Me: Carina what were you thinking!? That kind of power was too much for you! You heard what Tivan said. Only beings of unimaginably extraordinary power can use them.

Carina: I wasn't thinking! I was fed up with being a slave.

Me: Carina these stones have the power to destroy EVERYTHING in the entire universe. Thanos was going to use their power to wipe out the entire universe as we know it. Thankfully we destroyed him or else who the hell knows what would have happened.

I unsheathed my sword and showed the stones imbedded in the blade.

Me: The power these stones have is absolutely incomprehensible. Thanos would have caused indiscriminately devastating damage if we hadn't killed him.

Nico: That's right.

Gamora: At first, it was only half the universe.

Me: But Thanos would have wiped out EVERYTHING in the entire universe. He was that dangerous.

Carina: That is awful. I had no idea!

Me: You would not believe what we had to go through in order to stop Thanos from getting these stones. We had to face 6 impossible challenges to get them.

Qin: That's right.

Varie: It was that strenuous and painstaking.

Me: Yeah. It was awful.

Carina: Wow.

Tivan: That is amazing though.

Me: It was. When we destroyed Thanos it was what cemented our place as the most powerful force in the entire universe.

Nico: That's right.

Tivan: That is true.

Carina: I had no idea. I wasn't thinking at all. I was just so tired of being in the servitude of Tivan.

Talia: Did I mention that my father DIED during the whole mess?!

Ra's Al Ghul: She is right. Supergiant killed me as I was protecting my daughter her.

Me: Yes that's right.

Carina was shocked. Thanos had not only caused SO MUCH trouble for the entire universe but ALSO all of us too!

Tivan: I think we understand everyone.

Me: Sorry. Just wanted to tell you what happened.

Carina: I'm so sorry everyone. I had no idea you went through all that.

Me: It's all right Carina. But if you wanted to stop working for Tivan you could have just told him instead of resorting to drastic measures.

Star Lord: Yeah like get a resignation letter.

Nico: Do those even work here?

Star Lord: Not really sure.

Me: Yeah.

Carina: I understand and I'm sorry.

Tivan: It's all right Carina.

Nico: Good.

Tivan: J.D. there's something you should know.

Me: What is it?

Tivan: The Prime Universe version of Kang the Conqueror is coming to Earth and he is going to tell you something you need to be ready to hear.

Me: (GASP) I had a feeling we would one day meet the Prime Universe version of Kang but I did not expect us to meet both the Lego and Prime Universe versions in one boat.

Nico: This will be interesting.

Me: Yeah. And like I said Kang no matter what kind of version he is is one of the villains that the Avengers have faced that I feel sorry for.

Nico: Yeah.

Lincoln: Relax, J.D. It's probably gonna be more bullshit or an offer for us to go back in time and erase all evil with the Black Gates.

Well, IT'S NOT GONNA FUCKING WORK!

Me: Don't worry I'm not worried in the least about that. I don't think Kang is gonna do that. He may be a master of time travel like in the comic books but I don't think he is gonna do that.

Lincoln: Good.

Nico: J.D. is too smart and wise to fall for that offer anyway.

Me: That is for sure. (Winks at Nico.)

Nico: Yeah.

Me: But I appreciate you telling us this Tivan. We'll be ready for whatever it is he has to tell us.

Tivan: You're welcome.

Carina: Guys I want to redeem myself and help you all in your adventures.

Nico: Sure Carina.

Poromon: I'm sure whatever Kang has to say to us, it's not that bad.

Me: I agree.

Nico: We'll worry about that later though. Lets get to work.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Qin, are you familiar with someone by the name of Naoko Chen?

Qin: (ENRAGED SCREAM) WHAT?! THAT TRAITOROUS BITCH HAS ESCAPED?!

Qin got out her phone and dialed.

Qin: Mom, we got bad news: your so-called sister's escaped from prison!

Suddenly, Qin's mom and the rest of the team arrived, and Qin's mom was seriously red in the face!

Sakuya Chen: WHERE IS SHE?! WHERE THE HELL IS THAT STUPID BITCH?!

Me: WHOA! I've never seen Qin's mom that angry before!

Nico: Qin, I think you better explain the whole story to everyone.

Qin: (Sighs) You're right, Nico, and you guys aren't going to like this person one bit: Naoko Chen is my aunt, my mom's sister, but I hate her with a vengeance and so does Mom. The reason why is because once I looked up to her aunt because she was an astronaut. But that was all a lie!

We gasped.

Nico: Qin's right, Naoko isn't an astronaut, she was really a traitor that was selling government secrets to enemy countries for money and Qin was absolutely devastated.

We were now seriously pissed off at Naoko Chen big time.

Sakuya: She was always such a greedy brat, she did tons of horrible things for money, and both me and my parents disowned her and kicked her out of the house.

Qin: You told me that long ago, Mom. Anyways, I turned Naoko in to the FBI and got her sentenced to life in a maximum security federal prison in Antarctica, and she was forever branded as a traitor and an enemy of the country, and I also cut my ties with her forever.

Lincoln: She's just like that stupid mutant, Flip, in every way. We wound up getting the news from the guards that Naoko broke out of prison and she's coming here to get revenge on you for turning her in.

Sakuya: That black sheep bitch isn't laying one hand on my daughter! Qin, I'm also going to join you, I've got a lot of graphic and uncensored words to say to that bitch.

Qin: She needs a proper telling off after what she's done to you and to me, Mom.

Lincoln: Let's hunt her down and put a stop to her.

Nico: Right.

Qin then heard a Pokemon cry.

Qin: Hey look.

She saw a Vaporeon.

Me: Cool a Vaporeon! Oh and it hurt its paw.

Rarity: Oh the poor thing can't even walk.

Qin went over.

Qin: Oh it will be okay.

Vaporeon: Thank you.

She healed it up and helped it.

Qin then got into a green jumpsuit.

Nico: You're not leaving me out of this, Qin!

Qin: Not in a million years Nico.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak

were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and

sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Naoko Chen) AHA! Got you! I just spotted Naoko Chen, she's 20 yards away and she's heading right for Qin in a fit of homicidal fury.

Qin: Figures. She's going to get it big time!

Lincoln: She's about to be put down for good. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began

growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Naoko Chen.

Eli: Lets go find her.

We were off.

Nico: And Cole? You, Chiro, Dudley, Charlie, Andy, and Valiant did good yesterday.

Cole: Thanks Nico. That was fun.

Qin: It sure was.

Dudley Puppy: Oh yeah it was!

We were flying in the air and looking around, and then, we heard a loud scream of rage.

?: YOU FUCKING BITCH! YOU'LL PAY FOR THROWING ME IN PRISON!

Qin: Yeah, fuck you too, you traitorous bitch!

We then saw a girl with crazy black hair in a red prison jumpsuit and crazy eyes heading right for Qin, it was Naoko Chen, and she was absolutely fucked-up and crazy. She was about to stab Qin with a knife, but Lincoln formed a massive indestructible diamond barrier protecting all of us and when the knife hit the barrier, it broke and she tried to hit it with her fists, but that didn't work, but it did make her fists bloody: SHE WAS SCREAMING AND WAILING IN RAGE AS SHE TRIED TO BREAK THE BARRIER AND KILL QIN!

Qin: Damn, she's really lost it big time! That time in prison really deteriorated her mind and brain!

Nico: No fooling, man, she really despises you!

Lincoln: Someone needs to put that lunatic down.

Lincoln fired a diamond ball that hit Naoko Chen in the face and sent her flying into a tree, but Lincoln didn't deactivate the barrier as we stood ready.

Naoko Chen: GET OUT HERE, YOU BITCH, SO I CAN KILL YOU AND YOUR FRIENDS!

Sakuya: (Flips Naoko Chen the finger) Go to Hell, you piece of shit!

When Naoko Chen saw Sakuya, her face turned pale.

Qin: What's wrong, scared you saw a ghost?

Sakuya: This is not a mere trick, Naoko, I've returned and so has my husband. We were given life once again, though I was hoping that you died of hypothermia after you got locked away in that prison in

Antarctica.

Naoko Chen: YOUR GODDAMN STUPID DAUGHTER RUINED MY PLANS TO GET MONEY! TO HELL WITH THE U.S.A.!

Sakuya: And that right there is the reason why I hated you that much, you were so selfish, greedy, and hungry for money, you did so many unspeakable acts, and that was the reason why Mom, Dad, and I disowned you years ago and kicked you out of the house.

Naoko Chen: I WILL KILL YOU YET AGAIN!

Qin: You will never lay a single hand on Mom and Dad again, this time, you're the only one who's going to die, you filthy animal!

Nico: How could you do this to Qin?! She fucking trusted you!

Me: Yeah she looked up to you! But you turned out to be nothing but a fucking turncoat!

Qin: YEAH!

Xenia: You are absolutely pathetic!

Naoko Chen: I don't give a flying fuck! She is a worthless monster!

POW!

Sakuya punched her in her face and broke her nose!

Sakura Chen: YOU BITCH! Don't you dare talk that way about my daughter!

Naoko Chen: You both should've stayed dead at the hands of the Russian Mafia!

Sakuya Chen: Well things can't always go your way can it!

Me: You got what you deserved you bitch!

Qin: That's right! My family is back together and you have NO place in it!

Chris Taylor: Especially with me by Qin's side! CAPTAIN AMERICA! D-SMASH!

He summoned Disk Wars Captain America!

Noriko tried punching her but got knocked out. But in doing so Naoko got shocked by a massive jolt of electricity from her.

Hikaru caught her.

Noriko groaned.

But she didn't get knocked out totally. She had a nasty bruise on her head.

Noriko: (Groans)

Hikaru Akatsuki: Noriko! (GROWLS) NO ONE DOES THAT TO NORIKO!

Vaporeon charged at her and did a Quick Attack and dealt a deadly head butt to her in the stomach!

KRABLAM!

She was really smashed in the stomach!

Star Lord and Gamora fired laser blasts and made Naoko dance like a sissy girl!

Chris Taylor: Save some for me!

He went and punched Naoko in the face.

DISK Wars Captain America threw his shield and smashed her in her face!

SMASH!

Lola: Take that!

Xenia: And this!

She fired an arrow and blasted her.

Lori: WHY YOU LITTLE!

She strangled Naoko like how Homer does it!

Mike Chilton: I'm helping too sis!

Qin: Right on!

Mike and Qin fired waves of energy and blasted Naoko!

Qin: Time for the Komodo Dragon to be unleashed!

Hey eyes turned reptilian and a tail popped out of her butt! She grew muscular!

Her jumpsuit got tight and it ripped and she turned into SCALEBREATH!

Scalebreath: YEAH!

Naoko Chen: YOU'RE A FREAK!

Scalebreath: Back at ya bitch!

She fired a blast of fire and burned her.

Laney: Take that!

Tahu, Gali, Lewa, Onua, Pohatu, Kopaka, Takanuva, Lok, Sophie and Dante: NINJA STORM! RANGER FORM! HA!

Horsea: Get her!

They fired waves of energy and elements and blasted her all over.

Me: YEAH!

Qin reverted back and her clothes came back.

Qin: Time to go all out!

Suddenly, Qin's green eyes turned neon green, and she was surrounded by a green energy aura with stars, flames, fires, Komodo Dragons, phoenixes, and angels surrounding her, she unholstered her massive Qin Chen's Scalebreath Raging Inferno Greatsword of Underground Fire Inferno Komodo Dragon Justice from her back, and as she approached Naoko Chen, she left green energy, stars, flames, fires, Komodo Dragons, phoenixes, and angels with every step.

Qin: You've got some goddamn nerve showing your face again, Naoko, I can't ever forget what you had done to Mom in the past and to me with your lies. You have and always be a heartless, vile, evil, traitorous bitch who's shown no compassion towards anyone at all,

all you've ever cared about was yourself and getting money, you pathetic little worm. I don't regret what I did in turning you in to the FBI and getting you sent to prison, when I found out the truth about you, I was devastated, and all of the things that Mom said to Dad about you were true, you have and always will be nothing more than the black sheep of our family. I have absolutely had it up to hear with you, Naoko, you have always been such a bitch and now, you can consider your prison sentence upgraded to death!

Suddenly, Qin was surrounded by a massive vortex of green energy with stars, fire, and flames surrounding the vortex, there are Komodo dragons, phoenixes, angels, and Scalebreath running around the vortex, and in the vortex is a black phoenix with red eyes glaring at Naoko Chen: the red eyes of eternal death.

Nico: WHOA!

Me: Now, this is going to be good! I hope she tears that stinkpot apart piece by piece!

Naoko Chen: (NTH DEGREE FUCKED UP ENRAGED SCREAM) YOU FUCKING BITCH! WHY CAN'T YOU JUST FUCKING DIE?!

Naoko Chen charged at the vortex still intending to kill Qin, but the barrier still kept her from trying to get at us, and if that's not bad enough, that bitch got hit with flames and she screamed as her face got a horrible burn.

Eli: Ooh, man, she really looks like a monster! Serves her right!

Lincoln: And that's a look she'll take with her to the grave.

Then, as the vortex faded, Qin emerged, but she was changed forever.

Qin remained tall at 7'9" in height, she has gold bracers on her biceps and thighs and she now has eleven large green orbs orbiting around her legs, she has the body of a goddess, she has green highlights in the bangs of her long black hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon red eyes, and a green energy aura with stars, fire, flames, Komodo dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Scalebreath holding the Fire Kanji in its hands emblazoned on her forehead and Third Eye with green iris, she has on Komodo dragon earrings with green crystals for eyes and holding the Fire and Eternity Kanjis in its claws, she has on her Crystal Necklace of The Buddha with green gems in the gold flame links and green crystal links and a green Komodo dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is Scalebreath with green crystals for eyes and holding the Fire and Eternity Kanjis in its claws for the pendant and white and gold accented choker on her neck. Qin has on has on a short-sleeved green shirt, green skirt, green bellbottom pants, orange sneakers, and long sleeveless white trenchcoat with stars, fire, flames, Komodo dragons, phoenixes, and angels on the coattails and on the back is Scalebreath surrounded by flames. We were amazed by Qin's Super Angel-Underground Girl-Scalebreath-Komodo Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Naoko Chen saw it, she went absolutely fucked-up ballistic and ran at her to kill her again, but Lincoln put down the barrier and Qin fired a massive barrage of green energy, stars, fire, flames, Komodo dragons, phoenixes, and angels which hits Naoko Chen and she got hit hard and burned again and sent flying into another tree, she got back up, but now, she was really really REALLY PISSED OFF BEYOND IMAGINATION!

Qin: (Divine Echoing Godly Voice of The Star Chinese Fire Underground Komodo Dragon Phoenix Angel and Divine Star Cosmic Chinese Fire Underground Komodo Dragon Phoenix Angel Compassion) You've had this coming for a very long time, Naoko!

Suddenly, Naoko Chen was hit by a powerful blast of stars and sent flying into another tree.

Me: Nicole, was that…?

Nicole: That wasn't me, Dad.

Lincoln: But, I know someone who has a knack for blasting monsters like Naoko with stars.

Suddenly, we saw a very beautiful and super sexy girl with long dark purple hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a dark purple short-sleeved frilly shirt, necklace with pearls and red gem for the pendant, dark purple skirt, white bridal gloves, dark purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with Zodiac Signs etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Sakuya: I'm so going to enjoy kicking your ass hard for what you've done, you selfish bitch.

Lincoln, Qin, Sakuya, Chris Taylor, and I went after Naoko Chen, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Naoko Chen, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Qin, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Naoko Chen even more insane and straight to the brink of insanity.

Naoko Chen: YOU! YOU! (ENRANGED SCREAM)

Naoko Chen charged right at us completely blind with homicidal rage and fury, but Nico, May, Sakuya, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at him and she got hit hard and he slashed at her with his massive black greatsword, and Chris Taylor blasted her with green energy and fire blasts. Then, Lincoln grabbed her by the waist with one of his eleven massive and long white wolf tails and he smashed her into the ground, and she was really getting messed up, and then, he threw her and sent her into a nearby tree.

Naoko Chen: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU BITCH! I'LL KILL YOU AND YOUR MOTHER AND FATHER ARE NEXT TO DIE AGAIN!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut it already.

Lincoln went at Amanda Scavington and he proceeded to give that rampaging animal the beatdown of her miserable life. LINCOLN SLASHED NAOKO CHEN ON THE STOMACH WITH HIS GOLD-PLATED CLAWS, HE SLASHED OFF HER HAIR WITH HIS MASSIVE GREATSWORD, HE ALSO BROKE HER ARMS AND LEGS EVERY LAST BONE IN HER BODY, SMASHED HER TEETH OUT OF HER MOUTH, AND ALSO GAVE HER TWO BLACK EYES ALONG WITH A BROKEN BLOODY NOSE!

Me: OH DAMN! NICE ONE, LINCOLN, AND FUCK YOU, BITCH!

Nico: YEAH, GO TO HELL, YOU RAMPAGING SHE-BEAST!

That made Naoko Chen so mad, she eventually lost all traces of reason and started acting like the rampaging she-beast she really is. She went at us, but we kicked her hard into the air and Lincoln and Lunaria Knudson fired blasts of stars and Naoko Chen was hit by the stars, and when she came crashing down, she was literally a mess and she had burns on her body. Then, Qin and Sakuya went after Naoko, and they proceeded to give her THE ABSOLUTELY WORST AND HORRFIC BEATDOWN OF HER MISERABLE LIFE! THEY BROKE BOTH HER ARMS AND LEGS, THEY GAVE HER TWO BLACK EYES, THEY SMASHED HER TEETH OUT OF HER MOUTH, AND QIN TURNED HER NAILS INTO CLAWS AND SHE SLASHED AT NAOKO'S STOMACH LEAVING MARKS ON HER!

Sakuya: I've held my tongue on your outrageous behavior for years, Naoko, because I thought you could straighten yourself, but not anymore.

Suddenly, we saw Sakuya turn bright red with rage, and then… !

Sakuya: (ENRAGED SCREAMING) YOU HAVE AND ALWAYS WILL BE NOTHING MORE THAN A SELFISH GREEDY PSYCHOPATHIC HEARTLESS BITCH WHO'S NEVER GIVEN A SINGLE DAMN ABOUT ANYONE EXCEPT FOR YOURSELF, YOU LOWLIFE MOTHERFUCKING PISSANT! YOU CAUSED BOTH MOM, DAD, AND I NOTHING BUT ABSOLUTE PAIN AND FOR WHAT, NOTHING BUT TO SATISFY YOUR ENDLESS AND OUT-OF-CONTROL GREED AND YOU HAVE CAUSED NOTHING BUT HEARTACHE AND PAIN FOR US ALL! FOR SO LONG, I HAVE

HELD MY TONGUE ON YOUR BEHAVIOR, BUT NOT ANYMORE, I WANT NOTHING MORE THAN TO TEAR YOUR HEAD OFF, STUFF A GRENADE RIGHT DOWN YOUR WINDPIPE, AND SEE EVERY LAST GODDAMN ORGAN IN YOUR BODY EXPLODE INTO A GORY MESS! THEN, I'M GONNA GOUGE YOUR EYES RIGHT OUT OF YOUR HEAD, TEAR YOUR TONGUE OUT OF YOUR MOUTH, AND MOUNT YOUR EYELESS TONGUELESS HEAD ON A STAKE FOR ALL TO SEE! THAT IS HOW MUCH I HATE YOU, YOU SELFISH ASSHOLE! YOU DEVASTATED MY DAUGHTER WITH YOUR STUPID LIES AND EVEN WORSE, YOU ALSO BECAME A TRAITOR TO THE US BY SELLING GOVERNMENT SECRETS FOR MONEY! YOU ARE THE ABSOLUTE WORST, NOTHING BUT ABSOLUTE FUCKING SCUM OF THE EARTH! YOU DESERVE WORSE THAN THAT, YOU DESERVE TO BE RAPED AND SODOMIZED LIKE THE SLUT THAT YOU ARE, YOU BITCH!

WE WERE ABSOLUTELY HORRIFIED AND DISGUSTED BY THE RAGE THAT SAKUYA CHEN HAD FOR HER SISTER, MANY OF US RAN TO THE GARBAGE CANS NEARBY AND HURLED OUR GUTS OUT!

Luna: PUKE FEST!

FWOMP!

Nico: OH! OH GOD! OKAY, NOW THAT WAS JUST SICKENING!

Qin: (Divine Echoing Godly Voice of The Star Chinese Fire Underground Komodo Dragon Phoenix Angel and Divine Star Cosmic Chinese Fire Underground Komodo Dragon Phoenix Angel Compassion) OH MAN, MOM!

Sakuya: Sorry you had to hear that, Qin, but this proves how much I hated your Aunt Naoko.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I'll just go ahead and get rid of her before any of us hurls our guts out again!

Suddenly, the 7'9" massive, wide, double-edged gold blade of Lincoln's massive greatsword was then covered in rainbow energy, and then… !

SLASH!

Lincoln brought his massive greatsword down on Naoko Chen's head decapitating her and both her head and body burst into rainbow flames and he sent her soul to The Black Gates forever. Lincoln holstered his massive greatsword on his back and came back to us and we holstered our weapons and powered down, and Qin's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large green orbs orbiting around her legs, and massive black angel wings are permanent.

Nico: At long last, your traitorous ex-aunt's paid the price for her crimes, and I knew your Mom told you and me about her, Qin, but I never knew how much she hated her.

Qin: Now, I know why Mom absolutely despises her that much, and it was back from when she was just a teen.

Sakuya: When I was growing up, I knew Naoko was trouble, but I didn't suspect how bad she was until I reached my teens, and that's when I saw it for myself.

Lincoln: Any why you disowned her and kicked her out for good, and for what she did in selling government secrets for money and lying to Qin about being an astronaut, I'm glad we gave her rightful sentence: death. (To Lunaria Knudson) And it's so good to see you again, Lunaria.

Lunaria Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Lunaria Knudson and he hugged her, and Lunaria Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lunaria Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Lunaria Knudson, God Sibling of The Stars, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful star powers and the powers of the 88 Constellations and immense control over the stars, and she also has the power to turn day into night. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Stars, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nicole: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THE POWER OF THE STARS WILL COME DOWN UPON YOUR HEAD!

We gasped.

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to be hit by the stars.

Lincoln: Yeah, no one wants that, and now that you're here, Lunaria.

Lincoln went up to and hugged Lunaria Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Lunaria Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Lunaria Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lunaria Knudson.

Lunaria Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Noriko woke up.

Noriko: What happened?

Me: A really awesome shitfest of a fight.

Xenia: Naoko's dead.

Eddy: Good riddance.

Luan: Yeah she is gone for good.

Squidward: That woman was a real moron. Worse than Patrick.

Patrick: I heard that!

Nico: Funny.

Poromon: (To Vaporeon) Want some beer? I got tons and tons of beer!

Vaporeon: EW! Actually I'm allergic to beer.

Me: Say what!?

Nico: A Pokemon with a beer allergy?

Me: That's unheard of.

Poliwag did the Puppy eyes.

Poliwag: Pwease?

Nico: Poliwag that's enough. Vaporeon has an allergy. And those are something we have to be careful of.

Camie: Yeah.

Poliwag: Oh right. Sorry.

Varie: Yeah.

Poromon: More for me then.

Nico: Good.

Vaporeon: Sorry about that.

Me: No worries.

Carina: That was still amazing though.

Varie: It sure was.

Nico: I'm sorry about your aunt, Qin.

Qin: It's all right. I'm just glad that stain on my family's name is gone for good.

Sakuya: Yeah she was a monster from day one.

Qin: Yeah.

Camie: She got what she deserved.

Laney: No kidding. What a monster.

Nico: At least she's gone for good.

Qin: Thank goodness.

Me: Yeah.

Qin: I'm glad she is. Now our family can rest easy.

Nico: Good.

Chris kissed Qin.

Me: Aww.

Nico: Awesome.

Laney: Yeah.

Moondancer: That was a fun battle though.

Horsea: It sure was!

Qin: Yep.

Me: Now for the fun part.

Xenia: The Anothers.

Nico: Yep.

Eli: (concentrates) Whoa! We got Another Tahnok, Lehvak, Gahlok, Pahrak, Nuhvok, Kohrak, Ahvok, Big Bruty, Billy the Bin, Chuck, Pedro Pupa, Secret Snake Club and Comic Book Guy.

We gasped!

Me: WHOA! The Bohrok! Wait Ahvok?

Comic Book Guy: Oh you obviously haven't heard. That is the Bohrok of Light.

Nico: I didn't know that.

Me: Me neither.

Qin: Cool,

Me: Wonder why we never saw that one?

Nico: Good question.

Maria: Anyway, who's up?

Me: Natalie Wilmington, Warrior Lady of the Wasteland, Nina Nuclear, Ella Element, Gia Gusto, Adrienne Midnight, Maria Knudson, Caitlyn Huntington, Julia Huntington, Tina Huntington and Jewel Huntington.

Eli: Cool!

Qin: This will be awesome.

Nico: Yep.

Eli: And I sense that the anothers minus Comic Book Guy are one person.

Me: Nice.

Then we smelled a really delicious and familiar aroma.

Me: (SNIFFS) (DROOLS) Oh boy!

Poromon: What is it?

Me: I know that smell anywhere. It's Pizza! And that means…

Laney: Here they come!

We saw the Anothers! We saw Another Tahnok, Lehvak, Gahlok, Pahrak, Nuhvok, Kohrak, Ahvok, Big Bruty, Billy the Bin, Chuck, Pedro Pupa and Secret Snake Club!

Nico: Whoa!

Another Tahnok: (In a girls voice) Smelled my aroma huh?

Me: That voice.

They merged and she reverted back and it was a girl with orange hair and red eyes and had orange and red clothes and had orange angel wings and they had melted cheese oozing off them and she had a tiara with the symbol of Pizza Dopant on it and the same symbol on her skirt and she had a Pizza Magisword in her hand.

Me: Penny Pizza!

Nico: Whoa! The embodiment of the Pizza Dopant!?

Penny Pizza: That's right and I make over 1 billion varieties of pizzas.

Nico: PIZZA!

Poromon: PIZZA!

Penny Pizza: Here guys.

She made an awesome 36 inch 3 meat and extra cheesy pizza.

Me: Oh boy!

Nico: Oh wow!

Me: Boy that looks awesome. By the way is the Another Comic Book Guy friendly or hostile?

Penny Pizza: Friendly and she is someone that will make Nico love her.

Me: Nice.

Maria: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books!

Qin: Yeah!

Nico: Take that!

Maria: Time for backup. (TURNS DIAL) INSTIGATION FORCE 6!

She summoned INSTIGATOR, Thursday Man, Brinebeast, Whispy Woods, Nine and VrilDaiBouken.

Nico: And now we wait.

We got to having the pizza she made.

Me: (EATING) Mmm! Delicious.

Nico: (Eating) Awesome pizza.

May: (Eating) It sure is awesome.

Poromon ate the pizza.

Poromon: (Eating) Yummy.

Qin: Boy that is an awesome pizza.

We later finished the whole pizza.

Me: Ahh. That was good.

Penny Pizza: Glad you all liked it.

Xenia: Yeah.

Then we smelled another awesome aroma.

Nico: (Sniffs) OH BOY!

We then saw Another Comic book Guy!

Me: Whoa!

Comic Book Guy: That voice of me is a handsome one.

Another Comic Book Guy: (In a girls voice) I sure am.

Me: (Gasp) That voice.

She reverted back and it was a girl with brown hair and had blue eyes and red clothes and brown angel wings and she had a tiara with the symbol of the Chickenwings Dopant on it and the same symbol on her skirt and she had a chicken leg sword in her hand.

Me: (GASP) Cathleen Chickenwing!

Cathleen Chickenwing: Awesome to see you again J.D.

Me: Yep. Cathleen is the Embodiment of the Chickenwing Dopant and she is known for making over 10,000,000 flavors of Chicken Wings

Nico: CHICKEN!

Me: (LAUGHS) Nico loves chicken wings!

Cathleen Chickenwing: Here you go.

She gave Nico a huge bucket full of 200 chicken wings.

Nico: Oh boy!

Me: And she is an awesome collector of comic books. And she also runs a comic book store.

Comic Book Guy: What a surprise. Just like me.

Me: Yep.

Kaito: (gets out Shinkenger gear) Did Swartz promise you anything?

Zocks: (gets out Goseiger gear) Because we can grant it instead.

Kaito got a Samurai Sword and Zocks got a Megaforce Sword.

Cathleen Chickenwing: No because after he put the ridewatch in me I made him eat the hottest ever of my wings and they are called Apocalypse Hellfire 4.

Me: It's wings made with the hottest peppers ever and has Capsaicin Extract injected into the wing and has a hot dry spice that is so lethal that the people that make it wear radiation suits.

Nico: (Eating) WHOA! Lethal.

Me: Yep.

Sougo: (gets out Samurai Ridewatch) I'd like some wings after this.

Geiz: (gets out Megaforce Ridewatch) Me too!

Sougo got SamuraiRedArmor while Geiz got MegaforceRedArmor.

Cathleen Chickenwing: I got tons for everyone.

Me: Yep.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Me: Awesome! Since Nico is eating I'll use his ridewatches for today.

Nico: Go for it.

Me: (Gets out Comic Book Guy's ridewatch) (Imitating Comic Book Guy) Oh Lonliness and Cheeseburgers are a dangerous mix.

May: (Gets out Sumo Kong's ridewatch) HOY HOY HOY HOY!

Maria: (Gets out Nightmare Fluttershy's ridewatch) Bring it on you big fat crybaby!

Anko: (Gets out Secret Snake Club's ridewatch) Time for some slithering torture!

We activated the Ridewatches of Comic Book Guy, Secret Snake Club, Sumo Kong, Prometheus, Nightmare Fluttershy and EP-327 and fired waves of energy and blasted Another Comic Book Guy all over.

Then Electrocutioner, Evil Plug Man, Boxing World, Yost Zzzax, Universe 666 Eddie Quist and Goatan came.

Nico: Awesome team Electrocutioner.

Electrocutioner: Thanks Nico.

Then we heard a motorcycle.

Me: Is that a motorcycle?

We then saw Nitro Man come!

Me: Whoa Nitro Man!

Nico: Wow!

Nitro Man: (In a girls voice) I'm ready to burn rubber!

Nico: Nadia Nitro? Whoa!

She reverted back and was a girl with orange hair and red clothes and had red eyes and had a black jacket on and had red angel wings and a motorcycle symbol in the middle of her forehead.

Nadia Nitro: Awesome to see you again Nico. I got this.

She fired waves of energy and blasted the Another and I caught the Ridewatch and purified it.

May: I like how I'm not getting hit anymore.

Maria: Don't jinx it.

Nadia Nitro: I don't think you'd want to get hit by me.

Nico: Yeah.

Anko: Do you have a favorite memory of Nico?

Nadia Nitro: When me and Nico won the Motorcycling Derby.

Nico: That was fun.

Laney: Cool.

Nico: I'd hug you but I'm eating.

Nadia Nitro: No worries.

Nico: I've missed you.

Nadia Nitro: Same here Nico.

We later went back home.

We gasped.

Me: Why, that little… !

Connor McKnight: Now, he's gone and made clones of our old enemies? Boy, he really doesn't know when to quit.

Nicole: He sure doesn't, Connor. He's just making things a whole lot worse for himself, even though he's already dead.

Flash Sentry: With the upcoming battle against Rita Repulsa and Lord Zedd, we really are going to be prepared for them both.

Me: You got that right.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair and light blue hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful orange angel wings, she's dressed in a light blue sleeveless crop top, necklace with dark blue gem for the pendant, light blue skirt, white bridal gloves, black lace stockings, light blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, fire, flames, dragons, phoenixes, and angels on the coattails and on the back is the planet Domino, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the eleven girls.

Lincoln: (GASPS) Diana Domino, Fairy Guardian and Avatar of Domino.

Diana Domino: That's right, and I got the girls away from the clone of Mesogog, but the clones of Zeltrax, Elsa, White Ranger Clone, Birdbrain, Pollinator, Donkeyvac, Demagnetron, Dysotron, Goldenrod, Scorpex, Megalador, Creature, Angor, Rojobot, Insectolite, Fossilador, Termitetron, Ka-Ching, Mad Mackerel, Copyotter, Other World Monster, White Terrorsaurus, Jupitor, Tutenhawken, Thornox, Deadwood, Horn-Rimmed Monster, Jade Gladiator, Skortch, Squidrose, Croco D'Vile, Rumba Monkey, Rude Elf, Fridgia, Ruby Dragon, and Ugly Monster are heading here to attack us.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Zeltrax, Elsa, White Ranger Clone, Birdbrain, Pollinator, Donkeyvac, Demagnetron, Dysotron, Goldenrod, Scorpex, Megalador, Creature, Angor, Rojobot, Insectolite, Fossilador, Termitetron, Ka-Ching, Mad

When Lincoln was done and the stingers changed back, nothing was left of them, and all that's left is the clone of Mesogog.

?: (ENRAGED LOUD ROAR) RANGERS! TEAM LOUD PHOENIX STORM! I WILL DESTROY YOU ALL!

We then saw our target, the clone of Mesogog, and he was out to destroy us, and boy was he really really really angry and mad now!

Sylvester: He's just as monstrous and ferocious as the original one.

Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed the Mesogog clone and he began absorbing him as he assimilated all of his powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, when Lincoln was done and the stingers changed back, nothing was left of him, and he sent the clones' spirits to The Black Gates. We cheered as we holstered our weapons and powered down.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants. (To Diana Domino) And it's so good to see you again, Diana Domino.

Diana Domino: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Diana Domino and he hugged her, and Diana Domino is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Diana Domino: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Diana Domino, she's my Guardian Angel from from Domino and she's an extremely powerful master of fire and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's the older sister of Bloom, and like her younger sister, she's also the wielder of The Dragon Flame. She also never forgave Valtor for what he did in destroying Domino all those years ago, nor would she ever forgive The Ancestral Witches for creating him, and she made it her mission to destroy Valtor, The Ancestral Witches, and the evil Lord Darkar and wipe them out of existence. She's the leader of The Fairy Guardians of The Magic Dimension and she and the others have defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years. Diana Domino came to Earth and settled in Royal Woods where she met me and she taught me everything that she knows when it comes to using fire and magic, and over time, I became a powerful master of fire and magic.

Me: That's so awesome.

Nico: And Bloom and the Winx Club are really awesome members of the team, and you're also going to be in for a huge surprise when we get back home.

Michelle Emperyous: And she hates Lori with a blazing passion, because one time, when Diana and Lincoln were walking home from Gus' Games and Grub, that control freak witch came out of nowhere and she stabbed Lincoln multiple times in the stomach and she was cackling like the insane monster she was, and that got Diana so furious, she fired a massively powerful fire blast that hit Lori in the face and it burned off her eyebrows and burned off part of her hair, that made Lori extremely furious and she tried to kill Diana, but Lincoln who made a swift recovery and his wounds sealed up charged at Lori and he used his martial arts and he kicked Lori's behind and took her down, and he and Diana literally kicked Lori in her butt and sent her flying back to The Loud House and when the family all found out from Lincoln and Diana of what Lori did, they really tore her apart and they didn't ground her: they did something much worse, they called the cops and had Lori sent to jail for five months. When Lori came back, she was really horrified by what she'd seen in jail and ran up to her room in fright. Eventually, Lori worked hard and she earned everyone's forgiveness, but the only thing she earned from Diana was nothing but hatred for she knew Lori would easily go back to the insane control freak monster witch that she is, and she swore if Lori ever went after her brother again, Diana would make sure that Lori would burn for all eternity in the flames of Hell.

Eli: We were all shocked when Selene told us that yesterday.

Diana Domino: But, when the rumors coming out that Killjoy Huggins and Chase Young's Dark Side, the true sources of Lincoln's pain and suffering and the real reason why Lori, Lynn, Lola, Lisa, and Luan became the insufferable monsters we hated hit my ears, I was shocked.

Lincoln: You weren't the only one, when the other Guardian Angels found out, they too got pissed off big time, but we finally got rid of Principal Huggins' dark side, Killjoy Huggins, and Chase Young's Dark Side forever and ended the suffering we'd gone through, and now that you're here, Diana.

Lincoln went up to and hugged Diana Domino in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Diana Domino: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Diana Domino's neck with orange gems on the gold lightning bolts and light blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Diana Domino: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Diana Domino.

Diana Domino had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Airi Sawatari, Arisu Toono, and Neneko Himegishi from Namaiki JK Library, Yuna Miyatake and Ayana Asahina from Tsumamomi ~Yokkyuu Fuman no Okusan to Nashikuzushi Oil Massage~, Hime, Nephrites, Granart, Saphir, and Amber from Tales of Wedding Rings, and Charlotte Evans from I'm Giving the Disgraced Noble Lady I Rescued a Crash Course in Naughtiness.

Lincoln: Oh wow, it's Airi Sawatari, Arisu Toono, and Neneko Himegishi from Namaiki JK Library, Yuna Miyatake and Ayana Asahina from Tsumamomi ~Yokkyuu Fuman no Okusan to Nashikuzushi Oil Massage~, Hime, Nephrites, Granart, Saphir, and Amber from Tales of Wedding Rings, and Charlotte Evans from I'm Giving the Disgraced Noble Lady I Rescued a Crash Course in Naughtiness.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Tsubame Jounouchi: Yes, we're okay, thanks to you.

Then, when Airi Sawatari and the other ten girls saw who it was that saved them from the clones of Mesogog and his minions, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's

Airi Sawatari: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Airi Sawatari: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Airi Sawatari, Arisu Toono, Neneko Himegishi, Yuna Miyatake, Ayana Asahina, Hime, Nephrites, Granart, Saphir, and Amber from Tales of Wedding Rings, and Charlotte Evans with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Mesogog and his minions created by another manifestation of Universe 666 Sebastian's residual darkness.

But, when Lincoln showed what we all did in beating them down and Lincoln stabbing them with his Cell Stinger tips on his tails and he absorbed them into him and assimilated all their powers, strength, and abilities which forced out the manifestation of Universe 666 Sebastian's residual darkness and he was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Diana Domino have a lot of catching up to do, now that she's back in town, and when she saw her parents and heard the whole story from Bloom, she hugged her parents and Bloom and cried and they also hugged her.

Maria: Oh man, so another manifestation of Universe 666 Sebastian's residual darkness was here and it created clones of Mesogog and his former minions?!

Lincoln: Yep, but just like what happened, I absorbed them and we all assimilated all their powers, strength, and abilities.

Nico: Along with banishing their souls to The Black Gates and it also forced out another remnant of Universe 666 Sebastian's residual darkness and he too got destroyed and sent to The Black Gates.

Me: He really refused to give up and just die, what a sore loser.

* * *

After Lincoln absorbed the clones of Mesogog and his minions and destroyed another manifestation of Universe 666 Sebastian's residual darkness, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Diana Domino saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Diana Domino: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Diana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Diana Domino: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Diana Domino: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Omni the Magnificence, Emperor Gruumm, Mora/Morgana, Broodwing, A-Squad Rangers, Praxis, Ringbah, Parsnippity, Scaleface, Rhinix, Hydrax, Bugglesworth, Giganis, Sinuku, Debugger, General Benaag, Drakel, General Valko, Tomars, Wootox, Katana, Invador, Changtor, Green Eyes, Shorty, Devastation, Mysticon, Al, Slate, Mirloc, Stench, Thresher, Gineka, Chiaggo, Delapoo, Blobgoblin, One Eye, Silverhead, Professor Mooney, Bork, Herock, Dragoul, Kraw, Icthior, Spotty-Eyed Monster, Green Monster, Vine Monster, Delex, Roswell, Crabhead, Spiketor, Lazor, Cricket Monster, Jackal Monster, Demon Monster, Heater Monster, Jail Bird Monster, and Tentacle Monster.

Jack Landors: What the?! Now, we got clones of our old enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Nadira: What a sore loser, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of Omni the Magnificence, Emperor Gruumm, Mora/Morgana, Broodwing, A-Squad Rangers, Praxis, Ringbah, Parsnippity, Scaleface, Rhinix, Hydrax, Bugglesworth, Giganis, Sinuku, Debugger, General Benaag, Drakel, General Valko, Tomars, Wootox, Katana, Invador, Changtor, Green Eyes, Shorty, Devastation, Mysticon, Al, Slate, Mirloc, Stench, Thresher, Gineka, Chiaggo, Delapoo, Blobgoblin, One Eye, Silverhead, Professor Mooney, Bork, Herock, Dragoul, Kraw, Icthior, Spotty-Eyed Monster, Green Monster, Vine Monster, Delex, Roswell, Crabhead, Spiketor, Lazor, Cricket Monster, Jackal Monster, Demon Monster, Heater Monster, Jail Bird Monster, and Tentacle Monster and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Omni the Magnificence, Emperor Gruumm, Mora/Morgana, Broodwing, A-Squad Rangers, Praxis, Ringbah, Parsnippity, Scaleface, Rhinix, Hydrax, Bugglesworth, Giganis, Sinuku, Debugger, General Benaag, Drakel, General Valko, Tomars, Wootox, Katana, Invador, Changtor, Green Eyes, Shorty, Devastation, Mysticon, Al, Slate, Mirloc, Stench, Thresher, Gineka, Chiaggo, Delapoo, Blobgoblin, One Eye, Silverhead, Professor Mooney, Bork, Herock, Dragoul, Kraw, Icthior, Spotty-Eyed Monster, Green Monster, Vine Monster, Delex, Roswell, Crabhead, Spiketor, Lazor, Cricket Monster, Jackal Monster, Demon Monster, Heater Monster, Jail Bird Monster, and Tentacle Monster, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: I can't believe that sore loser created clones of the Time Force Rangers' enemies.

Me: Yeah, he really is a sore loser.

Eric Myers: He just never gives up.

Lincoln: You said it. But, let him keep sending more clones of the Power Rangers' enemies, he knows I'll absorb them and I'll destroy him. But, of course, I know this isn't the end of those remnants of that lunatic.

Nico: Yeah, he's never going to quit until we're destroyed, he's even worse than that fucked-up dark asshole, Damian Alaister and The

Church of Necrom.

Nicholette Torrington: You said a mouthful, and Katnappe's right, Lincoln's preparing us for the day we finally battle Lord Zedd and Rita Repulsa in November by going after and absorbing the clones of The Rangers' most dangerous enemies and why he and all of us have been getting all of their powers, strengths, and abilities.

Nico: Whoa!

Me: That's so awesome! Lincoln, you really are The Man With A Plan!

Lincoln: Thanks.

We got a shower afterwards, and then, Lincoln, Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Tikal the Echidna: Wow, so this is Dolphin Shoals, it sure is beautiful.

Lincoln: It sure is, Tikal, and it's perfect for our first date. Shall we?

Lincoln, Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to

Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline and they hugged the girls in their abnormally massive and powerful muscular arms and Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their

necks.

Lily the Mermaid: Whoa, now Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline are in your harem, Linky.

Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline showed the marks Lincoln made on the right sides of their necks.

Eli: Wow, I knew Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline had feelings for him, and I knew he'd mark them.

Sonic: We all saw Tikal had feelings for Lincoln when she met him on Angel Island and he had the very same feelings for her.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Tikal the Echidna, TTG Rose Wilson, Simulator Shiver, Simulator Frye, Simulator Princess Bubblegum, Simulator Flame Princess, and Simulator Marceline, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and Yuma killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder

me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Twisty Trials Galaxy is next.

Me: I remember that one.

Jonny 2X4: Me, Plank and Jimmy will go next.

Nico: Okay then.

They went into the simulator and it activated and they were at TWISTY TRIALS GALAXY!

Nico: Any tips Nicole?

Nicole: (On the radio) Well this one is very simple. Just get the star at the end.

Nico: Okay then. Goombas will come for us.

?: And we'll help stop them.

2 figures came. One was a girl with blue hair, blue eyes, blue

clothes and had blue angel wings and had a tiara with the symbol of the Ice Barrier on it and the same symbol on her skirt and she had an ice sword.

The second girl had purple hair and purple eyes and purple clothes and purple angel wings and had a tiara with a lightbulb on it.

Cryana Ice: Cryana Ice, Embodiment of the Ice Barrier.

Briana Bright: And Briana Bright, Embodiment of Bright Man.

Jonny 2X4: RIGHT ON! Awesome to see you again Brie!

Jimmy: Same here!

Briana Bright: Jonny, Jimmy and Plank. Its been a while.

Nico: We can talk later. Lets go.

They were off.

Jonny 2X4: Plank sees Goombas!

Jimmy: Want to wrestle huh? Here we go!

They went at the Goombas!

Nico: (gets out Comic Book Guy and Control Freak's Ridewatches) Best. Galaxy. Ever!

Nico activated them and fired laser blasts and blasted the Goombas.

Jonny and Jimmy fired acorn and energy blasts and smashed the Goombas.

Cryana fired waves of ice and froze them.

Briana fired waves of energy. Then she fired a flash of light and immobilized the Goombas and she fired waves of energy and blasted them.

They got to the end and got the star.

YOU GOT A STAR!

Nico: Oh yeah!

They high five.

Nico: How did you meet Jonny and Jimmy?

Briana Bright: I met them in Atlanta when the Kankers were causing trouble. I bashed all three of those sisters from hell's faces in and got them sentt to juvie for beating up Jonny and Jimmy.

Nico: Nice.

Jimmy: They had it coming.

Nico: Yep. Woud you like to join the team?

Cryana Ice: We would be honored.

They left the simulator and we cheered wildly for them.

Later we saw the Mascots having A BEER DRINKING CONTEST!

Amethyst Arcana: I knew this would happen!

Me: Oh god.

Nico: Not good.

Poromon, Poliwag and Manaphy guzzled down cans of beer.

Horsea drank as well.

THey were drinking bottles and cans of beer.

Maria: Boy this is not going to end well for them.

Qin: Yeah.

Me: And now, they're drunk.

Qin: Yep.

Eli: Oh boy.

Poromon: (Slurred Speech) Why can't you just accept that pizza is good?

Manaphy: (slurred speech) I love all chicken because (BELCH!)

Horsea: (Slurred Speech) I think all pizza is great

Poliwag: (Slurred Speech) It is

Motormaster: Horsea, wanna say something to Maria?

Horsea: (HIC) I got nothing.

Maria: Aw that's all right.

Horsea: (HIC) I love Maria.

Maria: Aww I love you too Horsea.

Manaphy came up to May and kissed her.

Manaphy: Love you Mama.

Nico: Aww.

Poromon and Poliwag: We ove you Nico.

Nico: Aww you guys.

Me: Okay you guys this contest is crazy.

I snapped my fingers and they were back to normal.

Poromon: It was worth it!

Rodimus: I hope it was!

Me: Because that contest was nuts.

Nico: Yeah.

Qin: It sure was.

Komba: Nico, who gets to shine today?

Nico: Troy, Aerrow, Lucky, Kaito, Touma Kamiyama, and Kazuma.

Harpus: Maybe you should make a new form for Kazuma.

Nico: Good idea Harpus!

Lucky: LUCKY! This is gonna be so fun!

Touma: Yeah! It sure will.

Qin: I know!

Zarya: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the LEGO version of Kang, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you've finally made your move.

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the LEGO version of Kang, and he's causing havoc.

We gasped.

Nicole: From Marvel Lego Superheroes?!

Me: So, he's finally made his move.

Nico: He sure has. Where's he at, Lincoln?

Lincoln: He's in the level Out of Time!

Me: Oh man, he's gonna be a tough one.

Nico: I know. But, this is it, his minions have finally been beaten, and now, he's the only one left.

Lincoln: He's not going down without a fight though.

Nico: You said a mouthful, he's going to fight with everything he's got, and so will we. Alright, let's head down to Chronopolis and take down the LEGO version of Kang.

Lincoln: This is going to be so awesome.

Me: And lets not forget that he is going to have the Prime Universe version of Kang with him too.

Nico: Yep. First time ever meeting him.

The previous group came.

Whiger: Can me, P'andor, Man Ray, Kitty, Moonstone, Avalanche, Tar Pit, Kyd Wykkyd, Wrecking Crew, and Hank Scorpio go with you guys?

Thunderball: And you might want to get started on Kazuma's new form.

Me: We'll think of something for it.

Nico: I might have some ideas. And yes you all can come with us. It's time for the final showdown with Kang. And he is going to have the prime universe version of Kang with him.

Me: First time ever meeting him too.

P'andor: (Russian Accent) This will be interesting.

Octopunch: Boss, which Gene Slammer do you think you'll meet next?

Nico: Now we move to Mega Man 11 Robots. Torch Man next.

Me: Ooh! Fiery.

Qin: Nice!

Torch Man: This will be interesting.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Marek Hruska, the fifth of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, the next person coming after us is Marek Hruska, the fifth of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda.

Andrea Nezbedová: (Czech Accent) That loser, I knew he'd be the next one we'd go after.

Lincoln: And it's just like I said, with Tobias Svoboda dead, Marek Hruska, Josef Sedlacek, and Antonin Ruzicka are basically running around like headless chickens, and they're only wanting one thing: revenge. Unfortunately for them, their skills in black magic are nothing compared to ours, and we've dealt with those who've sold their souls to The Devil for dark powers before.

Me: It always ends with you stripping them of their powers and getting destroyed and sent to The Black Gates.

Eli: He never did that with The Order of The Black Cross nor The Chernabog Sisters, J.D., he flat-out killed them.

Lincoln: That's right.

Nico: Eh, either way, those six are going to follow Tobias straight to The Black Gates later on today. Alright, gang, let's go, we're heading to Chronopolis to take down the LEGO version of Kang.

Lincoln: LEGO version of Kang, you better be ready, and once we get done with him, you're next, Marek Hruska.

Andrea Nezbedová: (Czech Accent) You and the others made a very huge mistake escaping from Hell, Marek. I would've thought we were finally rid of you after we banished you, Tobias, and your allies seven years ago to Hell, but not even Hell will keep you seven trapped for good. Very well, you'll suffer the same fate as Tobias, and we'll make sure you never rise again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chronopolis and we're taking down the LEGO version of Kang, and once we get through with him, Lincoln and Andrea Nezbedová are going to destroy Marek Hruska, the fifth of the Czech Republic's seven infamous Satanic serial killers.

We were off to Chronopolis for the Final Showdown

The Kang of the Prime Earth was in Lego Kang's HQ looking over our past battles.

Kang: (sighs) Dear God, what have I done?

Lego Kang: You had no way of knowing it was going to be this bad. You're not to blame for this. All you wanted was a non lethal way of getting the Avengers out of the picture.

Kang: Don't you dare make excuses for me! Don't you see what's happened over the last several years?! J.D. didn't outshine the Avengers! He was happy to form an alliance with them and other heroes and then turn that alliance on other villains. I've doomed the villains of the multiverse to extinction!

Lego Kang: Okay, if you really think it's your fault, instead of whining about it, you should do something about it and correct your mistake.

Kang: (regains his composure) You're right. Now is not the time for anger. We must prepare to deal with Team Loud Phoenix Storm. And this base will be our final stand!

Lego Kang: That's right!

It was time for the final showdown!The Kang of the Prime Earth was in Lego Kang's HQ looking over our past battle.

Kang: (regains his composure) You're right. Now is not the time for anger. We must prepare to deal with Team Loud Phoenix Storm. And this base will be our final stand!

Lego Kang: That's right!

It was time for the final showdown!

We arrived at the citadel of Kang.

We saw the Lego versions of Captain America, Captain Marvel, Doctor Strange, and Star-Lord.

Lego Captain Marvel: You guys made it.

Me: Like we would miss this for anything.

Qin: Yeah.

Lego Captain America: We're ready for this guys.

Me: Yep.

Man Ray: What's the situation right now?

Piledriver: And how can we help?

Lego Captain America: We're going after Kang to end this once and for all.

Me: That's for sure. We went to the prime universe version of Knowhere and we Tivan the Collector told us to be ready. Lego Kang has the Prime universe version of himself with him and he has something to tell us.

Lego Captain Marvel: Oh boy. Wonder what it is.

Me: We'll be ready for it.

Nico: Looks like it's time for our entrance.

Bulldozer: You guys better get your game faces on.

Troy: Right! Super Mega Mode!

Lucky: Star Change!

Kaito: Change Zenkai!

Touma: Henshin!

Kazuma: Henshin!

They transformed!

Troy: SUPER MEGAFORCE RED!

Lucky: SUPER STAR! SHISHI RED!

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

Kazuma: KING OF HEARTS! KAMEN RIDER BLADE!

Touma: SWORDSMAN OF FIRE! KAMEN RIDER SABER!

Nico: Oh yeah! Lets go!

Kazuma: This is gonna be good.

Nico: Kazuma, first, let me work on your new form.

Chop Shop: We'll take care of Kang's goons in the meantime.

Nico: Okay.

Me: Here they come!

We fired waves of energy and elements and blasted the goons all over the place.

Tar Pit: What's the game plan here?

Lego Captain America: Just us fighting Both Kangs is suicide. We need to get rid of the goons first before calling the other heroes here.

Aerrow: I like it!

Me: I agree.

We fired waves of energy and elements and blasted the goons all over the place with incredible force and blew them apart.

Terrorsaur: Terrorsaur, TERRORIZE!

He transformed and fired energy blasts and blasted the goons.

Qin: Take this!

She fired waves of fire and energy and ice.

Nico fired waves of fire and blasted them.

Lucky: Talk about Lucky!

Moonstone: You said it!

Qin: Always love a good warm up battle.

Eli: Yeah.

Nico: Okay try this one Kazuma!

Nico snapped his fingers and then Kazuma got a new form!

FLOP TURN RIVER! ROYAL FLUSH!

He turned into an awesome Royal Flush King themed rider!

Kazuma: I am KAMEN RIDER ROYAL FLUSH!

Nico: Your new Super Mode.

Kazuma: Awesome!

He was ready for action!

Spinister: Better call the others here, Cap!

Lego Captain America: Right! (gets out communicator) Calling all heroes! This is not a drill!

Me: Should we summon our allies from all over the universe too?

Nico: That's a good idea.

We did so.

All the heroes and our allies : Better call the others here, Cap!

Lego Captain America: Right! (gets out communicator) Calling all heroes! This is not a drill!

Me: Should we summon our allies from all over the universe too?

Nico: That's a good idea.

We did so.

All the heroes and our allies came.

All the Lego heroes came.

Wrecker: Is that everyone?

Kaito: Unless we're missing anyone.

We saw our allies arrive.

Me: Now it's everyone.

Camie: Awesome.

Varie: Cool.

Nico: This is gonna be awesome.

Bludgeon: The Lego versions of the X Men and Fantastic Four might not be here. But that won't stop us from kicking both Kang's asses!

Nico: That is for sure! Lets get a move on guys! We're coming for you both Kang's!

We were off to face both Kang's.

Hank Scorpio: Touma, you know what to do.

Touma: Right!

Rekka Battou! Baki! Boki! Bone! Gaki! Goki! Bone! Primitive Dragon!

Touma went into his Primitive Dragon mode.

Touma: SWORDMASTER OF THE PRIMAL DRAGON! KAMEN RIDER PRIMATIVE DRAGON!

Nico: Nice one!

Qin: Fitting.

Nico: Entrance time!

We flew at the citadel.

Both Kang's were watching our battles from before. But then the spirits of time came and they swirled around them and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and blasted through the roof of the citadel and a phoenix cry was heard and we came in.

We landed and saw BOTH LEGO AND PRIME UNIVERSE KANG!

Prime Kang: Ah so we finally meet J.D. Knudson. You have continued to impress me over the years with everything you've done and I must say that I am impressed.

Me: Nice to know that we have made an impression Kang.

Lincoln: (to Lego Kang) It's over, Kang. We played all your devlish games and brought the pain to your minions and-

Lego Kang: You're gonna want to cut that referenced line short. Because my prime self has something important to tell you.

Lincoln: More important then my line?

Lego Kang: (smugly) Yes. Much more important. So, how about comign up with more original material while listening, huh?

Linehalt: (Lincoln growls) Okay, Kang. What is it you need to tell us?

Kang: This is not a mind game. Or an offer for you to go back in time to erase all evil with the Black Gates. (to me) Tell me, J.D. Do you remember the day you were born and you got your powers?

Me: I sure do. I was born on October 14th, 23 years ago on the island of Vanuatu. I got my powers from Cosmic Radiation when my mom and dad saw the constellation of Phoenix the Firebird on a clear night sky.

Kang: What if I told you there's more to that than you previously thought?

Me: What are you talking about?

Kang: I was the one that sent that radiation that gave you your powers.

Nico: Say what now?!

Kang: You see, I was getting sick and tired of the Avengers always foiling my plans. So, I caused the event that gave you your powers in order to create a hero that is stronger and more powerful than the Avengers to force them into retirement. Not killing them since the Avengers have become too important to history and because I have gained a lot of respect for them. But things didn't go according to plan. Instead of you wanting to be the only hero, you were happy to join forces with the Avengers in the battle against evil. Which caused my plan to backfire. So, you see. It wasn't a psychopath like the Joker who was the cause of what you and your friends are today. It was me all along.

We were in ABSOLUTE shock about this.

Lincoln: That still doesn't excuse my line being interrupted.

Ren Krawler smacked Lincoln on the back of the head.

Ren Krawler: Lincoln, is that really what's important to you right now?!

Lego Kang: (to Lincoln) You got some skewed priorities, you know that?

Nico: He does. But Eli is he lying?

Eli: I'm afraid he's teling the truth! Everything we did was all set into motion by Kang!

Nico: WHOA MAN!

Me: So everything that happened was because of you Kang!? (Smiles) At least now I know the truth. Now I know that everything that happened to me was from you. You made me what I am and over the last 23 years you made me come so far. I made the most powerful force in the entire universe and you made us what we are and we touched the lives of so many people all over the multiverse and changed the fates of countless people. And saved them from themselves.

Kyd Wykkyd: Tell me. Was J.D. meeting his girlfriends still real?!

Kang: Actually, yes. As I stated before, I only caused the event that gave J.D. his powers.

Touma: That's good.

Nico: Wow!

Me: What about those dimensional vortexes that brought many of us here? Were they your doing as well?

Kang: No, they weren't. I honestly don't know what caused those to begin with.

Acid Storm: Guess some things are still a mystery.

Me: Yeah no kidding.

Xenia: We'll have to find out more about that later.

We looked up and saw a blinking red light.

Avalanche: Wait. What's that red blinking light on the ceiling?

Lego Kang: Oh, that? That would be the room's recorder recording this conversation to show everyone in the multiverse who's REALLY to thank for J.D. getting his powers.

Kang: This is because I don't like people taking credit for my actions.

Kazuma: That's understandable.

THEN WE HEARD REALLY LOUD ENRAGED SCREAMING! It was the jerks at Lynn's Table.

Me: WHOA! Sounds like the jerks got the message.

Ring Man: Oh, like the recorder on a laptop.

Brian Griffin (shudders): Reminds me of the time of Peter and Quagmire's plan to have the latter break up with a hooker got recorded on a laptop.

Stewie: I thought it was Glee!

Qin: Okay that's out of context.

Camie: Yeah.

Lego Kang: But enough about that. You all must be seeking to defeat us and undo Chronopolis.

Kitty: Yes. Yes, we are.

Me: Yeah. Now that we know the truth it actually lifts a massive weight that we have had off of our shoulders.

Nico: Yeah. It wasn't the Joker. It was the Prime Universe version of Kang.

Me: Yep. Lets dance!

I went SUPER ANGEL-EBONWU-JANUARY WOLF MOON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL OF DIVINE COSMIC UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL JUSTICE AND DIVINE COSMIC HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL HOPE!

Scream: We can always make Chronopolis seperate from the Lego Marvel Worlds when they get seperated after this.

Nico: Good idea Donna and Scream.

Kang ignited a laser sword and went at me and I clashed with him with my sword and sparks flew all over the place.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

I fired a wave of lightning and blood and blasted Kang all over.

Lego Captain America bashed Lego Kang down.

Me: Kang why did you pick me out of 6,000,000,000+ People back then all those years ago?

Kang: Because I knew you were destined for greatness J.D. You had the makings of an amazing hero destined for great things.

Me: No arguments there. Even though your plan to create the ultimate hero and have the Avengers retire backfire it did teach us many things. With Great Power Comes Great Responsibility. Divided we are weak but united we are strong!

I kicked him in the face.

Kang: It's time I fixed my mistake.

He fired a time blast at Nico but he dodged it.

Kang: I see I've enabled you all to become more powerful than I anticipated.

Nico: Because we're a team and we are stronger than ANYTHING! Even Thanos.

Nico fired Eon's Time Ray and it hit Prime Universe Kang and blasted him. It aged him slowly.

Nico: You aren't the only one that has Time Ray Powers too.

Kang undid the aging effects.

Red Hood: You're being too hard on yourself if you think giving J.D. his powers was a mistake. Thanks to that, the scumbag who killed me got what he deserved.

P'andor: And about that part where you think you've doomed the villains of the multiverse to extinction? Maybe you're forgetting that the enemies of the Geats team and the King Ohgers are still out there.

Qin: That's right!

Nico: And lets not forget that we have changed the fates of MANY people that were lost to themselves.

Me: That's right!

Kang: I know and that is amazing.

Me: It sure is. Speaking of Thanos, if you faced him who do you think would win? You or him?

Kang: Definitely him. He would have easily mopped the floor with me.

Me: No arguments on that. Darn shame you aren't gonna get your chance because he was permanently erased from existence.

Kazuma: Guys, my super mode is already active. Now, it's your turn!

Orion: Right! Super Megaforce Gold!

Lucky: Miracle Star! Shishi Red Orion!

Kaito: Zenkaiju Gear!

Seiba Battou! Dra! Dragon! Lion! Senki! Ah! Alangina! Kizuna ga michibiku shōri no yakusoku! Gappei shūppan! Featuring Saber! Sansatsu tokusōban!

Touma went into his Featuring Saber mode.

They were ready!

Nico: Someone use a time blaster!

Wes: Got it!

He fired laser blasts and blasted the 2 Kangs all over.

Qin: Take that!

Troy and Kaito charged at Prime Kang and bashed him down and fired waves of energy and blasted him all over.

Xenia: And this too!

She fired energy arrows and blasted Lego Kang.

Aerrow and Lucky charged at the two of them.

And bashed them down.

Qin and Camie and Lola blasted the Kangs all over.

Qin: Take that you 2 clods!

Touma and Kazuma charged at Lego Kang and blasted him all over.

Youma: YEAH!

Kazuma: Take that!

Varie: Yeah!

Deadpool threw a grenade.

KRABBBBBOOOOOOOOOOOOOOOOOOMMMM!

Me: Take that!

Nico: Yeah!

Then Grizzly, Top, Gearhead, Dark Turtles, Abrakadabra, Trapster, Ragdoll. Batroc the Leaper, Whiteout and Evil Green Ranger came.

Nico: Grizzly, Top, Gearhead, Dark Turtles, Abrakadabra, Trapster, Ragdoll. Batroc the Leaper, Whiteout and Evil Green Ranger.

Grizzly: Man, talk about a startling revelation.

Top: You said it.

Gearhead: But at least we know now.

Dark Leo: Of course we do.

Dark Don: (to Nico) We heard you killed Qin's evil aunt,

Nico: We sure did.

Trapster: (to Rocket) Were you happy to see Knowhere again?

Rocket: I sure was. It was cool.

Aquafiend then came.

Me: Aquafiend. Back for another round.

Aquafiend: Yep. I sure am.

Me: Nice.

Aquafiend: After this, you guys should take a break from main missions until after October 5.

Nico: I agree there.

Me: Yeah.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANT TO LIVE FOREVER!?

They fired waves of energy and elements and they formed into said clock attacks.

Lincoln and his harem: TIME FINAL SMASH: TIME ERASURE BLAST!

They fired a massive time powered explosive hadouken at Lego Kang and Prime Kang which explodes on contact!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Lincoln: Don't think you're getting out of this easily.

Suddenly, Lincoln's eleven massive and long white wolf tails stretched out, and then, they lashed out at the LEGO and Prime versions of Kang, and he was being bashed and beaten all over the place, and Lincoln even bashed him on the head with one of his tails.

Nico: Ooh, now that's gonna leave a mark.

We then saw both versions of Kang get a lump on Their heads! OUCH! Then, we saw a white flag go up on the lump.

Me: Looks like they surrender.

Lincoln threw an energy card which hit the LEGO and Prime versions of Kang and imprisoned them both inside a card each and he put them inside a box he made and it vanished.

Nico: Now, that was awesome! We finally took down the LEGO version of Kang, and he's going to be in a lot of trouble.

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Marek Hruska.

?: (Czech Accent) LAURA BARANKOVA, YOU AND YOUR FRIENDS WILL DIE FOR BANISHING US ALL TO HELL SEVEN YEARS AGO!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of brimstone and Hellfire from anywhere, come on out right now, Marek

Hruska, or we will force you out.

A figure came out: he was a male with long black hair, pale skin, dark clothes, he has black demonic wings, and blood red eyes full of hatred, it was Marek Hruska, one of the seven infamous Satanic serial killers from the Czech Republic.

Andrea Nezbedová: (Czech Accent) You Hellfire-dwelling rotten black hearted piece of fucking shit!

Nicholette Torrington: I should've known you'd show up here once again, you fucking asskisser of The Devil!

Nico: So, that's Marek Hruska, one of the seven infamous Satanic serial killers from the Czech Republic.

Andrea Nezbedová: (Czech Accent) That's right, and he's still as dangerous as ever.

Marek Hruska: (Czech Accent) DIE!

Marek Hruska fired a blast of Hellfire at Nico, but the diamond barrier that was still up absorbed the Hellfire blast and that majorly pissed off Marek Hruska.

Andrea Nezbedová: (Czech Accent) Okay, now you're going to get it.

Suddenly, Andrea Nezbedová's blue eyes turned neon blue and she was surrounded by a purple energy aura with stars, magic, dogs, wolves, canines, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Marek Hruska, she left purple energy, stars, magic, dogs, wolves, canines, phoenixes, and angels with every step.

Andrea Nezbedová: (Czech Accent) I'm not surprised to know that your thirst for blood is still as bad as ever, Marek Hruska. But, what also angers me is that after seven years of being imprisoned in Hell, you and your minions haven't learned a single thing and that you're still out to kill and slaughter any who get in your way of appeasing your dark master, The Devil. We made the big mistake using that binding spell to banish you seven to Hell seven years ago, but now, we're going to fix that, and this time, you're going to die here and now, and we'll make sure you never rise again!

Suddenly, Andrea Nezbedová was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there are dogs, wolves, canines, phoenixes, angels, and Mythical Beast Master Cerberus flying around the vortex, and in the vortex is a light purple phoenix with red eyes glaring at Marek Hruska: the red eyes of eternal death. Then, as the vortex faded, Andrea Nezbedová emerged, but she was changed forever.

Andrea Nezbedová grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has light purple highlights in the bangs of her long now dark purple hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a purple energy aura with stars, magic, dogs, wolves, canines, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed, and it's now an immense protective neon rainbow aura with all of the elements swirling around it, she has Mythical Beast Master Cerberus emblazoned on her forehead and Third Eye with blue iris, she has on dog earrings with blue gems for eyes and holding the Star, Light, Magic, and Eternity Kanjis in its paws, she also has Mythical Beast Master Cerberus with blue gems for eyes and holding the the Star, Light, Magic, and Eternity Kanjis in his hands for the second pendant on the bottom of her purple dog-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Andrea Nezbedová has on a short-sleeved purple midriff shirt, purple skirt, purple pants, purple anklewarmers, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, magic, dogs, wolves, canines, phoenixes, and angels on the coattails, and on the back is Mythical Beast Master Cerberus surrounded by stars and magic. Suddenly, Andrea Nezbedová felt a sharp pain on her back, and then, her massive dark purple angel wings with pink tips on the large dark purple feathers grew much bigger for her new body and she also now has eleven massive and long purple wolf tails with light purple tips and light purple markings, Andrea Nezbedová has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Andrea Nezbedová's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, magic, dogs, wolves, canines, phoenixes, and angels, and when it emerged, it was transformed into Andrea Nezbedová's Cosmic Eternal Magic Starstorm Solar Mythical Beast Master Cerberus Phoenix Angel Greatsword of Cosmic Eternal Magic Starstorm Solar Mythical Beast Master Cerberus Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Mythical Beast Master Cerberus etched on the 7'6" massive, wide, double-edged gold blade, large purple wolf heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple wolf heads with blue gems for eyes and on the bottom of the large purple wolf heads is a large purple wolf head with blue gems for eyes and blue gem in its mouth for the pommel, Andrea Nezbedová has on her large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Mythical Beast Master Cerberus' head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large angel spellbook, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Andrea Nezbedová's Super Angel-Mythical Beast Master Cerberus-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Marek Hruska saw it, he went mad with rage and fired a blast of darkness to kill her, but Andrea Nezbedová fired a massive barrage of purple energy, stars, magic, dogs, wolves, canines, phoenixes, and angels which hit Marek Hruska and was sent flying into a tree, he got back up, but now he was pissed off.

Selene Arcangela: Incredible, Andrea's transformed, and by the looks of it, Marek is in huge trouble.

Lincoln: He deserves it, after what Andrea told me of what he's done, he deserves nothing but death for his crimes.

Andrea Nezbedová: (Divine Echoing Godly Voice of The Eternal Cosmic Magicstorm Canine Summoner Mythical Beast Master Cerberus Phoenix Angel and Divine Cosmic Eternal Cosmic Magicstorm Canine Summoner Mythical Beast Master Cerberus Phoenix Angel Love) (Czech Accent) There's no other punishment for someone like him. Shall we, Lincoln?

Lincoln: Let's do it, Andrea.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and your friends have got some nerve escaping from Hell, Marek. What you all did in senselessly murdering innocent people in the Czech Republic seven years ago and selling your souls to The Devil for dark powers proves that you are truly irredeemable, and the only thing you deserve is death.

Lincoln and Andrea Nezbedová went after Marek Hruska who continued firing darkness blasts at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, purple energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Marek Hruska, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Andrea Nezbedová also left many more by firing blue energy slashes with her claws, and he and Andrea Nezbedová attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Marek Hruska even more insane with rage than ever.

Marek Hruska: (Czech Accent) YOU! YOU! (ENRAGED DEMONIC SCREAM)

Marek Hruska went at them now completely blind with insane rage and fury, but Lincoln and Andrea Nezbedová kicked him hard in the stomach and Lincoln fired blasts of magic at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Marek Hruska even farther into the edges of rage and madness.

But before Marek Hruska could attack them, Lincoln's large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head glowed and the four large orbiting golden rings fired red energy beams which hit Marek Hruska and they sucked out his dark magic and darkness powers and Lincoln made them his own, and that left Marek Hruska powerless, and then, Andrea Nezbedová slashed off Marek Hruska's demonic wings and she sliced off a demonic looking pendant from his neck and she threw it into the ground and stomped on it hard and her boot destroyed it.

Marek Hruska: (Czech Accent) NO! NO! MY PENDANT!

Suddenly, Marek Hruska's eyes glowed with purple light and dark smoke was coming off him, and then, he let out an unearthly scream as he was consumed by black flames and sent to The Black Gates forever. We all cheered wildly for what Andrea Nezbedová and Lincoln did as they holstered their massive greatswords and powered down and Andrea Nezbedová's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple angel wings are permanent.

Andrea Nezbedová: (Czech Accent) Rot forever in The Black Gates, bastard. Thank you for helping me destroy Marek Hruska for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Andrea.

Suddenly, Andrea Nezbedová wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Andrea Nezbedová's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Mythical Beast Master Cerberus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and magic behind them and we cheered wildly. Then, Lincoln and Andrea Nezbedová sucked in and absorbed the elemental forces and magic and they came back to us as the display vanished.

Me: That was one awesome battle, and that demonic pendant that you destroyed, it's almost like the talisman Chandler had when he made that deal with The Devil.

Andrea Nezbedová: (Czech Accent) You are correct, J.D., that talisman Marek Hruska had was the symbol of his deal with The Devil and it helped us track him and his minions down.

Nico: And when you destroyed it, it destroyed him for good, but why didn't he get sent back to Hell for good like with Chandler? (Realizes what Andrea did) Wait a second, you channeled Black Gate energy into your feet, didn't you?

Lincoln: She did, and when that happened, it sent Marek Hruska straight to The Black Gates for good.

Eli: Good riddance, but Josef Sedlacek and Antonin Ruzicka are still running loose.

Nico: Without a doubt, Josef Sedlacek will no doubt come after Laura and her friends next.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Then, we saw who it was causing trouble: it was the clones of Flurious, Moltor, Miratrix, Kamdor, Mig, Benglo, Crazar, Cheetar, Thrax, Giant Sea Creature, Atlantis Temple, Ultrog, Weather Machine Monster, Bombardo, Volkan, Big Mouth Monster, Scaletex, Camera Monster, Amplifier Monster, Bullox, Top Hat, Blothgaar, Generalissimo, Vulturus, Datum, Garbage Warrior, Golem Warrior, Statue Warrior, Kunoichi Monster, Prince Warrior, and Magmador heading right for us.

Mack Hartford: What the?! Clones of Flurious, Moltor, and our enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Tyzonn: Why that sore loser, let's get them!

Lincoln fired powerful rainbow energy blasts at the clones of Flurious, Moltor, Miratrix, Kamdor, Mig, Benglo, Crazar, Cheetar, Thrax, Giant Sea Creature, Atlantis Temple, Ultrog, Weather

Machine Monster, Bombardo, Volkan, Big Mouth Monster, Scaletex, Camera Monster, Amplifier Monster, Bullox, Top Hat, Blothgaar, Generalissimo, Vulturus, Datum, Garbage Warrior, Golem Warrior, Statue Warrior, Kunoichi Monster, Prince Warrior, and Magmador and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Flurious, Moltor, Miratrix, Kamdor, Mig, Benglo, Crazar, Cheetar, Thrax, Giant Sea Creature, Atlantis Temple, Ultrog, Weather Machine Monster, Bombardo, Volkan, Big Mouth Monster, Scaletex, Camera Monster, Amplifier Monster, Bullox, Top Hat, Blothgaar, Generalissimo, Vulturus, Datum, Garbage Warrior, Golem Warrior, Statue Warrior, Kunoichi Monster, Prince Warrior, and Magmador, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

Mack Hartford: I can't believe that sore loser made clones of our old enemies and tried to attack us yet again after you and Andrea got rid of Marek Hruska.

Lincoln: He's never going to learn his lesson, but it's been helping all of us in preparing for our huge confrontation with Rita Repulsa and Lord Zedd in November.

Me: Yeah, with you absorbing the clones of The Power Rangers' most dangerous enemies in the past few days and why he and all of you have been getting all of their powers, strengths, and abilities. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Here's one that's familiar to Flora, her name is Lauren Linphea, Fairy Guardian and Avatar of Linphea.

Flora: I knew you'd choose her, and this is something that all of you should also hear as well, Lauren Linphea is Lincoln's Guardian Angel from Domino and and she's an extremely powerful master of nature and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's my older sister.

Me: WOW!

Nico: That's really awesome!

Flora: It sure is, and she's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Lauren Linphea came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using nature and magic, and over time, Lincoln became a powerful master of nature and magic, and she hates Lynn with a blazing passion, because one time, when Lauren and Lincoln were walking home from the park, that mega aggressive belching farting superstitious monster came out of nowhere and stabbed Lincoln multiple times in the stomach with brass knuckles and she was laughing like the insane monster she was, and that got Lauren so furious, she fired a massively powerful green magic blast that hit the ground right near Lynn's and thorn-covered vines sprouted out and they lashed out at Lynn, and that made Lynn extremely furious and she tried to kill Lauren, but Lincoln who made a swift recovery and his wounds sealed up charged at Lynn and he used his martial arts and he kicked Lynn's behind and took her down, and he and Lauren literally kicked Lynn in her smelly butt and sent her flying back to The Loud House and when the family all found out from Lincoln and Lauren of what Lynn did, they really tore her apart and they didn't ground her: they did something much worse, they called the cops and had Lynn sent to jail for nine months. When Lynn came back, she was really horrified by what she'd seen in jail and ran up to her room in fright. Eventually, Lynn finally had to work hard and she had earned everyone's forgiveness, but the only thing she earned from Lauren was nothing but hatred for she knew Lynn would easily go back to the mega aggressive belching farting superstitious monster that she is, and she swore if Lynn ever went after her brother again, Lauren would make sure that Lynn would burn for all eternity in the flames of Hell.

We gasped.

Nico: Lynn did what to Lincoln?! AND IN FULL VIEW OF THE PUBLIC?!

Luna: Yeah, it trumped all of the other horrible things Lynn's done to our bro in the past, but she's done a lot of horrible things to him before that still hadn't come close to that!

Laney: We were almost that close to trying to kill Lynn, but Mom and Dad made sure she'd learn her lesson the hard way in jail.

Luan: Lynn worked hard to earn our forgiveness, but the only thing that she earned from Diana was nothing but hatred.

Leni: She really went too far that day, and even Lincoln wouldn't forgive her that easily either.

Me: I didn't blame him though, we both know that Killjoy Huggins and Chase Young's Dark Side were to blame for Lynn easily changing back into the mega aggressive belching farting superstitious monster everyone despised.

Luna: Eventually, she did earn his forgiveness, but none of his Guardian Angels would forgive her for any of her wrongdoings against him in the past, so she was still on thin ice with them.

Lincoln: And we'll be taking a three-day break from main missions, but the rescues for me and Nico are still going to continue.

Me: Good idea, Lincoln.

Nico: Yeah, we still got to round up more of the scumbags that Mandy's equally snobbish, sadistic, and psychopathic cousin's has let out, along with you absorbing more clones of The Power Rangers' enemies, the remnants of Universe 666 Sebastian's residual darkness to prepare us for the showdown with Rita Repulsa and Lord Zedd, and destroying Josef Sedlacek and Antonin Ruzicka who are still running loose.

Abra Kadabra: It's over. All the Lego Marvel Worlds are back to normal.

Ragdoll: But we can access Chronopolis again at any time

Batroc: Of course we can.

Whiteout: Now what?

Evil Green Ranger: We take 5 days off.

Me: Yep.

Nico: We sure can. Lets celebrate at Lynn's Table.

Eli: Awesome!

Nico: Great job today everyone.

Twilight Sparkle: (To the viewers) This was an awesome saga.

Me: Yep.

We went to Lynn's Table and had a great party. And then we went back home and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to San Francisco, but we got bad news: clones of Sledge, Snide, Wrench, Poisandra, Fury, Curio, Lord Arcanon, Singe, Doomwing, Iceage, Scrapper, Slammer, Spellbinder, Cavity, Stingrage, Duplicon, Puzzler, Bones, Smokescreen, Gold Digger, G-BO, Memorella, Shearfear, Meteor, Wish Star, Greenzilla, Cloaked Alien, Nightmare, Ninja, Hunter, Game Face, Spell Digger, Half-Bake, Hookbeard, Beauticruel, Scumlaw, Leisure, Loafer, Fortress, Screech, Conductro, Professor Strickler, Badussa, and Heximas were sighted, and bad news, they were created by another manifestation of Universe 666 Sebastian's residual darkness, and he went into hiding again. So, we got to destroy the clones of Sledge, Snide, Wrench, Poisandra, Fury, Curio, Lord Arcanon, Singe, Doomwing, Iceage, Scrapper, Slammer, Spellbinder, Cavity, Stingrage, Duplicon, Puzzler, Bones, Smokescreen, Gold Digger, G-BO, Memorella, Shearfear, Meteor, Wish Star, Greenzilla, Cloaked Alien, Nightmare, Ninja, Hunter, Game Face, Spell Digger, Half-Bake, Hookbeard, Beauticruel, Scumlaw, Leisure, Loafer, Fortress, Screech, Conductro, Professor Strickler, Badussa, and Heximas, and once that's done, it'll lure out the manifestation of Universe 666 Sebastian's residual darkness and we'll destroy him.

And we're going to meet Lauren Linphea, Fairy Guardian and Avatar of Linphea, she's Lincoln's Guardian Angel from Domino and and she's an extremely powerful master of nature and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's Flora's older sister. She's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years. Lauren Linphea came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using nature and magic, and over time, Lincoln became a powerful master of nature and magic, and she hates Lynn with a blazing passion, because one time, when Lauren and Lincoln were walking home from the park, that mega aggressive belching farting superstitious monster came out of nowhere and stabbed Lincoln multiple times in the stomach with brass knuckles and she was laughing like the insane monster she was, and that got Lauren so furious, she fired a massively powerful green magic blast that hit the ground right near Lynn's and thorn-covered vines sprouted out and they lashed out at Lynn, and that made Lynn extremely furious and she tried to kill Lauren, but Lincoln who made a swift recovery and his wounds sealed up charged at Lynn and he used his martial arts and he kicked Lynn's behind and took her down, and he and Lauren literally kicked Lynn in her smelly butt and sent her flying back to The Loud House and when the family all found out from Lincoln and Lauren of what Lynn did, they really tore her apart and they didn't ground her: they did something much worse, they called the cops and had Lynn sent to jail for nine months. When Lynn came back, she was really horrified by what she'd seen in jail and ran up to her room in fright. Eventually, Lynn finally had to work hard and she had earned everyone's forgiveness, but the only thing she earned from Lauren was nothing but hatred for she knew Lynn would easily go back to the mega aggressive belching farting superstitious monster that she is, and she swore if Lynn ever went after her brother again, Lauren would make sure that Lynn would burn for all eternity in the flames of Hell.

I'm on break now for 3 days so No new chapters until the 20th of October.

See you shortly.

Lincoln: Whoa, we're here in San Francisco, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news: clones of Sledge, Snide, Wrench, Poisandra, Fury, Curio, Lord Arcanon, Singe, Doomwing, Iceage, Scrapper, Slammer, Spellbinder, Cavity, Stingrage, Duplicon, Puzzler, Bones, Smokescreen, Gold Digger, G-BO, Memorella, Shearfear, Meteor, Wish Star, Greenzilla, Cloaked Alien, Nightmare, Ninja, Hunter, Game Face, Spell Digger, Half-Bake, Hookbeard, Beauticruel, Scumlaw, Leisure, Loafer, Fortress, Screech, Conductro, Professor Strickler, Badussa, and Heximas were sighted, and bad news, they were created by another manifestation of Universe 666 Sebastian's residual darkness, and he went into hiding again.

We gasped.

Me: Why, that little… !

Tyler Navarro: Now, he's gone and made clones of our old enemies? Boy, he really doesn't know when to quit.

Nicole: He sure doesn't, Tyler. He's just making things a whole lot worse for himself, even though he's already dead.

Nico: You got that right, but with the upcoming battle against Rita Repulsa and Lord Zedd, we really got to be prepared for them both.

Lincoln: That's right, and I've been wanting another shot at getting rid of Sledge and Poisandra once more!

Lori: They literally are a match made in Hell.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and pink hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful orange angel wings, she's dressed in a pink sleeveless crop top, necklace with dark blue gem for the pendant, pink skirt, white bridal gloves, pink knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, plants, leaves, flowers, dryads, phoenixes, and angels on the coattails and on the back is the planet Linphea, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the five girls.

Lincoln: (GASPS) Lauren Linphea, Fairy Guardian and Avatar of Linphea.

Lauren Linphea: That's right, and I got the girls away from the clone of Sledge, but the clones of Snide, Wrench, Poisandra, Fury, Curio, Lord Arcanon, Singe, Doomwing, Iceage, Scrapper, Slammer, Spellbinder, Cavity, Stingrage, Duplicon, Puzzler, Bones, Smokescreen, Gold Digger, G-BO, Memorella, Shearfear, Meteor, Wish Star, Greenzilla, Cloaked Alien, Nightmare, Ninja, Hunter, Game Face, Spell Digger, Half-Bake, Hookbeard, Beauticruel, Scumlaw, Leisure, Loafer, Fortress, Screech, Conductro, Professor Strickler, Badussa, and Heximas are heading here to attack us.

Suddenly, we saw the clones of Snide, Wrench, Poisandra, Fury, Curio, Lord Arcanon, Singe, Doomwing, Iceage, Scrapper, Slammer, Spellbinder, Cavity, Stingrage, Duplicon, Puzzler, Bones, Smokescreen, Gold Digger, G-BO, Memorella, Shearfear, Meteor, Wish Star, Greenzilla, Cloaked Alien, Nightmare, Ninja, Hunter, Game Face, Spell Digger, Half-Bake, Hookbeard, Beauticruel, Scumlaw, Leisure, Loafer, Fortress, Screech, Conductro, Professor Strickler, Badussa, and Heximas as they went at us, but we stood ready and we fired powerful energy blasts at them and knocked them all down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Snide, Wrench, Poisandra, Fury, Curio, Lord Arcanon, Singe, Doomwing, Iceage, Scrapper, Slammer, Spellbinder, Cavity, Stingrage, Duplicon, Puzzler, Bones, Smokescreen, Gold Digger, G-BO, Memorella, Shearfear, Meteor, Wish Star, Greenzilla, Cloaked Alien, Nightmare, Ninja, Hunter, Game Face, Spell Digger, Half-Bake, Hookbeard, Beauticruel, Scumlaw, Leisure, Loafer, Fortress, Screech, Conductro, Professor Strickler, Badussa, and Heximas and he began absorbing them into him as he and all of us assimilated all of their powers, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and all that's left is the clone of Mesogog.

?: (ENRAGED LOUD ROAR) RANGERS! TEAM LOUD PHOENIX STORM! I WILL DESTROY YOU ALL!

We then saw our target, the clone of Sledge, and he was out to destroy us, and boy was he really really really angry and mad now!

Sylvester: He's just as monstrous and ferocious as the original one.

Dragon Musk Ox Justice and Divine Sub-Zero Arctic Thundersnow Ice Dragon Musk Ox Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholstered our massive greatswords and we transformed, and we went after the clone of Sledge, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed the Sledge clone and he began absorbing him as he assimilated all of his powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, when Lincoln was done and the stingers changed back, nothing was left of him, and he sent the clones' spirits to The Black Gates. We cheered as we holstered our weapons and powered down.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants. (To Lauren Linphea) And it's so good to see you again, Lauren Linphea.

Lauren Linphea: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Lauren Linphea and he hugged her, and Lauren Linphea is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lauren Linphea: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really

grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Lauren Linphea, Fairy Guardian and Avatar of Linphea, she's my Guardian Angel from Domino and and she's an extremely powerful master of nature and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's Flora's older sister. She's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Lauren Linphea came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using nature and magic, and over time, Lincoln became a powerful master of nature and magic.

Michelle Emperyous: And she hates Lynn with a blazing passion, because one time, when Lauren and Lincoln were walking home from the park, that mega aggressive belching farting superstitious monster came out of nowhere and stabbed Lincoln multiple times in the stomach with brass knuckles and she was laughing like the insane monster she was, and that got Lauren so furious, she fired a massively powerful green magic blast that hit the ground right near Lynn's and thorn-covered vines sprouted out and they lashed out at Lynn, and that made Lynn extremely furious and she tried to kill Lauren, but Lincoln who made a swift recovery and his wounds sealed up charged at Lynn and he used his martial arts and he kicked Lynn's behind and took her down, and he and Lauren literally kicked Lynn in her smelly butt and sent her flying back to The Loud

House and when the family all found out from Lincoln and Lauren of what Lynn did, they really tore her apart and they didn't ground her: they did something much worse, they called the cops and had Lynn sent to jail for nine months. When Lynn came back, she was really horrified by what she'd seen in jail and ran up to her room in fright. Eventually, Lynn finally had to work hard and she had earned everyone's forgiveness, but the only thing she earned from Lauren was nothing but hatred for she knew Lynn would easily go back to the mega aggressive belching farting superstitious monster that she is, and she swore if Lynn ever went after her brother again, Lauren would make sure that Lynn would burn for all eternity in the flames of Hell.

Eli: We were all shocked when Selene told us that yesterday.

Lauren Linphea: But, when the rumors coming out that Killjoy Huggins and Chase Young's Dark Side, the true sources of Lincoln's pain and suffering and the real reason why Lori, Lynn, Lola, Lisa, and Luan became the insufferable monsters we hated hit my ears, I was shocked.

Lincoln: You weren't the only one, when the other Guardian Angels found out, they too got pissed off big time, but we finally got rid of Principal Huggins' dark side, Killjoy Huggins, and Chase Young's Dark Side forever and ended the suffering we'd gone through, and now that you're here, Lauren.

Lincoln went up to and hugged Lauren Linphea in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Lauren Linphea: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Lauren Linphea's neck with green gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lauren Linphea: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lauren Linphea.

Lauren Linphea had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Yumiella Dolkness, Alicia Ehnleit, and Eleanora Hillrose from Villainess Level 99 and Nin and Luna from The Strongest Tank's Labyrinth Raids.

Lincoln: Oh wow, it's Yumiella Dolkness, Alicia Ehnleit, and Eleanora Hillrose from Villainess Level 99 and Nin and Luna from The Strongest Tank's Labyrinth Raids.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Yumiella Dolkness: Yes, we're okay, thanks to you.

Yumiella Dolkness: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he

gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yumiella Dolkness: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yumiella Dolkness, Alicia Ehnleit, Eleanora Hillrose, Nin, and Luna with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Sledge and his minions created by another manifestation of Universe 666 Sebastian's residual darkness.

But, when Lincoln showed what we all did in beating them down and Lincoln stabbing them with his Cell Stinger tips on his tails and he absorbed them into him and assimilated all their powers, strength, and abilities which forced out the manifestation of Universe 666 Sebastian's residual darkness and he was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Lauren Linphea have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so another manifestation of Universe 666 Sebastian's residual darkness was here and it created clones of Sledge and his former minions?!

Lincoln: Yep, but just like what happened, I absorbed them and we all assimilated all their powers, strength, and abilities.

Nico: Along with banishing their souls to The Black Gates and it also forced out another remnant of Universe 666 Sebastian's residual darkness and he too got destroyed and sent to The Black Gates.

Me: He really refused to give up and just die, what a sore loser.

---

After Lincoln absorbed the clones of Sledge and his minions and destroyed another manifestation of Universe 666 Sebastian's residual darkness, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lauren Linphea saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Lauren Linphea: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of

hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Lauren, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Lauren Linphea: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Lauren Linphea: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Venjix, General Crunch, General Shifter, Tenaya, Kilobyte, Generation 5 Attack Bot, Generation 9 Amphibious Attack Bot (Water Hoser), Subterranean Plutonic Gopher Bot, Generation 9 Noz Bot Attack System, Magnetron, Pump Attack Bot, Boom Bot, Camera Attack Bot, Drill Attack Bot, Generation 12 Reflects Bot, Gat Bot, Broiler Bot, Sat Bot, Lightning

Bot, Oil Bot, Dyna Bot, Vacuum Bot, Saw Bot Generation 15, Generation 16 Saw Bot, Balloon Bot, Generation 3 Textile Bot, Manhole Bot, Knight Bot, Hammer Attack Bot, Generation 3 Chemical Bot, Dowser Bot, Series 2 Rotor Bot, Heat Bot, Generation 16 Hyper Bot, Dumbbell Bot, Generation 12 Energy Bot, and Final Attack Bot.

Scott Truman: What the?! Now, we got clones of Venjix and our old enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Nadira: What a sore loser, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of Venjix, General Crunch, General Shifter, Tenaya, Kilobyte, Generation 5 Attack Bot, Generation 9 Amphibious Attack Bot (Water Hoser), Subterranean Plutonic Gopher Bot, Generation 9 Noz Bot Attack System, Magnetron, Pump Attack Bot, Boom Bot, Camera Attack Bot, Drill Attack Bot, Generation 12 Reflects Bot, Gat Bot, Broiler Bot, Sat Bot, Lightning Bot, Oil Bot, Dyna Bot, Vacuum Bot, Saw Bot Generation 15, Generation 16 Saw Bot, Balloon Bot, Generation 3 Textile Bot, Manhole Bot, Knight Bot, Hammer Attack Bot, Generation 3 Chemical Bot, Dowser Bot, Series 2 Rotor Bot, Heat Bot, Generation 16 Hyper Bot, Dumbbell Bot, Generation 12 Energy Bot, and Final Attack Bot and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers which opened up into large suctions, and one by one, he latched them onto the clones of Venjix, General Crunch, General Shifter, Tenaya, Kilobyte, Generation 5 Attack Bot, Generation 9 Amphibious Attack Bot (Water Hoser), Subterranean Plutonic Gopher Bot, Generation 9 Noz Bot Attack System, Magnetron, Pump Attack Bot, Boom Bot, Camera Attack Bot, Drill Attack Bot, Generation 12 Reflects Bot, Gat Bot, Broiler Bot, Sat Bot, Lightning Bot, Oil Bot, Dyna Bot, Vacuum Bot, Saw Bot Generation 15, Generation 16 Saw Bot, Balloon Bot, Generation 3 Textile Bot, Manhole Bot, Knight Bot, Hammer Attack Bot, Generation 3 Chemical Bot, Dowser Bot, Series 2 Rotor Bot, Heat Bot, Generation 16 Hyper Bot, Dumbbell Bot, Generation 12 Energy Bot, and Final Attack Bot, and then, Lincoln began sucking them all into his body and absorbed them and he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: I can't believe that sore loser created clones of the RPM Rangers' enemies.

Me: Yeah, he really is a sore loser.

Scott Truman: He just never gives up.

Lincoln: You said it. But, let him keep sending more clones of the Power Rangers' enemies, he knows I'll absorb them and I'll destroy him. But, of course, I know this isn't the end of those remnants of that lunatic.

Nico: Yeah, he's never going to quit until we're destroyed, he's even worse than that fucked-up dark asshole, Damian Alaister and The Church of Necrom.

Nicholette Torrington: You said a mouthful, and Katnappe's right, Lincoln's preparing us for the day we finally battle Lord Zedd and Rita Repulsa in November by going after and absorbing the clones of The Rangers' most dangerous enemies and why he and all of us have been getting all of their powers, strengths, and abilities.

Nico: Whoa!

Me: That's so awesome! Lincoln, you really are The Man With A Plan!

Lincoln: Thanks.

We got a shower afterwards, and then, Lincoln, Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong

Pooh all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Militsa: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Militsa, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh are in your harem, Linky.

Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh showed the marks Lincoln made on the right sides of their necks.

Eli: Wow, I knew Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh had feelings for him, and I knew he'd mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Ilene Rembrandt, Militsa, Universe 666 Melanie, Universe 666 Ageha, and Universe 666 Tong Pooh, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and Yuma killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

The mascots and Rice were walking to get cookies for the wedding for Tyranno and Maxxine.

Rice: Thanks for going with me to get cookies, guys

Poromon: No problem Maxxine. This is gonna be awesome.

Poliwag: Yeah it sure is.

Manaphy: Love good cookies.

Horsea: Now where to find any.

They looked around.

Rice: There's a good one.

They saw one called Cookies Of Secrets.

Rice: Nice place.

Poromon opened the door… and immediately shut it.

Poromon: WHOA! (BLUSHES IN EMBARRASSMENT)

Rice: What's wrong?

Poromon: Look.

She looked and saw that it was not just a cookie shop but also A

STRIP CLUB! There were naked girls dancing there and even JIRAIYA HIMSELF WAS THERE!

Jiraiya: OH YEAH! LOVE GOOD GIRLS!

Rice: A strip club with a cookie shop? That's unheard of! Nicole is going to have a field day when she hears about this

Poliwag: Lets just grab cookies and go.

Rice: Right. Lets go.

ZOOM!

They went in and bought ALL THE COOKIES THEY HAD!

Then she called Nicole.

Nicole: Hello?

Rice: Nicole we got a situation.

Nicole: What's going on?

Rice told her and the camera zoomed out to show the tree.

Nicole: THERE'S A WHAT!?

The tree shook from Nicole's anger!

UH OH!

ZOOM!

Nicole went into the shop and then…

SOUNDS OF BRUTAL AND FEROCIOUS FIGHTING!

NICOLE BEAT UP ALL THE PERVERTS THERE AND VICIOUSLY MANGLED THEM UP!

Rice: OH THE INHUMANITY!

Poromon: BRUTAL!

The perverts were taken to the hospital and their wives and girlfriends were going to be STEAMED AS HELL!

Nicole: That takes care of that.

Horsea: I swear we got out of there quickly!

Nicole: I know and those cookies all are perfect for the wedding. Good job guys.

Poromon: What about the women there?

Nicole: They are glad that they were saved from there. Turns out the manager was a jerk and an extortioner. He was blackmailing the girls into being strippers.

They saw the manager and he was pissed.

Nicole: No one disrespects the dignity of women on my watch! Plenty of crap to do where you're going!

They loaded him and took him away.

Rice: Good riddance.

The women were safe.

Later at Canterlot Palace it was time for the Double Wedding of Luna & Sam and Tyranno & Maxxine. We were all gussied up in our special outfits and more. All of Maxxine and Tyranno's friends and family and Sam and Luna's friends and family were there too including their parents. It was awesome. It was also the first ever pride wedding we ever did for Sam and Luna.

Me: I'm so excited for this.

Nico: Me too.

Eli: We never had a Pride wedding before.

Me: I know.

Shining Armor was crying his eyes out.

Princess Cadance: It's all right. He cries at weddings.

Shining Armor: (CRYING HARD)

Me: Aww he gets so choked up at weddings.

Tyranno: Yeah. I'm really nervous J.D.

Me: Don't be Tyranno. You're going to be great.

His muscles were really show in his yellow tuxedo for Ra Yellow.

Me: I hope your muscles don't rip your tuxedo.

Tyranno: Don't worry boss. I'll be fine.

Me: Good.

The wedding march began and then the doors opened and in came Apple Bloom, Sweetie Belle and Scootaloo as flower girls and in came Maxxine and she was dressed in an awesome Red Wedding dress that was adorned with red rubies and jewels and Sam and Luna came in and they were both being escorted by Poliwag and Poromon. Sam and Luna had amazing Rainbow Pride Wedding Dresses on and they were covered in rainbow jewels.

Me: Wow Tyranno, Maxxine looks so beautiful in that dress.

Tyranno: She sure does boss.

Nico: Rarity really outdid herself big time on those dresses.

Eli: She sure did.

Lynn Sr. and Rita were weeping tears of joy for Luna and Sam and so were Sam's parents and little brother Simon.

They came to the alter and we got the wedding underway.

Princess Celestia: Mares and Gentlecolts, Ladies and Gentlemen, we are gathered here today to celebrate in holy matrimony and the union of Samantha Sharp and Luna Loud and Maxxine Stennson and Tyranno Hassleberry.

We got the vows and everything done and it was done.

Princess Celestia: And so it gives me great pride in the honor of the love and grace of God. I now pronouce you all husband and wive.

WE CHEERED WILDLY AS THEY WERE MARRIED!

Nico: WOOHOO!

Qin: YEAH!

We were so happy for them.

---

At the reception at Lynn's Table everyone was so happy for them.

Me: Sam, Congratulations to you and Luna.

Sam S.L.: Thanks J.D. It feels so great.

Me: I'm glad you are happy. After everything you and Luna went through you more than earned this.

Nico: Darn tooting.

Luna: I agree there dudes.

Maxxine: It was so fun and we have some best news for you.

We saw the baby bump on Maxxine.

Me: (GASP) I don't believe it.

Nico: Maxxine!

Maxxine: Yep. We're having tripplets.

Nico: Congratulations!

Xenia: Awesome!

Me: Aww way to go.

We had an awesome reception and it was fun.

---

We were busy taking our time off, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have any main missions, but I still got to keep myself busy.

Me: That's true, we're also doing work-outs just like you, Lincoln.

Nico: And of course, we still got clones of the enemies of The Ninja Steel Rangers, Beast Morpher Rangers, and Dino Fury Rangers for you to absorb, along with destroying the last few remnants of Universe 666 Sebastian's residual darkness, and destroying those other two serial killers from the Czech Republic, and once they are taken care of, then, we can go after Mandy's cousin, Mindy, and make that bitch pay.

Lincoln: You got that right.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

Nico: If Lincoln were to get into any weightlifting competitions, he'd easily win big time.

Kiara Kessler: Same with bodybuilding competitions as well. We should do just that, there's one that's happening tomorrow at the gym.

Lincoln: Awesome.

Lincoln teleported and registered for the bodybuilding competition tomorrow, and then, he came back and continued his workouts. Then, when he was all done, Lincoln went upstairs and got a shower and a change of clothes.

Lincoln: That was an awesome workout, now if I'm not mistaken, Josef Sedlacek should be coming after us… right now!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Josef Sedlacek, the sixth of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda. When we saw it, we knew it meant trouble.

Lincoln: Aha, Gotcha!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, the next person coming after us is Josef Sedlacek, the sixth of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda.

Radana Růžičková: (Czech Accent) That loser, I knew he'd be the next one we'd go after.

Lincoln: And it's just like I said, with Tobias Svoboda dead, Josef

Sedlacek and Antonin Ruzicka are basically running around like headless chickens, and they're only wanting one thing: revenge. Unfortunately for them, their skills in black magic are nothing compared to ours, and we've dealt with those who've sold their souls to The Devil for dark powers before.

Me: It always ends with you stripping them of their powers and getting destroyed and sent to The Black Gates.

Eli: He never did that with The Order of The Black Cross nor The Chernabog Sisters, J.D., he flat-out killed them.

Lincoln: That's right.

Nico: Eh, either way, those six are going to follow Tobias straight to The Black Gates later on today. Alright, gang, let's go, we may not have any main missions today, but we better deal with Josef Sedlacek.

Lincoln: Yeah, we can't let that bloodthirsty murderous serial killer run free any longer, he's going to join the rest of his allies in The Black Gates, where they will suffer for eternity for the victims that they've slain.

Radana Růžičková: (Czech Accent) You and the others made a very huge mistake escaping from Hell, Josef. I would've thought we were finally rid of you after we banished you, Tobias, and your allies seven years ago to Hell, but not even Hell will keep you seven trapped for good. Very well, you'll suffer the same fate as Tobias, and we'll make sure you never rise again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the park, so that Lincoln and Radana Růžičková can destroy Josef Sedlacek, the sixth of the Czech Republic's seven infamous Satanic serial killers.

We arrived at the park to hunt down our target: Josef Sedlacek, the sixth of the Czech Republic's seven Satanic serial killers.

Nico: We made it. Now, where is Josef Sedlacek?

Lincoln: (Sniffs the air) He's here alright, the stench of brimstone and blood is in the air.

Me: Brimstone, only the denizens of Hell would have that.

?: (Czech Accent) LAURA BARANKOVA, YOU AND YOUR FRIENDS WILL DIE FOR BANISHING US ALL TO HELL SEVEN YEARS AGO!

Suddenly, the twelve large planets and stars orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of brimstone and Hellfire from anywhere, come on out right now, Josef Sedlacek, or we will force you out.

A figure came out: he was a male with long black hair, pale skin, dark clothes, he has black demonic wings, and blood red eyes full of hatred, it was Josef Sedlacek, one of the seven infamous Satanic serial killers from the Czech Republic.

Radana Růžičková: (Czech Accent) You Hellfire-dwelling rotten black hearted piece of fucking shit!

Nicholette Torrington: I should've known you'd show up here once again, you fucking asskisser of The Devil!

Nico: So, that's Josef Sedlacek, one of the seven infamous Satanic serial killers from the Czech Republic.

Radana Růžičková: (Czech Accent) That's right, and he's still as dangerous as ever.

Me: And with many of his friends dead, he's still out for revenge.

Josef Sedlacek: (Czech Accent) DIE!

Josef Sedlacek fired a blast of Hellfire at Nico and I, but the diamond barrier that's still up absorbed the Hellfire blast and that majorly pissed off Josef Sedlacek.

Radana Růžičková: (Czech Accent) Okay, now you're going to get it.

Suddenly, Radana Růžičková's blue eyes turned neon blue and she was surrounded by a purple energy aura with stars, magic, reptiles, snakes, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Josef Sedlacek, she left purple energy, stars, magic, reptiles, snakes, phoenixes, and angels with every step.

Radana Růžičková: (Czech Accent) I'm not surprised to know that your thirst for blood is still as bad as ever, Josef Sedlacek. But, what also angers me is that after seven years of being imprisoned in Hell, you and your minions haven't learned a single thing and that you're still out to kill and slaughter any who get in your way of appeasing your dark master, The Devil. We made the big mistake using that binding spell to banish you seven to Hell seven years ago, but now, we're going to fix that, and this time, you're going to die here and now, and we'll make sure you never rise again!

Suddenly, Radana Růžičková was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there are dogs, reptiles, snakes, phoenixes, angels, and Mythical Beast Medusa flying around the vortex, and in the vortex is a light purple phoenix with red eyes glaring at Josef Sedlacek: the red eyes of eternal death. Then, as the vortex faded, Radana Růžičková emerged, but she was changed forever.

Radana Růžičková grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has light purple highlights in the bangs of her long now dark purple hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a purple energy aura with stars, magic, reptiles, snakes, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed, and it's now an immense protective neon rainbow aura with all of the elements swirling around it, she has Mythical Beast Medusa emblazoned on her forehead and Third Eye with blue iris, she has on snake earrings with blue gems for eyes and holding the Star, Light, Magic, and Eternity Kanjis around its tails, she also has Mythical Beast Medusa with blue gems for eyes and holding the the Star, Light, Magic, and Eternity Kanjis in his hands for the second pendant on the bottom of her purple snake-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Radana Růžičková has on a short-sleeved purple midriff shirt, purple skirt, purple pants, purple anklewarmers, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, magic, reptiles, snakes, phoenixes, and angels on the coattails, and on the back is Mythical Beast Medusa surrounded by stars and magic. Suddenly, Radana Růžičková felt a sharp pain on her back, and then, her massive dark purple angel wings with pink tips on the large dark purple feathers grew much bigger for her new body and she also now has eleven massive and long purple wolf tails with light purple tips and light purple markings, Radana Růžičková has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Radana Růžičková's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, magic, reptiles, snakes, phoenixes, and angels, and when it emerged, it was transformed into Radana Růžičková's Cosmic Eternal Magic Starstorm Solar Mythical Beast Medusa

Phoenix Angel Greatsword of Cosmic Eternal Magic Starstorm Solar Mythical Beast Medusa Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Mythical Beast Medusa etched on the 7'6" massive, wide, double-edged gold blade, large purple snake heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple snake heads with blue gems for eyes and on the bottom of the large purple snake heads is a large purple snake head with blue gems for eyes and blue gem in its mouth for the pommel, Radana Růžičková has on her large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Mythical Beast Medusa's head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large angel spellbook, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Radana Růžičková's Super Angel-Mythical Beast Medusa-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Josef Sedlacek saw it, he went mad with rage and fired a blast of darkness to kill her, but Radana Růžičková fired a massive barrage of purple energy, stars, magic, reptiles, snakes, phoenixes, and angels which hit Josef Sedlacek and was sent flying into a tree, he got back up, but now he was pissed off.

Selene Arcangela: Incredible, Radana's transformed, and by the looks of it, Josef is in huge trouble.

Lincoln: He deserves it, after what Radana told me of what he's done, he deserves nothing but death for his crimes.

Radana Růžičková: (Divine Echoing Godly Voice of The Eternal Cosmic Magicstorm Snake Summoner Mythical Beast Medusa Phoenix Angel and Divine Cosmic Eternal Cosmic Magicstorm Snake Summoner Mythical Beast Medusa Phoenix Angel Love) (Czech Accent) There's no other punishment for someone like him. Shall we, Lincoln?

Lincoln: Let's do it, Radana.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Radana Růžičková.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and your friends have got some nerve escaping from Hell, Josef. What you all did in senselessly murdering innocent people in the Czech Republic seven years ago and selling your souls to The Devil for dark powers proves that you are truly irredeemable, and the only thing you deserve is death.

Lincoln and Radana Růžičková went after Josef Sedlacek who continued firing darkness blasts at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, purple energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Josef Sedlacek, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Radana Růžičková also left many more by firing blue energy slashes with her claws, and he and Radana Růžičková attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Josef Sedlacek even more insane with rage than ever.

Josef Sedlacek: (Czech Accent) YOU! YOU! (ENRAGED DEMONIC SCREAM)

Josef Sedlacek went at them now completely blind with insane rage and fury, but Lincoln and Radana Růžičková kicked him hard in the stomach and Lincoln fired blasts of magic at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Josef Sedlacek even farther into the edges of rage and madness.

But before Josef Sedlacek could attack them, Lincoln's large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head glowed and the four large orbiting golden rings fired red energy beams which hit Josef Sedlacek and they sucked out his dark magic and darkness powers and Lincoln made them his own, and that left Josef Sedlacek powerless, and then, Radana Růžičková slashed off Josef Sedlacek's demonic wings and she sliced off a demonic looking pendant from his neck and she threw it into the ground and stomped on it hard and her boot destroyed it.

Josef Sedlacek: (Czech Accent) NO! NO! MY PENDANT!

Suddenly, Josef Sedlacek's eyes glowed with purple light and dark smoke was coming off him, and then, he let out an unearthly scream as he was consumed by black flames and sent to The Black Gates forever. We all cheered wildly for what Radana Růžičková and Lincoln did as they holstered their massive greatswords and powered down and Radana Růžičková's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple angel wings are permanent.

Radana Růžičková: (Czech Accent) Rot forever in The Black Gates, bastard. Thank you for helping me destroy Josef Sedlacek for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Radana.

Suddenly, Radana Růžičková wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Radana Růžičková's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Mythical Beast Medusa flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and magic behind them and we cheered wildly. Then, Lincoln and Radana Růžičková sucked in and absorbed the elemental forces and magic and they came back to us as the display vanished.

Me: That was one awesome battle, and that demonic pendant that you destroyed, it's almost like the talisman Chandler had when he made that deal with The Devil.

Radana Růžičková: (Czech Accent) You are correct, J.D., that talisman Josef Sedlacek had was the symbol of his deal with The Devil and it helped us track him and his minions down.

Nico: And when you destroyed it, it destroyed him for good, but why didn't he get sent back to Hell for good like with Chandler? (Realizes what Radana did) Wait a second, you channeled Black Gate energy into your feet, didn't you?

Lincoln: She did, and when that happened, it sent Josef Sedlacek straight to The Black Gates for good.

Eli: Good riddance, now only Antonin Ruzicka remains.

Nico: Without a doubt, Antonin Ruzicka will no doubt come after Laura and her friends next.

Me: And finish what his pals failed to do, but Lincoln and Marie Nováková are so going to tear him apart and send him to join his goons in The Black Gates forever.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was the clones of Galvanax, Madame Odius, Ripcon, Cosmo Royale, Madame Odius, Badonna, General Tynamon, Brax, Lord Draven, Korvaka, Ripperat, Spinferno, Slogre, Tangleweb, Badpipes, Hacktrack, Stonedozer, Trapsaw, Toxitea, Shoespike, Lord Drillion, Phonepanzee, Cat O'Clock, Abrakadanger, Forcefear, Smellephant, Deceptron, Spyclops, Doomwave, Game Goblin, Wolvermean, Speedwing, Rygore, Venoma, Foxatron, Dreadwolf, Blammo, Typeface, Voltipede, Megamauler, Gorrox, Lavagor, Versix, Fangore, Jabberon, Stabberous, Shelldax, Plasmora, Ackshun, Cleocatra, Ghost Monster, Kuliner Monster, and Snow Fright heading right for us.

Brody Romero: What the?! Clones of Galvanax and our enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Preston Tien: Why that sore loser, let's get them!

Lincoln fired powerful rainbow energy blasts at the clones of Galvanax, Madame Odius, Ripcon, Cosmo Royale, Madame Odius, Badonna, General Tynamon, Brax, Lord Draven, Korvaka, Ripperat, Spinferno, Slogre, Tangleweb, Badpipes, Hacktrack, Stonedozer, Trapsaw, Toxitea, Shoespike, Lord Drillion, Phonepanzee, Cat O'Clock, Abrakadanger, Forcefear, Smellephant, Deceptron, Spyclops, Doomwave, Game Goblin, Wolvermean, Speedwing, Rygore, Venoma, Foxatron, Dreadwolf, Blammo, Typeface, Voltipede, Megamauler, Gorrox, Lavagor, Versix, Fangore, Jabberon, Stabberous, Shelldax, Plasmora, Ackshun, Cleocatra, Ghost Monster, Kuliner Monster, and Snow Fright and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Galvanax, Madame Odius, Ripcon, Cosmo Royale, Madame Odius, Badonna, General

Tynamon, Brax, Lord Draven, Korvaka, Ripperat, Spinferno, Slogre, Tangleweb, Badpipes, Hacktrack, Stonedozer, Trapsaw, Toxitea, Shoespike, Lord Drillion, Phonepanzee, Cat O'Clock, Abrakadanger, Forcefear, Smellephant, Deceptron, Spyclops, Doomwave, Game Goblin, Wolvermean, Speedwing, Rygore, Venoma, Foxatron, Dreadwolf, Blammo, Typeface, Voltipede, Megamauler, Gorrox, Lavagor, Versix, Fangore, Jabberon, Stabberous, Shelldax, Plasmora, Ackshun, Cleocatra, Ghost Monster, Kuliner Monster, and Snow Fright, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

Brody: I can't believe that sore loser made clones of our old enemies and tried to attack us yet again after you and Radana got rid of Josef Sedlacek.

Lincoln: He's never going to learn his lesson, but his plan to get rid of us has actually been helping all of us in preparing for our huge confrontation with Rita Repulsa and Lord Zedd in November.

Me: Yeah, with you absorbing the clones of The Power Rangers' most dangerous enemies in the past few days and why he and all of you have been getting all of their powers, strengths, and abilities. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Here's one that's familiar to Musa, her name is Maria Melody, Fairy Guardian and Avatar of Melody.

Musa: I knew you'd choose her, and this is something that all of you should also hear as well, Maria Melody is Lincoln's Guardian Angel from Melody and and she's an extremely powerful master of music and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's my older sister.

Me: WOW!

Nico: That's really awesome!

Musa: It sure is, and she's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Maria Melody came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using music and magic, and over time, Lincoln became a powerful master of music and magic, and she hates Lola with a blazing passion, because one time, when Maria and Lincoln were walking home from the park, that violent rampaging sociopathic pageant demon came out of nowhere and stabbed Lincoln multiple times in the stomach with scissors and she was laughing like the insane monster she was, and that got Maria so furious, she fired a massively powerful pink magic blast that hit the ground right near Lola's feet and sent her flying into a tree, and that made Lola extremely furious and she tried to kill Maria, but Lincoln who made a swift recovery and his wounds sealed up charged at

Lola and he used his martial arts and he kicked Lola's behind and took her down, and he and Maria literally kicked Lola in her butt and sent her flying back to The Loud House and when the family found out from Lincoln and Maria of what Lola did, they really tore her apart and they didn't ground her: they did something much worse, they sent her to Aunt Ruth's for nine months. When Lola came back, she was really horrified by what she'd seen in jail and ran up to her room in fright. Eventually, Lola had to work hard and she'd earned everyone's forgiveness, but the only thing she earned from Maria was nothing but hatred for she knew Lola would easily go back to the violent rampaging sociopathic pageant demon that she is, and she swore if Lola ever went after her brother again, Maria would make sure that Lola would burn for all eternity in the flames of Hell.

We gasped.

Nico: Lola did what to Lincoln?! AND IN FULL VIEW OF THE PUBLIC?!

Luna: Yeah, it trumped all of the other horrible things Lola's done to our bro in the past, but she's done a lot of horrible things to him before that still hadn't come close to that!

Laney: We were almost that close to trying to kill Lola, but Mom and Dad made sure she'd learn her lesson the hard way in jail.

Luan: Lola worked hard to earn our forgiveness, but the only thing that she earned from Maria was nothing but hatred.

Leni: She really went too far that day, and even Lincoln wouldn't forgive her that easily either.

Me: I didn't blame him though, we both know that Killjoy Huggins and Chase Young's Dark Side were to blame for Lola easily changing back into the violent rampaging sociopathic pageant demon everyone despised.

Luna: Eventually, she did earn his forgiveness, but none of his Guardian Angels would forgive her for any of her wrongdoings against him in the past, so she was still on thin ice with them.

Lincoln: Now, all that's left are the clones of the Beast Morpher Rangers and Dino Fury Rangers. (Suddenly sensed something) Oh, you've got to be kidding.

Me: What's up?

Lincoln: A residual darkness remnant of Universe 666 Sebastian has made clones of Bajillia Naire, Squillia Naire, Inkworth, Doodrip, Jozotic, Omwhyzo, Krymzo, Snoutia, Quaddo, and Jadana.

We gasped.

Zayto: That freak!

Nico: He's gone too far this time!

Lincoln: Wait, he's lumped them together with the clones of the enemies of The Dino Fury Rangers, and they're whom we're going after on my rescue tomorrow.

Cornelia: We'll be ready for them.

Soon, we were getting ready for bed.

Girl Jordan: That's day 1 of our three day break, but yesterday was really wild: I never knew that J.D. got his powers from Kang the Conqueror.

Lily the Mermaid: He in essence made J.D. a God among men, and that caused Team Loud Phoenix Storm to come to life, that was quite a revelation.

As soon as Lincoln's harem stepped into the room, they saw Lincoln sitting on his super extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lincoln: (Seductive Voice) Like what you see, ladies?

Girl Jordan: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their eight-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Lincoln: (Seductive Voice) Hope you're all ready for one wild night.

And with one of his eleven massive and long white tails, Lincoln closed the door closed and locked the door and the barrier activated.

Lincoln: Whoa, we're here in Nevada, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we got bad news: clones of Void Knight, Void Queen, Mucus, Boomtower, Slyther, Wreckmate, Snageye, Boomblaster, Nulleye, Shockhorn, Vypeera, Draknarok, Brineblast, Smashstone, Doomsnake, Wolfgang, Roostafa, Tombtress, Fogshell, Tidemare, Trawler, Stone Triplets, Boneswitch, Fly Sporix Beast, Bitscreem, Occulo, Junkalo, Squashblight, Trackenslash, Flapnarok, Hexcurio, Quickspine, Sugarhit, Clawfare, Crashflood, Nemesis Beast, Reaghoul, Spider Sketch Monster, Lothorn, Sizzurai, Bajillia Naire, Squillia Naire, Inkworth, Doodrip, Jozotic, Omwhyzo, Krymzo, Snoutia, Quaddo, and Jadana were sighted, and bad news, they were created by another manifestation of Universe 666 Sebastian's residual darkness, and he went into hiding again.

We gasped.

Me: Why, that little… !

Tyler Navarro: Now, he's gone and made clones of our old enemies? Boy, he really doesn't know when to quit.

Nicole: He sure doesn't, Tyler. He's just making things a whole lot worse for himself, even though he's already dead.

Nico: You got that right, but with the upcoming battle against Rita Repulsa and Lord Zedd, we really got to be prepared for them both.

Lincoln: That's right, and I've been wanting another shot at getting rid of Sledge and Poisandra once more!

Lori: They literally are a match made in Hell.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair and pink hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful dark blue angel wings, she's dressed in a red sleeveless crop top, necklace with dark blue gem for the pendant, red skirt, white bridal gloves, red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, soundwaves, music notes, phoenixes, and angels on the coattails and on the back is the planet Melody, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the eleven girls.

Lincoln: (GASPS) Maria Melody, Fairy Guardian and Avatar of Melody.

Maria Melody: That's right, and I got the girls away from the clone of Void Queen, but the clones of Void Knight, Mucus, Boomtower, Slyther, Wreckmate, Snageye, Boomblaster, Nulleye, Shockhorn, Vypeera, Draknarok, Brineblast, Smashstone, Doomsnake, Wolfgang, Roostafa, Tombtress, Fogshell, Tidemare, Trawler, Stone Triplets, Boneswitch, Fly Sporix Beast, Bitscreem, Occulo, Junkalo, Squashblight, Trackenslash, Flapnarok, Hexcurio, Quickspine, Sugarhit, Clawfare, Crashflood, Nemesis Beast, Reaghoul, Spider Sketch Monster, Lothorn, Sizzurai, Bajillia Naire, Squillia Naire, Inkworth, Doodrip, Jozotic, Omwhyzo, Krymzo, Snoutia, Quaddo, and Jadana are heading here to attack us.

Suddenly, we saw the clones of Void Knight, Mucus, Boomtower, Slyther, Wreckmate, Snageye, Boomblaster, Nulleye, Shockhorn, Vypeera, Draknarok, Brineblast, Smashstone, Doomsnake, Wolfgang, Roostafa, Tombtress, Fogshell, Tidemare, Trawler, Stone Triplets, Boneswitch, Fly Sporix Beast, Bitscreem, Occulo, Junkalo, Squashblight, Trackenslash, Flapnarok, Hexcurio, Quickspine, Sugarhit, Clawfare, Crashflood, Nemesis Beast, Reaghoul, Spider Sketch Monster, Lothorn, Sizzurai, Bajillia Naire, Squillia Naire, Inkworth, Doodrip, Jozotic, Omwhyzo, Krymzo, Snoutia, Quaddo, and Jadana as they went at us, but we stood ready and we fired powerful energy blasts at them and knocked them all down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one

by one, he stabbed them into the clones of Void Knight, Mucus, Boomtower, Slyther, Wreckmate, Snageye, Boomblaster, Nulleye, Shockhorn, Vypeera, Draknarok, Brineblast, Smashstone, Doomsnake, Wolfgang, Roostafa, Tombtress, Fogshell, Tidemare, Trawler, Stone Triplets, Boneswitch, Fly Sporix Beast, Bitscreem, Occulo, Junkalo, Squashblight, Trackenslash, Flapnarok, Hexcurio, Quickspine, Sugarhit, Clawfare, Crashflood, Nemesis Beast, Reaghoul, Spider Sketch Monster, Lothorn, Sizzurai, Bajillia Naire, Squillia Naire, Inkworth, Doodrip, Jozotic, Omwhyzo, Krymzo, Snoutia, Quaddo, and Jadana and he began absorbing them into him as he and all of us assimilated all of their powers, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and all that's left is the clone of Mesogog.

?: (ENRAGED LOUD ROAR) RANGERS! TEAM LOUD PHOENIX STORM! I WILL DESTROY YOU ALL!

We then saw our target, the clone of Void Queen, and she was out to destroy us, and boy was she really really really angry and mad now!

Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed the Void Queen clone and she began absorbing her as he and all of us assimilated all of her powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, when Lincoln was done and the stingers changed back, nothing was left of her, and he sent the clones' spirits to The Black Gates. We cheered as we holstered our weapons and powered down.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants. (To Maria Melody) And it's so good to see you again, Maria Melody.

Maria Melody: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Maria Melody and he hugged her, and Maria Melody is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maria Melody: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Maria Melody, Fairy Guardian and Avatar of Melody, she's my Guardian Angel from Melody and she's an extremely powerful master of music and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's Musa older sister. She's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Maria Melody came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using music and magic, and over time, Lincoln became a powerful master of music and magic.

Michelle Emperyous: And she hates Lola with a blazing passion, because one time, when Maria and Lincoln were walking home from the park, that violent rampaging sociopathic pageant demon came out of nowhere and stabbed Lincoln multiple times in the stomach with scissors and she was laughing like the insane monster she was, and that got Maria so furious, she fired a massively powerful pink magic blast that hit the ground right near Lola's feet and sent her flying into a tree, and that made Lola extremely furious and she tried to kill Maria, but Lincoln who made a swift recovery and his wounds sealed up charged at Lola and he used his martial arts and he kicked Lola's behind and took her down, and he and Maria literally kicked Lola in her butt and sent her flying back to The Loud House and when the family found out from Lincoln and Maria of what Lola did, they really tore her apart and they didn't ground her: they did something much worse, they sent her to Aunt Ruth's for nine months. When Lola came back, she was really horrified by what she'd seen in jail and ran up to her room in fright. Eventually, Lola had to work hard and she'd earned everyone's forgiveness, but the only thing she earned from Maria was nothing but hatred for she knew Lola would easily go back to the violent rampaging sociopathic pageant demon that she is, and she swore if Lola ever went after her brother again, Maria would make sure that Lola would burn for all eternity in the flames of Hell..

Eli: We were all shocked when Selene told us that yesterday.

Maria Melody: But, when the rumors coming out that Killjoy Huggins and Chase Young's Dark Side, the true sources of Lincoln's pain and suffering and the real reason why Lori, Lynn, Lola, Lisa, and Luan became the insufferable monsters we hated hit my ears, I was shocked.

Lincoln: You weren't the only one, when the other Guardian Angels found out, they too got pissed off big time, but we finally got rid of Principal Huggins' dark side, Killjoy Huggins, and Chase Young's Dark Side forever and ended the suffering we'd gone through, and now that you're here, Maria.

Lincoln went up to and hugged Maria Melody in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Melody: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maria Melody's neck with dark blue gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Melody: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Melody.

Maria Melody had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Akane Kiryuu, Reika Himuro, Kana Izumizak, Ryouko Yabuki, Maki Onigoe, Shizune Toudou, Miyako Sagara, Yuzuho Kinashi, Nagisa, Natsume Kasahara, and Oboro from Sexy Beach Premium Resort.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Akane Kiryuu: Yes, we're okay, thanks to you.

Then, when Akane Kiryuu and the other ten girls saw who it was that saved them from the clones of Void Queen and her minions, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a

Akane Kiryuu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akane Kiryuu: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akane Kiryuu, Reika Himuro, Kana Izumizak, Ryouko Yabuki, Maki Onigoe, Shizune Toudou, Miyako Sagara, Yuzuho Kinashi, Nagisa, Natsume Kasahara, and Oboro with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal

Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Void Queen and her minions created by another manifestation of Universe 666 Sebastian's residual darkness.

But, when Lincoln showed what we all did in beating them down and Lincoln stabbing them with his Cell Stinger tips on his tails and he absorbed them into him and assimilated all their powers, strength, and abilities which forced out the manifestation of Universe 666 Sebastian's residual darkness and he was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Maria Melody have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so another manifestation of Universe 666 Sebastian's residual darkness was here and it created clones of Void Queen and her former minions?!

Lincoln: Yep, but just like what happened, I absorbed them and we all assimilated all their powers, strength, and abilities.

Nico: Along with banishing their souls to The Black Gates and it also forced out another remnant of Universe 666 Sebastian's residual darkness and he too got destroyed and sent to The Black Gates.

Me: He really refused to give up and just die, what a sore loser.

---

After Lincoln absorbed the clones of Void Queen and her minions and destroyed another manifestation of Universe 666 Sebastian's residual darkness, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Melody saw Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Maria Melody: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Maria Melody: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Maria Melody: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Evox, Scrozzle, Robo-Blaze, Robo-Roxy, Vargoyle, Cycletron, Needletron, Shoveltron, Slicertron, Meltatron, Railtron, Vacuutron, Antennatron, Drilltron, Tooltron, Clonetron, Tubatron, Tubatron 2.0, Burnertron, Turbotron, Shockatron, Spiketron, Infernotron, Drilltron 2.0, Trappertron, Gamertron - Keytron, Digitron, Controlatron, Dumbbelltron, Boxertron, Tiaratron, Bulldozertron, Thieftron, Clawtron, Antennatron 2.0, and Railtron 2.0.

Devon Daniels: What the?! Now, we got clones of Evox and our old enemies?!

Suddenly, we saw a black portal manifest, and we knew who that was: another fragment of Universe 666 Sebastian's residual darkness.

Lincoln: Figures that he'd be involved.

Ravi Shaw: What a sore loser.

Suddenly, we got contacted by Roxy and Blaze.

Lincoln: Roxy, Blaze, what's up?

Roxy (Beast Morphers): We contacted you guys to tell you that this is the last remnant of Universe 666 Sebastian's residual darkness, and Blaze and I are heading to Gotham Royal York, we got news to share with you.

Lincoln: Thanks, Roxy. Alright, let's get them!

We flew out of the World Tree Estate, and he fired powerful rainbow energy blasts at the clones of Evox, Scrozzle, Robo-Blaze, Robo-Roxy, Vargoyle, Cycletron, Needletron, Shoveltron, Slicertron, Meltatron, Railtron, Vacuutron, Antennatron, Drilltron, Tooltron, Clonetron, Tubatron, Tubatron 2.0, Burnertron, Turbotron, Shockatron, Spiketron, Infernotron, Drilltron 2.0, Trappertron, Gamertron - Keytron, Digitron, Controlatron, Dumbbelltron, Boxertron, Tiaratron, Bulldozertron, Thieftron, Clawtron, Antennatron 2.0, and Railtron 2.0 and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers which opened up into large suctions, and one by one, he latched them onto the clones of Evox, Scrozzle, Robo-Blaze, Robo-Roxy, Vargoyle, Cycletron, Needletron, Shoveltron, Slicertron, Meltatron, Railtron, Vacuutron, Antennatron, Drilltron, Tooltron, Clonetron, Tubatron, Tubatron 2.0, Burnertron, Turbotron, Shockatron, Spiketron, Infernotron, Drilltron 2.0, Trappertron, Gamertron - Keytron, Digitron, Controlatron, Dumbbelltron, Boxertron, Tiaratron, Bulldozertron, Thieftron, Clawtron, Antennatron 2.0, and Railtron 2.0, and then, Lincoln began sucking them all into his body and absorbed them and he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants.

We returned back to The World Tree Estate and continued with our workouts.

Nico: I can't believe that sore loser created clones of the Beast Morpher Rangers' enemies.

Me: Yeah, he really is a sore loser.

Lincoln: You said it. But, we finally did it! We not only destroyed all of the remnants of Universe 666 Sebastian's residual darkness, but now, we're more than ready for when we go after Rita Repulsa and Lord Zedd in November.

Nico: Alright!

Just then, Blaze and Roxy arrived.

Lincoln: Blaze, Roxy.

Blaze (Beast Morphers): Hey, Lincoln, everyone.

Roxy (Beast Morphers): Awesome job getting rid of those clones, now we got some news that'll you'll want to hear.

Me: What's up?

Blaze (Beast Morphers): Our scanners have found Mindy, and she's hiding out in Coral Harbor.

We gasped.

Lincoln: Whoa, then, that's where we're heading tomorrow.

Nico: That bitch is finally going to get her just desserts after everything she's done!

We got a shower afterwards, and then, Lincoln, April May, Olivia Aldente, Sasha Buckler, and Juniper Woods are heading to Coral Capers.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And April May, Olivia Aldente, Sasha Buckler, and Juniper Woods are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out April May, Olivia Aldente, Sasha Buckler, and Juniper Woods all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

April May: Wow, so this is Coral Capers, it sure is beautiful.

Lincoln: It sure is, April May, and it's perfect for our first date. Shall we?

Lincoln, April May, Olivia Aldente, Sasha Buckler, and Juniper Woods dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and April May, Olivia Aldente, Sasha Buckler, and Juniper Woods got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to April May, Olivia Aldente, Sasha Buckler, and Juniper Woods and they hugged the girls in their abnormally massive and powerful muscular arms and April May, Olivia Aldente, Sasha Buckler, and Juniper Woods placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked April May, Olivia Aldente, Sasha Buckler, and Juniper Woods as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Coral Capers, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of April May, Olivia Aldente, Sasha Buckler, and Juniper Woods with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now April May, Olivia Aldente, Sasha Buckler, and Juniper Woods are in your harem, Linky.

April May, Olivia Aldente, Sasha Buckler, and Juniper Woods showed the marks Lincoln made on the right sides of their necks.

Eli: Wow, I knew April May, Olivia Aldente, Sasha Buckler, and Juniper Woods had feelings for him, and I knew he'd mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill April May, Olivia Aldente, Sasha Buckler, and Juniper Woods, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and Yuma killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled

and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip couldn't stop farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

Then Leni came in.

Leni: Guess who got a new parking spot in the school? Me!

Lincoln: Congratulations. Where is it?

Leni: Nowhere special. If you want to check it out later, it's parked right out front, space 294.

Poromon: I'm sorry, 294?

Leni: Yeah.

Poromon: That's my parking spot.

Lynn: Why do you have a parking spot? You park here in the estate.

Poromon: It doesn't matter. That's my spot.

Nico: Maybe they reassigned it because you never use it.

Poromon: Well, I'm not using my head feather, either. Maybe they should reassign that.

Leni: Poromon, someday, if you park in the school, I'm sure they'll give you another parking space.

Poromon: I don't want another parking space. I want my parking space. It's perfect. It's a corner spot, cutting the risk of door-dings in half. It's a mere 28 steps from the building entrance. The nearby tree provides shade on hot days and is also home to a delightful squirrel. Which is fortuitous because most squirrels are real jerks.

Leni: Fun story. Meanwhile, you still don't have a car.

Poromon: Don't try to change the subject. This is about a parking space. It has nothing to do with cars.

Leni: Are you listening to yourself?

Poromon: I always listen to myself. It's one of the great joys of my life. Now, get your car out of my spot.

Leni: Nope.

Poromon:Very well. You leave me no choice.

An hour later in The parking spot, Poromon is trying to push Leni's car out of the spot but to no avail. He then sees a squirrel watching him

Poromon: What are you looking at, you stupid squirrel?

Squirrel chittered angrily

Leni: You like can't push my car.

Later Leni walked into Nico's room angrily

Leni: Give it back.

Poromon: (smugly) I'm sorry, but could you be more specific?

Leni: My new sunglasses. Lori saw you take them. Give them back!

Poromon: Oh, that. Well, see, I wanted it, and you weren't using it. Apparently, those are the rules we live by now. Payback, it truly is a bitch, isn't it?

Leni: Poromon, that is a 50 dollar new article of clothing, and I want it back.

Poromon: I'd love to help you out, but unfortunately (puts sunglasses on), I'm using it.

Leni: Fine. I'm taking two of your beer bottles! (takes bottles and leaves)

Poromon: Go ahead. See what happens when Mr. Lynn catches you with them.

Manaphy came into Nico's room.

Manaphy: Nice sunglasses, Poromon.

Poromon: Thanks.

Nico was getting worried.

I was on the sofa talking to Kang about how and why he picked me and it was a random choice. But it was awesome.

Me: So I was picked out of random.

Kang: You sure were. And you have proved to be everything I dreamed of.

Me: No arguments on that. But I became more powerful than ever.

Lynn: Anyone thinking Leni and Poromon's feud might be getting out of hand?

Ed: I know. Poromon shouldn't have to suffer just because Leni's a bigger deal then he is.

Manaphy: What's that supposed to me?

Ed: Well, Leni contributes to the fashion store and she's part of the fashion brigade. What has Poromon done?

Manaphy: He's part of the mascots with me and has been sterring Nico in the right direction since they first met.

Ed: Oh yeah. Well, Leni has transformed several times. Poromon hasn't even once!

Manaphy: Well, him staying as he is can work since he can fit into tiny spaces!

Nico: Yeah no kidding.

Qin: Yeah I agree.

We were walking to the Mascots' liquor store.

Kit Taylor: So, this is your liqour store?

Poromon: Yep. You're gonna love it!

But when we entered, Poromon screamed. We saw Leni had repainted the store with pink colors and several fashion items were present.

Leni: Hey, Poromon!

Poromon: Look at what you've done! Nico, look at what she's done!

Nico: (laughs) Leni, what are you doing?

Eddy: (LAUGHS) Leni sure spruced the place up!

Leni: Well, he wasn't using it. And besides, I thought this place could use some redecorating.

Poromon: Get rid of these right now!

Leni: Give me back my sunglasses.

Poromon: You want your sunglasses back?! Give me back my parking space!

Leni: You don't need a parking space. You don't use it.

Poromon: Well, you don't need sunglasses if you don't use them!

Leni: Well, we appear to have reached an impasse. And you know, I have to say, I thought you'd be more upset with these shirts blocking the view of your beer.

Me: Okay you guys are ACTING RIDICULOUS! It's just a stupid parking space!

Nico: Lets just come to a comprimise. Leni you will get your own Parking spot and Poromon you will get your own.

Leni: This is more than just that! He can't get over the fact that I'm a better deal than he is!

Poromon: Oh, please! I have been with Nico since the beginning and helped him against the Digimon Emperor, I have opened up this liquor store, which could do without the decorations, and I have made sure people are aware to avoid Blood and Honey! (to Leni) Maybe you missed that while your ditzy mind just lets events wander by you!

(GASP!) OH NO HE DID NOT!

We gasped.

Me: Uh oh.

Eli: I got this.

Eli grabbed them.

Eli: Pardon me you two but I must discipline the nannygoats!

BLANG!

He bashed them on their heads!

Leni and Poromon: OUCH!

They had birds chirp around their heads.

Nico: You guys are acting like babies!

Leni: Can you believe this guy?

Lola: What I can't believe is how you're acting. This isn't like you.

Leni: Oh, like you guys haven't wanted to take him down a peg once in a while. Hey, don't hate on me for being the best in my business.

Me: Leni you are being ridiculous!

Ed: Yeah Leni all this over a parking space.

Varie: I agree there.

Ed: Besides there are MANY MORE parking spaces.

Manaphy: (to Ed): Says the guy who said an hour ago that Leni is more important than Poromon!

HHHHHHHHHOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOONN

Poromon, Manaphy and Leno screamed and covered their ears as Nico honked an air horn in front of their faces.

Me: OW! NICO WHAT ARE YOU TRYING TO DO BLOW OUR HEADS OFF!?

Nico: Sorry. But guys! STOP THIS FIGHTING OVER SOMETHING SO PETTY NOW!

Lynn: Actually, Ed, you DID say that.

Ed: Sorry.

Nico: Okay guys ENOUGH!

Lori: For God's sake, it's literally just a parking space!

Nico: Yeah! This is getting out of hand.

Qin: So lets just think of something to make everyone happy.

Nico: Poromon, Leni's actually right! You don't own that Parking Space since you don't even use it!

Me: You fly most of the time and you hardly even use your car.

Eli: Yeah!

Nico: And when you do use it, you park in the estate.

Poromon: Oh yeah.

Xenia: Yeah.

Qin: See?

Nico: And Leni, just because Poromon stole your sunglasses doesn't justify redecorating the liquor store.

Me: And Poromon those sunglasses don't look good on you.

I went and gave them back to her.

Me: Leni's sunglasses make her who she is.

Leni: Thanks J.D.

Me: And also Poromon Pink is a TERRIBLE color for a Liquor store.

Lucy Loud: I agree there. It's my least favorite color.

Poromon: See?!

Eli: Enough!

Poromon: (Whimpers)

Nico: How did you know about Leni wearing those glasses?

Me: She has always worn those glasses for as long as I can remember. Just like how all the goths hate the color pink. No offense Lola.

Lola: None taken.

Nico: Yeah. But still this fighting is pathetic

Poromon and Leni were guilty.

Nico: Now Poromon what do you have to say to Leni?

Me: And Leni what do you have to say to Poromon?

Leni and Poromon: Sorry.

Nico: And Ed, what do you have to say regarding Leni being better than Poromon?

Ed: Sorry.

Eddy: Real smooth Lumpy!

Nico: And Manaphy, what do you have to say regarding Poromon being better than Leni?

Manaphy: Sorry Nico.

Xenia: Good.

Poromon: Nico's right, Leni. To be the bigger person, I need to do the right thing. Therefore, you may use my spot until such time as I learn to use said spot.

Leni: That totes means a lot to me. Thanks.

Poromon: Good.

We were busy taking our time off, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls,

leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have any main missions, but I still got to keep myself busy.

Me: That's true, we're also doing work-outs just like you, Lincoln.

Nico: We finally took care of the clones of the Power Rangers' enemies and finally destroyed all of the remnants of Universe 666 Sebastian's residual darkness. Now, all that's left is to finally get rid of that last serial killer, Antonin Ruzicka, and then, tomorrow, we're go after Mandy's cousin, Mindy, and we are so going to make that bitch pay.

Lincoln: You got that right.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

Kiara Kessler: And since you're back, let's get going, today's the day of the bodybuilding competition.

Lincoln: Right.

We hustled on over to the gym, and today was the day of the bodybuilding competition. We knew it's gonna be a tough competition, but Lincoln was more than ready and we also had a team led by none other than Sebastian stationed outside in case that psychopathic serial killer, Antonin Ruzicka, dared to show up early. Then, the competition started, and Lincoln came out wearing orange posing trunks, and then, showed off big time by doing the many bodybuilding poses that he'd learned ever since he started out in bodybuilding, and of course, the bodybuilding poses that Lincoln's been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

Lincoln had gotten top scores in everything, and he won the trophy for first place.

Nico: Oh man, Lincoln, you really won the competition!

Me: Yep, he's won six years in a row!

Lincoln: Now, I can consider it seven years in a row.

Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lincoln: Now, then, now if I'm not mistaken, Antonin Ruzicka should be coming after us… right now!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Antonin Ruzicka, the last of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda. When we saw it, we knew it meant trouble.

Lincoln: Aha, Gotcha!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, the next person coming after us is Antonin Ruzicka, the last of the seven infamous serial killers and dark warlocks, and he's coming to get revenge on us for what happened to Tobias Svoboda.

Marie Nováková: (Czech Accent) That loser, I knew he'd be the next one we'd go after.

Lincoln: And it's just like I said, with Tobias Svoboda dead, Antonin Ruzicka is basically running around like headless chickens, and he's only wanting one thing: revenge. Unfortunately for them, their skills in black magic are nothing compared to ours, and we've dealt with those who've sold their souls to The Devil for dark powers before.

Me: It always ends with you stripping them of their powers and getting destroyed and sent to The Black Gates.

Eli: He never did that with The Order of The Black Cross nor The Chernabog Sisters, J.D., he flat-out killed them.

Lincoln: That's right.
